GENERAL PROCEEDINGS—

Abortion—(Mr F. J. Walker—By leave)—Standing Orders suspended to consider Notice of Motion of General Business; Mr Cameron moved, pursuant to Notice, That this House notes the decision of the Attorney-General to file a no bill against the doctor and nurse against whom a prima facie case has been established that they performed an abortion at the Liverpool Women's Centre on a healthy 15-year-old girl without her parents' knowledge or consent, and calls for a strengthening of the law in this area; adjourned 299

Administration of Justice—(Mr Punch—Urgency)—That an Address be presented to the Governor, praying that His Excellency will be pleased to cause to be laid upon the table of this House (a) all official files and papers relating to the Attorney-General's decision not to proceed with charges against Francesco Sergi; (b) all official files and papers relating to the prosecution of Walter Shapowloff arising out of the report of an inspector appointed to investigate the affairs of Collier-Meat Pty Ltd and other companies and dated 30th September, 1965; and (c)
MOTIONS—continued

Administration of Justice—continued

all official files and papers relating to the Attorney-General's decision not to proceed with a charge of common law conspiracy against Mr Laurence Brereton, the Member for Heffron, negatived 416

Attorney-General—See "Vote of Censure—Attorney-General"

Betting—Gambling Casino Inquiry—(Sir Eric Willis—Urgency)—That this House (1) notes that the terms of reference for the Gambling Casino Inquiry currently being conducted by Mr E. A. Lusher, Q.C., cover social attitudes towards the introduction and operation of legalized casinos, etc., but not the more basic question as to whether such gambling casinos should be legalized and (2) calls on the Government to amend the terms of reference so as to ask Mr Lusher to investigate the desirability of this State legalizing gambling casinos as a prelude to the other terms of reference; negatived 92

Betting—Illegal Betting—(Mr Punch—Urgency)—That this House expresses its concern over the Premier's inability to properly administer the Police Portfolio particularly in view of the present situation relating to S.P. bookmaking, and accordingly records a vote of no confidence in him; negatived 683

Betting—Lusher Report—(Sir Eric Willis—Urgency)—That this House (1) notes that the Lusher Report (paragraphs 44 and 46) clearly indicates that gambling casinos currently operating in this State do so in breach of the Gaming and Betting Act (2) acknowledges that the Premier, by his statement in this House yesterday, has not directed the Commissioner of Police to refrain from prosecuting persons conducting or engaging in unlawful games at these casinos (3) expresses concern over the failure of the Police Commissioner to enforce the law of the State and wants to know why he has not done so, and (4) calls upon the Premier as Ministerial head of the Police Force to remind the Commissioner of Police of his obligation to enforce the law without fear or favour, in this case by immediately closing down these illegal casinos; negatived 438

Botany Bay Coal Loader—(Mr Punch—Urgency)—That this House (1) censures the Government for its delay in granting approval for the establishment of the Coal Loader at Botany Bay, which would ease unemployment and enable the development of the Western coal fields to proceed, and (2) and (3); negatived 291

Botany Bay Port Project—(Mr Arblaster—Urgency)—That this House should forthwith consider the following motion, viz.: (1) Recognizes that six months of procrastination by the present Government over the Botany Bay project has had a serious impact on the overall economy of the State, has increased the cost and has denied job opportunities to thousands of workers, and (2) and (3); negatived 226

Caravans and Camping—Caravan Parks—(Mr F. J. Walker—Urgency)—That this House forward a Message to the Legislative Council agreeing to the time and place of the first meeting of the Joint Committee on Caravan Parks; Standing Orders suspended; agreed to 315

Child Welfare (Amendment) Bill—(Mr F. J. Walker—Urgency)—That the Child Welfare (Amendment) Bill be brought in and passed through all its stages in one day; Standing Orders suspended; agreed to 265

Children of God—(Mr Moore—On Notice)—That a Select Committee be appointed to inquire into and report upon the activities of an organization known as "The Children of God" and on its aims, objects and practices and to make such recommendations, if any, as it deems desirable for the control of this and similar organizations, and (2) and (3); lapsed 252

Children of God—(Mr Moore—Urgency)—That this House should forthwith consider Notice of Motion No. 1 of General Business on the Notice Paper for To-day; negatived 210

Committees of Inquiry—(Mr Singleton—On Notice)—That this House views with alarm the Government's proliferation of committees of inquiry and studies into development projects in New South Wales and expresses concern at (a), (b), (c), (d) and (e); negatived 145–146

Commonwealth-State Relations—Australian Government Policies—(Mr McGowan—On Notice)—That this House deprecates the action of the Australian Government in its (i) phasing-out of all responsibility of the Australian Assistance Plan and failure to provide sufficient funds to maintain existing programmes established under the plan until the end of the phasing-out period at the 30 June, 1977, and (ii), (iii), (iv), (v), and (vi); amendment to leave out and insert words negatived; agreed to 71–74
MOTIONS—continued

Commonwealth—State Relations—Commonwealth Government Failings—(Mr Sheahan—On Notice)—That the Commonwealth Government is to be condemned for (1) its failure to fully support the Whitlam Government’s decentralization initiatives and (2) its failure to find profitable markets for our surplus primary produce; agreed to 129–130

Commonwealth—State Relations—Federal Budget—(Mr F. J. Walker—Urgency)—That this House expresses its concern that the Federal Budget delivered last night: (a) ensures no reduction in unemployment for another year; (b) cuts back funding for primary producers; (c) provides for cuts in real terms in expenditure for traditional Federal areas such as Welfare Housing, Hospital and Health Services, Pre-school and Child Care Centres, Legal Aid, School Dental Schemes, Growth Centres, Sewerage and other programmes; and (d) is not conducive to a return of confidence for the private sector; Standing Orders suspended; agreed to 407–409

Corrective Services—Prison Escapes—(Mr Coleman—Urgency)—That this House (1) expresses its concern at the increasing rate of escape of dangerous prisoners from high security prisons; (2) condemns the Government’s policy of reducing the size of the Corrective Services establishment; (3) calls on the Government to increase the number of officers in high-security prisons and (4) calls on the Premier to dismiss his Minister for Services and replace him with a more suitable Minister; negatived 540

Disallowance of By-law under Government Railways Act—(Mr Viney—On Notice)—That House disallows Public Transport Commission By-law No. 1320; negatived 158

Disallowance of By-law under Government Railways Act—(Mr Viney—On Notice)—That House disallows Public Transport Commission By-law No. 1321; negatived 159

Disallowance of By-law under Government Railways Act—(Mr Viney—On Notice)—That House disallows Public Transport Commission By-law No. 1328; negatived 531

Disallowance of By-law under Government Railways Act—(Mr Viney—On Notice)—That House disallows Public Transport Commission By-law No. 1329; negatived 532

Disallowance of Regulation under Factories, Shops and Industries Act—(Mr Moore—On Notice)—That in pursuance of section 144 (3) (c) of the Factories, Shops and Industries Act, 1962, this House disallows the regulation amending the Shops (Registration and Opening and Closing Hours) Regulation as set forth in the notice appearing in the Government Gazette No. 8 of 28 January, 1977, a copy of which was laid upon the Table of the House on 9 March, 1977; negatived 308

Disallowance of Regulation under Factories, Shops and Industries Act—(Mr Moore—On Notice)—That in pursuance of section 144 (3) (c) of the Factories, Shops and Industries Act, 1962, this House disallows the regulation amending the Factories (Health and Safety) General Regulations, 1913, as set forth in the notice appearing in the Government Gazette No. 8 of 28 January, 1977, a copy of which was laid upon the Table of the House on 9 March, 1977; negatived 308

Dissent—See “Speaker” and “Speaker—Deputy Speaker”

Drugs—Memorandum of Joint Committee Upon Drugs—(Mr Viney—On Notice)—That the Memorandum of the Joint Committee Upon Drugs, tabled in the House on Wednesday, 30 March, 1977, be debated forthwith; lapsed 393

Drugs—Memorandum of Joint Committee Upon Drugs—(Mr Viney—Urgency)—That this House forthwith debate the Memorandum of the Joint Committee Upon Drugs that was tabled in the House on Wednesday, March 30, 1977; negatived 370

Drugs—Royal Commission—(Mr F. J. Walker—On Notice)—(1) That should the Royal Commissioner appointed to inquire into drugs by letters patent dated 5th August, 1977, request any books, documents or writings relating to proceedings before the Joint Committee upon Drugs, appointed by the Legislative Assembly and agreed to by the Legislative Council in 1975 and 1976, the Officer having custody of such material have leave to take such action as may be most convenient to the business of this House, to comply with the request (2) That whilst the said Royal Commissioner
MOTIONS—continued

Drugs—continued

may determine whether or not any evidence given before or material presented to the said Joint Committees upon terms or conditions shall be received by him upon similar terms and conditions, this House desires the said Royal Commissioner to maintain the confidentiality of any evidence given in camera and of the identity of any person who gave such evidence or who produced any material subject to terms and conditions, before the said Joint Committees (3) That leave be given to Members of the House to attend if they think fit, as witnesses before the Royal Commissioner, agreed to (message to Council) 456

Economic Conditions—State Economy—(Sir Eric Willis—Urgency)—That this House (1) views with alarm the recent deterioration in the State's economy (2) condemns the Government for its part in that deterioration and (3) calls on the Government to implement without delay programmes which will restore the economy of this State to the premier position it formerly held amongst the States of Australia; Standing Orders suspended;

Education—Education Commission—(Mr Coleman—Urgency)—That this House calls on the Government (1) to reject the Interim Reports of the Working Party for the Establishment of an Education Commission; (2) to reconstitute the Working Party by increasing its membership to make it genuinely representative of the public interest; (3) to direct the reconstituted Working Party to consider immediately those parts of the terms of reference neglected by the present Working Party—that is concerning the adequacy of educational services at all levels and changing educational needs; (4) to call for public submissions on these questions of educational standards and needs; and (5) to give an unqualified assurance that adequate time will be given for public debate of the completed report before it is considered by the Government; negatived 636

Education—Education Finance—(Mr McGowan—Urgency)—That this House deplores the effect on education in New South Wales resulting from the Federal Government's recently determined funding guidelines for the Tertiary Education Commission and the Schools Commission in respect of 1978 and subsequent years of the 1978-1980 rolling triennium, and calls upon that government to review its guidelines in the interests of improved educational opportunity for students; Standing Orders suspended; agreed to 380-381

Education—Handicapped Children's Schools—(Mr Pickard—Urgency)—That due to the grave danger to handicapped children of this State, the imminent closure of a number of handicapped children's groups and other members of the Council for the Handicapped, and (i), (ii), (iii) and (iv); Standing Orders suspended; amendment to leave out and insert words agreed to; motion, as amended, agreed to 132-134

Education—Migrant Education—(Mr Whelan—On Notice)—That this House condemns the Federal Government for its unwillingness to provide sufficient funds for Adult Migrant Education, Child Migrant Education and most importantly money to assist in the care and education of recently arrived young refugees from Lebanon, amendment to leave out and insert words; lapsed 457

Employment and Unemployment—(Mr Hatton—On Notice) (amended)—That this House (1) expresses grave concern at the social problems created by the continuing high level of unemployment in Australia; and (2) calls upon the Federal Government to institute a scheme of unemployment relief work; amendment to add words negatived; agreed to 285-287

Employment and Unemployment—Commonwealth Government Policy—(Mr Whelan—Urgency)—That this House is of opinion that the Prime Minister has failed lamentably in his duty by not announcing any positive steps to alleviate the high percentage of existing and potential unemployed especially in the rural sector, and amongst migrants and young people in New South Wales and calls upon him to make a definite statement of his proposals on this and ancillary issues prior to December 10, 1977; Standing Orders suspended; agreed to 568

Employment and Unemployment—Qualified Teachers—(Sir Eric Willis—Urgency)—That this House calls upon the Government to implement its election policy undertaking to ensure full employment for all qualified teachers with a view to reducing class sizes; negatived 314
MOTIONS—continued

Employment and Unemployment—Unemployment—(Mr Dowd—On Notice)—That this House expresses its concern at the unemployment level in New South Wales and calls on the State Government to institute an inquiry with the powers of a Royal Commission to examine all New South Wales industrial award provisions relating to casual and part-time work, penalty rates, overtime rates and shift loadings, and to make recommendations which will assist the following: (a) youth unemployment and those seeking part-time employment; (b) the tourist, accommodation, entertainment and sporting industries and food services industries; and (c) the establishment of new industry and expansion of existing industry; lapsed 660

Energy—Nuclear Power—(Mr Hatton—On Notice)—That this House—(1) expresses grave concern that technology does not exist to safeguard life on this planet from the disastrous effects of radio-active wastes (2) calls upon the New South Wales State Government to stimulate full public debate on nuclear power issues (3) calls upon the Federal Government to—(a) actively promote and assist continuing balanced national and international public debate on the nuclear power industry (b) take urgent and effective action to develop as soon as possible the use of alternative sources of energy; lapsed 419

Energy—Oil Industry. Prices—(Mr Maher—On Notice)—That this House condemns the decision of the Commonwealth Government to lift Australian oil prices towards import parity without adequate safeguards to prevent cost and price inflation; lapsed 626

Energy—Oil Industry Strike—(Sir Eric Willis—Urgency)—That this House condemns the Government for its apathy over the plight of motorists presently unable to obtain petrol, its disinterest in the harmful consequences of the current oil industry strike and its failure to take any steps to ensure supplies of petrol and oil even to essential users, let alone the general public; Standing Orders suspended; negatived 174

Energy—Petrol Supplies—(Sir Eric Willis—Urgency)—That the Government immediately proclaim the emergency powers it now possesses under the Energy Authority Act, 1976, and forthwith use those powers to ensure adequate supplies of petrol to essential users and an equitable distribution scheme for motorists and all other petrol users; negatived 217

Ex Officio Indictments—(Mr Cameron—On Notice)—That this House deplores the double standards evident in the use of ex officio indictments under the Attorney-General's administration; ruled out of order 94-95

Fire Fighting Volunteers—(Mr Moore—Urgency)—That this House: (1) condemns the Minister for Services for the furtive expansion of the terms of reference of his inquiry into the Metropolitan Fire Brigades to include now an investigation of volunteer fire fighting; (2) calls on the Minister to reconstitute the inquiry so that the views of the 60 000 volunteer fire fighters might be represented and considered in any final report; (3) demands an undertaking from the Minister that any section of the draft report of the present inquiry which might recommend that volunteer firemen be forced to become associate members of the union will never be implemented; negatived 689

Government—Government's Pre-election Promises—(Sir Eric Willis—Urgency)—(1) Notes that the Government has broken its pre-election promises to reduce motoring charges, freight charges and bread prices and to employ all qualified teachers seeking employment; (2) (3), (4) and (5); ruled out of order 445

Government—Government's Pre-election Promises—(Sir Eric Willis—Urgency)—(1) Condemns the Government for breaking its pre-election promises, for failing to reduce taxation as other States have done; for causing widespread concern throughout the State by its maladministration and inequitable application of the law and for allowing the State's economy to run down and unemployment to rise; and (2) calls on the Government to start doing something to put this State in better shape; negatived 445

Government—Project Delays—(Sir Eric Willis—Urgency)—That this House (1) deprecates the Government's failure to make decisions in respect of a number of major projects, involving both private enterprise and public works and (2) (3) and (4); negatived 278
MOTIONS—continued

Health—Community Health Programmes—(Sir Eric Willis—Urgency)—That this House (1) expresses its complete confidence in the honesty and integrity of those who carry out community health programmes in N.S.W.; (2) deprecates the action of the Premier whose unsubstantiated general attack on nurses, welfare workers, occupational therapists, physiotherapists and others has lowered the morale of the many professionals and paraprofessionals engaged in community health programmes; and (3) calls on the Premier either to present concrete evidence of his charges against specific individuals or to withdraw and apologize for his generalized attack on a fine body of public servants; negatived 524

Industrial Relations—Industrial Arbitration (Amendment) Bill—(Mr Dowd—On Notice)—That leave be given to bring in a Bill for an Act to repeal section 129n of the Industrial Arbitration Act, 1940; to prohibit the use of force or intimidation against persons compelling them to join an industrial union registered under the Act or under the Trade Union Act, 1881, and for certain other purposes; lapsed 475

Industrial Relations—Industrial Unrest—(Sir Eric Willis—Urgency)—That this House (1) deplores the current wave of industrial unrest, particularly disputes between trade unions, or within trade unions, in consequence of which the economy of this State is being seriously damaged, unemployment is increasing and the general public is being adversely affected and seriously inconvenienced and (2) calls on the Government to do everything in its power to resolve this industrial unrest, etc.; negatived 79-80

Johnson, Lawrence Arthur—Granting of Bail—(Mr Coleman—On Notice)—That this House calls on the Government to establish an inquiry with statutory powers to investigate (a) the circumstances relating to the granting of bail to Lawrence Arthur Johnson on the 24th March, 1976 and (b) and (c); negatived 392

Land Sales by Dabemu Pty Limited—(Mr Durick—Urgency)—That in the opinion of this House the Attorney-General should immediately investigate land sales activities in the Mudgee and Gulgong Districts of New South Wales of Dabemu Pty Limited, since acquired by Boyle Properties Pty Limited; Standing Orders suspended; agreed to 138-139

Law and Order—Violence in Public Affairs—(Sir Eric Willis—Urgency)—That this House (1) deplores the current wave of violence in public affairs including the abhorrent attacks yesterday by those who demonstrated against His Excellency the Governor-General of Australia and the Right Honourable the Prime Minister of Australia, (2) condemns those who use violence to attack the institutions of our society, particularly the institution of Parliament, which comprises the sovereign's representative and the two houses of Parliament, and (3) condemns those in positions of authority who either actively or by their silence encourage or condone such violence; negatived 4

Local Government—(Mr Maddison—On Notice)—That this House, acknowledging the fundamental role of Local Government in the system of Government in Australia, affirms the Resolution of the Australian Constitutional Convention at its sittings in October, 1976, inviting States to consider formal recognition of Local Government in State Constitutions and urges the Government to formulate amendments to the New South Wales Constitution Act so as to entrench within the Constitution the role and rights of Local Government in this State; lapsed 303

Lusher Report—See "Motions—General: Betting"

Member for Fuller—(Mr F. J. Walker—Urgency)—(1) That, having regard to what has been alleged by Robert John Mayne in a statutory declaration, the contents of which were published in the "National Times" of March 10-15, 1975, and in sworn evidence given by him at a public sitting of the Royal Commission on Intelligence and Security on 14 July, 1975, and to the personal explanation given by the Member for Fuller to the House on 7 February, 1978, this House appoint a select committee to inquire into and report upon the following matters:—

(a) Whether Robert John Mayne, received from the Member folders, files, dossiers or other records of the Australian Security Intelligence Organisation about the five persons referred to in Mr Mayne's evidence;

(b) If so, what was the information contained in those folders, files, dossiers or other records, and what use did the Member intend to be made of the information contained in them;
MOTIONS—continued

Member for Fuller—continued

(c) Generally, and in particular in light of the findings of the select committee in the matters referred to in paragraphs (a) and (b) was the personal explanation made by the Member to the House accurate or inaccurate.

(2) That such committee consist of Mr Hills, Mr Face, Mr Whelan, Mr Ryan, Mr Barron, Mr Clough, and Mr Fisher. (3) That the committee have leave to sit during the sitting or any adjournment of the House, to adjourn from place to place, and to make visits of inspection within the State of New South Wales and to other States of the Commonwealth; negatived 644

Member for Ku-ring-gai—See "Vote of Censure—Member for Ku-ring-gai"

Member for South Coast—(Mr Lewis—Urgency)—That this House deprecates the action of Mr J. E. Hatton, Member for South Coast, during the Grievance Debate on Thursday, 24 March, 1977, when he made serious allegations of conspiracy against the Honourable Member for Wollondilly; Standing Orders suspended; negatived 326–327

Minerals and Mining—Export of Uranium—(Mr F. J. Walker—Urgency)—That this House should forthwith consider Notice of Motion No. 1 of General Business; Standing Orders suspended to consider forthwith of General Business 455; Mr Hatton moved, That this House (1) is of the opinion that the decision to mine and export uranium, taken without reference to the people at a national referendum, is divisive of the Australian community, unnecessarily hasty and does not provide a sound ethical, political, social and economic base for future planning and investment and (2) calls upon the Federal Government (a) to hold a referendum on the uranium mining issue after a minimum two year period of debate and (b) to consider uranium within the context of a national energy policy, amendment to leave out and insert words; adjourned 451

Minerals and Mining—Government Intervention in Coal Industry—(Mr Webster—Urgency)—This House condemns the seriously damaging, and mischievous way the Premier has interfered with the coal industry in this State, and that in the interests of the social and economic growth of New South Wales, calls for his immediate resignation; negatived 513

Minerals and Mining—Sandmining in National Parks—(Mr Punch—Urgency)—That this House deplores the current policies of the New South Wales Government in regard to sandmining in National Parks and proposed extensions to National Parks and calls upon the Government to lift any bans presently imposed; negatived 355

Minerals and Mining—Warkworth Coal Deposits—(Sir Eric Willis—Urgency)—That this House—(1) expresses alarm at the announcement by the Minister for Mines and Minister for Energy that the Government intends to commandeering a controlling interest in the mining of coal at Warkworth and vest it in a Government instrumentality; (2) believes that such socialistic actions undermines business confidence in this State and drive investors, not only in the mining industry, but generally, away from New South Wales; (3) regards the Minister's socialization programme as a revival of the Connor policies which produced a three year freeze of all major mineral developments, to the permanent detriment of the Australian economy; and accordingly (4) calls for the resignation of the Minister for Mines and Minister for Energy; negatived 513

Minister for Primary Industries—See "Vote of Censure—Minister for Primary Industries"

Minister for Transport and Minister for Highways—See "Vote of Censure—Minister for Transport and Minister for Highways"

National Parks—Exemptions—(Mr Punch—Urgency)—That this House (a) expresses its concern over the limited and political nature of the special announcement by the Minister for Lands specifying exemption for forestry and agricultural lands only from the Yungir and other North Coast national park proposals; and (b) calls upon the Governor to immediately extend the same exemption principles to all national park proposals in all areas of the State, particularly the Border Ranges, Myall Lakes, Greater Southern Blue Mountains and South Coast national park proposals; negatived 750
National Parks—Extensions—(Mr. Punch—Urgency)—(1) That this House expresses its concern over the effects of the current policies of the present New South Wales Government in relation to proposed extensions to National Parks; and (2) calls upon the Government to review these policies as a matter of urgency, particularly in view of the personal hardship and financial loss being caused to owners of private lands, as well as people in the sawmilling and sandmining industries; negatived 645

Pornographic Material Featuring Children—(Sir Eric Willis—Urgency)—Proceeding to move as a matter of urgent necessity for the consideration of a motion deploring proliferation of pornographic material featuring children and calling on the Government to introduce legislation—ruled out of order 296

Precedence of Business—(Mr. F. J. Walker—Urgency)—That, during the remainder of the present Session, unless otherwise ordered, Government Business shall take precedence of General Business; Standing Orders suspended; amendment to leave out and insert words agreed to; motion, as amended, agreed to 338-339

Premier: Vote of No Confidence—See "Motions—General: Betting—Illegal Betting; and Minerals and Mining—Government Intervention in Coal Industry".

Privet—(Mr. Moore—On Notice)—That this House considers that privet should be declared a noxious weed in the counties of Cumberland, Northumberland and Camden; lapsed 287

Privilege—(Mr. Mallam—referring to a question which he had asked the Minister for Health on Tuesday, 31 May, 1977, and to the action of the Member for Gordon drawing the attention of the Commissioner for Equal Opportunity and the Commissioner for Community Relations to certain remarks in that question)—That the honourable member for Gordon is guilty of a breach of privilege and deserving of the censure of this House; adjourned 396; Order of the Day discharged 407

Property Compensation (Just Terms) Bill—(Mr. Cameron—Urgency)—That this House calls upon the Government, after obtaining a message from the Governor, to introduce and carry through to enactment the Property Compensation (Just Terms) Bill which was passed by the Legislative Council earlier this year and was ruled out of order in this House by Mr. Speaker on 16 August, 1977, on the grounds that it should have originated in this House and should have been preceded by a message from the Crown; negatived 536

Regional Councils for Social Development—(Mr. Ryan—Urgency)—That this House (1) Deplores the action of the Federal Liberal-Country Party Government in withdrawing all funding of Regional Councils for Social Development established under the Australian Assistance Plan, and (2) and (3); Standing Orders suspended; amendment to leave out and insert words negatived; agreed to 364-366

Roads: Sydney Freeway System—(Sir Eric Willis—Urgency)—That this House (1) rejects the concept that Sydney should be the only major city in the free world without an adequate freeway system; (2) urges the Government not to close off the city's road transport options without first providing some alternative system; and (3) calls upon the Government to give a clear and comprehensive statement of its plans for abandonment of freeways in the metropolitan area; Standing Orders suspended; negatived 529

Royal Family—Silver Jubilee of the Accession of Her Majesty the Queen—(Sir Eric Willis—Urgency)—(1) That the following Address of Loyalty to Her Majesty the Queen be adopted: To Her Most Gracious Majesty Elizabeth the Second, by the Grace of God Queen of Australia and Her other Realms and Territories, Head of the Commonwealth,

May it please Your Majesty,

We, Your loyal and dutiful subjects, the Members of the Legislative Assembly of New South Wales, in Parliament assembled, extend to Your Majesty and His Royal Highness, the Duke of Edinburgh, our most sincere gratitude for your recent visit to the Mother State of Australia on the occasion of the Silver Jubilee of your accession to the Throne.

The feelings of loyalty and affection, so warmly expressed by the citizens of this State during your visit, will be immeasurably strengthened by your presence among us and will be of benefit in still further consolidating the Commonwealth. We realize the deep sense of public duty which actuated Your Majesty in undertaking the heavy labours associated with
MOTIONS—continued

Royal Family—continued

the Royal Tour and we trust that, under divine providence, both Your Majesty and His Royal Highness may be sustained in your arduous tasks for many years to come and (2) That His Excellency the Governor be requested to forward the above Addresses to Her Majesty; withdrawn 344

Rural Residents and Industries—(Mr Sheahan—On Notice) That this House (1) deprecates the Federal Government’s continued neglect of, and attacks on, Australia’s rural residents and industries; (2) calls on that Government to amend its budgetary and other policies to provide a fair and equitable programme for all country areas, and (3) commends the N.S.W. Government for its continuing care for and assistance to country people of this State; lapsed 507

Sexual Exploitation of Children—(Mr Maddison—Urgency)—That this House should forthwith consider the motion, condemning the sexual exploitation of children, notice of which was given for tomorrow; Standing Orders suspended; Mr Ryan moved, That this House condemns the sexual exploitation of children as revealed in certain publications showing young children participating in sexual practices either alone or in association with another person and that it is the opinion of this House that legislation should be introduced to prevent such exploitation of children; amendment to leave out and insert words negatived; agreed to 297

Speaker—Vote of No Confidence—(Sir Eric Willis—On Notice)—That Mr Speaker has misused the powers entrusted to him by preventing honourable members speaking freely, by prohibiting criticism of ministers and by generally behaving in a blatantly partisan fashion, contrary to the long and honourable traditions of his high office, and accordingly, he no longer holds the confidence of the House; negatived 109–110

Sport and Sporting Organizations—Sports and Recreation Complex, Oran Park—(Mr Rozzoli—Urgency)—(1) That in view of the poll taken in the Camden Municipality last Saturday in which the people of Camden voted in favour of the proposed Sports and Recreation Complex at Oran Park by 4,581 to 1,812 that the Minister for Planning and Environment be called upon to table all relevant files involving the application including the report by Mr W. G. Faithfull, the special Commissioner appointed to investigate the matter (2) this House (a) calls upon the Minister for Planning and Environment to cease action which denies the public and all interested persons the opportunity of taking part in the planning process and effectively stifles review by the Local Government Appeals Tribunal; and (b) condemns the Minister for Planning and Environment for taking action to introduce Interim Development Orders greatly prejudicial to individual members of the community; negatived 461

Taxation—Federal Government Policy—(Sir Eric Willis—Urgency)—That this House, recognizing the great value of reducing the heavy burden of personal income tax on all wage and salary earners (1) commends the Fraser Federal Government for providing for a further reduction in personal income tax as from next February, and (2) rejects as callous the announced intention of the Federal Labor Leader to take away from the workers of Australia the taxation concessions for which the Federal Parliament has already legislated; negatived 576

Trades and Trade Unions—Compulsory Unionism—(Sir Eric Willis—Urgency)—That this House should forthwith consider Notice of Motion No. 1 of General Business on the Notice Paper for To-day; negatived 363–364

Transport, Finance and Policy—Public Transport System—(Mr R. J. Clough—On Notice)—That this House strongly supports the action of the Government in its programme of increased track maintenance on the New South Wales railways and its overall programme of upgrading and modernizing of the public transport systems; amendment to leave out and insert words negatived; agreed to 417–419

Universities—Australian Union of Students—(Mr Coleman—On Notice)—That this House calls on the Government of New South Wales (1) to appoint a judicial inquiry into the operations of A.U.S. Student Travel in this State; and (2) to amend the University statutes of this State so as to prohibit compulsory membership of student political organizations such as the Australian Union of Students; lapsed 525–526
Vote of Censure—Attorney-General—(Mr Brereton—Urgency)—That this House should forthwith consider Notice of Motion No. 1 of General Business in the Notice Paper for To-day; Standing Orders suspended to consider forthwith of General Business; Mr Cameron moved, That this House censures the conduct of the Attorney-General in directing that no further action be taken on the ex officio indictment against his parliamentary colleague the Honourable Member for Heffron, notwithstanding (1) and (2); negatived 199–200

Vote of Censure—Leader of the Opposition—(Mr Wran—On Notice)—That this House deplores the conduct of the Leader of the Opposition, Member for Fulllor in making false and misleading statements to this Parliament, by way of personal explanation on the 7th February, 1978, and in his reply to an urgency motion moved by the Attorney-General, on the 9th February, 1978, and resolves that the Leader of the Opposition deserves the censure of this House; agreed to 668–669

Vote of Censure—Member for Ku-ring-gai—(Mr Petersen—On Notice)—That this House censures the honourable member for Ku-ring-gai for deliberately misleading this House on not less than three occasions, namely (1) On the 22nd October, 1974, when replying to a question asked by the Honourable Member for Illawarra, he denied that he was aware of the evidence given by Dr K. M. Doust at a trial committal hearing on 29 August, 1974, and (2) and (3); lapsed 175

Vote of Censure—Member for Ku-ring-gai—(Mr Petersen—Urgency)—That this House censures the honourable member for Ku-ring-gai for his actions when in his former capacity as Minister of Justice he misled Parliament on 6th May, 1971, 22nd October, 1974, 13th November, 1974, and 14th August, 1975, and when he misled a Court of Law by a signed certificate containing false information on 23rd July, 1974; Standing Orders suspended; adjourned 401–402

Vote of Censure—Minister for Primary Industries—(Sir Eric Willis—Urgency)—That this House (1) deplores the conduct of the Minister for Primary Industries in publicly disclosing in respect of members of this House personal and confidential information obtainable only from government files, and (2) censures the said Minister for so gravely misusing his Ministerial authority, and (3) calls on the Premier to remove him from office forthwith; negatived 30

Vote of Censure—Minister for Services—(Mr Coleman—Urgency)—That this House calls on the Premier to dismiss his Minister for Services; and (2) condemns the Premier for his public attack on, and his dismissal of the former Commissioner for Corrective Services Mr McGeechan; Standing Orders suspended; negatived 618–619

Vote of Censure—Minister for Transport and Minister for Highways—(Mr Viney—Urgency)—That this House should forthwith consider Notice of Motion No. 1 of General Business on the Notice Paper for Today; negatived 121

Vote of Censure—Minister for Transport and Minister for Highways—(Mr Coleman—Urgency)—That this House condemns the Minister for Transport and Minister for Highways for his maladministration of his Ministry, in particular (1) his responsibility for the horrendous and crippling Public Transport Commission deficit in this financial year of at least $500 million; (2) his inability to settle industrial disputes within the Public Transport Commission such as that involving the abandonment and non-use for the past year of the multi-million dollar workshop at the Clyde Waggon Maintenance Centre; (3) his refusal, despite rising public anger and disgust, to restore the cancelled freeway programme; and this House calls on the Premier to dismiss him and replace him with a more suitable Minister; negatived 720

Directs Serjeant-at-Arms to remove Member from Chamber 542
Names Member for disorderly conduct 376

Rulings—
Amendment to Address in Reply—Motion ruled out of order on the ground that reflections upon Members of the nature contained therein could only be moved as a substantive motion 22, 23

Dissent from Ruling—
That an amendment moved to the Address in Reply was out of order because it was in conflict with a ruling already given regarding the extent of the Address in Reply debate and also that the matter contained in the amendment should be the subject of a substantive motion at an appropriate time; negatived 31

Directs Clerk to read former Order of leave for subsequent Bill 666
Directs Serjeant-at-Arms to remove Member from Chamber 28, 30 (2), 382, 493, 660

Directs taking of votes for election of member of, be set down as Order of the Day 98, 99, 480, 481

And see "Rulings"
SPEAKER—continued

Member Named—
  Suspension amended 377
  Suspension withdrawn 435

Names Member for disorderly conduct 79, 376 (by Chairman of Committees), 435, 547

Resumes Chair 2, 228, 393, 621, 627, 628 (?)

Rulings—

Adjournment under Standing Order 49—
  Motion ruled out of order on the grounds that the acceptance of the motion was provisional only and that it had become evident that aspects of the motion were suspect 284
  Motion ruled out of order on the grounds that the acceptance of the motion was provisional only and that under the Act in question there was an obligation for notification by the Minister of the very matters referred to by the honourable member 356
  Motion ruled out of order on the grounds that the matter was not one proper to be discussed. Although the matter was one of public importance it was not sufficiently urgent for the Constitution and Parliamentary Electorates and Elections (Amendment) Bill set down for consideration this day to be set aside to consider the matter attempted to be raised 547

Legislative Council Bill—Ruled out of order on the grounds that it should have originated in the Legislative Assembly and should have been preceded by a Message from the Crown 402

Notices of Motions: Verbosity of 445

Pecuniary Interest—Motion to disallow Members' Votes; withdrawn 212

Property Compensation (Just Terms) Bill: Legislative Council Bill laid aside 402

Urgency motion—Ruled out of order on the ground that it breached the rules of anticipation of debate 296

Dissent from Action—
  The removal of the member for Yaralla without calling him to order more than three times as required by Standing Order 392; negatived 39
  The removal of the member for Davidson without calling him to order more than three times as required by Standing Order 392; negatived 40
  The removal of the member for Maitland without calling him to order more than three times as required by Standing Order 392; negatived 41

Dissent from Ruling—
  That this House dissents from the ruling of Mr Speaker given on 16 August, 1977, when he ruled that the Property Compensation (Just Terms) Bill was out of order as it should have originated in this House and should have been preceded by a Message from the Crown; negatived 424
