Examined,

Thos. Steele,
Chairman of Committees.

Ordered by Mr. Speaker, That the amendments made by the Legislative Council in this Bill be taken into consideration forthwith.

(2.) The Order of the Day having been read, on motion of Mr. McKell, Mr. Speaker left the Chair, and the House resolved itself into a Committee of the Whole for the consideration of the amendments made by the Legislative Council in this Bill.

Mr. Speaker resumed the Chair; and the Chairman reported that the Committee had disagreed to the Council’s amendments.

On motion of Mr. McKell the Report was adopted.

Ordered, on motion of Mr. McKell, That the following Message be sent to the Legislative Council:

Mr. President,—

The Legislative Assembly having had under consideration the Legislative Council’s Message, dated 11th September, 1946, requesting its concurrence in certain amendments made by the Council in the Coal Industry Bill, does not agree to the amendments made by the Council in the Bill; because,—

(1) The Bill is designed to enact a scheme which was mutually agreed upon between the Government of the Commonwealth and the Government of the State, and which contemplated the enactment by the Parliament of the Commonwealth and the Legislature of the State of identical legislation in relation to certain matters which are affected by the amendments:
VOTES AND PROCEEDINGS OF THE LEGISLATIVE ASSEMBLY.

4th September to 17th September, 1946.

(2) the amendments destroy the structure of the scheme and will frustrate the objects which the scheme was designed to achieve; and

(3) the amendments, by creating important differences to the substance of the legislation of the Commonwealth and the State on fundamental matters will inevitably give rise to grave constitutional difficulties.

And the Assembly requests the concurrence of the Legislative Council in its disallowance from the Council's amendments in the Bill.

Legislative Assembly Chamber.

Sydney, 11th September, 1946.

Mr. Speaker left the Chair at Twenty-seven minutes before Ten o'clock, p.m.,

until Tuesday next at Five o'clock, p.m.

TUESDAY, 17 SEPTEMBER, 1946.

Mr. Speaker resumed the Chair at the hour named.

12. PAPERS—

Mr. McKell laid upon the Table the following Papers:—

(1) Statement of Receipts and Payments of the Police Superannuation and Reward Fund for Year ended 30th June, 1946.

(2) Amended Regulations under the Public Service Act, 1902.

Referred by Sessional Order to the Printing Committee.

Mr. Cahill laid upon the Table the following Papers:—

(1) Reports of the Department of Public Works for Years ended 30th June, 1945, and 30th June, 1944.

Ordered to be printed.

(2) Amended Ordinances under the Local Government Act, 1919.

Referred by Sessional Order to the Printing Committee.

13. COAL INDUSTRY BILL.—

(1) Mr. Speaker reported the following Message from the Legislative Council:—

Mr. SPEAKER,—

The Legislative Council, having had under consideration the Legislative Assembly's Message, dated 11th September, 1946, in reference to the Coal Industry Bill,—

Amendment No. 1—Insists upon its amendment, but proposes to amend clause 4 by inserting at the end thereof the following new subclause:—

“(2) The Governor may, by regulations made under this Act, declare that the provisions of this Act or such of them as are specified in the regulations shall apply to and in respect of coke or such substances or circumstances as may be described in the regulations, in the same manner and to the same extent as such provisions apply to and in respect of coal.”—

Because it is considered unnecessary that by-products or derivatives of coal other than coke should be subject to the control of the Board.

Amendment No. 4—Insists upon its amendment—Because it is considered that the tribunal to which the appeal is to be made should be prescribed in the Act.

Amendment No. 6—Insists upon its amendment—Because it is considered that the tribunal to which the appeal is to be made should be prescribed in the Act.

Amendment No. 11—Insists upon its amendment, but proposes to amend new clause 21 inserted by the amendment on page 15—

(a) by omitting subclause (1) thereof; and

(b) by omitting from subclause (2) lines 32 and 33 on page 15 the words “the last preceding section” and by inserting in lieu thereof the words “subsection one of section seventeen of this Act.”—

Because it is considered that compensation for loss or damage should be paid to an owner of a controlled mine on similar principles to those which are provided in section twenty-two of the Commonwealth Coal Production (War Time) Act, 1944.

Amendment No. 7—Insists upon its amendment—Because it is considered that compensation for loss or damage should be paid to an owner of a controlled mine on similar principles to those which are provided in section twenty-two of the Commonwealth Coal Production (War Time) Act, 1944.

Amendment No. 13—Does not insist on its amendment, but proposes to re-insert the clause which was omitted by the amendment, and to add to the end of that clause the following new subclauses:—

“(2) Any person who shall suffer loss or damage by reason of the wrongful act, neglect, or default of the Board or of any person acting or purporting to act under this Act or in pursuance thereof, or by reason of any invalid
or unauthorized order, provision, direction or determination made or given by the Board, or anything done in pursuance of any such order, provision, direction or determination shall be entitled to such compensation as is determined by agreement between such person and the Board or in the absence of agreement as is determined by an action by such person against the Board in any court of competent jurisdiction.

"(3) Nothing in this section shall entitle any person to compensation by reason of the performance of any obligation imposed by or under any other Act."

Does not insist on its other amendments disagreed to by the Assembly in the Bill.

And the Council requests the concurrence of the Legislative Assembly in the amendments on its amendments and in its insistence upon Amendments Nos. 1 and 7.

Legislative Council Chamber, Sydney, 17th September, 1946.

E. H. FARRAR, President.

Ordered by Mr. Speaker, That the Legislative Council's Message be taken into consideration forthwith.

(2.) The Order of the Day having been read, on motion of Mr. McKell, Mr. Speaker left the Chair, and the House resolved itself into a Committee of the Whole for the consideration of the Legislative Council's Message, dated 17th September, 1946, in reference to this Bill.

Mr. Speaker resumed the Chair, and the Chairman reported that the Committee did not insist upon its disagreement with certain of the Council's amendments, agreed to the further amendments made by the Council and agreed to the remainder of the Council's amendments insisted upon by the Council.

On motion of Mr. McKell, the Report was adopted.

Ordered, on motion of Mr. McKell, That the following Message be sent to the Legislative Council—

Mr. President,—

The Legislative Assembly having had under consideration the Legislative Council's Message dated 17th September, 1946, in reference to the Coal Industry Bill—

Amendment No. 1—Does not insist upon its disagreement with the Council's amendment which omits certain words, and agrees to the Council's further amendments which inserts new subclause at the end of clause 4.

Amendment No. 6—Does not insist upon its disagreement with the Council's amendment which inserts new clause 21, and agrees to the Council's amendments of the new clause.

Amendment No. 8—Agrees to the addition at the end of clause 54 of new subclauses (2) and (3).

Does not insist upon its disagreement with the Council's amendments Nos. 1 and 7 in the Bill insisted upon by the Council.

Legislative Assembly Chamber, Sydney, 17th September, 1946.

14. Adjournment.—Mr. McKell moved, That this House do now adjourn until Thursday, 3rd October, 1946, at Half-past Two o'clock p.m.

Question put and passed.

The House adjourned accordingly, at Three minutes after Ten o'clock, p.m., until Thursday, 3rd October, 1946, at Half-past Two o'clock p.m.

W. R. McCourt, Clerk of the Legislative Assembly.

D. Clyne, Speaker.

LEGISLATIVE ASSEMBLY

NEW SOUTH WALES

BUSINESS UNDISPOSED OF AT THE CLOSE OF THE SESSION.

(PROROGUED 2ND OCTOBER, 1946.)

QUESTION:

1. Registered Dentists—Association with Unregistered Persons:—Mr. Fred Cahill asked the Minister for Health,—

(1.) Is it a fact that the Dentists Act, 1934, as amended in 1946, precludes dentists, under penalty of being adjudged guilty of misconduct in a professional respect, from associating themselves with any person, or being employed by any person, other than a registered dentist, in carrying on the practice of dentistry, such association or employment being for fee, salary or other reward?

(2.) Is it also a fact that the definition of "person" in the Act includes a body or corporation other than the Crown and certain institutions?

(3.) Is it also a fact that the definition of dentistry in this Act includes the manufacture or mechanical construction or renewal or repair of artificial dentures or restorative dental appliances?

(4.) Is it also a fact that the President of the New South Wales Dental Board, Mr. Keith Oatley, and a member of the Board, Mr. John Victor Hall Best, together with Mr. E. B. Green, President of the Australian Dental Association, and Messrs. R. P. Lane, T. M. Lloyd, A. W. Kearke, A. H. Broadbent, L. G. Crane, K. Vydlen and A. V. Wilson, are associated with other persons who are not registered dentists in a company known as General Dental Laboratories Pty. Ltd., one of whose objects is the manufacture of artificial dentures and dental appliances?

(5.) Is it also a fact that Mr. E. R. Green is employed by the company and receives a salary for his services?

(6.) Is it also a fact that a company known as Dental Services (N.S.W.) Ltd., manufacturing full and partial dentures of every kind and description has thirty-seven registered dentists among its seventy-two shareholders?

(7.) If these are facts, will he take appropriate action against these dentists, if he is satisfied that they are guilty of misconduct in a professional respect as defined by the Dentists Act?

Answer deferred.
