Public Sector Restructure (Miscellaneous Acts Amendments) Bill 2009

Explanatory note

This explanatory note relates to this Bill as introduced into Parliament.

Overview of Bill

The object of this Bill is to amend various Acts as a consequence of the *Public Sector Employment and Management (Departmental Amalgamations) Order 2009* (which commenced on 1 July 2009) and to implement further administrative reforms in relation to the public sector. Most of the amendments made by this Act either update references to various Divisions of the Government Service (or to positions in the Government Service) as a consequence of the amalgamations effected by that Order (*the departmental amalgamations order*) or rationalise the way in which certain Acts are administered as a result of those amalgamations.

Outline of provisions

Clause 1 sets out the name (also called the short title) of the proposed Act.

Clause 2 provides for the commencement of the proposed Act.

Clause 3 makes it clear the explanatory notes contained in the Schedules to the proposed Act do not form part of the Act.
