That the question of the price of wheat had not already been decided during this Session in the Necessary Commodities Control Act, and that the Wheat Acquisition Bill did not propose to amend the Necessary Commodities Control Act though it had a certain relevancy to it, 119.				
That the motion for the adjournment of the House to discuss the appointment, by Judge Edmunds, of Dr. August Scheidel as employers representative on an Industrial Court Wages Board,—(1) Was not attacking the conduct of the judge in his official capacity; (2) was a definite matter of urgent public importance; (3) would not anticipate the debate on a Notice of Motion on the Business Paper, 123.				
That the item on the Loan Estimates—Housing Scheme at Stockton, Newcastle, £20,000, was an infringement of the Public Works Act and could not be included in the Loan Estimates until a favourable report had been received from the Public Works Committee and adopted by Parliament, 137-8.				
That the item on the Loan Estimates—£40,000 for the purchase of Trawlers, being for a purchase and not for a Public Work, was not an evasion of the Public Works Act, and was in order, 138.

SPAKER (continued) :—				
RULINGS OF :—				
✓ That the question of the price of wheat had not already been decided during this Session in the Necessary Commodities Control Act; that the Wheat Acquisition Bill did not propose to amend the Necessary Commodities Act, though it had a certain relevancy to it, 119.				
✓ That the motion for the adjournment of the House to discuss the appointment by Judge Edmunds of Dr. August Scheidel as employers' representative on an Industrial Court Wages Board,—(1) Was not attacking the conduct of the judge in his official capacity; (2) was a definite matter of urgent public importance; (3) would not anticipate the debate on a Notice of Motion on the Business Paper, 123.				
✓ That the Item on the Loan Estimates,—Housing Scheme at Stockton, Newcastle, £30,000—was an infringement of the Public Works Act, and could not be included in the Loan Estimates until a favourable report had been received from the Public Works Committee and adopted by Parliament, 137-8.				
✓ That the Item on the Loan Estimates,—£40,000 for the purchase of Trawlers,—being for a purchase, and not for a Public Work, was not an evasion of the Public Works Act, and was in order, 133.
