

Agreement in Principle

Ms LYLEA McMAHON (Shellharbour—Parliamentary Secretary) [11.21 a.m.], on behalf of Ms Verity Firth: I move:

That this bill be now agreed to in principle.

This bill was introduced in the other place on 3 June 2009 and is in the same form. The second reading speech appears at pages 15,548 to 15,550 in the *Hansard* pamphlet for that day. I commend the bill to the House.
