S

SPEAKER (continued):—

BUILDINGS (continued):—

Anticipation Rule:—

Motion to discuss the 49th Standing Order under a matter within the scope of the Loan Estimates debate would anticipate discussion on the Loan Estimates when the latter will be resumed "early next week," 115.

Duplication of Debate:—

To discuss a motion the subject of which was substantially the same as one which had already been discussed in Committee of Supply on the Estimates would lead to unavoidable duplication of debate and therefore such a motion is out of order, 128.

Irregular Notice of Motion:—

If a notice of motion is deemed irregular or unbecoming it is the Speaker's prerogative to order its removal from the Business Paper, 164; Dissent, negatived, 171.

Adjournment under 49th Standing Order:—

Subject-matter must be of recent occurrence and of an urgent character, 188.

Royal Prerogative:—

It is not within the power of the House to determine the terms of reference of a Royal Commission—the appointment of which is the prerogative of the Crown. Therefore, any motion expressing an opinion that such terms should be submitted to the House before a Commission is issued is out of order, 36.

DEPUTY:—

Speaker reports absence abroad of, and L. J. Tully, Esquire, appointed to act as, during such absence, 4.

Dissent from Ruling:—

Motion made (Mr. Trebil), That House dissents from ruling that notice of motion was out of order, negatived, 171.
