COMMITTEE OF THE WHOLE.
(Extracted from the Minutes.)

TUESDAY, 27 FEBRUARY, 1945.

No. 1.

Co-operation (Amendment) Bill:—

Clause 1 having been dealt with and clause 2 amended,—

Question proposed. That the clause, as amended, stand part of the Bill.

Motion (Mr. McKell) to add after line 24 (of the Bill) the following subsection:

“(2) The Income Tax Management Act, 1941, as amended by subsequent Acts is amended by inserting in paragraph (o) of section 19 after the word “income” wherever occurring the words “(other than income from the business of insurance).”

Question proposed.—That the words proposed to be added be so added.

Point of Order (Mr. Lang) that the amendment proposed to amend an Act not mentioned in the Title, and was, therefore, beyond the order of leave. The Chairman ruled that the amendment was definitely relevant to the matter in paragraph (7) on page 7 (of the Bill) and was within the scope of the Bill. He suggested that the Title be formally amended, at the right time, to include a reference to the Income Tax Management Act, 1941. The amendment was, in his opinion, in order.
