Amended Sessional Order:—

Mr. Speaker stated that he had examined the terms of the Notice of Motion, standing in the name of the Honourable Member for Barwon, Mr. Crawford, which sought to amend the Sessional Order, and, in his opinion, the proposal was not practicable and could not be put into operation under the forms of the House nor could any satisfactory form be devised.

He therefore ruled the motion out of order, 111.

That documents tabled and not ordered to be printed shall be available only to press and other persons on authority of Speaker, negatived, 99.

Amendment to motion for leave to introduce Bill:

On the motion for leave to introduce the Parliamentary Elections and Liquor (Amendment) Bill, an amendment was moved to insert certain words. It was submitted that the amendment was outside the scope of the motion.

Mr. Deputy Speaker stated, in his opinion the amendment was outside the order of leave and was foreign to the motion. He therefore ruled the amendment out of order, 162.
