Volumes 109, 110, 111.

**ASSEMBLY :**

(See "PARLIAMENT.")

**ALLOCATION OF TIME FOR BUSINESS :**

(See "STANDING ORDERS: THE CLOSURE.")

Ministerial Statements by Mr. Baddeley, 1259, 1403.

Ministerial Statements by Mr. J. T. Lang, 29, 187, 1827, 2105.

**CHAIRMAN OF COMMITTEES (ROBERT JOHN GREIG, ESQUIRE), RULINGS AND OPINIONS OF :**

*Gaming and Betting Act:* An amendment to prohibit race meetings on Mondays to Fridays was a direct negative of a previous decision of the Committee and was therefore out of order, 1764; the fact that an amendment had been foreshadowed, but not stated from the Chair, did not preclude a clause from being agreed to, 1768.

*Liquor (Amendment) Bill:* The Committee having decided that liquor might be supplied with *bona fide* meals in licensed premises between 6 p.m. and 9 p.m., an amendment to limit the privilege to "special occasions" could not be accepted, 855. An amendment relating to the consumption of liquor in public halls was beyond the scope of the bill, 858; an amendment to amend section 80 of the Act was not within the scope of the bill, 858; an amendment to omit a portion of section 60 was beyond the scope of the bill, 863.

*Workmen's Compensation (Broken Hill) Bill:* An amendment to increase the amount to be paid to widows from £2 to £3 per week would increase the burden and go beyond the scope of the message and was therefore out of order, 1344.

**CHAIRMAN OF COMMITTEES, TEMPORARY :**

Mr. Speaker nominated Major Connell, Mr. Drummond, Mr. Jackson, Mr. Jaques, and Mr. O'Halloran, 2.

**CLERK OF THE ASSEMBLY :**

Vote challenged, 1768.

**ELECTIONS AND QUALIFICATIONS COMMITTEE :**

Mr. Speaker's warrant, appointing members, laid on table, 225.

Mr. Speaker's warrant, nominating members, 2.

**PREVIOUS QUESTION, THE :**

Motion by Mr. Jaques, 172.

**ASSEMBLY (continued) :**

**PRIVILEGE :**

Standing Order No. 281, motion by Mr. Bavin, 1328.

**PROCEDURE :**

Protest against, motion of urgency by Mr. Bavin, 1330.

**QUESTIONS :**

Curtalement of, *obs.* by Mr. Speaker, 765.

**SESSIONAL COMMITTEES :**

Appointed, 161, 256.

**SESSIONAL ORDERS :**

Sittings Days, 2.  
Suspended, 237, 2260, 2503.

**SPEAKER, MR. (JAMES DOOLEY, ESQUIRE), RULINGS AND OPINIONS OF :**

*Adjournment—Seasonal Felicities: Obs.*, 238.

*Allegations of Bribery against Members:* It had been the custom to allow questions addressed to the chairman of a select committee in reference to the business of the committee, 433.

*Allocation of Time for Debate:* A notice given by the Premier under standing order 175b relating to a number of items of business and announcing that two different items would be disposed of at the same time was apparently in order, 34. (*Vide* also, "Closure, The—Standing Orders," p. 79.)

*Assembly, The Clerk of: Obs.*, re leave and appointment of Acting Clerk, 2157.

*Atmosphere in the Chamber: Obs.*, 546.

*Charges against Members: Obs.*, 762.

*Closure, The—Standing Orders:* Standing Order 175B provided a method whereby every question necessary to bring to a close any discussion might be put at a specified time either in the House or in Committee. It did not follow that because the same time was fixed for the completion of the various stages of a bill all the questions must be put in the House because the closure had been carried in Committee. When bills were of the same kind and arising out of resolutions reported from Committee and agreed to by the House the Speaker would hold that it was in order to give notice of the closure for the same time in regard to the stages in the House and in Committee, but if notice were given to closure bills of a different character at the same time, he would hold that the notice was not in order, 79.

20 December, 1926, to 24 March, 1927.

**ASSEMBLY (continued):****SPEAKER, MR., RULINGS AND OPINIONS OF (ctd.):**

*Committees of Supply and Ways and Means:* It was competent for the Premier to move, without consent, to set up Committees of Supply and Ways and Means at a later hour of the day, 12, 13.

*Conduct in Ladies' Gallery:* Obs., 224.

*Dissent from Mr. Speaker's Ruling:* Obs., 1435, 1436.

*Error in Division List:* Obs., 79.

*Family Endowment Bill:* In strict accordance with the Standing Orders the Speaker should, before the third reading of a bill was passed declare that he has a certificate from the Chairman of Committees that the bill is in accordance with the bill as it left the Committee, 1326. (See also Police Regulation Amendment Bill, 1327.)

*Hansard, Proof of Speeches:* Obs., 1321.

*Industrial Arbitration Living Wage Declaration Bill:* It was out of order to quote from the debates of the current session, 2079.

*Motion of Censure—Urgency:* Only the question of urgency could be discussed on a motion of urgency. As only the mover of the motion could speak, it would be unfair to permit him to discuss the merits of the case at that stage, 11.

*Parliament House, Accommodation for Strangers:* Obs., 1154.

*Parliament House, Congestion in Corridors:* Obs., 387, 651.

*Parliament House, Ventilation:* Obs., 651, 876.

*Parliament House, Wages of Attendants, &c.:* Obs., 2072.

*Personal Explanation:* A member making a personal explanation could not attack another member, 1666.

*Protest against Procedure:* A motion recording disapproval of the action of the Government in forcing through business of great importance was out of order on the ground that it was trifling with the House. It was doubtful whether it was not moved for the purpose of obstructing business, 1331; dissent motion, obs., 1435, 1436.

*Question Time,* Obs., 589.

*Questions, Curtailment of:* Obs., 765.

*Sessional Order—Sitting Days:* An amendment censuring the Government for breach of faith and unconstitutional and illegal action in connection with the summoning of Parliament was absolutely irrelevant to a motion relating to sitting days and procedure, 4.

*Workers' Compensation Amendment Bill:* Discussion on the second reading should

**ASSEMBLY (continued):****SPEAKER, MR., RULINGS AND OPINIONS OF (ctd.):**

be restricted to the amendments embodied in the bill, but it had been the custom to allow a certain amount of discussion on the general principles involved, 1577.

**SPEAKER, MR.:**

Motions of dissent from ruling, by Mr. Levy, 1328; by Mr. Bavin, 1433.

**STANDING ORDERS:**

Certificate of Bill passing Committee, motion by Mr. Bavin, 1327.

Suspended, 2, 84, 948, 1229, 1374, 1442, 2075.

The Closure, obs. by Mr. Speaker, 79.

**TEMPORARY CHAIRMAN (HUGH JOHN CONNELL, ESQUIRE), RULINGS AND OPINIONS OF:**

*Family Endowment Bill:* An amendment to extend the benefits of the bill to children who are inmates of charitable institutions was covered by a further message from the Governor and was therefore in order, 1283; the amendment was within the order of leave, 1284.

*Metropolitan Milk Bill:* An amendment in the clause dealing with the short title and commencement of the Act, providing for a referendum precedent to the Act being brought into operation was not relevant to the clause and was therefore out of order, 2443.

*Newspaper Taxation:* A member could not move "the previous question" in Committee, 172, 175; an amendment having been moved and discussed precluded the moving of a prior amendment except with the unanimous consent of the Committee, 183.

*Pistol License Bill:* An amendment intended to bring pea-rifles within the scope of the bill was out of order on the ground that the bill dealt with pistols not with guns, 569.

**TEMPORARY CHAIRMAN (ROBERT EMMET O'HALLORAN, ESQUIRE), RULINGS AND OPINIONS OF:**

*Parliamentary Electorates and Elections Further Amendment Bill:* An amendment to strike out all but the introductory words of clause 2 and to substitute other words would be tantamount to negating the clause and it had frequently been ruled that such an amendment could not be accepted, 918; if clause 2 had been struck out a new clause could be proposed, but as the clause had been agreed to an amendment that would have the effect of negating it would be out of order, 920; an amendment covering one previously defeated could not be entertained, 947.
