LANDLORD AND TENANT (AMENDMENT) BILL:—

Clauses 1 to 4 having been dealt with,—

Clause 5.

\* \* \* \* \*

(c) by inserting at the end of subsection one of section sixty-five the following proviso:—

Sec. 65.  
(Notice to quit where dwelling-house sold.)

Provided that in respect of any person who has, before the first day of January, one thousand nine hundred and fifty-two, become the lessor of prescribed premises being a dwelling-house or part of a dwelling-house, by purchase thereof either before or after the commencement of the Landlord and Tenant (Amendment) Act, 1949, the foregoing provisions of this subsection shall be read and construed as if—

(a) the words "six months" were omitted therefrom and the words "two years" were inserted in lieu thereof; and

(b) the words "unless, after the date of such agreement, he has given the lessee at least eighteen months' notice in writing of his intention to give such notice to quit" were inserted after the word "purchase" where thirdly occurring.

\* \* \* \* \* [Read.]

Question proposed,—That the clause, as read, stand part of the Bill.

Motion made (*Mr. Treall*) to leave out from proposed new proviso to section 65 of the Principal Act all the words from the word "Provided" down to and including the word "thereof" firstly occurring.

Question proposed,—That the words proposed to be left out stand part of the clause.

*Point of Order*:—Mr. C. E. Martin submitted that the form in which the amendment was proposed was not in order as it would leave the remainder of the proviso meaningless.

Mr. Martin later withdrew his objection.

The Temporary-Chairman (*Mr. Gorman*) stated that he felt the position should be made clear to the Committee. The Leader of the Opposition had indicated that he proposed to amend the clause by opposing the whole of the proviso to be added to section 65 of the Act, but desired, in the event of the Committee deciding that the proviso should remain in the Bill, to move for the omission of the words "either before or." The Temporary-Chairman then said that in order to preserve the right to deal with the second amendment which the Leader of the Opposition proposed to move should his first amendment be defeated, he would "test" the Committee in the first instance by putting the question as

moved. At this stage the debate would be confined to the general question of "notice to quit where dwelling-house sold." The question of the retrospective operation of the proviso could then be debated upon the second amendment.

Question put,—That the words proposed to be left out stand part of the clause.  
Committee divided.

## NEW SOUTH WALES.

## WEEKLY REPORT OF DIVISIONS

IN

## COMMITTEE OF THE WHOLE.

(EXTRACTED FROM THE MINUTES.)

WEDNESDAY, 29 JUNE, 1949, A.M.

## No. 1.

## EMERGENCY POWERS BILL:—

Clauses 1 and 2 having been dealt with,—

Clause 3. In this Act unless the context otherwise indicates or requires— Definitions.

“Area” means a city, municipality or shire constituted under the Local Government Act, 1919, as amended by subsequent Acts.

“Essential commodities” includes any article used for food or drink by man, wearing apparel and any commodity which the Governor by proclamation published in the Gazette declares to be an essential commodity.

“Essential services” means any of the following services, namely—

- (a) transport,
- (b) fuel,
- (c) light,
- (d) power,
- (e) water,
- (f) sewerage,
- (g) public health including medical and hospital,
- (h) any service which the Governor by proclamation published in the Gazette declares to be an essential service,

supplied or provided to the public by any person whomsoever.

“Regulations” means regulations made under this Act.

[Read.]

Question proposed,—That the clause, as read, stand part of the Bill.

Motion made (*Mr. Treatt*) to insert after the word “apparel” the word “coal.”

*Point of Order*:—*Mr. Cahill* submitted that it was not competent to list the item “coal” under the definition “Essential commodities” as the object of the Bill was not directed under this section to the matter of coal production.

The Chairman stated that, in his opinion, whilst the title of the Bill seemed to admit of amendments of the nature of the one proposed, he felt that upon consideration of the scope of the Bill, it must be conceded that some limitation must be placed upon such amendments in so far as they would have widened the scope of the Bill as contemplated by the Message from the Governor.

He added that, having listened to the contentions of the Government and the Opposition in respect to the interpretation to be placed upon the items listed in the Bill under the definition “Essential Commodities,” he was satisfied that, within the scope of the Bill, it would not have been possible to have included the item “Coal” under “Essential Commodities,” as the items under that definition applied to the point of consumption and not to the point of production. He also said that the proposed amendment was outside the Order of Leave, because its effect would have been to amend the Coal Industry Act, 1946.

He was therefore unable to accept the amendment, and ruled it out of order.

Mr. Treatt moved, That the Chairman leave the Chair to report a Point of Order, and ask leave to sit again, so soon as the Point of Order has been decided by the House—

The Point of Order is,—That the Chairman was wrong when he ruled that an amendment to insert the word “coal” under the definition of Essential Commodities was out of order as being outside the scope of the bill and beyond the order of leave.

Question put,—That the Chairman leave the Chair, and report a Point of Order.

Committee divided.
