NEW SOUTH WALES

Legislative Council

(FIRST SESSION OF THE FIFTY-FOURTH PARLIAMENT)

(Commencing 8 May 2007 and ending 22 December 2010)

ABSTRACT OF PETITIONS RECEIVED

All petitions received unless otherwise noted.

Date Presented	Place of Petitioners and Signatures	Presented by	Abstract of Requests
9 May 2007	142 citizens of New South Wales	Ms Sharpe	Requesting that the House take action to end wood chopping of southeast New South Wales native forests and close native forest wood chipping operations at the Eden chip mill.
9 May 2007	469 citizens of New South Wales	Ms Cusack	Requesting that the Government introduce a regular local passenger rail service on the Casino-Murwillumbah railway; immediately commence planning for a rail link from Murwillumbah to the Gold Coast; and investigate options to promote the expansion of rail freight.
9 May 2007	2,888 citizens of New South Wales	Ms Rhiannon	Similar request.
9 May 2007	95 citizens of New South Wales	Revd Mr Nile	Calling on the Government to enact laws requiring doctors to provide details of abortions performed and make available to the public on an annual basis accurate records, for independent medical practitioners to outline to women considering abortions the methods and risks of the procedure, to protect foetuses of 20 weeks gestation, and make resources available for post-abortion follow-up.
9 May 2007	51 citizens of New South Wales	Revd Dr Moyes	Similar request.
9 May 2007	12 citizens of New South Wales	Ms Hale	Requesting that the House urge the Government to withdraw the BASIX exemption for high-rise development, and require high-rise buildings to meet the same sustainability standards as free standing homes.
9 May 2007	7451 residents of, and visitors to, the Lower Clarence	Mr Donnelly	Requesting that the House urgently act on the need for improved health services for the rapidly growing populations of Yamba, Maclean, Iluka and surrounding areas.
9 May 2007	129 citizens of New South Wales	Revd Mr Nile	Requesting that the House observe and uphold the Commonwealth's exclusive power to make laws with respect to marriage, recognise the definition of marriage in the Marriage Act 1961 and defeat the Same-Sex Marriage Bill, Same-Sex Marriage (Dissolution and Annulment) Bill and Same-Sex Marriage (Celebrant and Registration) Bill.
9 May 2007	114 citizens of New South Wales	Revd Dr Moyes	Similar request.

Date Presented	Place of Petitioners and Signatures	Presented by	Abstract of Requests
9 May 2007	101 residents of, and visitors to, Mosman	Mr Cohen	Requesting that the House call upon the Government to request that Mosman Council cease using herbicides for weed control in Wyargine Reserve due to its negative impact on the local flora and fauna and marine life.
9 May 2007	178 citizens of New South Wales	Revd Mr Nile	Praying that the House will preserve the rights and freedoms enjoyed by Christians in New South Wales and vote against the Anti-Discrimination Amendment (Removal of Exemptions) Bill which would compromise the right of religious organisations to employ persons of the same belief.
9 May 2007	179 citizens of New South Wales	Revd Dr Moyes	Similar request.
9 May 2007	265 citizens of New South Wales	Ms Rhiannon	Requesting that the House support legislation to prevent large corporate donations to political parties and individual candidates seeking election to parliament.
9 May 2007	329 citizens of New South Wales	Ms Rhiannon	Requesting that the House take urgent action to ensure Sydney's water supply is sustainable and other programs are implemented before money is spent on an expensive and environmentally unfriendly desalination plant.
9 May 2007	20 citizens of New South Wales	Revd Dr Moyes	Requesting that the Government abandon its plans to build a desalination plant in Kurnell or Sydney's East; instead creating a sustainable water system for Sydney, based on, harvesting storm water, recycling water, and reclaiming and treating water that is pumped out to sea.
9 May 2007	19 citizens of New South Wales	Ms Rhiannon	Praying that the House will call on the Government to ban the use of cyanide leaching mining methods because of its threat to people's health and the environment.
9 May 2007	473 citizens of New South Wales	Ms Rhiannon	Requesting that the Barrington Tops State Forest and Conservation Areas be made a National Park to protect the area from mining and that the House require an environmental impact statement for mining activities within the area.
9 May 2007	78 citizens of New South Wales	Ms Rhiannon	Praying that the House call on the Government to halt the Cowal Gold Mining Project and not grant further approvals for a gold mine at Lake Cowal, stating that the development poses environmental risks and would desecrate sacred ceremonial grounds.
9 May 2007	1,293 citizens of New South Wales	Ms Rhiannon	Irregular petition—Requesting that the House regulate egg labelling laws that differentiate between caged, barn and free range eggs through an on farm auditing system.
10 May 2007	22 citizens of New South Wales	Revd Mr Nile	Praying that the House will respect the rights and responsibilities of parents by rejecting proposals to increase government control over families that take away a parent's choice to use corporal discipline in the home.
10 May 2007	21 citizens of New South Wales	Revd Mr Nile	Requesting that the House support the Alcoholic Beverages Advertising Prohibition Bill because of alcohol's destructive nature in the community.
29 May 2007	168 residents of, and visitors to, the municipality of Mosman	Mr Cohen	Requesting that the Government review the draft Mosman Local Environment Plan that seeks to make changes to vehicle access to bushland bordering Wyargine Reserve and recommend the deletion of this addition.
30 May 2007	26 citizens of New South Wales	Revd Mr Nile	Calling on the Government to enact laws requiring doctors to provide details of abortions performed and make available to the public on an annual basis accurate records, for independent medical practitioners to outline to women considering abortions the methods and risks of the procedure, to protect fetuses of 20 weeks gestation, and make resources available for post-abortion follow-up.

Date Presented	Place of Petitioners and Signatures	Presented by	Abstract of Requests
5 June 2007	799 citizens of New South Wales	Ms Hale	Requesting that the House convey their objections to the Minister for Lands and the Minister for Planning regarding multiple parts of Killalea State Park being leased to private interests for 52 years.
5 June 2007	83 citizens of New South Wales	Revd Mr Nile	Calling on the Government to enact laws requiring doctors to provide details of abortions performed and make available to the public on an annual basis accurate records, for independent medical practitioners to outline to women considering abortions the methods and risks of the procedure, to protect foetuses of 20 weeks gestation, and make resources available for post-abortion follow-up.
20 June 2007	1,942 citizens of New South Wales	Ms Hale	Requesting that the House convey their objections to the Minister for Lands and the Minister for Planning regarding multiple parts of Killalea State Park being leased to private interests for 52 years.
26 June 2007	32 citizens of New South Wales	Revd Mr Nile	Calling on the Government to enact laws requiring doctors to provide details of abortions performed and make available to the public on an annual basis accurate records, for independent medical practitioners to outline to women considering abortions the methods and risks of the procedure, to protect foetuses of 20 weeks gestation, and make resources available for post-abortion follow-up.
27 June 2007	2,383 citizens of New South Wales	Ms Hale	Requesting that the House convey their objections to the Minister for Lands and the Minister for Planning regarding multiple parts of Killalea State Park being leased to private interests for 52 years.
28 June 2007	156 citizens of New South Wales	Ms Voltz	Requesting that the House amend the Boxing and Wrestling Control Act 1986 to allow women to compete in New South Wales as it is the only state in Australia to have legislated the exclusion of female boxing matches.
28 June 2007	1,628 citizens of New South Wales	Ms Rhiannon	Requesting that the Government introduce a regular local passenger rail service on the Casino-Murwillumbah railway; immediately commence planning for a rail link from Murwillumbah to the Gold Coast; and investigate options to promote the expansion of rail freight.
28 June 2007	20 citizens of New South Wales	Miss Gardiner	Stating their opposition to rental structure changes of Crown land leases, particularly enclosed road permits and requesting that increases be withdrawn and consultation with landholders begin with a view to implementing a new mutually acceptable, fair system.
28 June 2007	992 citizens of New South Wales	Ms Hale	Requesting that the House convey their objections to the Minister for Lands and the Minister for Planning regarding multiple parts of Killalea State Park being leased to private interests for 52 years.
26 September 2007	20 citizens of New South Wales	Mr Mason-Cox	Requesting that the House instigate a committee inquiry into the administration of Greyhound Racing NSW.
26 September 2007	30 citizens of New South Wales	Revd Mr Nile	Calling on the Government to enact laws requiring doctors to provide details of abortions performed and make available to the public on an annual basis accurate records, for independent medical practitioners to outline to women considering abortions the methods and risks of the procedure, to protect foetuses of 20 weeks gestation, and make resources available for post-abortion follow-up.
26 September 2007	15 citizens of New South Wales	Ms Westwood	Requesting that the House urgently consider implementing the recommendations contained in the report of the NSW Aboriginal Child Sexual Assault Taskforce titled 'Breaking the Silence: Creating the Future' and objecting to the Government's response to child abuse in the Indigenous community of New South Wales.
26 September 2007	2672 citizens of New South Wales	Ms Hale	Requesting that the House convey their objections to the Minister for Lands and the Minister for Planning regarding multiple parts of Killalea State Park being leased to private interests for 52 years.
26 September 2007	1,221 citizens of New South Wales	Ms Voltz	Requesting that the House amend the Boxing and Wrestling Control Act 1986 to allow women to compete in New South Wales as it is the only state in Australia to have legislated the exclusion of female boxing matches.

Date Presented	Place of Petitioners and Signatures	Presented by	Abstract of Requests
26 September 2007	29 citizens of New South Wales	Revd Mr Nile	Requesting that the House observe and uphold the Commonwealth's exclusive power to make laws with respect to marriage, recognise the definition of marriage in the Marriage Act 1961 and defeat the Same-Sex Marriage Bill, Same-Sex Marriage (Dissolution and Annulment) Bill and Same-Sex Marriage (Celebrant and Registration) Bill.
26 September 2007	42 citizens of New South Wales	Ms Voltz	Requesting that the House display the Aboriginal and Torres Strait Islander flags along with the New South Wales and Australian flags in the Legislative Council Chamber.
27 September 2007	5,652 citizens of New South Wales	Ms Hale	Requesting that the House convey their objections to the Minister for Lands and the Minister for Planning regarding multiple parts of Killalea State Park being leased to private interests for 52 years.
27 September 2007	1,130 citizens of New South Wales	Ms Pavey	Requesting that the House call upon the Government, to prevent any takeover of the Queanbeyan Showground for the purpose of using it as a car park for the Government office block.
16 October 2007	447 citizens of New South Wales	Ms Cusack	Requesting that the Government introduce a regular local passenger rail service on the Casino-Murwillumbah railway; immediately commence planning for a rail link from Murwillumbah to the Gold Coast; and investigate options to promote the expansion of rail freight.
16 October 2007	80 citizens of New South Wales	Dr Kaye	Requesting that the House oppose the proposed desalination plant at Kurnell, oppose new coal fired electricity generation plants, invest in public transport and rail freight, commit to renewable energy projects and ensure that New South Wales achieves a sustainable energy economy.
16 October 2007	387 citizens of New South Wales	Mr Ajaka	Requesting that the House support all measures to abolish the booking fee tax charged when pensioners use their free travel vouchers to book train travel on CountryLink rail services.
16 October 2007	501 citizens of New South Wales	Ms Rhiannon	Requesting that the Barrington Tops State Forest and Conservation Areas be made a National Park to protect the area from mining and that the House require an environmental impact statement for mining activities within the area.
16 October 2007	79 citizens of New South Wales	Dr Kaye	Requesting that the House take urgent action to ensure Sydney's water supply is sustainable and other programs are implemented before money is spent on an expensive and environmentally unfriendly desalination plant.
16 October 2007	1,060 citizens of New South Wales	Dr Kaye	Requesting that the House oppose the construction of the desalination plant at Kurnell and urge the Government to develop other cost-effective, environmentally friendly measures to ensure a sustainable water supply for Sydney.
16 October 2007	1,000 citizens of New South Wales	Mr Cohen	Irregular petition—Requesting that the House call upon the Government to ensure that Stage 2 of the Lismore Base Hospital redevelopment is completed by the first half of 2008 so public cancer patients living in the north coast region of New South Wales have shorter distances to travel.
17 October 2007	675 citizens of New South Wales	Mr Cohen	Similar request.
18 October 2007	11,223 citizens of New South Wales	Mr Donnelly	Requesting that the House call on the Government to introduce legislation to preserve free, safe parking for retail workers of Westfield Liverpool.
18 October 2007	208 citizens of New South Wales	Ms Voltz	Requesting that the House amend the Boxing and Wrestling Control Act 1986 to allow women to compete in New South Wales as it is the only state in Australia to have legislated the exclusion of female boxing matches.

26 June 2008	76 citizens of New South Wales	Mrs Pavey	Requesting that the House call on the Minister for Planning to listen to community concerns and extend the public consultation process in regards to the proposed Herons Creek peaking power plant.
26 June 2008	19 citizens of New South Wales	Mrs Pavey	Requesting that the House provide kidney dialysis patients in the Cooma region with the resources required to undergo their life saving treatment locally.
28 August 2008	301 citizens of New South Wales	Dr Kaye	Requesting that the House oppose electricity privatisation.
23 September 2008	23 citizens of New South Wales	Ms Hale	Requesting that the House will reflect principles of strengthening environmental protections, encouraging community input and removing conflicts of interest when considering changes to the Environmental Planning and Assessment Act 1979.
23 September 2008	19 citizens of New South Wales	Ms Hale	Requesting that the House urge the Government to withdraw the BASIX exemption for high-rise development, and require high-rise buildings to meet the same sustainability standards as free standing homes.
23 September 2008	104 citizens of New South Wales	Ms Rhiannon	Irregular petition—Calling upon the Government to not proceed with the proposed M4 East Tollway as it will lead to a significant increase in traffic congestion and pollution, instead extending the light rail service along the disused freight line from Lilyfield to Dulwich Hill, and providing the infrastructure for bicycles along the Green Way Corridor.
24 September 2008	203 citizens of New South Wales	Mr Tsang	Calling upon the Government to retain the heritage listing of the Chinese Market Gardens at La Perouse and request that the Department of Lands signpost it as being a heritage site and give the current market gardeners longer tenure on the land to allow for improved land use.
22 October 2008	342 citizens of New South Wales	Ms Parker	Irregular petition—Requesting the reinstatement of a public infants school in Naremburn due to an increase in the population of children under 4 in the Naremburn locality by 56% since 1996.
28 October 2008	225 citizens of New South Wales	Ms Cusack	Requesting that the House reject certain legislation concerning retirement villages because the proposals are unjust and threaten the well-being of thousands of older citizens.

Date Presented	Place of Petitioners and Signatures	Presented by	Abstract of Requests
30 October 2008	188 citizens of New South Wales	Ms Cusack	Similar request.
13 November 2008	189 citizens of New South Wales	Ms Cusack	Similar request.
25 November 2008	15440 citizens of New South Wales	Mrs Pavey	Requesting that the House call on the Minister for Lands and the Minister for Planning to listen to the community's concerns about Westport Park in Port Macquarie and reject any proposal to allow foreshore reserve areas to be used for commercial development.
2 December 2008	812 citizens of New South Wales	Ms Voltz	Requesting that the House instate a permanent, user-friendly bus service to link the Rathmines, Arcadia Vale and Wangi Wangi areas with the railway station at Morriset.
2 December 2008	83 citizens of the Coonamble Shire and neighbouring shires	Mr Colless	Requesting that the House reverse the decision of the Department of Primary Industries not to fill the position of Technical Assistant at Coonamble.
3 December 2008	305 residents of New South Wales	Mrs Pavey	Requesting that the House call on the Government to recognise that the Snowy Mountains Trout Fishery brought \$70 million into the local economy and has over 35,000 visitors each year, and to work with the local community and the Liberal/National Coalition to ensure that the hatchery remains open.
3 March 2009	287 citizens of New South Wales	Mr Gay	Requesting that the House call on the Premier to honour the Government's commitment that all Greater Western Area Health Service bills be paid within the deadline of 45 days and that the Government provide universal health services to the people of New South Wales, regardless of where they live.
3 March 2009	34 citizens of New South Wales	Dr Kaye	Requesting that the House oppose electricity privatisation.
3 March 2009	6 citizens of New South Wales	Revd Mr Nile	Requesting that the House conduct an inquiry into the development application to the Council of Camden for a primary and secondary school, considering the interests of the community, and calling for the suspension of the application until information about the competency of the landowner and prospective school proprietor are fully ascertained.
3 March 2009	129 citizens of New South Wales	Ms Rhiannon	Requesting that the Government introduce a regular local passenger rail service on the Casino-Murwillumbah railway and commence planning for a rail link from Murwillumbah to the Gold Coast.
4 March 2009	239 citizens of New South Wales	Ms Voltz	Requesting that the House instate a permanent, user-friendly bus service to link the Rathmines, Arcadia Vale and Wangi Wangi areas with the railway station at Morriset.
4 March 2009	491 citizens of New South Wales	Mr Lynn	Stating that the Government has neglected to address the problem of car parking in the shopping vicinity of Cabramatta which is impacting on the development of local businesses and requesting that the House support the call to the local council and the local member to urgently build a new car park.
4 March 2009	132 citizens of New South Wales	Ms Rhiannon	Irregular petition—Requesting that the House regulate labelling laws that differentiate between caged, barn and free range eggs through an on farm auditing system, in keeping with trade practices and fair trading legislation.
5 March 2009	1189 citizens of New South Wales	Ms Sharpe	Stating that the Government reconsider the proposed closure of the Department of Primary Industries' Gosford Primary Industries Institute, Centre of Excellence for Market Access and Greenhouse Horticulture at Narara as the research facility is crucial to the Central Coast community and requesting that the House stop the closure of the Institute.

Date Presented	Place of Petitioners and Signatures	Presented by	Abstract of Requests
11 March 2009	39 citizens of New South Wales	Mrs Pavey	Requesting that the House call on the Government to recognise that the Snowy Mountains Trout Fishery brought \$70 million into the local economy and has over 35,000 visitors each year, and to work with the local community and the Liberal/National Coalition to ensure that the hatchery remains open.
12 March 2009	125 residents of New South Wales	Mrs Pavey	Requesting that the House ensure Dalgety has a mobile phone network installed as soon as possible.
24 March 2009	30 residents of New South Wales	Mr Gay	Raising concerns that the Government plans to close the Gaden Trout Hatchery at Jindabyne and sell the land, and requesting that the House call on the Government not to close or sell the Hatchery as it is vital for ongoing research in the field of agriculture, and ensure that staff employed at the Hatchery are guaranteed their positions.
31 March 2009	38 residents of New South Wales	Mrs Pavey	Requesting that the House acknowledge the importance of investing in the Kings Highway and prioritise its upgrade.
2 April 2009	2700 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of all new proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, "The Torn Blue Fringe", as a document for consideration by the Parliament.
5 May 2009	140 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to place an immediate moratorium on current Livestock Health and Pest Authority rates until they are re-issued on a fairer basis and ensure that the Livestock Health and Pest Authority maintains the same level of service as the old Rural Lands Protection Board.
5 May 2009	2 residents of New South Wales	Mr Cohen	Requesting that the House ensure current and future budgets will be based on the need for the timely provision of services for people with a disability to improve their wellbeing and quality of life.
5 May 2009	809 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of all new proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, "The Torn Blue Fringe", as a document for consideration by the Parliament.
7 May 2009	804 residents of New South Wales	Mrs Pavey	Stating that the strategic fire burn application at Weemala Avenue, Linden that was prepared four years ago and has been before the Blue Mountains Council for two years, has not been acted upon, creating a significant fire risk for local residents, and requesting that the House call on the Government to recognise the urgency of the situation and ensure the application is approved and carried out as soon as possible.
7 May 2009	222 residents of New South Wales	Mrs Pavey	Concerned that the Government has failed to include the expansion of the Port Macquarie Base Hospital in a list of projects seeking funding from the \$10 billion federal health and hospital fund and requesting that the House support the establishment of a Port Macquarie community action group to ensure that the expansion of the Hospital, including the fourth pod, is built so that lives are no longer at risk.
12 May 2009	1092 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of all new proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, "The Torn Blue Fringe", as a document for consideration by the Parliament.

Date Presented	Place of Petitioners and Signatures	Presented by	Abstract of Requests
12 May 2009	114 citizens of New South Wales	Ms Voltz	Concerned that Victorian trade barriers and restrictive water resource policies will unfairly burden New South Wales with Federal Government purchases of water resulting in a loss of irrigation water resources, employment opportunities and economic benefits for its citizens and requesting that the House call on the Government to urge the Victorian Government to amend its policies to ensure a fair and just parity between New South Wales and Victoria.
12 May 2009	210 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to place an immediate moratorium on current Livestock Health and Pest Authority rates until they are re-issued on a fairer basis and ensure that the Livestock Health and Pest Authority maintains the same level of service as the old Rural Lands Protection Board.
12 May 2009	181 citizens of North Eastern New South Wales	Mr Cohen	Concerned that the proposed Repco World Championship Rally course poses a significant threat to the natural environment of both Tweed and Kyogle Shires and requesting that the House reject the current Rally and replace it with alternative, environmentally-friendly events that will promote long-term ecotourism.
13 May 2009	1,475 residents of New South Wales	Ms Voltz	Requesting that the House support the alteration of the changes to the 311 bus service route so that the bus stops at Circular Quay and traverses Ithaca Road, Billyard Avenue and Onslow Avenue in Elizabeth Bay.
13 May 2009	810 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of all new proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, "The Torn Blue Fringe", as a document for consideration by the Parliament.
14 May 2009	36 citizens of New South Wales	Ms Parker	Requesting that the House instate a permanent, user-friendly bus service to link the Rathmines, Arcadia Vale and Wangi Wangi areas with the railway station at Morrisset.
2 June 2009	130 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to place an immediate moratorium on current Livestock Health and Pest Authority rates until they are re-issued on a fairer basis and ensure that the Livestock Health and Pest Authority maintains the same level of service as the old Rural Lands Protection Board.
2 June 2009	16 citizens of New South Wales	Ms Parker	Similar request.
2 June 2009	66 residents of New South Wales	Mr Cohen	Requesting that the House ensure current and future budgets will be based on the need for the timely provision of services for people with a disability to improve their wellbeing and quality of life.
2 June 2009	420 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of all new proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, "The Torn Blue Fringe", as a document for consideration by the Parliament.
2 June 2009	43 residents of New South Wales	Ms Rhiannon	Requesting that the House call on the Premier to decriminalise abortion and refer the matter to the NSW Law Reform Commission for inquiry.
2 June 2009	468 citizens of North Eastern New South Wales	Mr Cohen	Irregular petition—Requesting that the House call on the Government to cancel the proposed Repco World Championship Rally in Tweed and Kyogle Shires as it is likely to breach the Environmental Protection and Biodiversity Act 1999, and replace it with an environmentally-friendly event, promoting long-term ecotourism in the shires that would involve investing in bicycle tracks and walking paths in scenic areas.

Date Presented	Place of Petitioners and Signatures	Presented by	Abstract of Requests
2 June 2009	1323 residents of Southwest Sydney	Ms Rhiannon	Irregular petition—Requesting that the House call on the Government to provide sound mitigation barriers along the Casula – Liverpool rail corridor that do not destroy the local visual amenity.
3 June 2009	443 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of newly proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, “The Torn Blue Fringe”, as a document for consideration by the Parliament.
16 June 2009	407 citizens of North Eastern New South Wales	Mr Cohen	Concerned that the proposed Repco World Championship Rally course poses a significant threat to the natural environment of both Tweed and Kyogle Shires and requesting that the House reject the current Rally and replace it with alternative, environmentally-friendly events that will promote long-term ecotourism.
16 June 2009	126 citizens of New South Wales	Dr Kaye	Requesting that the House oppose electricity privatisation.
16 June 2009	219 citizens of North Eastern New South Wales	Mr Cohen	Irregular petition—Requesting that the House call on the Government to cancel the proposed Repco World Championship Rally in Tweed and Kyogle Shires as it is likely to breach the Environmental Protection and Biodiversity Act 1999, and replace it with an environmentally-friendly event, promoting long-term ecotourism in the shires that would involve investing in bicycle tracks and walking paths in scenic areas.
17 June 2009	64 residents of New South Wales	Mr Colless	Requesting that the House call on the Minister for Transport to review the Busways Group Pty Ltd bus route that came into effect on 30 March 2009 as this new timetable for South Grafton and Grafton has compromised the safety and quality of life for disabled and elderly passengers as well as affecting the transport of school children.
17 June 2009	41 residents of New South Wales	Mrs Pavey	Requesting that the House call on the Government to recognise that the Snowy Mountains Trout Fishery brought \$70 million into the local economy and has over 35,000 visitors each year, and to work with the local community and the Liberal/National Coalition to ensure that the hatchery remains open.
17 June 2009	173 residents of New South Wales	Mr Cohen	Requesting that the House ensure current and future budgets will be based on the need for the timely provision of services for people with a disability to improve their wellbeing and quality of life.
17 June 2009	282 citizens of North Eastern New South Wales	Mr Cohen	Concerned that the proposed Repco World Championship Rally course poses a significant threat to the natural environment of both Tweed and Kyogle Shires and requesting that the House reject the current Rally and replace it with alternative, environmentally-friendly events that will promote long-term ecotourism.
17 June 2009	108 citizens of North Eastern New South Wales	Mr Cohen	Irregular petition—Requesting that the House call on the Government to cancel the proposed Repco World Championship Rally in Tweed and Kyogle Shires as it is likely to breach the Environmental Protection and Biodiversity Act 1999, and replace it with an environmentally-friendly event, promoting long-term ecotourism in the shires that would involve investing in bicycle tracks and walking paths in scenic areas.
18 June 2009	1799 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of newly proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, “The Torn Blue Fringe”, as a document for consideration by the Parliament.
18 June 2009	459 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to place an immediate moratorium on current Livestock Health and Pest Authority rates until they are re-issued on a fairer basis and ensure that the Livestock Health and Pest Authority maintains the same level of service as the old Rural Lands Protection Board.

Date Presented	Place of Petitioners and Signatures	Presented by	Abstract of Requests
18 June 2009	98 citizens of North Eastern New South Wales	Mr Cohen	Concerned that the proposed Repco World Championship Rally course poses a significant threat to the natural environment of both Tweed and Kyogle Shires and requesting that the House reject the current Rally and replace it with alternative, environmentally-friendly events that will promote long-term ecotourism.
23 June 2009	529 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of newly proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, "The Torn Blue Fringe", as a document for consideration by the Parliament.
23 June 2009	30 residents of Leichhardt	Mr Harwin	Stating their opposition to the decision to reduce the hours of operation of Balmain Hospital from a 24 hours a day service to the opening hours of 8.00 am to 10.00 pm and requesting that the House calls on the Department of Health to reinstate the 24 hour service immediately.
23 June 2009	175 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to place an immediate moratorium on current Livestock Health and Pest Authority rates until they are re-issued on a fairer basis and ensure that the Livestock Health and Pest Authority maintains the same level of service as the old Rural Lands Protection Board.
24 June 2009	208 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of newly proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, "The Torn Blue Fringe", as a document for consideration by the Parliament.
1 September 2009	238 residents of New South Wales	Mr Gay	Similar request.
1 September 2009	15 citizen of New South Wales	Dr Kaye	Requesting that the House oppose electricity privatisation.
1 September 2009	3474 residents of New South Wales	Mr Harwin	Stating opposition to the closure of Malabar Police Station and requesting that the House call on the Government to reverse its decision and maintain it as a fully-staffed police station.
1 September 2009	80 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to place an immediate moratorium on current Livestock Health and Pest Authority rates until they are re-issued on a fairer basis and ensure that the Livestock Health and Pest Authority maintains the same level of service as the old Rural Lands Protection Board.
1 September 2009	117 citizens of New South Wales	Mr Cohen	Requesting that the House maintain New South Wales' status as a GM-crop-free state and investigate more stringent labeling on products already containing GM strains.
1 September 2009	144 citizens of New South Wales	Dr Kaye	Stating that the government's plan to sell farm land at Hurlstone Agricultural High School will have devastating consequences on the future of agricultural education and requesting that the House oppose the plan, call on the government to recognise the importance of the school to the state's future food security and protect the local community from increased traffic and air pollution caused by the development.
1 September 2009	33 residents of New South Wales	Mr Cohen	Requesting that the House ensure current and future budgets will be based on the need for the timely provision of services for people with a disability to improve their wellbeing and quality of life.
1 September 2009	22 citizens of New South Wales	Dr Kaye	Requesting that the House oppose plans to privatise electricity and calls on the government to instruct publicly-owned generators to move away from coal and replace it with cleaner sources of power as well as work with consumers to reduce electricity demand.

Date Presented	Place of Petitioners and Signatures	Presented by	Abstract of Requests
1 September 2009	211 citizens of New South Wales	Dr Kaye	Requesting that the House continue to support legislation that prevents the publication of simplistic league tables and calls on the Government to work with other states and the federal government to nationally prohibit the publication of these tables.
2 September 2009	810 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of newly proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, "The Torn Blue Fringe", as a document for consideration by the Parliament.
2 September 2009	100 residents of New South Wales	Mr Cohen	Requesting that the House ensure current and future budgets will be based on the need for the timely provision of services for people with a disability to improve their wellbeing and quality of life.
2 September 2009	176 residents of New South Wales	Mrs Pavey	Stating that Dalgety has been waiting for proper mobile phone reception for far too long, that the Government should act quickly on Telstra's application for Dalgety for funding under the New South Wales Community Broadband Development Program and praying that the House ensure Dalgety has a mobile phone network installed as soon as possible.
3 September 2009	870 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of newly proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, "The Torn Blue Fringe", as a document for consideration by the Parliament.
3 September 2009	59 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to place an immediate moratorium on current Livestock Health and Pest Authority rates until they are re-issued on a fairer basis and ensure that the Livestock Health and Pest Authority maintains the same level of service as the old Rural Lands Protection Board.
3 September 2009	515 residents of New South Wales	Ms Rhiannon	Irregular petition—Requesting that the Transport Administration Act 1988 be amended to allow international students to access public transport in New South Wales at the same rate as domestic students.
8 September 2009	756 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of newly proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, "The Torn Blue Fringe", as a document for consideration by the Parliament.
8 September 2009	56 citizen of New South Wales	Dr Kaye	Requesting that the House continue to support legislation that prevents the publication of simplistic league tables and calls on the Government to work with other states and the federal government to nationally prohibit the publication of these tables.
9 September 2009	1035 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of newly proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, "The Torn Blue Fringe", as a document for consideration by the Parliament.
10 September 2009	1004 residents of New South Wales	Mr Gay	Similar request.
10 September 2009	159 citizens and visitors of New South Wales	Revd Mr Nile	Requesting that the House uphold the sanctity of human life and defend the fundamental right of children to be born, reject all attempts to initiate legislation that emulates the Victorian Abortion Law Reform Act 2008 and encourage ways and means of promoting to the people of New South Wales that every baby deserves to be protected and nurtured from conception.

Date Presented	Place of Petitioners and Signatures	Presented by	Abstract of Requests
10 September 2009	599 citizens of New South Wales	Mr Harwin	Irregular petition—Requesting that the proposed sale of Malabar Police Station be abandoned, and the station either be returned to its fully operational state or remain in its current form as a 'shop front' station.
10 September 2009	8 citizens of New South Wales	Mr Harwin	Irregular petition—Requesting that the House call on the Government to return staffing levels of Malabar Police Station to 1999 levels when the station operated with more than 30 officers.
22 September 2009	600 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of newly proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, "The Torn Blue Fringe", as a document for consideration by the Parliament.
22 September 2009	554 citizens of New South Wales	Revd Mr Nile	Requesting that the House uphold the sanctity of human life and defend the fundamental right of children to be born, reject all attempts to initiate legislation that emulates the Victorian Abortion Law Reform Act 2008 and encourage ways and means of promoting to the people of New South Wales that every baby deserves to be protected and nurtured from conception.
24 September 2009	115 citizens of New South Wales	Dr Kaye	Requesting that the House continue to support legislation that prevents the publication of simplistic league tables and calls on the Government to work with other states and the federal government to nationally prohibit the publication of these tables.
20 October 2009	462 residents of New South Wales	Mr Gay	Requesting that the House call on the Government to introduce a moratorium on the creation of newly proposed marine parks, sanctuaries and habitat protection zones and rejecting extensions to existing parks, sanctuaries and zones that further restrict fishing activities as well as removing the National Parks Association report, "The Torn Blue Fringe", as a document for consideration by the Parliament.
