199F Contributions by police officers to cost of approved insurance policy

- (1) Police officers are required to make the same contribution to the cost to the State of an approved death and disability insurance policy as the contribution police officers would have been required to make under the *Crown Employees (Police Officers Death and Disability) Award 2005* if that Award had not been rescinded by the *Police Amendment (Death and Disability) Act 2011*.
Note. On the rescission of the Award, the contribution required to be made by police officers was 1.8% of their remuneration.
- (2) The contribution is to be made by way of salary sacrifice.
