1. PAPERS:-

Captain Chaffey, on behalf of Lieut.-Colonel Bruxner, laid upon the Table the following Papers:

(1.) Repealed and new Regulations under the Metropolitan Traffic Act, 1900.
(2.) Repealed and new Regulations under the Motor Traffic Act, 1909-1930.
(3.) Regulations under the Motor Tax Management Act, 1914, as amended.
(4.) New and amended Regulations under the Transport Act, 1929-1932.
(5.) By-laws under the Government Railways Act, 1912-1932.

Referred by Sessional Order to the Printing Committee.

Mr. Weaver laid upon the Table the following Paper:—Report of the Hunter District Water Supply and Sewerage Board for the year ended 30th June, 1932, together with Annexures and Plan.

Ordered to be printed.

Mr. Main laid upon the Table the following Paper:—Repealed and new Regulations under the Plant Diseases Act, 1924.

Referred by Sessional Order to the Printing Committee.

Mr. Buttenhaw laid upon the Table the following Paper:—Gazette Notices setting forth the mode in which it is proposed to deal with the dedication of certain lands under the Crown Lands Consolidation Act, 1913.

Referred by Sessional Order to the Printing Committee.

2. SESSIONAL COMMITTEES.—Mr. Lang directed Mr. Speaker's attention to the fact that the Sessional Committees had not been reappointed during the present Session, notwithstanding that the intention of Parliament appeared to be that these Committees should be reappointed sessionally, and asked Mr. Speaker to inform the House as to whether such Committees were entitled to continue to function after the termination of the Session.

Mr. Speaker said that under a motion setting up such Committees the members were appointed "for the present Session," but Standing Order No. 412 prescribed that the members of certain Sessional Committees shall hold office until the appointment of their successors, and such Committees shall have power to sit during any adjournment or prorogation of the House. Where the Sessional and Standing Orders conflict, the Standing Orders must prevail. He therefore ruled that the present Sessional Committees were empowered to continue to function until their successors were appointed.

   the people of Broken Hill in connection with the Broken Hill Water Supply
   Administration Act; (b) the rate at present for water supplied to the people is
   2s. 6d. per 1,000 gallons; (c) an application for a reduction of one-third in these
   rates has been made by the people of Broken Hill and refused by the Treasury;
   (d) the Broken Hill Water Supply Fund is in a healthy financial condition,
   and that this is mainly due to the high price charged for water supplied?
   (2.) If the answers to the foregoing questions are in the affirmative, will he
   have the aforesaid application reconsidered with a view to granting the
   reduction asked for?

3. Mr. Primrose to ask The Minister for Transport,—
