**Note:** The text appears to be a table of contents or index from a legislative publication, listing various bills, petitions, and reports with references to pages where they were discussed or reported. The entries are organized by topic and include references to specific acts, petitions, and legislative actions. The page numbers indicate where these discussions took place in the published proceedings. The text uses terms such as "Bill," "Petition," and "Report," which are typical of legislative parlance. The format is concise and straightforward, typical of legislative documentation.
