PUBLIC WORKS (See "PARLIAMENTARY STANDING COMMITTEE ON PUBLIC WORKS").
SPEAKER (continued).

SESSIONAL ORDERS—BUSINESS DAY; PROCEDURE OF BUSINESS—

In view of previous decisions, he could not uphold the contention that the proposed Sessional Order was wrongly before the House; it did not propose to take away certain rights conferred by Standing Orders, 25.

SESSIONAL ORDERS—SUSPENSION OF, UNDER STANDING ORDER 205—

That he could not uphold the contention that only Standing Orders and not Sessional Orders could be suspended under Standing Order 205, 116.

UNDER STANDING ORDER 113A (Precedence of certain Motions) —

Agreement for a franchise under the Local Government Act—that although under a strict interpretation the implication of such Standing Order was hardly allowable, he believed that the intention of the framers of the Standing Order was to allow such a motion, and he would allow it to go to the vote, 40.

That when a motion was moved under, and the Debate adjourned, such motion became an Order of the Day, and did not take precedence, 55.

INTERUPTION OF BUSINESS UNDER SESSIONAL ORDER—

Notwithstanding time for, had arrived—the "closure" having been carried—the question, consequential thereon, must be put, 92.

BILL OF SUBSTANTIALLY THE SAME PROVISIONS—STANDING ORDER 157—

That at this stage (motion for leave to bring in the Bill) he would not rule the Local Government (Amendment) Bill (No. 2) out of order, but on the 2nd he would further consider the contention, "That a Bill with substantially the same provisions having passed and having been sent to another place this Session, it was not competent to proceed with this Bill," 215.

PARLIAMENT—

That he could not entertain in a matter of the motion in reference to "the failure of the Government to investigate the allegations made by the Labor Daily newspaper as to the existence of a plot to bribe certain Members of Parliament; as the question of privilege should only be raised as one of extreme urgency, and this subject could be discussed on the Financial Statement or the Estimates, 164.

On Motions for Adjournment under the 49th Standing Order—

Statement by, on desirability of giving the Speaker power to decide when the subject of a motion was of urgent public importance, 41.

Statement by, in reference to motion drawn from box when General Business is interrupted at 12 o'clock on Tuesdays, 72.

That motion in regard to the increasing number of motor accidents occurring in the State was not definite, specific, and of recent occurrence, and was out of order, 47.

That motion "Shortage of Houses in the State of New South Wales"—was not definite, specific, and of recent occurrence, and was out of order, 61.

That subject of motion in reference to allegation made by the Labor Daily as to the existence of a plot to bribe certain Members of Parliament could be discussed on the Debate on the Estimates, and was out of order, 164.

DISSENT FROM REPLY—

That Standing Order 113A, relating to disallowance of Rules, Regulations, &c., was applicable to Motion for disallowance of an agreement under Section 420 of the Local Government Act, 1919—negatived, 48.

RELEASE OF DEPUTY ON MOTIONS FOR ADJOURNMENT UNDER THE 49TH SESSIONAL ORDER—

That the subject of the motion in regard to the continued infliction of fines and imprisonment of the British seamen engaged in the present industrial dispute was "out of order, and should not be discussed, 66.

SPECIAL ADJOURNMENT (See also "ADJOURNMENT").

STANDING ORDERS (See also "SPEAKER"; also "SESSIONAL ORDERS")—

Provided Standing Order No. 125—CLOSED.—ALLOCATION OF TIME FOR DISCUSSION—

Motion made (Mr. McEwen), That House agrees to and adopt an amendment (Mr. Arthur) to refer to Standing Orders Committee, negatived, 29—agreed to, 29-30; Governor's approval reported, 25.

COMMITTEE—

Sessional Order appointing Committee, 33.

Members discharged, and added to Committee, 173.
