POINTS OF ORDER (continued) —

RULINGS OF SPEAKER (continued) —

That amendment on vote of censure motion in reference to case of Moss Morris Friedman, to take steps to transfer power given under Article IX of Governor's Instructions from the Minister to the Executive Council, was not relevant, 573.

That subject of motion in reference to the maladministration of the Miners' Accident Relief Fund Bill could be discussed in Committee of Supply, and was out of order, 380.

That he would not rule the motion for adjournment in reference to occupation of this State from the Commonwealth, out of order on the ground that it could be discussed on the Financial Debate, 202.

That motion for adjournment respecting statements in regard to addition of £125,000 to salaries for last year could be discussed on the Financial Debate, and was out of order, 401.

That motion for adjournment in reference to vexatious and harassing administration of Federal laws to and from which would rule the same discussion as that on the motion to revoke from the Commonwealth, and was out of order, 406.

That member having moved an amendment on an item in Committee of Supply, and the closure having been applied, had no right of reply. No reply could be claimed in Committee, 292.

That motion for adjournment of the House in reference to discharge of the Regulation of Wages in Coal Mines Bill, related to proceedings in the other House, and could not be discussed, 476.

That subject of motion in reference to Water Conservation and Irrigation had been already discussed on Water and Drainage Bill, 495.

That motion for adjournment of the House in reference to Relief Works for Distressed Soldiers had been previously discussed during the present Session, and was out of order, 516.

That the Standing Orders having been suspended, the amendment moved on such a subject having been overlooked, the temporary relief of duties on Bread Stuff and Yolender, to ensure commodities being sold at reasonable rates, was in order, notwithstanding subject had been dealt with, 552.

That Notice of Motion for the adjournment of the House, having been drawn from the box, and not being supported by the Member submitting such, and five others, could not be entered into; also that a motion to submit a second motion for adjournment was then in order, 562.

That the usual practice of moving Government Orders of the Day and Notices indiscriminately could not conveniently be changed except at the beginning of a Session, 567.

That member having moved an amendment on an item in Committee of Supply, and the closure having been applied, had no right of reply. No reply could be claimed in Committee, 292.

That motion for adjournment of the House in reference to a second motion for adjournment under the 49th Standing Order, but he wished to recall that ruling, 583.

That he could not rule the Public Instruction Act Amendment Bill out of order on the ground of its not being introduced in Committee, nor having been preceded by a Message from the Governor, 353.

That subject of motion for adjournment in reference to pay of returned Contingents, could not conveniently be changed except at the beginning of a Session, 567.

That he would not deprive the Hon. Member for Rylstone of his right to dissent from the ruling of the House, while the ruling had been drawn from the box, and was out of order, 472.

That Notice of Motion for the adjournment of the House having been drawn from the box, and not being supported by the Member submitting such, and five others, could not be entered into; also that a motion to submit a second motion for adjournment was then in order, 562.

That motion for adjournment in reference to agriculture was not relevant, 373.

That motion for adjournment of the House in reference to discharge of the Regulation of Wages in Coal Mines Bill, related to proceedings in the other House, and could not be discussed, 476.

That he would not deprive the House of its right to dissent from the ruling in reference to a second motion for adjournment under the 49th Standing Order, but he wished to recall that ruling, 583.

That subject of motion for adjournment of the House in reference to amendment of Arbitration Act had already been discussed on Estimates, and was out of order, 401.

POISONS BILL AMENDMENT BILL —

Motion made (Mr. Prior) for leave to bring in, 294 ; presented and read 1°, 302 ; Order of the Day postponed, 357, 333, 603.

POISONS BILL —

Received from Legislative Council, and on motion (Mr. John See) read 1°, 124 ; read 2° (Mr. Crick), committee, reported without amendment, Report adopted, 293 ; read 3°, passed and returned to Council, 245 ; Ascent reported, 301.

That motion for adjournment of the House in reference to Relief Works for Distressed Settlers has been previously discussed during the present Session, and was out of order, 394.

That the Standing Orders having been suspended, the amendment moved on motion for the temporary rebate of duties on Bread-stuffs and Boulter, to ensure commodities being sold at reasonable rates, was in order, notwithstanding subject had been dealt with, 534.

That Notice of Motion for the adjournment of the House having been drawn from the box, and not being supported by the Member submitting such, and five others, could not be enter
ted; that a Notice to submit a second Notice for adjournment was then in order, 567.

That the usual practice of moving Government Orders of the Day and Notices indiscriminately be not conveniently be changed except at the beginning of a Session, 567.

That he would not deprive the Hon. Member of the right to move a dissent from his ruling in reference to a second motion for adjournment under the 4th Standing Order, but he (Mr. Speaker) having further considered the point, was convinced he was in error, and wished to recall that ruling, 583.

HOUSE OF DEPUTY:

That he could not rule the Public Instruction Act Amendment Bill out of order on the ground of its not having been introduced in Committee nor having been preceded by a Message from the Governor, 393.

That subject of motion for adjournment in reference to pay of returned Contingents, could have been discussed on the Estimates, and was out of order, 594.

That subject of motion for adjournment in reference to the Fisheries of the State, had already been discussed, and was out of order, 603.

That subject of motion for adjournment of the House in reference to amendment of Arbitration Act had already been discussed on Estimates, and was out of order, 601.

DISSENT FROM MR. SPEAKER'S RULING:

Mr. Daniel O'Connor proceeding to move, in reference to decisions, motion was ruled out of order, 71.

Motion made (Mr. J. O. L. Fitzpatrick) in reference to ruling by Mr. Speaker in respect of second motion of adjournment of House, Mr. Speaker stated that he was in error in the ruling referred to, and wished to recall it; Motion withdrawn, 583.
