(b) a means of sabotaging the progress of a newly established decen-

RULINGS OF: —

Anticipation of Debate:—

It was submitted that a question asked, would, if allowed, anticipate debate on a Notice of Motion given at the current sitting. Mr. Speaker stated that as the motion—one of censure—would in all probability be reached next sitting day, the point of order was upheld, 202.

Motion without Notice:—

Mr. Speaker agreed that he had directed the Honourable Member for Hurstville to move a substantive motion concerning his allegations against Members of the Government, but realising later, that under the Standing Orders such a motion could not be moved without notice, he had given the Honourable Member a further opportunity to withdraw his remarks and apologise, 210.

Privilege:—

That action of Speaker in ordering removal from Chamber of the Honourable Member for Lane Cove, without warning the Honourable Member three times in accordance with Standing Orders, was one of order, and not of privilege, 31.

Reading of Speeches of Same Session:—

Mr. Speaker said that as the rule against quoting from a current Hansard did not apply to debates upon different stages of a Bill he was of the opinion that debate which had already taken place on the Address-in-Reply was in the same category, 29.

Motion of Urgency (Mr. Black), That this House no longer has confidence in the Honourable William Henry Lamb as Speaker, etc., negatived, 33.
