WEDNESDAY.
Consideration of Legislative Council's Message insisting upon certain amendments, viz.:—

Mr. Speaker,

The Legislative Council having had under consideration the Legislative Assembly's Message, dated the 29th July, 1875, in reference to the Lands Acts Amendment Bill,—

1. Insists upon its amendment in clause 15, lines 22 and 23, which omits the words 'to the satisfaction of the Minister,' and inserts in their place the words, 'before a Commissioner in the manner hereinafter provided'; and in lines 29 and 30, which omits the words 'proved to the satisfaction of the Minister,'—Because it is not expedient to invest any Minister with absolute power to hold a judicial inquiry into causes involving a forfeiture of land.

2. Insists upon its amendment which proposes the insertion of a new clause, to follow clause 31 of the Bill,—

(1.) Because the advertisement for sale is the act of the Government as trustee of the public lands, and it is not fitting that its action should be defected at the will of individuals during the interval between such advertisement and the time announced for sale.

(2.) Because the advertisement is an engagement with the general public to offer the lands in question to competition, and it is not right towards intending purchasers at purchase to allow conditional purchasers, at their absolute will, to deprive them of the opportunity to purchase at the advertised sale.

(3.) Because it is just to the country that after survey and advertisement of lands for auction sale the Public Revenue should have the benefit of the enlarged prices which might be obtained under competition.

3. Insists upon its amendment in clause 34, line 32, which omits the word 'forthwith' and inserts in its place the words 'upon approval by the Minister,'—Because the proposal of the Council is in accordance with the existing law, and because it is not expedient to allow pre-emptive leases to be taken up unless the particulars thereof be previously submitted for the consideration and approval of the Minister.

4. Insists upon its amendment in clause 40, line 49, which omits the words 'not exceeding forty pounds in the aggregate',—

(1.) Because they consider it not right that a conditional purchaser should have the opportunity of purchasing land containing improvements which cannot be removed, and which may be worth much more than forty pounds, without full compensation.

(2.) Because the conditional purchaser will have the full benefit of such improvements when the question of his compliance with the conditions of his purchase comes into consideration.

(3.) Because, although the Council might have agreed to the Legislative Assembly's limitation, if selection of moderate extent only was in question, yet they think such limitation wholly inapplicable to selections extending to 640 acres.

5. Insists upon its amendment in clause 40, line 49, which inserts the words 'in respect of such conditional purchase and pre-emptive lease respectively',—

(1.) Because there is no reason why improvements upon a pre-emptive lease should stand upon a different footing from those upon a conditional purchase.

(2.) Because pre-emptive leases are taken into consideration in the earlier part of the same clause.

6. Insists upon its amendment which omits clause 43,—

(1.) Because the Council is of opinion that no person should be deprived of his right to land without having had an opportunity of having such right judicially determined.

(2.) Because notice of forfeiture, published in the Gazette, is by such clause made conclusive evidence of the fact of forfeiture.

7. Insists upon its amendment in the Schedule which omits the figures '32' in line 12,—Because, inasmuch as clause 48 has been rejected by the Council, the 32nd clause of the 'Crown Lands Occupation Act of 1801' should not be repealed.

8. Does not insist upon the Council's other amendments, disagreed to by the Assembly, and agrees to the Assembly's amendments upon the Council's amendments in the said Bill.

Legislative Council Chamber, Sydney, 30th July, 1875.

JOHN HAY, President.

ORDERED BY THE LEGISLATIVE ASSEMBLY TO BE PRINTED,

11 August, 1875.

SYDNEY: THOMAS RICHARDS, GOVERNMENT PRINTER.

1875.
EXTRACTS FROM THE VOTES AND PROCEEDINGS OF THE LEGISLATIVE ASSEMBLY.

VOTES No. 13. WEDNESDAY, 31 MARCH, 1875.

18. **Standing Orders Committee** (Sessional Order):—Mr. Robertson moved, pursuant to Notice, that the Standing Orders Committee for the present Session shall consist of Mr. Speaker, Mr. Wisdom, Mr. Stephen Brown, Mr. H. C. Dangar, Mr. Dibbs, Mr. Lackey, Captain Onslow, Mr. Piddington, Mr. Gray, and the Mover, with leave to sit during any adjournment, and authority and power to send for persons, papers, and records, and to examine witnesses, and to report in any matter or thing referred to or pending before the said Committee, and to confer upon subjects of mutual concernment with any Committee appointed for similar purposes by the Legislative Council.

Question put and passed.

VOTES No. 83. FRIDAY, 16 JULY, 1875, A.M.

9. **Breach of Privilege**—The Honorable Member for East Maitland (Mr. Scholey) stated that, in passing from the Chamber to the Library last evening, he was accosted in the lobby by a person named White, who said to him "It is a pity old Bennett is in gaol; you can have £20 for your vote, and £25 for Bennett, if you vote for Twaddell's claim," and that he (Mr. Scholey) told him he had better leave the House, and left him. Mr. Scholey further stated that Mr. Dransfield told him, in George-street some time ago, that he was a good deal out in Twaddell's case; that he had used his influence with Members of Parliament, and that Garrett was to have an amount if he got the vote, but Twaddell had refused his claim; but he swore that he would prevent him getting a shilling—that he (Mr. Scholey) told Dransfield to give him this statement in writing, but he had not done so since.

And a discussion arising thereon,—

Mr. Parkes moved, That this House, on its next meeting, proceed to inquire into the statements affecting its privileges, which have been made by the Member for East Maitland, and that Mr. Edward White and Mr. Dransfield be summoned to give evidence at the Bar.

Debate ensued.

Mr. Dibbs moved, That this House do now adjourn.

Debate continued.

Motion for adjournment, by leave, withdrawn.

Mr. Parkes, by leave, withdrew the motion proposed by him.

Whereupon Mr. Robertson moved, That the allegation made by the Honorable Member for East Maitland (Mr. Scholey), that he had been offered a bribe within the precincts of this House, be referred to the Standing Orders Committee, with a view to ascertaining what are the privileges of the House in the matter.

Debate ensued.

Question put and passed.

Mr. Parkes then moved, That this House, on its next meeting, proceed to inquire into the statement affecting the character of the Honorable Member for Camden (Mr. Garrett), as reported to the House by the Honorable Member for East Maitland (Mr. Scholey), and that Mr. Dransfield and Mr. Twaddell be summoned to give evidence at the Bar.

Question put and passed.

VOTES No. 89. FRIDAY, 23 JULY, 1875.

3. **Papers**—Mr. Robertson laid upon the Table,—

(1) Standing Rules and Orders of the Legislative Council and Joint Standing Orders for both Houses of Parliament of the Colony of Victoria.

(2) Standing Orders and Rules of the Legislative Assembly of the Colony of Victoria.

(4) An Act to enable Her Majesty to assent to a Bill as amended of the Legislature of Victoria to establish a Constitution in and for the Colony of Victoria.

Ordered to be referred to the Standing Orders Committee.
QUESTION or Privilege:—Mr. Piddington, on behalf of the Chairman, brought up the following Report from the Standing Orders Committee:

"The Standing Orders Committee, for whose consideration was referred, on the 15th July, 1875, a matter brought under the notice of the House by Mr. Scholey, in reference to the offer to him of a Bribe, within the precincts of this House, have agreed to the following Report:

"The Committee have searched for precedents, and consulted all available authorities upon the matter referred for their consideration and report.

"The first Standing Order of this House provides that,—'1. In all cases not specially provided for hereinafter or by Sessional or other Orders, resort shall be had to the rules, forms, and usages of the Imperial Parliament, which shall be followed so far as the same can be applied to the proceedings of this House.'

"Under the 419th Standing Order of the House of Commons it is provided that 'the offer of any money or other advantage to any Member of Parliament, for the promoting of any matter whatsoever depending or to be transacted in Parliament, is a high crime and misdemeanour, and tends to the subversion of the English Constitution.'

"The Committee are of opinion that the Legislative Assembly has no power to punish for the breach of its privileges alleged to have been committed by the person charged therewith in the matter referred for their consideration, nor to enforce any order or summons to him to attend and appear at the Bar of the House in respect of any such charge.

"The Committee recommend that a Bill be introduced into the Legislative Assembly to define its privileges and powers, and affix penalties or punishments for the breach of any of such privileges.

QUESTION OF PRIVILEGE.

REPORT
FROM THE
STANDING ORDERS COMMITTEE
ON
QUESTION OF PRIVILEGE IN REFERENCE TO THE OFFER OF A BRIBE TO
MR. SCHELEY, M.P., WITHIN THE PRECINCTS OF THIS HOUSE.

The Standing Orders Committee, for whose consideration was referred, on the
16th July, 1875, a.m., a matter brought under the notice of the House by Mr. Scholey, in reference to the offer to him of a Bribe, within the precincts of this
House, have agreed to the following Report:—

The Committee have searched for precedents and consulted all available
authorities upon the matter referred for their consideration and report.

The first Standing Order of this House provides that "in all cases not
specially provided for hereinafter or by Sessional or other Orders, resort shall be had
to the rules, forms, and usages of the Imperial Parliament, which shall be followed
so far as the same can be applied to the proceedings of this House."

Under the 419th Standing Order of the House of Commons it is provided
that "the offer of any money or other advantage to any Member of Parliament, for
the promoting of any matter whatsoever depending or to be transacted in Parliament,
is a high crime and misdemeanor, and tends to the subversion of the English
Constitution."

The Committee are of opinion that the Legislative Assembly has no power to
punish for the breach of its privileges, alleged to have been committed by the person
charged therewith, in the matter referred for their consideration, nor to enforce any
order or summons to him to attend and appear at the Bar of the House in respect
of any such charge.

The Committee recommend that a Bill be introduced into the Legislative
Assembly to define its privileges and powers, and to affix penalties or punishments
for the breach of any of such privileges.

LEGISLATIVE ASSEMBLY.
NEW SOUTH WALES.

FREEDOM OF MEMBERS OF PARLIAMENT FROM ARREST.
(OPINION OF ATTORNEY GENERAL.)

Ordered by the Legislative Assembly to be printed, 15 July, 1875.

Opinion for the guidance of the Sheriff as to execution of a Writ of Ca. Sa. against Mr. Hanley Bennett, M.P.

By the law of England the privilege of freedom of Members of Parliament from arrest or molestation is of the highest antiquity. It is contemporaneous with the earliest examples of Legislatures in our Constitutional history.

And from the time of Edward the Confessor this privilege has been secured by law (vide Blackstone, 1 Comm. 105). The perfect freedom of Members of Parliament in their journeying to, residence at, and return from, the place where Parliament may meet has always been regarded as one of the most important privileges of the Imperial Parliament. But it is at the same time equally clear (see Opinion of Sir A. Cockburn, Attorney General, and Sir R. Bethel, Solicitor General, February 15th, 1856, Forsyth's Cases and Opinions of Constitutional Law, p. 25) that the law and practice of Parliament, as established in the United Kingdom, are not applicable to Colonial Legislative Assemblies, nor does the rule of the one body furnish any legal analogy for the conduct of the other. And the judgments of the Privy Council in Kielley v. Carson, 4 Moore's P.C. 83 (over-ruling to a certain extent Beaumont v. Barrett, 1 Moore's P.C. 59), and Fenton v. Hampton, 11 Moore's P.C. 347, clearly establish, in conformity with the opinion just quoted, that Colonial Legislatures do not possess certain powers which the House of Commons enjoys by virtue of ancient usage and prescription, and because the lex et consuetudo Parliamenti which forms a part of the Common Law of the land, invested the Houses of Lords and Commons with many peculiar privileges.

Thus it was held in Kielley v. Carson that the House of Assembly of the Island of Newfoundland did not possess as a legal incident the power of arrest with a view of adjudication on a contempt committed out of the House, and in Fenton v. Hampton the former judgment was reviewed and upheld; and it was held that the lex et consuetudo Parliamenti applies exclusively to the Houses of Lords and Commons in England.

It is clear, however, from both the judgments referred to, that by the establishment of Parliamentary Institutions in any British Colony, all powers and privileges are incidentally conferred that may be essential to the full and complete performance of Parliamentary functions; all powers, in point of fact, that may be necessary to the existence of a legislative body and to the proper exercise of the functions which it is intended to execute, and that these powers are granted by the very act of its establishment. In the elaborate judgment of Mr. Baron Parke, in Kielley v. Carson, in which His Lordship stated the reasons for the advice which their Lordships gave to Her Majesty to reverse the judgment of the Court below, it was admitted that the principle which governs all legal incidents that the grant of anything is supposed tacitly also to grant that without which the grant itself would be of no effect, applied to the establishment of Legislative bodies. And thus that, in conformity to the principle embodied in the well-known legal maxim "Quando lex aliquid concedit concedere videtur at illud sine quo res ipsa esse non potest," Colonial Legislatures have the undoubted right of protection from all impediments to the due course of their proceeding. They possess none of the extraordinary powers and peculiar privileges of the Imperial Parliament, which are founded on precedents and immemorial usage, and which are decided secundum legem et consuetudinem Parliamenti; they could not, for example, exercise the power of commitment possessed by the House of Lords, or the right of impeachment, but they have all powers necessary to secure the free exercise of their legislative functions.
Is the freedom from arrest while in attendance upon Parliament—while it is in Session—a power which it is necessary for a deliberative Assembly to possess? In my opinion it is. If one Member of the Assembly could be taken and imprisoned under a writ of Ca. Sa., all the Members might be so taken and imprisoned, and the business of Parliament would be effectually suspended. No "impediment to the due course of Parliamentary proceeding," to borrow the language of Baron Parke, could be so effective as the arrest and imprisonment of Members of Parliament.

I am consequently inclined to think that the privilege of immunity of a Member of Parliament from arrest for a certain period before and after the meeting of Parliament, and even after the dissolution of Parliament, for a convenient and reasonable time for returning home, exists in this Country.

I have arrived at this conclusion with great diffidence, as I am aware that cases have happened in which Members of Parliament in this Colony have been arrested and imprisoned during the sitting of Parliament, and my argument consequently not only wants the support of usage and acquiescence in its exercise, but is directly at variance with such usage.

But on a consideration of all the circumstances of the case, I would advise that the Sheriff should not delay the execution of the Writ.

If the privilege exists, it can be claimed by Mr. Bennett if he desires to make such claim; and, on the other hand, the Sheriff will be relieved from any action which might be taken against him for neglecting to execute the Writ.

WILLIAM B. DALLBY,
Attorney General.
