RULES OF—

MOTION OF URGENCY—NOMINATION OF MEMBER AS CHAIRMAN OF COMMITTEES MUST BE BY SUBSTANTIVE MOTION:

That the Urgency Motion under Standing Order 285 having been carried by the House for the purpose of passing a specific motion—"That Robert Bruce Walker be Chairman of Committees of the whole House for the present Session"—he would rule the amendment to amend the consequent motion to suspend the Standing Orders, out of order, 8-9.
That he would lay down a definite rule that where the Urgency Motion and the consequent motion suspending the Standing Orders had been passed no amendment at all could be moved to the motion in respect of which these motions were carried ; but having regard to the terms of the motion suspending the Standing Orders, and the fact that the proposal to omit the words " Robert Bruce Walker " and insert the words " Dr. Richard Arthur " was one that could only be moved by way of a substantive motion, he would rule the amendment out of order, 9.

DIRECT PROFOUNIARY INTEREST OF MEMBER IN QUESTION BEFORE THE HOUSE:

That he could not put a construction upon the Standing Orders that would lead to an absurdity,—which would be the direct consequence of upholding the point of order " That members were precluded by Standing Order No. 204 from voting on the Parliamentary Allowances and Salaries Bill," as it would mean that the House had no right to pass any measure relating to members' salaries, 15.
The Parliamentary Allowances and Salaries Bill was a matter of State policy—within the meaning of the rule laid down by Mr. Speaker Abbot in the House of Commons on the 17th July, 1811—and the disqualification from voting did not apply to the measure before the House, 20.

STANDING ORDERS:

Motion made (Mr. Weaver) to suspend, as a matter of urgency, to consider motion forthwith, "That Robert Bruce Walker, Esquire, be Chairman of Committees of the whole House for the present Session "; Amendment proposed (Mr. Murphy) to omit words " Robert Bruce Walker, Esquire," and insert words, " A member of the Legislative Assembly," and ruled out of order ; Motion passed, 8-9.
Motion to suspend as a matter of Urgency, to introduce Bill, 11.
Motion to suspend as a matter of Urgency, to pass Bill through its remaining stages in one day, 14.
Motion to suspend as a matter of Urgency, to appoint Committee of Ways and Means, and bring in and pass a Bill through all stages in one day, 11.

URGENCY:

Motion made as a matter of, to introduce Bill, 11.
Motion made as a matter of, to pass Bill through its remaining stages in one day, 13.
Motion made as a matter of, to appoint Committee of Ways and Means and bring in and pass Bill through all stages in one day, 14.

ELECTION OF CHAIRMAN OF COMMITTEES:

Motion made, as a matter of, to consider a motion, " That Robert Bruce Walker, Esquire, be Chairman of Committees of the whole House for the present Session," 8.
