Amendment No. 5.—Page 6, clause 12, lines 24 to 38 both inclusive. Omit Pension.

12. (1) (a) Subject to this Act every person who after the commencement of this Act ceases to be a member of the Legislative Assembly, and who has served as a member of the Legislative Assembly for an aggregate period of fifteen years or more shall be entitled to be paid out of the fund, a pension at the rate of six pounds per week.

The service referred to in this subsection shall include service before the commencement of this Act as well as service after such commencement.

(b) Subject to this Act, every person who after the commencement of this Act ceases to be a member of the Legislative Assembly and who has been a member of the Legislative Assembly in any three Parliaments but does not possess the qualification specified in paragraph (a) of this subsection shall be entitled to be paid out of the fund a pension at the rate of five pounds per week.

The three Parliaments referred to in this paragraph may include any Parliament or Parliaments held before the commencement of this Act as well as the current Parliament, and any future Parliament or Parliaments.

A person shall be deemed to have been a member of the Legislative Assembly in a Parliament if he has been a member of the Legislative Assembly during any portion of the term of that Parliament.

(2) (a) Where at any time before the dissolution of a Parliament or its expiry by effluxion of time, a person ceases to be a member of the Legislative Assembly otherwise than by death, and, at a by-election held to fill the vacancy so occasioned, he does not become a candidate for election, he shall not be entitled to receive any pension under paragraph (b) of subsection one of this section unless the managing trustees or a majority of them in their absolute discretion, upon application made for the purpose, are satisfied that there were good and sufficient reasons for his failure to become a candidate at such by-election.

(b) Where a person—

(i) resigns his seat in the Legislative Assembly;

(ii) notifies the Speaker in the instrument of resignation addressed to the Speaker that his resignation is for the purpose of enabling him to seek election for the Parliament of the Commonwealth at an election which is to be held within three months after the date of such resignation; and

(iii) becomes a candidate for election for the Parliament of the Commonwealth at the election referred to in the last preceding sub-paragraph; and

(iv) is elected at such election

and such person would have been entitled if paragraph (a) of this subsection had not been enacted, and he had not been elected to the Parliament of the Commonwealth, to receive a pension under this section upon so resigning his seat in the Legislative Assembly, he shall on and from the date upon which he ceases to be a member of the Parliament of the Commonwealth, but subject to the provisions of this section, be entitled to receive such pension.

(c) Where a person ceases to be a member of the Legislative Assembly by reason of the dissolution of Parliament or its expiry by effluxion of time and does not become a candidate for election at the general election next ensuing on such dissolution or expiry he shall not be entitled to receive any pension under paragraph (b) of subsection one of this section unless the managing trustees or a majority of them in their absolute discretion, upon application made for the purpose, are satisfied that there were good and sufficient reasons for his failure to become a candidate at such general election.
Motion made (Mr. Trefftz) That amendment No. 5 be amended by adding the following proviso:

"Provided that no payment shall be made in accordance with the scale of pensions as set out in this section unless or until the Government Actuary, who is hereby directed to investigate the scheme certifies in a report thereon before 30th June, 1946, to the Colonial Treasurer for presentation to Parliament on the first sitting day thereafter that the fund is actuarially sound."
