WEEKLY REPORT OF DIVISIONS

COMMITTEE OF THE WHOLE.

(EXTRACTED FROM THE MINUTES.)

WEDNESDAY, 10 NOVEMBER, 1926.

No. 1.

WHEAT BILL:

Clauses 9 to 14 having been dealt with,—

Clause 15. (1) After the delivery of any wheat in respect of which a warrant has been produced as provided in section twelve of this Act, the Government and the manager of the Government grain elevators shall not be answerable to any other person claiming to be the owner of such wheat or of any interest therein.

(2) The Government of New South Wales shall not be responsible for:

(a) any loss of or damage to wheat in its charge arising from irresistible force, the act of God or the King's enemies, strikes, lock-outs, or any other cause beyond its control; or

(b) any loss which may be sustained by reason of the short supply or non-supply of railway trucks to any elevator for the purpose of moving wheat therefrom under the instructions of the owner of the wheat.

(3) Where wheat in an elevator is destroyed or damaged by any of the causes referred to in paragraph (a) of subsection two of this section all persons at the time of the loss entitled to delivery of wheat under warrants shall bear the loss in a proportion to be fixed by the manager of the Government grain elevators approximating as nearly as can be calculated by him to the proportion that the wheat which such persons are entitled by the warrant to receive bears to the total stocks of wheat then in store in the Government elevators, and the amount of wheat deliverable on the warrants then in force shall be reduced accordingly.

(4) Where from any cause for which the Government is responsible damage to or loss of wheat occurs, the liability of the Government shall be limited to the market value of the wheat at the time of the loss or damage.

(5) Where the Government is unable from any cause for which it is responsible to deliver wheat in the quantity and of the quality mentioned in a warrant, the Government may pay to the owner of the warrant the amount of the market value of the wheat mentioned in the warrant at the date on which delivery is sought, or at the option of the owner of the warrant the value as at the date according to the certificate of the said manager at which each of the wheat in the Government elevators became exhausted, but at a date not later than the three months of November of the current year, and the Government shall not be responsible to any further extent for any damages, loss, costs, charges, or expenses resulting from its failure to so deliver the wheat.

Clause 2. The Principal Act is amended—

"(a) by inserting after paragraph (d) of the definition of 'factory' in section 3, the following new paragraph:—

(e) Any ship or boat building yard or dock in which any ship or boat is constructed, reconstructed, repaired, refitted, or finished or broken up."

(b) by omitting section six and by inserting in lieu thereof the following new section:

6. (1) Every person

(a) going into or being in occupation of any factory shall within fourteen days of such going into or being in occupation; or

* * * * * * * *

(3) If the chief inspector decides to register or to issue a permit to occupy the premises as a factory, he shall, on payment of the prescribed registration fee by the occupier or applicant for registration, or a permit, as the case may be, in the form prescribed, specifying the name of the occupier and the address and situation of the factory, and the nature of the work to be carried on therein.

* * * * * * * *

(2) If in any year a change of occupancy occurs in a factory for which a registration fee has not been paid for that year, the fee to be paid for such further registration shall be twenty per centum of the amount specified in the said Schedule, irrespective of the date upon which such change occurs, provided that the fee so payable shall not be less than two shillings and sixpence.

(3) In any case where during the currency of the registration the number of persons employed in the factory is so increased as to require a larger registration fee the occupier of the factory shall, within twenty-one days thereafter, give written notice thereof to the inspector, and pay the difference in value between the registration fee already paid and the fee payable on such increased number."

(a) by inserting in lieu thereof the following new section—

(5) No building or portion of a building or curtilage of such building shall be used as a furniture factory "if such building or the curtilage thereof has internal communication with any adjoining premises or provides for ingress or egress otherwise than from a street or public lane, or " if Chinese working in such building prepare or partake of meals, board, lodge, sleep therein, or are thereupon or therein at any time at which Chinese may not lawfully work therein.

(8) If any person offends against any of the provisions of this section, he shall, for each and every day on which he offends, be liable for the first offence to a penalty of not less than three pounds nor more than ten pounds, and for a second or subsequent offence a penalty not less than fifteen pounds nor more than fifty pounds, and in addition to the foregoing penalty, the registration of a factory, the occupier of which is convicted under this section for a third offence, " shall " be forthwith cancelled by the Minister.

(9) In order to meet the exigencies of trade the Minister may, subject to the conditions and restrictions imposed in section forty-three, suspend the operation of this section relating to the working hours in any factory for any period not exceeding four weeks.

Motion made (Mr. Levy) to leave out from line 11 the word " shall " and insert the word " may " instead thereof.

Question put, That the word proposed to be left out stand part of the Clause.
