Mr. Speaker stated that such certificate should be furnished by the Chairman of Committees and not by a Temporary Chairman, 96.

SYDNEY HARBOUR BRIDGE BILL—ON POINTS OF ORDER ARISING IN CONSEQUENCE OF NATURE OF AMENDMENTS MADE IN COMMITTEE

That he could not uphold the contention that the Bill should be ruled out of order in consequence of amendments made in Committee on the grounds, (a) That the scope of the Bill had been exceeded by the insertion of the words "or arch"; (b) that the Bill as so amended was substantially a different Bill; (c) that the taxation would be increased if the work were constructed upon the arch principle; (d) that the question of building an arch bridge had not been referred to the Parliamentary Standing Committee on Public Works in accordance with Section 94 of the Public Works Act, 177.

ON POINT OF ORDER REPORTED FROM COMMITTEE OF THE WHOLE—SYDNEY HARBOUR BRIDGE BILL

That he upheld the ruling of the Chairman,—That an amendment which altered the area of impost and augmented Taxation was out of order, notwithstanding that it seemed anomalous that the Committee should not be able to define the area of Taxation, 170.

ON MOTIONS FOR ADJOURNMENT UNDER THE 49TH STANDING ORDER

That motion in regard to penalties for reckless motor driving anticipated debate on a motion already on the paper and was out of order, 23.

That motion in regard to increasing cost of foodstuffs and other commodities was not definite and was out of order, 30.

That motion in regard to development of immigration and land settlement was not restricted to a single specific matter of recent occurrence, and was out of order, 33.

That the urgency of a amendment was decided by five members rising in their places, and that being so he could not rule as to whether the motion dealing with the decision of the Government to charge High School Fees was one of urgent public importance or not, 84.

That motion in regard to the action of the Government in making Ministerial statements during Question time was not definite and was out of order, 111.

That motion in regard to the lowering of the basic wage for women workers could be discussed on the Estimates and was out of order, 149.

That the motion in regard to the lowering of the basic wage for women could have been discussed on the Estimates of the Department of Labour and Industry, and was out of order at the present time, 169.

That motion—The necessity for the Honorable the Premier of the State to urge on the Federal authorities the immediate discontinuance of the Federal control acquired under the War Precautions Act over vital industries in this State—was definite and, in order, 192.
