OCCUPATIONAL HEALTH AND SAFETY LEGISLATION (AMENDMENT) BILL:

WORKERS COMPENSATION (AMENDMENT) BILL:

*(Cognate Bills)*

WORKERS COMPENSATION (AMENDMENT) BILL:

Schedules 1 to 3 having been dealt with,—

Schedule 4.

SCHEDULE 4—MISCELLANEOUS AMENDMENTS

- •        •        •        •        •
- (6) Schedule 6, Part 4 (Provisions relating to weekly payments of compensation):

After clause 6, insert:

**Agreements for redemptions under section 15 of the former Act**

7. (1) For the purposes of section 15 of the former Act (as applied under clause 6), a lump sum payment to which a worker has agreed as a redemption of any liability referred to in that section is to be taken to have been determined by the Compensation Court under that section if the lump sum is paid to the worker.

(2) This Act, the Compensation Court Act 1984 and any other Act apply as if a Judge of that Court had made a determination in the terms of the agreement. Rules of the Compensation Court may be made for the recording of the agreement as a determination of that Court.

(3) This clause does not apply if the worker is under the age of 18 years when the agreement is made.

(4) This clause ceases to apply if the agreement is declared by any court to be void on any ground on which agreements generally may be declared void in accordance with law. The Compensation Court may, on a re-opening of the Court's determination under the Compensation Court Act 1984, declare the agreement void on any such ground (but not on any other ground).

(5) The Authority may, as a condition of any payment to an insurer from the Contribution Fund in respect of any such lump sum payment, require the insurer to provide such information (verified in such manner) as the Authority may require to ensure that the claim relates to the payment of compensation under this Act.

(6) This clause has effect despite section 272 (No contracting out).

(7) Nothing in this clause prevents an application being made to the Compensation Court for the determination of a lump sum payment under section 15 of the former Act in any case where an agreement has not been made for the payment of the lump sum (such as a case in which the Compensation Court is authorised by that section to dispense with the consent of the worker or the case of a worker under the age of 18 years).

(8) Part 18 of this Schedule does not have the effect of extending the application of this clause in respect of injuries received (after the commencement of Division 2 of Part 3 of this Act) by workers employed in or about a mine to which the Coal Mines Regulation Act 1982 applies.

(9) This clause does not apply to agreements made before the commencement of this clause.

No. 14

**WORKERS COMPENSATION (AMENDMENT) BILL** (*Consideration of Legislative Council amendment*):

The amendment—

Pages 20 and 21, Schedule 4, item (6). *Omit* the item.

**(6) Schedule 6, Part 4 (Provisions relating to weekly payments of compensation):**

After clause 6, insert:

**Agreements for redemptions under section 15 of the former Act**

7. (1) For the purposes of section 15 of the former Act (as applied under clause 6), a lump sum payment to which a worker has agreed as a redemption of any liability referred to in that section is to be taken to have been determined by the Compensation Court under that section if the lump sum is paid to the worker.

(2) This Act, the Compensation Court Act 1984 and any other Act apply as if a Judge of that Court had made a determination in the terms of the agreement. Rules of the Compensation Court may be made for the recording of the agreement as a determination of that Court.

(3) This clause does not apply if the worker is under the age of 18 years when the agreement is made.

(4) This clause ceases to apply if the agreement is declared by any court to be void on any ground on which agreements generally may be declared void in accordance with law. The Compensation Court may, on a re-opening of the Court's determination under the Compensation Court Act 1984, declare the agreement void on any such ground (but not on any other ground).

(5) The Authority may, as a condition of any payment to an insurer from the Contribution Fund in respect of any such lump sum payment, require the insurer to provide such information (verified in such manner) as the Authority may require to ensure that the claim relates the payment of compensation under this Act.

(6) This clause has effect despite section 272 (No contracting out).

(7) Nothing in this clause prevents an application being made to the Compensation Court for the determination of a lump sum payment under section 15 of the former Act in any case where an agreement has not been made for the payment of the lump sum (such as a case in which the Compensation Court is authorised by that section to dispense with the consent of the worker or the case of a worker under the age of 18 years).

(8) Part 18 of this Schedule does not have the effect of extending the application of this clause in respect of injuries received (after the commencement of Division 2 of Part 3 of this Act) by workers employed in or about a mine to which the Coal Mines Regulation Act 1982 applies.

(9) This clause does not apply to agreements made before the commencement of this clause.

Motion made (*Mr Fahey*) and question put,—That the Legislative Council amendment be disagreed to.

Committee divided.
