(b) After section 18 (10), insert:

(10A) Subsections (1) and (2) do not authorise the court to grant an on-licence in relation to premises if the grant of the licence will result in there being an on-licence in force in relation to a motel at the same time as a separate on-licence is in force in relation to a restaurant at the motel. 25

(c) After section 18 (11), insert:

(a) liquor must not be sold or supplied except in the reception area of the motel (that is, the office or other area of the motel where persons are received for the purpose of the making of arrangements concerning accommodation at the motel); 40

(b) liquor may only be sold or supplied to a person who is a bona fide traveller and accommodated at the motel in accommodation consisting of or including a bedroom with separate sanitary and bathing facilities, for consumption in that accommodation (whether by that person or by an invited guest of that person);

(c) the liquor sold or supplied must have been purchased by the licensee under the motel licence from the holder of a hotelier's licence or an off-licence to sell liquor by retail;

(d) the volume of liquor sold or supplied to any one person on any one day must not exceed 2 litres.

## (4) Section 53A:

(4) In addition to any penalty that it may impose for the commission of an offence under this section, a court that convicts a child of such an offence may make an order requiring a parent of the child to pay:

- (b) within such time as the court may determine,

such amount as the court may determine by way of compensation for the damage caused by the commission of the offence.
