

Agreement in Principle

Mr BARRY COLLIER (Miranda—Parliamentary Secretary) [5.21 p.m.], on behalf of Mr David Campbell: I move:
That this bill be now agreed to in principle.

The bill was introduced in the other place on 24 September 2008 and the second reading speech appears at page 9875 of the *Hansard* for that day. The bill is in the same form as introduced in the other place. I commend the bill to the House.
