RULINGS:
Adjournment of House under S.O. 49:
Mr Speaker ruled that, as the motion “The current application to the Prices Commissioner of New South Wales for an increase in the retail price of petrol” was factually incorrect, it would be foolish to permit the House to discuss such a case and therefore the motion was out of order, 63.

Disorder:
Mr Speaker stated that it was not incumbent on the Chair to call an Honourable Member to order by name three times. Whenever the Chair called “Order”, the exhortation was addressed to all Honourable Members who at that time were transgressing the rules of the House. If an Honourable Member persisted in his disorderly conduct he became liable to removal without having been specifically called to order, 256.

Questions without Notice:
Mr Speaker appealed to Honourable Members to frame their questions without notice so that they would be in conformity with the rules and practice of the House and, for the guidance of Members, restated the long established rules relating to Questions without Notice, 61.
SPEAKER (continued):

RULINGS (continued):

Sub-judice Rule:

Mr Renshaw moved (urgency), (1) That this House calls on the Government to set up an open inquiry into all matters relating to the dismissal of Warringah Shire Councillors from office, and (2) That the inquiry be conducted by a Supreme Court judge with the powers of a Royal Commissioner.

It was submitted by the Attorney-General that, as the matter was at the moment before the Supreme Court by way of quo warranto proceedings, a debate would infringe the sub-judice rule. It was contended that the only question before the Court was the legality of the appointment of the administrator of the Shire.

Mr Speaker stated that the motion called upon the Government to set up an inquiry into all matters surrounding the dismissal of the Council and also that he was obliged to take notice of the information given by the Attorney-General that the reasons for the dismissal thereof were relevant to matters in a proceeding pending before the Court of Appeal. Further, he understood that the councillors were complaining that their dismissal was a denial of natural justice and it would be inevitable that the reasons for the dismissal must be a substantial issue in the Court proceedings. Mr Speaker therefore ruled the motion out of order, 98.

SPECIAL ADJOURNMENT (See "ADJOURNMENT").

STANDING ORDERS (See also "BILLS"; also "COMMITTEES"): Suspension of:

By consent, to bring in and pass Bill or Bills through all stages in one day, 92, 158, 185, 192, 235, 265.
