MARITIME SERVICES BILL. (continued):—

Port of Newcastle Advisory Committee.

Clause 4. (1) For the purpose of giving advice and assistance to the Board in connection with the exercise and discharge of its powers, authorities, duties, functions and obligations so far as the same relate to the management, control and development of the Port of Newcastle, there shall be constituted a committee which is in this section referred to as the Advisory Committee. Advisory Committee, Port of Newcastle.

* * * * * [Read.]

Question proposed,—That the clause, as read, stand part of the Bill.

Motion made (*Mr. Baddeley*) to insert on line 32 after the word "giving" the words "effect to this Act there shall be constituted a Board which shall discharge all powers, authorities, duties, functions and obligations which relate to the management, control and development of the Port of Newcastle, and such Board shall consist of five members:—

- One to be a departmental officer (who shall be chairman) appointed by the Governor;
- One to be a representative of, and recommended by the local commercial and business interests;
- One to be a representative of, and recommended by the importing interests in the City of Newcastle;
- One to be a representative of, and recommended by the exporting interests in the City of Newcastle; and
- One to be an employees' representative, recommended by the local branch of the Maritime Union."

The Chairman having ascertained from the Honourable Member that, if the amendment were carried, he would move for the omission of the words "from "advice" on line 32 down to the word "Committee" on line 37, ruled that the amendment in its present form would make the clause unintelligible. He would, therefore, follow the established practice of the House and propose the question in the usual form where it was proposed to leave out certain words with a view of inserting other words in lieu thereof.

Question proposed,—That the words from "advice" on line 32 down to "Committee" on line 37 proposed to be left out stand part of the clause.

And it being after 12 o'clock noon, the time specified under Standing Order No. 175B for the completion of the Committee stage, remaining clauses and schedules of this Bill,—

Mr. Gollan moved, That the Question be now put.

Question put,—"That the Question be now put."

WEEKLY REPORT OF DIVISIONS

IN

COMMITTEE OF THE WHOLE.

(EXTRACTED FROM THE MINUTES.)

TUESDAY, 12 NOVEMBER, 1935

WHEAT AND WHEAT PRODUCTS BILL:—

Clause 1. (1) This Act may be cited as the "Wheat and Wheat Products Short title Act, 1935."

* * * * * [Read.]

Point of Order:—Mr. Foster submitted that the amendments as inserted in the Bill on *pro forma* committal were beyond the Order of Leave and outside the scope of the Bill.

The Chairman said that the only Bill with which he was concerned was the Bill now before him marked "Reported—after *pro forma* committal" he must have regard to Standing Order 256A, which laid down that on such recomittal the Bill should be considered as if committed for the first time. Following the uniform practice of the House the Chair must presume that the Bill as referred by the House to the Committee was in order and he, therefore, could not uphold the point raised.

Clause, as read, agreed to.

WHEAT AND WHEAT PRODUCTS BILL (*continued*):—

Clauses 2 to 4 having been dealt with,—

Clause 5. (1) There shall be a board to be called "The New South Wales Wheat Board" which shall consist of five members appointed by the Governor. Appointment and constitution of a board.

(2) Of the members so appointed—

- (a) two shall be persons who have had experience in the wheat trade, and shall be nominated by the Minister;
- (b) one shall be nominated by the Farmers and Settlers' Association of New South Wales;
- (c) one shall be nominated by the Agricultural Bureau of New South Wales; and
- (d) one shall be nominated by the Wheatgrowers' Union of New South Wales.

* * * * * [Read.]

Question proposed,—That the clause, as read, stand part of the Bill.

Motion made (*Mr. Tully*) to leave out from line 33 the words "two shall be persons who have" with a view of inserting "one shall be a person who has."

Question proposed,—That the words proposed to be left out stand part of the clause.

The Chairman having called attention to continued irrelevance on the part of the Honorable Member for Cessnock, ordered him to discontinue his speech.

And it being 10.15 p.m. the Chairman left the Chair to report progress.

WEDNESDAY, 13 NOVEMBER, 1935.

WHEAT AND WHEAT PRODUCTS BILL (*continued*):—*Same clause.**Same amendment.*

And the amendment having been agreed to,—

Motion made (*Mr. Tully*) to leave out from line 34, p. 1, the word "and" with a view of inserting the words "another shall be a representative of the consumers and shall be a person who is not engaged in the milling industry or the shipping industry. Both of such persons."

Question,—That the word proposed to be left out stand part of the clause,—put and negatived.

Question proposed,—That the words proposed to be inserted be so inserted.

Motion made (*Mr. James C. Ross*) to amend the amendment by leaving out the words "another shall be a representative" with a view to inserting the words "two shall be representatives."

Question put,—That the words proposed to be left out stand part of the amendment.

The Chairman stated his opinion that the *Ayes* had it. Whereupon Division called for; and the Chairman having, in accordance with Standing Order 213, directed the Members to take their seats to the right and left of the Chair respectively, declared the determination of the Committee to be in the *affirmative* as there were only nine members in the minority who had challenged his decision.

The following are the names of the members in the minority, viz.:—*Mr. Booth, Mr. Foster, Mr. Jackett, Mr. Lloyd, Mr. Ness, Mr. Reid, Mr. James C. Ross, Mr. Solomon, and Mr. Thomas.*

*Words stand.*Amendment on amendment *negatived.*

And the amendment having been agreed to.

Question put,—That the words proposed to be inserted be so inserted. Committee divided.

* * * * * [Read.]

Powers of board.

Question proposed,—That the clause, as read, stand part of the Bill.

Motion made (*Mr. Baddeley*) to insert after line 68, p. 2, a new paragraph as follows:—“(a) enter into agreements covering wages and conditions of employees engaged in the wheat industry.”

Point of Order:—Major Reid submitted that the amendment was outside the Order of Leave,—over-ruled by the Chairman.

Further Point of Order:—Mr. Lee submitted that the amendment portended to amend the Industrial Arbitration Act, and was, therefore, outside the Order of Leave. The Chairman ruled that as the amendment sought to deal with the wages and conditions of the employees of the farmer himself it was beyond the scope of the Bill, which dealt solely with the marketing of the farmers' product.

Motion made (*Mr. Solomon*) to insert in line 72, p. 2, after the word “thereby” the words “Provided that such wheat or warrants in respect of wheat **for home consumption** shall be disposed of at a price not greater than that of four shillings and nine pence per bushel within the State of New South Wales.”

And the amendment having been amended as indicated,—

Motion made (*Mr. Lloyd*) to further amend the amendment by adding at the end thereof the words “or world's parity price, whichever is the greater.”

Question proposed,—That the words proposed to be added to the amendment be so added.

And it being after 9.30 o'clock p.m., the time specified under Standing Order No. 175B for the completion of the Committee stage; clauses 5 to 22,—

WEEKLY REPORT OF DIVISIONS

IN

COMMITTEE OF THE WHOLE.

(EXTRACTED FROM THE MINUTES.)

WEDNESDAY, 20 NOVEMBER, 1935.

No. 1.

WAYS AND MEANS (*Financial Statement*):—

Resolution again proposed, as follows:—That towards making good the Supply granted to His Majesty for the Services of the financial year 1935-1936, there be granted out of the Consolidated Revenue Fund the sum of £772 as Supplement to the Schedules to the Constitution Act for the year 1935-1936.

Point of Order (in Debate):—Mr. James C. Ross submitted, that the matter to which the Premier was referring in his speech was *sub judice*, and that the Premier had expressed an opinion on the practice of Honorable Members making statements in the House which might be irresponsible, and which could be used outside for propaganda or attack, and that such statement of the Premier was likely to prejudice a trial in the court set down for next day.

The Chairman said that he had no personal knowledge of the case pending, and, so far as he could determine from the Premier's remarks, he did not think that they would prejudice the case.

Motion made (*Mr. James C. Ross*), That the Chairman leave the Chair to report a Point of Order, and ask leave to sit again as soon as the Point of Order has been decided by the House.

The Point of Order is:—That the Chairman was wrong in allowing the Honorable the Premier to discuss the propriety of Honorable Members of this House making statements and speeches in the House under privilege relating to the operations of the Milk Board and the possibility of subsequent abuse of such Parliamentary privilege by the re-publication of such speeches whilst a certain civil action is pending before the Supreme Court of New South Wales—such case being set down for hearing to-morrow, and in which the issue largely concerns statements made, in this House, by an Honorable Member, under cover of privilege.

The following table shows the results of the experiments conducted on the effect of temperature on the rate of reaction between hydrogen peroxide and potassium iodide. The reaction is catalyzed by the presence of a small amount of potassium iodide. The rate of reaction is measured by the volume of oxygen gas evolved in a given time.

Temperature (°C)	Volume of O ₂ (ml) in 5 minutes
10	10
20	20
30	40
40	80
50	160

It is seen from the above table that the rate of reaction increases with increase in temperature. This is because the molecules of the reactants possess more energy at higher temperature and hence they are able to overcome the activation energy barrier more easily.

The following table shows the results of the experiments conducted on the effect of concentration on the rate of reaction between hydrogen peroxide and potassium iodide. The reaction is catalyzed by the presence of a small amount of potassium iodide. The rate of reaction is measured by the volume of oxygen gas evolved in a given time.

Concentration of H ₂ O ₂ (M)	Volume of O ₂ (ml) in 5 minutes
0.1	10
0.2	20
0.3	30
0.4	40
0.5	50

It is seen from the above table that the rate of reaction increases with increase in concentration of the reactants. This is because there are more molecules of the reactants available to undergo the reaction at higher concentration.
