SPEAKER (continued): —

ELECTION OF —
The Honorable Francis Michael Burke proposed and elected, 54.

Presented to Governor, 6.

NEWSPAPER REPORT OF PROCEEDINGS IN PARLIAMENT —
Reports from the Editor of The Sun newspaper respecting incorrect report of a Question asked in Parliament by an Honorable Member, 131.

RULINGS OF —:

That an amendment to the question that the Constitution (Amendment) Bill be now read a
second time, which sought to leave out all words after the word “That,” and insert the words
"by the Speaker until steps have been taken to secure the cooperation of all classes of
the community in a non-party effort to deal with the grave financial and industrial
dangers which threaten the State, and with the widespread and increasing unemployment,
was out of order and was not drawn in accordance with amendments to the second reading
as contemplated by Standing Order No. 253, 26.

That, while the Honorable Member's contention that a motion respecting the appointment
of a Select Committee to inquire into the Business Methods of Private Banks in New South
Wales dealt with a matter beyond the Legislative control of the State Parliament, and
therefore should not be discussed by the House, might be correct, the question of appointing
a Select Committee was a matter entirely in the hands of the House. He pointed out that
as New South Wales was a component part of the Federation, it was within the province
of the House to consider any subject it might deem fit, and, if necessary, make representations
to the Federal Government thereon, and that he would therefore be reluctant to restrict
the right of the House to discuss the appointment of a Select Committee to inquire into
the matter, 98.

That although the closure had been moved and carried before the Honorable Member, Mr. Bavin,
had addressed himself to the motion before the House, the Honorable Member was entitled
to reply under the Standing Orders. If the Honorable Member in the course of his reply
happened to go outside the scope of the motion he would call him to order, 102.

That on a motion for the adjournment under Standing Order No. 49, which was
interrupted by the application of the Closure under Standing Order No. 125, before Debate
had been entered upon, the Honorable Member had no right of reply as the motion had not
been discussed and there was, therefore, nothing which he could reply to, 103.

That he could not uphold the contention that a motion respecting certain statements made by
Professor Anderson, Professor of Philosophy of the University of Sydney, was not in order
on the ground that the question should be called upon to establish the accuracy of the state-
ments contained therein, inasmuch as, during the course of the Debate, both sides of the
question could be put before the House, 209.

That Mr. Speaker McPhail had ruled that it was not competent to amend a message to the
Legislative Council conveying the determination of the Assembly respecting amendments
made by the Legislative Council, and he ruled that it was not competent to debate the
Question, 318.

On motion for adjournment under 49th Standing Order —

That a motion to discuss the appointment of Mr. C. J. Goods as Chief Transport Commissioner
was out of order, inasmuch as discussion of the subject would anticipate Debate which could
take place on the Financial Statement, or upon the Estimates, which were now before the
House, 389.

That a motion to discuss the action of the Government in suppressing official reports in con-
nection with the conduct of Mr. Goods, Chief Transport Commissioner, was out of order,
there was ample opportunity on the Budget, which was then before the House, to discuss the
matter referred to, 494.

HISTORICAL STATEMENTS —

That it was competent only for the Leader of the Opposition to speak, after the making of,
by the Premier or a Minister, 591.

DEPUTIES: —

Adjourns House, pursuant to Special Order at 5 p.m., 209, 204, 221, 348.

Leave Chairman for period, 543, 544; (Closure subsequently taken by Mr. Speaker), 548.

Removes Chair at specified hour, 543, 544.

Takes Chair during absence of Speaker, 185, 187, 108, 190, 197, 201, 203, 205, 207, 209, 259, 287, 331.

Reports acknowledgment from His Majesty of address of condolence on death of H.R.H. The
Princess Royal, 197.

Directs Sergeant-at-Arms to conduct Council (2) to Bar of House, 198.

Allows 3rd of Bill to be taken forthwith, 196, 249.

RULING OF DEPUTY: —

That the Order of the Day was the property of the House, and that being so, its position on
the Business Paper was not affected by the seat of the Honourable Member originating the
question becoming vacant. The Order of the Day was therefore properly before the House,
and it was entirely a question for the House to decide whether it should proceed with the
Order of the Day, 189.

That, in the absence of special knowledge of the circumstances and of the nature of the meetings
held for the purposes of Communist propaganda, he would not rule the motion out of order on
the ground that it was not specific and of recent occurrence, before the Honourable Member
had informed the House of the facts of the case, 220.

That a motion respecting the use of public school buildings for the holding of meetings for Com-

SPEARING VALE (See "CLOSER SETTLEMENT").

WALMSLEY, BRYCE CRAWFORD, ESQUIRE, M.L.A.:

Motion of loss sustained and sympathy with widow, 12.

WAR MEMORIALS:

Statements by Professor Anderson, Professor of Philosophy, of University of Sydney:

Motion made (Lieut.-Col. Bruner). That, in the opinion of this House, the statements made on Thursday, 9th July, by the Professor of Philosophy of the Sydney University, viz., Professor Anderson, when speaking as the President of the Free Thought Association, to the effect that such terms as “the State” “the Country,” and “the Nation” were superstitious notions; that such terms as “Your King and Country need you” were appeals to prejudice and superstition; that “Loyalty” was a kind of superstition; that war memorials were idols; and that the keeping up of the religious celebrations connected with them were fetishes which only served the purpose of mocking discussion—were against the best interests of the community, and are not in accord with the national sentiments of the people of this State.

Point of Order—(Mr. Clarence Martin). That the Honorable Member should be called upon to establish the accuracy of the statements before proceeding with the Motion—Overruled by Mr. Speaker; Motion made (Lieut.-Col. Bruner). That the Debate be adjourned until a later hour of the day, amendment moved (Mr. Lang) to leave out all words after the word “until” and inserting the words “Tuesday next” instead thereof—agreed to, and Debate adjourned, 280-281; Debate resumed and adjourned, 287, 312, 362, 371.
