COMMITTEE OF THE WHOLE.

(Extracted from the minutes.)

THURSDAY, 15 APRIL, 1856.

No. 1.

PAYMENT OF MEMBERS OF THE LEGISLATIVE ASSEMBLY.

Resolution.

Mr. Heydon moved, That the Committee agree to the following Resolution:—

That an Address be presented to the Governor, praying that His Excellency will be pleased to cause the necessary steps to be taken to make provision in the Estimates for the payment of Members of the Legislative Assembly.

Debate ensued.

Motion made (Mr. Chanter), to add to the Resolution the words, "that such sum be not less than £500 per annum for each Member, excepting such Members as are already receiving the emoluments of the State."

Debate ensued.

Point of Order:—Sir Henry Parkes requested the Chairman's ruling as to whether Members could vote, on the ground that they had a direct pecuniary or personal interest.

The Chairman gave his opinion that this was not an occasion when the votes of Members could be challenged; or when they should be deprived of their votes on the ground of a personal or direct pecuniary interest.

Motion made (Mr. William Clarke), to amend the proposed amendment by adding thereto the words, "that the principle of payment be embodied in a Bill, and applied to the next Parliament."

Debate ensued.

Mr. Reid moved, That the Chairman leave the Chair, report progress, and ask leave to sit again on Tuesday next.

Debate ensued.

CENTENARY OF THE COLONY.

(Resolutions.)

Sir Patrick Jennings moved,—That the Committee agree to the following Resolutions:—

"(1.) That this House approves of steps being taken to ensure a due and fitting celebration of the Centenary of the Colony, in the year 1888; and that, for the purposes of such celebration, a sum not exceeding £50,000 sterling be expended.

"(2.) That there be erected, at a cost not exceeding £75,000 sterling, on the site of the present National Art Gallery of New South Wales, in the Domain, Sydney, a building commemorative of the Centenary of the Colony, to be designated 'The Centennial Memorial Hall,' and to be used for the purposes of a National Art Gallery and Technological Museum."

Debate ensued.

Point of Order:—Mr. Harold Stephen proposed the following amendment,—That all the words after the word "That," in line 1, be omitted, with the view of inserting the words, "in the opinion of this House it is desirable that the Centenary of the Colony be celebrated by an International Exhibition."

Sir Patrick Jennings requested the Chairman's ruling as to whether the proposed amendment was admissible, on the ground that it was substantially the same as a motion negatived in the House this Session on the 4th May, 1886.

The Chairman said, that in his opinion, the proposed amendment was identical with a motion which had already been dealt with during the current Session, and therefore could not be put.

Mr. Harold Stephen moved,—That the Committee disagree with the ruling of the Chairman, and that he leave the Chair, report the Point of Order to the House, and ask leave to sit again after the Point of Order has been decided.

Question put and passed.

Chairman left the Chair to report the Point of Order.

Mr. Speaker ruled in accordance with the opinion given by the Chairman.

The Committee resumed.

Question then put,—That the Resolution, as read, be agreed to, viz. —

(1.) That this House approves of steps being taken to ensure a due and fitting celebration of the Centenary of the Colony, in the year 1888; and that, for the purposes of such celebration, a sum not exceeding £50,000 sterling be expended.

(2.) That there be erected, at a cost not exceeding £75,000 sterling, on the site of the present National Art Gallery of New South Wales, in the Domain, Sydney, a building commemorative of the Centenary of the Colony, to be designated "The Centennial Memorial Hall," and to be used for the purposes of a National Art Gallery and Technological Museum.
