1 Name of Act

This Act is the *Duties Act 1997*.

2 Commencement

This Act commences on 1 July 1998.

3 What does this Act do?

This Act creates and charges a number of duties.

Note. Each duty is dealt with in a separate Chapter of this Act. The Contents pages list the Chapters and their subject-matter.

- how unpaid duty may be recovered
- what records must be kept by taxpayers
- how decisions made under this Act can be challenged
- the investigative powers of tax administrators.

6 Meaning of words and expressions used in this Act

Words and expressions used in this Act (or in any particular provision of this Act) that are defined in the Dictionary at the end of this Act have the meanings set out in the Dictionary.

7 Notes in the text

Chapter 2 Transactions concerning dutiable property

Part 1 Introduction and overview

8 Imposition of duty on certain transactions concerning dutiable property

- (1) This Chapter charges duty on:
 - (a) a transfer of dutiable property, and
 - (b) the following transactions:
 - (i) an agreement for the sale or transfer of dutiable property,
 - (ii) a declaration of trust over dutiable property,
 - (iii) a surrender of an interest in land in New South Wales,
 - (iv) a foreclosure of a mortgage over dutiable property,
 - (v) a vesting of dutiable property by or as a consequence of a statute or court order.

- (2) Such a transfer or transaction is a *dutiable transaction* for the purposes of this Act.

- (3) In this Chapter:

declaration of trust means any declaration (other than by a will or testamentary instrument) that any identified property vested or to be vested in the person making the declaration is or is to be held in trust for the person or persons, or the purpose or purposes, mentioned in the declaration although the beneficial owner of the property, or the person entitled to appoint the property, may not have joined in or assented to the declaration.

transfer includes an assignment and an exchange.

9 Imposition of duty on dutiable transactions that are not transfers

- (1) The duty charged by this Chapter on a dutiable transaction referred to in section 8 (1) (b) is to be charged as if each such dutiable transaction were a transfer of dutiable property.
- (2) Accordingly, for the purpose of charging duty under this Chapter, in relation to a dutiable transaction specified in Column 1 of the following Table:
 - (a) the property specified opposite the dutiable transaction in Column 2 is taken to be the property transferred (and a reference in this Act to property transferred includes a reference to such property), and
 - (b) the person specified opposite the dutiable transaction in Column 3 is taken to be the transferee of the dutiable property (and a reference in this Act to a transferee includes a reference to such a person), and
 - (c) the transfer of the dutiable property is taken to have occurred at the time specified opposite the dutiable transaction in Column 4 (and a reference in this Act to the time at which a transfer occurs includes a reference to such a time).

Table

Table—continued

Column 1	Column 2	Column 3	Column 4
Dutiable transaction	Property transferred	Transferee	When transfer occurs

10 What form must a dutiable transaction take?

It is immaterial whether or not a dutiable transaction is effected by a written instrument or by any other means, including electronic means.

 - (i) it arises as a consequence of the ownership of a unit in a unit trust scheme and is not a land use entitlement, or

- (ii) it is, or is attributable to, an option over dutiable property, or
- (iii) it is an interest in a marketable security, being an interest that is traded on the Australian Stock Exchange or the Sydney Futures Exchange and that is not included in paragraph (f).

12 When does a liability for duty arise?

- (1) A liability for duty charged by this Chapter arises when a transfer of dutiable property occurs.
- (2) However, if a transfer of dutiable property is effected by a written instrument, liability for duty charged by this Chapter arises when the instrument is first executed.

13 Who is liable to pay the duty?

Duty charged by this Chapter is payable by the transferee, unless this Chapter requires another person to pay the duty.

14 The liability of joint tenants

For the purpose of assessing duty charged by this Chapter, joint tenants of dutiable property are taken to hold the dutiable property as tenants in common in equal shares.

15 Necessity for written instrument or written statement

- (1) If a dutiable transaction that is liable to ad valorem duty under this Chapter is not effected by a written instrument, the transferee must make a written statement in a form approved by the Chief Commissioner.
- (2) The written statement must be made within 3 months after the liability arises.
- (3) This section does not apply to an SCH-regulated transfer to which Division 1 of Part 4 applies.

(4) If a dutiable transaction:

- (a) is completed by an SCH-regulated transfer, or
- (b) is completed or evidenced by a written instrument,

within 3 months after the date on which the dutiable transaction occurs, the requirement to lodge a statement and pay duty in respect of the statement may be satisfied by the payment of duty under Division 1 of Part 4, or by the lodgment of and payment of duty on the written instrument, within 3 months after the date on which the dutiable transaction occurs.

16 Lodging written instrument or written statement with Chief Commissioner

(1) A transferee who is liable to pay duty in respect of a dutiable transaction must, within 3 months after the liability arises, lodge with the Chief Commissioner:

- (a) the written instrument that effects the dutiable transaction or, if there is more than one such written instrument, each one of them as provided by section 18 (1), or
- (b) the written statement made in compliance with section 15.

(2) This section does not apply to:

- (a) the transfer of a marketable security on which duty is paid in accordance with:
 - (i) Division 1 of Part 4 (SCH-regulated transfers (CHESS)), or
 - (ii) Division 3 of Part 4 (London Stock Exchange), or
- (b) an SCH-regulated transfer, or a transfer to which Division 3 of Part 4 applies, that is exempt from duty.

17 When must duty be paid?

- (1) A tax default does not occur for the purposes of the *Taxation Administration Act 1996* if duty is paid within 3 months after the liability to pay the duty arises.
- (2) This section does not apply to duty payable on the lodgment of a return under Division 1 or 3 of Part 4.

18 No double duty

- (1) If a dutiable transaction is effected by more than one instrument, one instrument is to be stamped with the duty payable on the dutiable transaction and each other instrument is chargeable with duty of \$10.

Note. "Instrument" includes a written statement.

- (2) The duty chargeable in respect of a transfer of dutiable property made in conformity with an agreement for the sale or transfer of the dutiable property is \$2 if the duty chargeable in respect of the agreement has been paid.
- (3) The duty chargeable in respect of a transfer of dutiable property that is not made in conformity with an agreement for the sale or transfer of the dutiable property is \$2 if:
 - (a) the duty chargeable in respect of the agreement has been paid, and
 - (b) the transfer would be in conformity with the agreement if the transferee was the purchaser under the agreement, and
 - (c) the purchaser under the agreement and the transferee under the transfer were related persons at the time the agreement was entered into.
- (4) The duty chargeable on a transfer to a trustee of dutiable property subject to a declaration of trust is \$2 if ad valorem duty has been paid on the declaration of trust in respect of the same dutiable property.
- (5) The duty chargeable on a transfer of dutiable property as a consequence of a foreclosure order is \$2 if ad valorem duty has been paid on the foreclosure.
- (6) The duty chargeable on a declaration of trust that declares the same trusts as those upon and subject to which the same dutiable property was transferred to the person declaring the trust is \$2 if ad valorem duty has been paid on the transfer.
- (7) A dutiable transaction in respect of marketable securities that confer a land use entitlement is taken to be a dutiable transaction in respect of the land use entitlement only. If duty has been paid on the dutiable transaction in accordance with a law of another

Australian jurisdiction, the duty charged by this Chapter on the dutiable transaction is to be reduced by the amount of the duty so paid.

19 What is the rate of duty?

Duty is charged on the dutiable value of the dutiable property subject to the dutiable transaction at the relevant rate set out in Part 3.

20 Concessions and exemptions from duty

Concessions and exemptions from duty charged by this Chapter are dealt with in Parts 6, 7 and 8.

Part 2 Dutiable value

21 What is the “dutiable value” of dutiable property?

- (1) The *dutiable value* of dutiable property that is subject to a dutiable transaction is the greater of:
 - (a) the consideration (if any) for the dutiable transaction (being the amount of a monetary consideration or the value of a non-monetary consideration), and
 - (b) the unencumbered value of the dutiable property.
- (2) The *dutiable value* of dutiable property transferred by way of foreclosure is the unencumbered value of the dutiable property and not the value of the debt secured by the mortgaged property.
- (3) The *dutiable value* of a business asset referred to in section 11 (g) that also has a relevant connection with the Commonwealth or another Australian jurisdiction is to be apportioned in accordance with section 28.
- (4) The *dutiable value* of a partnership interest referred to in section 29 is to be determined in accordance with that section.

22 What is the consideration for the transfer of dutiable property?

- (1) The consideration for the transfer of dutiable property is taken to include the amount or value of all encumbrances, whether certain or contingent, subject to which the dutiable property is transferred.
- (2) The consideration for the transfer of the interest of a transferee under an uncompleted agreement for the sale or transfer of dutiable property is taken to include the balance of the amount or value of the consideration that would be required from the transferee under the agreement in order to complete it in accordance with its terms.
- (3) The consideration for the transfer of the goodwill of a business is taken to include the amount or value of the consideration for any restraint of trade arrangement entered into in connection with the transfer of the goodwill.

23 What is the “unencumbered value” of dutiable property?

- (1) The *unencumbered value* of dutiable property is the value of the property determined without regard to any encumbrance to which the property is subject.
- (2) The *unencumbered value* of the goodwill of a business is taken to include the value of any restraint of trade arrangement entered into by the vendor in order to protect the value of the goodwill.
- (3) If, before land is transferred to a transferee, the transferee has made improvements to the land, the unencumbered value of the land is to be determined as if those improvements had not been made.

24 Arrangements that reduce the dutiable value

If any arrangement affecting the dutiable value of dutiable property that was entered into within 12 months before a dutiable transaction was brought about by any person with the intention of reducing the dutiable value of the dutiable property, the Chief Commissioner may:

- (a) cause a valuation of the dutiable property to be made, and
- (b) direct the valuer to disregard the arrangement for the purposes of the valuation, and
- (c) assess duty on the basis of the valuation carried out in accordance with the direction.

25 Aggregation of dutiable transactions

- (1) Dutiable transactions relating to separate items of dutiable property, or separate parts of, or interests in, dutiable property are to be aggregated and treated as a single dutiable transaction if:
 - (a) they occur within 12 months, and
 - (b) the transferee is the same or the transferees are associated persons, and
 - (c) the dutiable transactions together form, evidence, give effect to or arise from what is, substantially, one arrangement relating to all of the items or parts of, or interests in, the dutiable property.

Note. “Associated person” is defined in the Dictionary.

-
- (2) Dutiable transactions are not to be aggregated under this section if the Chief Commissioner is satisfied that it would not be just and reasonable to do so in the circumstances.
 - (3) The dutiable value of aggregated dutiable property is the sum of the dutiable values of the items or parts of, or the interests in, the dutiable property as at the time at which each dutiable transaction occurs.
 - (4) The amount of duty payable in accordance with this section is to be reduced by the amount of any ad valorem duty paid on a prior dutiable transaction that is, or prior dutiable transactions that are, aggregated in accordance with this section.
 - (5) Duty may be apportioned to the instruments effecting or evidencing the dutiable transactions, or may be charged in accordance with section 18 (1), as determined by the Chief Commissioner.
 - (6) A transferee to whom this section applies must disclose to the Chief Commissioner, in writing, at or before the time at which an instrument or statement relating to the dutiable transactions is lodged for stamping, details known to the transferee of:
 - (a) all of the items or parts of, or interests in, the dutiable property included or to be included in the arrangement referred to in subsection (1), and
 - (b) the consideration for each item or part of, or interest in, that dutiable property.

Maximum penalty (subsection (6)): 100 penalty units.

- (7) The reference in this section to dutiable property does not include a reference to marketable securities.

26 Certain transactions concerning goods and other property

The Chief Commissioner, if satisfied that it would not be just and reasonable in the circumstances to charge duty on the dutiable value of all the dutiable property in a dutiable transaction involving goods and other property, may disregard the value of the goods, or any of them, in determining the dutiable value of the property involved.

27 Apportionment—dutiable property and other property

- (1) If a dutiable transaction relates to dutiable property and property that is not dutiable property, it is chargeable with duty under this Chapter only to the extent that it relates to dutiable property.
- (2) If a dutiable transaction relates to different types of dutiable property for which different rates of duty are chargeable under this Chapter, the dutiable transaction is chargeable with duty under this Chapter as if a separate dutiable transaction had occurred in relation to each such type of dutiable property.

28 Apportionment—business assets in this and other jurisdictions

(1) Business assets to which this section applies

This section applies to a business asset referred to in section 11 (g), being:

- (a) the goodwill of a business if sales of goods or services, or goods and services, have also been made to a non-New South Wales customer of the business during the previous 12 months, or
- (b) intellectual property that has also been used or exploited in one or more other Australian jurisdictions during the previous 12 months, or
- (c) a statutory licence or permission under a Commonwealth law if the rights under the licence or permission have been exercised during the previous 12 months in respect of one or more other Australian jurisdictions.

(2) How is the dutiable value of a business asset determined?

The dutiable value (*DV*) of a business asset to which this section applies is to be determined in accordance with the following formula:

$$DV = A \times \frac{X}{Y}$$

where:

A is the unencumbered value of the business asset, or so much of the consideration for the dutiable transaction as relates to the business asset, whichever is the greater, and

X is the gross amount of the sales of goods and services (expressed in Australian dollars) made to New South Wales customers of the business during the last 3 completed financial years preceding the dutiable transaction, and

Y is the gross amount of the sales of goods and services (expressed in Australian dollars) made to both New South Wales customers and non-New South Wales customers of the business during the last 3 completed financial years preceding the dutiable transaction.

- (3) Subsection (2) applies to intellectual property together with goodwill as if the intellectual property and goodwill comprise a single business asset.
- (4) If an apportionment cannot be made under subsection (2), the Chief Commissioner may make an apportionment on such basis as the Chief Commissioner considers appropriate in the circumstances.
- (5) **When is a sale made to NSW customers and non-NSW customers of a business?**

For the purposes of this Chapter, a sale of goods or services is taken to be made to:

- (a) a New South Wales customer of a business if the goods are delivered, or the services are provided, in New South Wales to the customer, and
- (b) a non-New South Wales customer of a business if the goods are delivered, or the services are provided, outside New South Wales to the customer.

29 Partnership interests

The dutiable value of a partnership interest (*DV*) is to be determined in accordance with the following formula:

$$DV = A \times \frac{X}{Y}$$

where:

A is the value of the partnership interest, or so much of the consideration for the dutiable transaction as relates to the partnership interest, whichever is the greater, and

X is the unencumbered value of all dutiable property of the partnership, and

Y is the unencumbered value of all assets of the partnership.

30 Partitions

(1) What is a partition?

For the purposes of this section, a partition occurs when dutiable property that is held by persons jointly (as joint tenants or tenants in common) and beneficially is transferred or agreed to be transferred to one or more of those persons.

(2) Single dutiable transaction

For the purposes of this section and sections 16 and 18, a partition is taken to be a single dutiable transaction.

(3) Dutiable value

The dutiable value of a partition is the greater of:

- (a) the sum of the amounts by which the unencumbered value of the dutiable property transferred, or agreed to be transferred, to a person by the partition exceeds the unencumbered value of the interest held by the person in the dutiable property transferred, or agreed to be transferred, to each person by the partition immediately before the partition, and
- (b) the sum of any consideration for the partition paid by any of the parties.

(4) Minimum duty

The minimum duty chargeable on a transaction that effects a partition is \$10.

(5) Who is liable to pay the duty?

Duty charged by this section is payable by the persons making the partition or any one or more of them.

31 Effect of reduction in purchase price

If the Chief Commissioner is satisfied that:

- (a) after an agreement for the transfer of dutiable property is entered into and before the property is transferred, the consideration under the agreement is reduced, and
- (b) the reduced consideration is not less than the unencumbered value of the dutiable property when the consideration was reduced,

the Chief Commissioner must assess or reassess the liability to duty of the agreement in accordance with the reduced consideration.

Part 3 Rates of duty

32 General rate

- (1) The rate of duty chargeable on a dutiable transaction is as follows:

Dutiable value of the dutiable property subject to the dutiable transaction	Rate of duty
Not more than \$14,000	\$1.25 for every \$100, or part, of the dutiable value
More than \$14,000 but not more than \$30,000	\$175 plus \$1.50 for every \$100, or part, by which the dutiable value exceeds \$14,000
More than \$30,000 but not more than \$80,000	\$415 plus \$1.75 for every \$100, or part, by which the dutiable value exceeds \$30,000
More than \$80,000 but not more than \$300,000	\$1,290 plus \$3.50 for every \$100, or part, by which the dutiable value exceeds \$80,000
More than \$300,000 but not more than \$1,000,000	\$8,990 plus \$4.50 for every \$100, or part, by which the dutiable value exceeds \$300,000
More than \$1,000,000	\$40,490 plus \$5.50 for every \$100, or part, by which the dutiable value exceeds \$1,000,000

- (2) This rate applies unless other provision is made by this Chapter.

Note. The rates of duty chargeable on dutiable transactions in respect of marketable securities are dealt with in section 33 and section 150. Concessional rates of duty chargeable on certain dutiable transactions are dealt with in Part 6 of this Chapter.

33 Shares, units, derivatives and interests (marketable securities)

- (1) The rate of duty chargeable on dutiable transactions in respect of marketable securities, other than marketable securities to which subsection (2) applies, is 60 cents per \$100, or part, of the dutiable value of the marketable securities.

-
- (2) The rate of duty chargeable on dutiable transactions in respect of marketable securities quoted on the market operated by the Australian Stock Exchange is 30 cents per \$100, or part, of the dutiable value of the marketable securities.

Note. This rate does not apply to dutiable transactions in respect of marketable securities to which Chapter 4 (Marketable securities—on-market transfers (Broker provisions)) applies.

- (3) A minimum rate of duty of \$10 is chargeable under this section in respect of a transfer of shares of a corporation:
- (a) the shares of which are not listed on a recognised stock exchange, and
 - (b) that is not the legal or beneficial owner of land in New South Wales.
- (4) A rate of duty chargeable under this section does not apply to a dutiable transaction that confers a land use entitlement.

Part 4 Off-market transfers of marketable securities

Introductory note. An object of this Part is to provide 3 schemes for the payment of duty on the transfer of marketable securities, one relating to transfers made via SCH-regulated transfers (CHES), one relating to transfers made through the London Stock Exchange and the other relating to transfers made by a person who is approved by the Chief Commissioner to pay duty by periodic return.

Divisions 1 and 2 relate to SCH-regulated transfers (CHES), Division 3 relates to trading on the United Kingdom Stock Exchange and Division 4 relates to payment of duty by periodic return.

This Part provides alternative means for effecting the payment of duty from those provided elsewhere in this Act.

Division 1 SCH-regulated transfers (CHES)

34 Application of Division 1

- (1) This Division applies to an SCH-regulated transfer of marketable securities only if:
 - (a) the transfer is a proper SCH transfer, and
 - (b) the body approved as the securities clearing house under section 779B of the *Corporations Law* is registered by the Chief Commissioner under Division 2.
- (2) This Division does not apply to a transfer to which Division 3 applies.

35 SCH participant liable to pay duty

- (1) An SCH participant who is a party to a transfer to which this Division applies is liable to pay the duty. However, if more than one SCH participant is a party to the transfer, the SCH participant who acts for the transferee is liable to pay the duty.
- (2) If the SCH participant liable to pay duty in respect of an SCH-regulated transfer is not the transferee under the transfer, the participant may recover from the transferee the amount of the

duty paid as a debt and may, in reimbursement of that amount, retain any money in the participant's hands belonging to the transferee.

36 Record of SCH-regulated transfers

- (1) The relevant SCH participant must make a record that complies with this section immediately on making an SCH-regulated transfer of marketable securities to which this Division applies.
- (2) The record must show the following particulars:
 - (a) the date of the transfer,
 - (b) the transfer identifier of the transfer,
 - (c) the name of the transferee and, unless another SCH participant controls the transferor's holding, the name of the transferor,
 - (d) the identification code of the SCH participant making the record and the identification code of the other SCH participant (if any) who is a party to the transfer,
 - (e) the quantity and full description of the marketable securities transferred,
 - (f) the transfer value of the marketable securities,
 - (g) the amount of duty chargeable in respect of the transfer,
 - (h) if ad valorem duty is not chargeable in respect of the transfer, the duty-type category for the transfer,
 - (i) in the case of an error transaction to reverse an earlier transfer that was made mistakenly, the transfer identifier of that earlier transfer.

37 Particulars to be included by relevant SCH participant in transfer document

The relevant SCH participant must include in the transfer document for an SCH-regulated transfer to which this Division applies the particulars required by the Chief Commissioner under the conditions of registration of SCH.

Maximum penalty: 100 penalty units.

38 Relevant SCH participant's identification code equivalent to stamping

When the relevant SCH participant includes the participant's identification code in the transfer document for an SCH-regulated transfer to which this Division applies, the transfer document is taken to be duly stamped but without affecting the participant's liability to pay any duty payable under section 39.

Note. "Identification code" is defined in the Dictionary.

39 Returns to be lodged and duty paid

- (1) The relevant SCH participant must, not more than 7 days after the end of a month in which the participant has been party to an SCH-regulated transfer to which this Division applies:
 - (a) lodge with SCH a return in respect of the transfer in the form and containing the details required by the Chief Commissioner under the conditions of registration of SCH, and
 - (b) if duty is payable in respect of the transfer, pay the duty to SCH.
- (2) If the relevant SCH participant lodges the return with, and pays the duty (and any interest) to, SCH later than the fifteenth day after the end of each month:
 - (a) without limiting the *Taxation Administration Act 1996*, the SCH participant commits a tax default for the purposes of that Act, and
 - (b) SCH must identify the return as a late return and lodge it with the next monthly return that is lodged with the Chief Commissioner under section 41.

Division 2 The Securities Clearing House

40 Registration as the securities clearing house

- (1) The Chief Commissioner must, on application by the body approved as the securities clearing house under section 779B of the *Corporations Law*, register the body under this Division.

- (2) The registration is subject to conditions determined by the Chief Commissioner from time to time and notified to SCH in writing.
- (3) Subject to subsection (5), the Chief Commissioner may, by order in writing, suspend the registration for a specified period if SCH contravenes this Division or a condition of registration.
- (4) Before suspending the registration, the Chief Commissioner must give SCH 7 days written notice specifying the grounds on which the Chief Commissioner proposes to suspend the registration and the proposed period of suspension.
- (5) SCH may, within 7 days after receipt of a notice under subsection (4), apply to the Chief Commissioner for a review of the proposed decision.
- (6) The Chief Commissioner must not suspend the registration unless:
 - (a) the period of 7 days notice referred to in subsection (4) has elapsed, and
 - (b) SCH has been given an opportunity to make submissions on the matter and, if it has made any such submissions, the submissions are not acceptable to the Chief Commissioner.
- (7) The registration continues in force:
 - (a) until cancelled on the application of the body registered, or

- (a) for purposes of or ancillary to a transfer referred to in subsection (1) or (2), it transfers a share that is matrimonial property or partnership property to a person not a party to the relevant marriage or de facto relationship, in order to comply with a requirement of or prescribed under the *Corporations Law*, or

Part 8 Exemption, discounts and instalment payment schemes

Division 1 First home purchase scheme

Subdivision 1 Agreements and associated mortgages

69 The nature of the scheme

This scheme is intended to help people who are buying their first home by enabling them to choose to pay duty on the agreement by instalments over a period of 5 years (instead of at the time of purchase) or to pay the duty at a discounted rate. Under the scheme, any mortgage given to assist the financing of the purchase may be exempted from payment of duty.

70 Commencement

The following transactions and instruments are eligible for consideration under the scheme:

- (a) agreements for sale or transfer entered into on or after the commencement of this Division,
- (b) transfers that occur on or after the commencement of this Division,
- (c) mortgages over land the subject of those agreements or transfers.

71 Eligible persons—generally

- (1) A single person may apply under the scheme but will only be eligible once as a single person.
- (2) A couple may apply under the scheme as long as one of them has not owned land, or a company title dwelling, in Australia either solely or with someone else.

72 Eligible persons—net taxable income

- (1) Eligibility is subject to a means test.

- (2) However, a trustee is eligible if the trustee is an apparent purchaser of the kind referred to in section 55 and the real purchaser is eligible.
- (3) A person is not eligible if any duty remains to be paid by the person in connection with a previous application approved under this scheme (or if stamp duty remains to be paid by the person in connection with a first home purchase scheme that operated under the *Stamp Duties Act 1920*).
- (4) A person is not eligible if the person owns or has owned land, or a company title dwelling, in Australia either solely or with someone else. However, this does not apply to a person who is one of an eligible couple under section 71 (2).

- (2) The agreement or transfer must be for the whole of the property.

- (3) The total consideration payable under the agreement or transfer (that is, the amount paid for the house or unit, or the land and the construction of a house or unit on the land, and any furnishings and other items acquired under the agreement or transfer or any related document) must not be more than:
 - (a) \$155,000 if the property is located in the Metropolitan Area and has a private dwelling built on it, or

- (4) The amount paid must be the full market value. Wholly or partially gifted property is not eligible.

In such a case, the amount of advances secured must not be more than the amount of the total consideration permitted under section 74 (3) (a) or (b), as the case requires.

78 Making of applications

- (1) An application is made to the Chief Commissioner by completing a statutory declaration in a form approved by the Chief Commissioner.
- (2) Unless the applicant intends (or the applicants intend) to pay the duty at the discounted rate in accordance with section 80, the application must be accompanied by an undertaking in a form approved by the Chief Commissioner to pay the duty on the agreement by 5 annual instalments, the amounts of which are, as nearly as possible, to be equal.

- (3) The Chief Commissioner may at any time (whether before or after the approval of an application) require the applicant or applicants to provide such further information as the Chief Commissioner may consider necessary for the proper administration of the scheme.

79 Determination of applications

An application is to be determined solely at the discretion of the Chief Commissioner whose decision is final.

80 Stamping of documents if application is approved

- (1) If an application concerning an eligible agreement or transfer is approved, the purchaser is (or the purchasers are) entitled to a 30% discount of the duty otherwise payable in respect of the agreement or transfer. However, this entitlement ceases if the discounted amount of duty is not paid within 3 months after the liability to duty arises.
- (2) If the discounted amount of duty is paid in accordance with this section, the agreement (including any transfer made in conformity with the agreement) will be stamped as if the full amount of duty has been paid.
- (3) Otherwise, if an application concerning an eligible agreement is approved, the agreement will be stamped as if the full amount of duty had been paid and the duty must be paid in instalments in accordance with the undertaking.
- (4) The amount of any duty payable on a duplicate agreement and any associated transfer may be added to the amount to be paid by instalments.

81 Payment of instalments

- (1) Where instalments of duty are to be paid in accordance with the undertaking, the first instalment is to be paid by a date which is 1 year after the date of exchange of the agreement.
- (2) Although instalments are payable annually, payments may be made at more frequent intervals.

82 Payment of interest

- (1) No interest is payable unless an instalment is overdue. An instalment is overdue if it is not paid within 21 days after the date fixed for its payment in the undertaking.
- (2) Interest on an instalment that is overdue is payable as on a tax default by a taxpayer under the *Taxation Administration Act 1996*.
- (3) A person having the benefit of the scheme is not liable, in that capacity, for any penalty under this Act or any interest other than as provided by this section.

83 Overdue instalments

As well as attracting interest, if an instalment is overdue for more than 3 months, the Chief Commissioner (or the Chief Commissioner's agent) may sue the defaulter to recover, as a debt, the whole of the outstanding balance of the duty and any accrued interest and may, in addition, lodge and maintain a caveat over the subject property until all duty has been paid.

84 Sale or leasing of home or land before all instalments are paid

- (1) If the home or land is sold, leased (wholly or in part) or otherwise disposed of, or if for some other reason the home ceases to be the principal place of residence of the person or both of the persons having the benefit of the scheme:
 - (a) any entitlement to a discount under section 87 ceases immediately the home or land is sold, leased or otherwise disposed of or the home so ceases to be the principal place of residence, and
 - (b) the whole of the outstanding balance of the duty and any accrued interest becomes immediately payable.
- (2) The Chief Commissioner (or the Chief Commissioner's agent) may sue the person or persons owing the duty and any interest to recover, as a debt, the amount involved.

85 Definitions

In this Subdivision:

couple means any 2 people residing together or who intend to reside together in the home or on the land the subject of the application.

single person means a person residing alone (whether or not with children) or who intends to so reside in the home or on the land the subject of the application.

Subdivision 2 Discount for full payment of remaining duty

86 Application of Subdivision 2

This Subdivision applies to a person or persons having the benefit of the scheme set out in Subdivision 1 or a first home purchase scheme that operated under the *Stamp Duties Act 1920*.

87 Discount for full payment of remaining duty

- (1) A person or persons to whom this Subdivision applies may choose at any time to pay out, at a discount, the total of all instalments of duty remaining at that time. The amount of the discount depends on the number of instalments remaining to be paid and is calculated as follows:

No of instalments remaining	Discount
5	25%
4	20%
3	15%
2	10%
1	—

- (2) There is no entitlement to a discount under this section at any time when an instalment is overdue or any interest payable on an overdue instalment remains unpaid.

Division 2 Flood-prone housing scheme

88 The nature of the scheme

This scheme is intended to assist a person who, as an owner of a home on flood-prone land, has entered into an agreement for the sale of the land to the council of the local government area in which the land is situated and then purchases another home. The scheme enables such a person to choose to pay duty on the agreement for the purchase of the new home by instalments over a period of 5 years (instead of at the time of purchase).

89 Commencement

Agreements for sale or transfer entered into on or after the commencement of this Division are eligible for consideration under the scheme.

90 Eligible persons

A person may apply under the scheme if:

- (a) the person was the owner of at least 50% of the beneficial interest in the land sold or being sold to the council, and
- (b) the person has entered into an agreement for the purchase of a home intended to be occupied as the person's principal place of residence.

91 Eligible agreements

The agreement for the purchase of the new home is eligible for consideration under the scheme if the amount paid for the home is the full market value. Wholly or partially gifted property is not eligible.

92 Other provisions

Sections 76 and 78–84 apply to this scheme in the same way as they apply to the First Home Purchase Scheme.

Division 3 Exemption from or reduction in duty for certain transfers

93 The nature of the scheme

The scheme is intended to provide an exemption from or reduction in duty, at the discretion of the Chief Commissioner, in respect of:

- (a) the transfer of a principal place of residence from a corporation or special trust to certain persons, or
- (b) the transfer of any land owned as at 31 December 1986 by a special trust from the trust to certain persons.

94 Definitions

In this Division:

corporation has the same meaning as in the *Corporations Law*.

land includes any estate or interest in land.

land tax has the same meaning as in the *Land Tax Management Act 1956*.

principal shareholder in a corporation means:

- (a) any person (other than a corporation) whose voting entitlement (whether or not through the holding of shares) in the corporation is 50% or more, or
- (b) any person (other than a corporation) who has a voting entitlement (whether or not through the holding of shares) in the corporation where all the persons who have a voting entitlement in the corporation have an equal voting entitlement.

shareholder includes member.

special trust has the same meaning as in the *Land Tax Management Act 1956*.

voting entitlement has the meaning given by section 95.

95 Meaning of “voting entitlement”

- (1) A person's voting entitlement in a corporation is that proportion of the total voting rights of all shareholders entitled to vote at general meetings of the corporation which the person is entitled to exercise, as a shareholder, at general meetings of the corporation.
- (2) A person is to be considered to have a voting entitlement in a corporation (**corporation A**) if the person has a voting entitlement in another corporation (**corporation B**) which itself has a voting entitlement in corporation A.
- (3) In a case to which subsection (2) applies, the person's voting entitlement in corporation A is the proportion which results from multiplying the person's voting entitlement in corporation B by corporation B's voting entitlement in corporation A.
- (4) If a person has a voting entitlement in the same corporation under different provisions of this section, or under different applications of the same provision of this section, the person's voting entitlement in the corporation is the aggregate of those entitlements.
- (5) In determining a person's voting entitlement for the purposes of this section, proxies and other authorities to vote held by a shareholder are to be disregarded.

96 Transfer by corporation of principal place of residence to principal shareholder or spouse

- (1) A transfer of land by a corporation is eligible for exemption under this Division if:
 - (a) the corporation owned the land on 11 September 1990, and
 - (b) the transferee or each of the transferees is a principal shareholder in the corporation or the spouse of such a principal shareholder (whether or not the principal shareholder is one of the transferees), and

- (c) had the transferee or each of the transferees been an owner of the land within the meaning of the *Land Tax Management Act 1956* on 31 December that last preceded the date of the transfer, the land would, by the operation of section 10 (1) (r) of the *Land Tax Management Act 1956*, be exempt from land tax in respect of the year in which the transfer took effect.
- (2) If land is transferred by a corporation to two or more persons jointly, each of those persons is, for the purposes of this section (but without affecting any entitlement to be considered to be a principal shareholder apart from this subsection), to be considered to be a principal shareholder in the corporation if:
 - (a) each of the persons has a voting entitlement in the corporation, and
 - (b) the aggregate of the voting entitlements in the corporation of each of those persons would be sufficient to qualify any one person as a principal shareholder in the corporation.

97 Transfer of principal place of residence by special trust to beneficiary etc

A transfer of land subject to a special trust is eligible for exemption under this Division if:

- (a) the land was subject to the special trust on 11 September 1990, and
- (b) the transferee or each of the transferees was:
 - (i) the settler of the land or the person who actually paid the purchase money for the land when the land was acquired by the trustee under the trust, or
 - (ii) a beneficiary of the special trust immediately before the transfer took effect and a beneficiary of the trust when the land was acquired by the trustee under the trust, or
 - (iii) the spouse of a person referred to in subparagraph (i) or (ii), and
- (c) the transferee or each of the transferees will hold the land beneficially, and

- (d) had the transferee or each of the transferees been an owner of the land within the meaning of the *Land Tax Management Act 1956* on 31 December that last preceded the date of the transfer, the land transferred would, by the operation of section 10 (1) (r) of the *Land Tax Management Act 1956*, be exempt from land tax in respect of the year in which the transfer took effect.

98 Transfer of principal place of residence by corporation to beneficiary of special trust

A transfer of land by a corporation (not acting in the capacity of a trustee) is eligible for exemption under this Division if:

- (a) the corporation owned the land on 11 September 1990, and
- (b) the transferee or each of the transferees is a person, or the spouse of a person, who is a beneficiary under a special trust and was a beneficiary under the trust when the land was acquired by the corporation, and
- (c) the trustee under the special trust is a principal shareholder in the corporation (or would, if the trustee were not a corporation, be a principal shareholder in the corporation) at the time of the transfer, and
- (d) had the transferee or each of the transferees been the owner within the meaning of the *Land Tax Management Act 1956* on 31 December that last preceded the date of the transfer, the land transferred would, by the operation of section 10 (1) (r) of the *Land Tax Management Act 1956*, be exempt from land tax in respect of the year in which the transfer took effect.

99 Transfer by special trust to corporation

- (1) A transfer of land to a corporation by a person in the person's capacity as trustee of a special trust is eligible for exemption under this Division if:
 - (a) the land was subject to the special trust on, and at all times between, 31 December 1986 and 11 September 1990, and
 - (b) section 160ZZN (Transfer of asset to wholly-owned company) of the Commonwealth *Income Tax Assessment Act 1936* applies to the disposal of land effected by the transfer, and

- (c) pursuant to that section, Part IIIA (Capital Gains and Capital Losses) of that Act (except that section) does not apply to that disposal.
- (2) Chapter 3 (Certain transactions treated as transfers) does not apply to the issue or allotment of shares in a corporation pursuant to a transfer for which an exemption from the payment of duty is granted under this Division.

100 Transfer of land not used and occupied solely as a principal place of residence

If:

- (a) a transfer of land would be eligible for exemption under section 96, 97 or 98 but for the fact that the land is not land to which section 96 (1) (c), 97 (d) or 98 (d) applies because it was not used and occupied solely as a principal place of residence at the relevant time, and
- (b) the land value of the land was entitled to be reduced under section 9C of the *Land Tax Management Act 1956* at the relevant time,

the amount on which the transfer is to be charged with ad valorem duty is to be reduced in the same proportion as the land value was entitled to be reduced under section 9C of the *Land Tax Management Act 1956*.

101 Making of applications

- (1) An application under this Division is to be made to the Chief Commissioner in a form approved by the Chief Commissioner.
- (2) If the land to which the transfer relates is or includes land under the *Real Property Act 1900*, the application must be accompanied by an undertaking from the transferee in a form approved by the Chief Commissioner that:
 - (a) the duty that would be payable on the transfer but for the granting of an exemption under this Division will be paid if the transferee does not become the registered proprietor of the land within 3 months (or such longer period as the Chief Commissioner may at any time determine and notify in writing to the transferee) after the transfer is stamped as exempt from the payment of duty, and

- (b) the transferee will, within 1 month after becoming the registered proprietor of the land (or such longer period as the Chief Commissioner may at any time determine and notify in writing to the transferee), provide evidence of that fact to the satisfaction of the Chief Commissioner.

102 Determination of applications

- (1) An application is to be determined solely at the discretion of the Chief Commissioner whose decision is final.
- (2) An application is not to be granted unless the Chief Commissioner is satisfied that all land tax payable in respect of the land (including any additional land tax payable by way of penalty or otherwise) has been paid.
- (3) If the application is granted, the Chief Commissioner is to stamp the transfer as exempt from the payment of duty.

103 Reassessment of duty if undertaking not met

If a requirement of an undertaking from a transferee is not met, the Chief Commissioner may reassess the duty payable on the transfer as if this Division does not apply.

104 Application of scheme to company titles

This Division applies to the transfer of shares in a private company or units in a private unit trust scheme, the ownership of which entitles the owner to the exclusive possession, or substantially exclusive possession, of a dwelling in a building containing more than one separate dwelling, in the same way as it applies to a transfer of land, with such modifications as may be necessary.

Chapter 3 Certain transactions treated as transfers

Part 1 Preliminary

105 Introduction and overview

This Chapter charges duty on certain transactions that are not “dutiable transactions” under Chapter 2.

Note. Duty is chargeable under Part 2 on the acquisition by a person of an interest consisting of certain shareholdings in a private company, or unitholdings in a private unit trust scheme, whose property in either case consists, to the prescribed extent, of land holdings.

The duty is chargeable at the general rate for a dutiable transaction under Chapter 2, rather than at the rate applicable to transfers of shares and units. An acquisition statement must be lodged when a majority interest is acquired or increased. Duty on an acquisition statement is chargeable only on interests acquired within a 3-year period. In certain cases the obligation to pay duty at the higher rate is phased in (see section 122).

Duty is chargeable:

- under Part 3 on transactions by which corporate capital is reduced by redemption, surrender or cancellation of shares or reduction of share value or alteration of share rights
- under Part 4 on the allotment of shares or units that confer a land use entitlement
- under Part 5 on the allotment of shares by direction.

Part 2 Acquisition of interests in certain landholders

Division 1 Land-rich private corporations

106 Meaning of “private corporation”

A private company or private unit trust scheme is, for the purposes of this Part, a *private corporation*.

Note. “Private company” and “private unit trust scheme” are defined in the Dictionary.

107 When is a private corporation “land-rich”?

- (1) A private corporation is *land-rich* if:
- (a) it has land holdings in New South Wales whose unencumbered value is \$1,000,000 or more, and
 - (b) its land holdings in all places, whether within or outside Australia, comprise 80% or more of the unencumbered value of all its property.

Note. As to what constitutes a land holding, see section 108.
As to ownership through subsidiaries or discretionary trusts, see sections 109 and 110.

- (2) In calculating the unencumbered value of the property of a private corporation for the purposes of this section, property of any of the following kinds is not counted:
- (a) cash, whether in Australian or other currency,
 - (b) money on deposit with a bank, negotiable instruments or debt securities,
 - (c) loans that, according to their terms, are to be repaid on demand by the lender or within 12 months after the date of the loan,
 - (d) if the private corporation concerned is a private company, loans to persons who, in relation to the company or to a majority shareholder or director of the company, are associated persons,

(e) if the private corporation concerned is a private unit trust scheme, loans to persons who, in relation to a trustee or beneficiary of the scheme, are associated persons,

(f) land use entitlements,

unless the Chief Commissioner, being satisfied that the property concerned was not acquired solely or mainly for the purpose of avoiding duty under this Part, notifies the private corporation concerned that the property will be counted for the purposes of such a calculation.

Note. "Associated person", "land use entitlement" and "majority shareholder" are defined in the Dictionary.

- (3) In addition to subsection (2), property is not to be counted in calculating the unencumbered value of all of the property of a private corporation for the purposes of this section if the private corporation is unable to satisfy the Chief Commissioner that the property was obtained otherwise than to reduce, for the purposes of this Division, the ratio of its land holdings in all places, whether within or outside Australia, to the unencumbered value of all its property.

108 Land holdings of private corporations

- (1) For the purposes of this Part, a **land holding** is any interest in land other than the estate or interest of a mortgagee, chargee or other secured creditor. An interest in land, however:
- (a) is not a land holding of a private company unless the interest of the private company in the land is a beneficial interest, and
- (b) is not a land holding of a unit trust scheme unless the interest is held by the trustees in their capacity as trustees of the scheme.
- (2) This section is in aid of, but does not limit, the operation of any provision of this Part providing for constructive ownership of interests.
- (3) For the purposes of this Part, the vendor and the purchaser under an uncompleted agreement for the sale of land are taken to be separately entitled to the whole of the land.

Note. If duty is charged on an acquisition that relates to a land holding referred to in subsection (3), the Chief Commissioner may defer payment of duty under section 47 of the *Taxation Administration Act 1996*.

A refund may be payable in relation to the non-completion or rescission of an agreement referred to in subsection (3)—see section 123.

109 Constructive ownership of land holdings and other property: subsidiaries

- (1) In addition to any interest in land or other property that it may hold in its own right, a private corporation is taken, for the purposes of this Part, to hold an interest (the value of which, for duty purposes, is to be calculated in accordance with subsection (2)) in land or other property held by a subsidiary of the private corporation.
- (2) The value, for duty purposes, of the interest in land or other property that a private corporation is taken, by the operation of subsection (1), to hold by virtue of a holding of a subsidiary (*the actual landholder*) is that portion of the interest's unencumbered value to which the private corporation would be entitled on a winding-up of:
 - (a) the actual landholder, and
 - (b) every subsidiary of the private corporation that stands between the private corporation and the actual landholder in the ownership chain.
- (3) For the purposes of this Part, a private company (*Company A*) is the subsidiary of another private company (*Company B*) if Company A is a subsidiary, within the meaning of the *Corporations Law*, of Company B.
- (4) For the purposes of this Part, a private company is the subsidiary of a unit trust scheme if the trustees of the scheme, in their capacities as trustees of the scheme, have a majority interest in the private company.
- (5) For the purposes of this Part, a unit trust scheme is the subsidiary of a private corporation if the corporation has a majority interest in the scheme.

Note. As to what constitutes a "majority interest" in a private corporation, see Division 2.

110 Constructive ownership of land holdings and other property: discretionary trusts

- (1) A person or a member of a class of persons in whose favour, by the terms of a discretionary trust, capital the subject of the trust may be applied:
 - (a) in the event of the exercise of a power or discretion in favour of the person or class, or
 - (b) in the event that a discretion conferred under the trust is not exercised,

is, for the purposes of this section, a *beneficiary* of the trust.

- (2) A beneficiary of a discretionary trust is taken to own or to be otherwise entitled to the property the subject of the trust, unless the Chief Commissioner, being satisfied that the application of this subsection in the particular case would be inequitable, determines otherwise.
- (3) For the purposes of this Part, any property that is the subject of a discretionary trust is taken to be the subject of any other discretionary trust:
 - (a) that is, or
 - (b) any trustee of which (in the capacity of trustee) is, a beneficiary of it, unless the Chief Commissioner, being satisfied that the application of this subsection in the particular case would be inequitable, determines otherwise.
- (4) Subsection (3) extends to apply to property that is the subject of a discretionary trust only by the operation of that subsection.
- (5) In this section, *person* includes a private corporation.

Note. "Discretionary trust" is defined in the Dictionary.

Division 2 Acquisitions of interests in private corporations

111 What are "interests" and "majority interests" in private corporations?

- (1) A person has an *interest* in a private corporation if the person has an entitlement (otherwise than as a creditor or other person to whom the corporation is liable) to a distribution of property from the corporation on a winding up of the corporation or otherwise.

- (2) A person who, by virtue of subsection (1), has an interest in a private corporation has a **majority interest** in the corporation if the person, in the event of a distribution of all the property of the corporation immediately after the interest was acquired, would be entitled to more than 50% of the property distributed.
- (3) An interest in a private corporation is not counted for the purposes of this section if:
 - (a) the interest concerned is an interest in a private company acquired before 21 November 1986, or
 - (b) the interest concerned is an interest in a private unit trust acquired before 10 June 1987, or
 - (c) the interest concerned was acquired at a time when the private corporation did not hold land in New South Wales.
- (4) In this section, **person** includes a private corporation.

Note. Section 120 is relevant to ascertaining a person's entitlements on a distribution of property.

112 How may an interest be "acquired"?

For the purposes of this Part, an interest in a land-rich private corporation may be acquired by means of:

- (a) the purchase, gift, allotment or transfer of any share or unit in a private corporation, or
- (b) the variation, abrogation or alteration of a right attaching to any such share or unit, or
- (c) the redemption, surrender or cancellation of any such share or unit,

or by any combination of the means referred to in paragraphs (a), (b) and (c).

Division 3 Charging of duty

113 When does a liability for duty arise?

A liability for duty charged by this Part arises when a relevant acquisition is made.

114 What is a “relevant acquisition”?

For the purposes of this Division, a person who:

- (a) acquires an interest in a land-rich private corporation:
 - (i) that is of itself a majority interest in the corporation, or
 - (ii) that, when aggregated with other interests in the corporation held by the person or an associated person, results in an aggregation that amounts to a majority interest in the corporation, or
- (b) having a majority interest, or an interest described in paragraph (a) (ii), in a land-rich private corporation, acquires a further interest in the corporation,

has made a relevant acquisition.

Note. “Associated person” is defined in the Dictionary.

The interests of associated persons are not always taken into account—see section 118 (5).

115 Acquisition statements

- (1) A person who has made a relevant acquisition must prepare a statement (an acquisition statement) and lodge it with the Chief Commissioner.
- (2) The acquisition statement is to be prepared in a form approved by the Chief Commissioner and must contain the following information:
 - (a) the name and address of the person who has acquired the interest,
 - (b) the date of the relevant acquisition,
 - (c) particulars of the interest acquired,
 - (d) particulars of the total interest of the person and any associated person in the private corporation at that date,
 - (e) the unencumbered value of all land holdings in New South Wales of the private corporation as at the date of the relevant acquisition and as at the date of acquisition of each interest acquired in the corporation during the 3 years prior to the date of the relevant acquisition,

- (f) the unencumbered value of the property of the private corporation at the date of the relevant acquisition,
- (g) the amount of duty paid under this Act or under a law of another Australian jurisdiction in respect of each earlier acquisition of an interest referred to in paragraph (e),
- (h) such other information as the Chief Commissioner may require.

Note. In ascertaining whether or not a liability to lodge a statement under this section exists, it is necessary to have regard to provisions of this Part that deal with:

- acquisition generally (section 112)
- acquisitions that are exempt from the operation of this Part (section 119)
- how a person may be taken to have acquired an interest in a land-rich private corporation because of the interests of a subsidiary company (section 109).

Sometimes there is joint and several liability for the duty as between the person lodging the acquisition statement and an associated person—see section 117 (2).

116 When must duty be paid?

A tax default does not occur for the purposes of the *Taxation Administration Act 1996* if duty is paid within 3 months after the liability to pay the duty arises.

117 Who is liable to pay the duty?

- (1) Duty chargeable under this Part is payable by the person who makes the relevant acquisition, except as provided by subsection (2).
- (2) If a relevant acquisition results from an aggregation of the interests of associated persons, the person who made the relevant acquisition and the associated person or persons are jointly and severally liable for payment of the duty.

118 How duty is charged on relevant acquisitions

- (1) If an acquisition statement does not disclose any acquisitions during the 3 years preceding the relevant acquisition, duty is chargeable, at the rate specified under this Act for a transfer of dutiable property, on the amount calculated by multiplying the

unencumbered value of all land holdings of the private corporation in New South Wales (calculated at the date of acquisition of the interest acquired) by the proportion of that value represented by the interest acquired in the relevant acquisition.

- (2) If an acquisition statement discloses one or more acquisitions during the 3 years preceding the relevant acquisition, duty is chargeable, at the rate specified under this Act for a transfer of dutiable property, on the aggregate of amounts severally calculated, in the manner provided by subsection (1), in respect of each interest required to be disclosed in the statement.
- (3) Duty payable under this section is to be reduced by the sum of the duty paid or payable under this Act in respect of the acquisition, during the 3 years preceding the relevant acquisition, by the person or any associated person of an interest in the same private corporation, but only in proportion to the extent to which the duty paid or payable is attributable to the amount of the duty payable under this section.
- (4) Duty payable under this section is to be reduced by an amount (if any) calculated in accordance with the following formula:

$$\frac{A}{B} \times C$$

where:

A is the unencumbered value of the land holdings in New South Wales of the private corporation at the time the dutiable acquisition was made, and

B is the unencumbered value of all property of the private corporation at that time, and

C is the sum of the duty under this Act paid or payable in respect of a dutiable transaction in relation to the shares or units or capital reduction by which an interest in the private corporation was acquired and any duty of a like nature so paid or payable under a law of another Australian jurisdiction.

- (5) If a relevant acquisition is made owing to the aggregation of the interests of associated persons, but the Chief Commissioner is satisfied that the associated persons acquired their respective interests independently and for no common purpose, the Chief

Commissioner may assess and charge duty on the relevant acquisition without aggregating the interests of the person who made it with the interests of associated persons.

- (6) This section is subject to section 122 and to the other provisions of Division 4.

Note. In ascertaining the duty payable under this section, it is necessary to have regard to provisions of Division 4 of this Part that deal with:

- acquisitions that are exempt from the operation of this Part (section 119)
- rescission of agreements for the sale or conveyance of land (section 123)
- acquisitions for securing financial accommodation (section 124).

Division 4 General and supplemental

119 Exempt acquisitions

- (1) An acquisition by a person of an interest in a private corporation is an exempt acquisition:
- (a) if the land the subject of the interest concerned could have been acquired by the person in a manner that does not result in a liability to pay ad valorem duty under Chapter 2 (Transactions concerning dutiable property), or
 - (b) if the interest was acquired in the person's capacity as:
 - (i) a receiver or trustee in bankruptcy, or
 - (ii) a liquidator, or
 - (iii) an executor or administrator of the estate of a deceased person, or
 - (iv) if the interest was acquired solely as the result of the making of a compromise or arrangement under Part 5.1 of the *Corporations Law* that has been approved by the court, not being a compromise or arrangement that the Chief Commissioner is satisfied was made with the intention of defeating the operation of this Part, or

- (c) if the interest concerned is acquired solely from a pro rata increase in the interests of all shareholders or unitholders, or
- (d) if the interest was acquired solely as the result of the distribution of the estate of a deceased person, whether effected in the ordinary course of execution of a will or codicil or administration of an intestate estate or as the result of the order of a court, made under the *Family Provision Act 1982* or otherwise, varying the application of the provisions of a will or codicil or varying the application of the rules governing the distribution of the property of an intestate estate, or
- (e) if the interest was acquired by the parties to a marriage that is dissolved or annulled (or in the opinion of the Chief Commissioner will be dissolved or annulled) or by either of them, or by a child or children of either of them, in accordance with:
 - (i) a document registered or approved under the Family Law Act, or
 - (ii) an order of a court under that Act, or
 - (iii) a purchase at public auction of property that, immediately before the auction, was matrimonial property where the public auction is held to comply with any such document or order, or
- (f) if the interest was acquired by the partners in a de facto relationship that has, in the opinion of the Chief Commissioner, been terminated or by either of them, or by a child or children of either of them, in accordance with:
 - (i) an order of a court made under the *De Facto Relationships Act 1984*, or
 - (ii) a separation agreement within the meaning of section 44 of the *De Facto Relationships Act 1984* that has been certified in accordance with section 47 of that Act, or

Note. "De facto partner" and "de facto relationship" (defined in the Dictionary) have the same meanings as in the *De Facto Relationships Act 1984*.

(g) to the extent that:

- (i) for purposes of or ancillary to the acquisition of an interest referred to in paragraph (d) or (e), the acquisition consists of the transfer of a share that is matrimonial property or partnership property to a person not a party to the relevant marriage or de facto relationship, in order to comply with a requirement of or prescribed under the *Corporations Law*, or
- (ii) the acquisition consists of a declaration of trust, by the transferee of a share transferred as referred to in subparagraph (i), for the benefit of a party to the marriage or relationship.

(2) If:

(a) duty was paid on the acquisition of:

- (i) matrimonial property by the parties to a marriage or by either of them, or by a child or children of either of them, or
- (ii) partnership property by the partners in a de facto relationship or by either of them, or by a child or children of either of them, and

(b) the marriage was dissolved or annulled or the de facto relationship was terminated,

the person who paid the duty is entitled to a refund of it.

- (3) An acquisition by a person of an interest in a private corporation is an exempt acquisition if the Chief Commissioner, being satisfied that the application of this Part to the acquisition in the particular case would not be just and reasonable, so determines.
- (4) An interest acquired by an exempt acquisition is not counted, for the purposes of this Part, as an interest in a private corporation.
- (5) In this section:

Family Law Act means the Commonwealth *Family Law Act 1975* or any Act of the Commonwealth amending or replacing that Act.

marriage includes a void marriage.

matrimonial property of a marriage means property of the parties to the marriage or of either of them.

partnership property of a de facto relationship means property of the partners to the relationship or of either of them.

party to a marriage includes a person who was a party to a marriage that has been dissolved or annulled, in Australia or elsewhere.

120 Maximisation of entitlements on distribution of property

- (1) This section applies to any calculation, for the purposes of this Part, of the entitlement of a person (the **interested person**) to participate in a distribution of the property of a private corporation, whether on a winding up of the private corporation or otherwise.
- (2) A calculation is to be made based, firstly, on a distribution carried out in accordance with the constitution of the private corporation, and with any law relevant to the distribution, as in force at the time of distribution, and the entitlement of the interested person is to be evaluated accordingly.
- (3) Next, a calculation is to be made based on a distribution carried out after the interested person, and any other person whom the interested person has power to direct with respect to such a distribution or who is, in relation to the interested person, an associated person, had exercised all powers and discretions exercisable by them by reason of having acquired an interest in the private corporation concerned:
 - (a) to effect or compel an alteration to the constitution of the private corporation, and
 - (b) to vary the rights conferred by shares or units in the private corporation, and
 - (c) to effect or compel the substitution or replacement of shares or units in the private corporation with other shares or units in it,

in such a manner as would maximise the value of the entitlement, and the entitlement of the interested person is to be evaluated accordingly.

- (4) The results obtained by an evaluation of the interested person's entitlement in accordance with subsections (2) and (3) are then to be compared, and whichever evaluation results in a greater entitlement is the correct evaluation, for the purposes of this Part, of the entitlement, unless the Chief Commissioner, being satisfied that the application of this subsection in the particular case would be inequitable, determines otherwise.

121 Valuation of property

- (1) The provisions of this Act that apply to the ascertainment of the value of transfers chargeable with ad valorem duty apply in the same way to an acquisition statement under this Part and the value of land holdings mentioned in it.
- (2) If any arrangement affecting the dutiable value of dutiable land holdings that was entered into within 12 months before a relevant acquisition was brought about by any person with the intention of reducing the dutiable value of the land holdings, the Chief Commissioner may:
- (a) cause a valuation of the land holding to be made, and
 - (b) direct the valuer to disregard the arrangement for the purposes of the valuation, and
 - (c) assess duty on the basis of the valuation carried out in accordance with the direction.

122 Phasing-in of duty

If the unencumbered value of land holdings in New South Wales of a private corporation does not exceed \$1.5 million, the duty chargeable under this Part is to be calculated in accordance with the following formula:

$$\left(\frac{A - \$1,000,000}{\$500,000} \right) \times B + \left(1 - \frac{A - \$1,000,000}{\$500,000} \right) \times C$$

where:

A is the unencumbered value of the land holdings in New South Wales of the private corporation at the time the dutiable acquisition was made, and

B is the duty that, apart from this section, would be chargeable under this Part, and

C is the duty calculated under this Act on the dutiable value of the shares comprised in the dutiable acquisition.

123 Agreements for sale or conveyance of land

(1) If:

- (a) at the time of acquisition of an interest by any person in a land-rich private corporation that necessitates the lodgment of an acquisition statement under Division 3, the corporation was the vendor under an uncompleted agreement for the sale or conveyance of land, and
- (b) the agreement is subsequently completed,

the Chief Commissioner is to assess or reassess the statement as though the land the subject of the agreement was not, at the time of the acquisition concerned, a land holding of the corporation.

(2) If:

- (a) at the time of acquisition of an interest by any person in a land-rich private corporation that requires the lodgment by any person of an acquisition statement under Division 3, the private corporation was the purchaser under an uncompleted agreement for the sale or conveyance of land, and
- (b) the agreement is subsequently rescinded, annulled or otherwise terminated without completion,

the Chief Commissioner is to assess or reassess the statement as though the land the subject of the agreement was not, at the time of the acquisition concerned, a land holding of the corporation.

124 Duty concession: acquisitions securing financial accommodation

- (1) If the person lodging an acquisition statement under this Part in relation to the acquisition of an interest in a land-rich private corporation:
 - (a) informs the Chief Commissioner at the time the statement is lodged that the acquisition is effected for the purpose of securing financial accommodation, and

- (b) the Chief Commissioner is satisfied that the acquisition is effected for that purpose,

the statement, in so far as it relates to that acquisition, is not chargeable with duty, except as provided by subsection (2).

- (2) The statement is chargeable with duty at the expiration of the period of 5 years after the date of the acquisition (or such longer period as may be determined by the Chief Commissioner in the particular case) if the interest concerned is not:

- (a) re-acquired by the person from whom it was acquired, or
- (b) in the case of an acquisition by way of mortgage, conveyed by the mortgagee to a third person in exercise of the mortgagee's power of sale,

- (3) If, by subsection (2), an entitlement to voting shares is taken to exist as the aggregate of voting shares of associated persons, the associated persons are jointly and severally liable for payment of the duty chargeable on the statement required to be lodged under this Part.

Chapter 4 Marketable securities— on-market transfers (Broker provisions)

Part 1 Introduction and overview

145 Imposition of duty

- (1) This Chapter imposes liability for duty:
 - (a) on a sale or purchase of marketable securities that are quoted on the market operated by the Australian Stock Exchange, if the sale or purchase is:
 - (i) conducted on the market operated by the Australian Stock Exchange, or
 - (ii) reported to it, in accordance with the Business Rules of the Australian Stock Exchange,and if an order for the sale or purchase concerned was received in New South Wales, and
 - (b) on a sale or purchase of marketable securities that are not quoted on the market operated by the Australian Stock Exchange, if the sale or purchase is:
 - (i) of marketable securities of a body corporate incorporated under the law of an Australian jurisdiction that are to be registered on an Australian register, and
 - (ii) conducted on a recognised stock exchange, and
 - (iii) made pursuant to an order received in New South Wales, and
 - (c) on a sale or purchase of marketable securities on a broker's own account, if the sale or purchase is effected in New South Wales, and
 - (d) on an associated transaction with a broker in New South Wales (being a transaction referred to in section 149 (b), (c) or (d)).

- (2) For the purposes of subsection (1) (a), an order for a sale or purchase is received in New South Wales if:
 - (a) in the case of a manual client order, it is received by an individual who:
 - (i) is a broker, or the employee or agent of a broker, and
 - (ii) is present in New South Wales at the time the order is received, or
 - (b) in the case of an automated client order, it is received by a broker by electronic means in New South Wales.
- (3) For the purposes of subsection (1) (c), a sale or purchase on a broker's own account is effected in New South Wales if:
 - (a) it arises from a manual broker order that an individual, being the broker or an employee or agent of the broker, who is present in New South Wales, instructed a SEATS operator to put into the market, or
 - (b) it arises from an automated broker order that was put by the broker into SEATS from New South Wales, or
 - (c) it did not arise from a manual broker order or an automated broker order, and an individual, being the broker or an employee or agent of the broker, who is present in New South Wales, instructed a SEATS operator to report a trade to the market.
- (4) In this section:

automated broker order means an order that is submitted into SEATS on a broker's own account without being keyed or rekeyed by an individual.

automated client order means an order received by a broker that is submitted into SEATS without being keyed or rekeyed by an individual.

manual broker order means an order that is submitted into SEATS on a broker's own account by being keyed or rekeyed by an individual.

manual client order means an order received by a broker that is submitted into SEATS by being keyed or rekeyed by an individual.

Notes. (1) “Broker” is defined in section 147.

(2) The rates of duty are set out in Part 2.

(3) The duty is generally payable by the broker but an amount equal to the duty may be recovered from the vendor or purchaser in accordance with section 162. For marketable securities that have been held for more than a short term by or on behalf of a registered independent options trader, futures broker or warrant-issuer, the duty is payable by the options trader, futures broker or warrant-issuer concerned (see section 155).

(4) To facilitate payment of duty, persons liable to pay duty must submit a periodic return showing details of sales and purchases for the relevant period and pay the appropriate amount of duty when submitting the return. The provisions that deal with this are in Part 4.

(5) Sales and purchases of marketable securities that are exempt from duty are listed in section 149.

(6) Because this Chapter applies only to on-market transfers, it does not apply to other transfers of marketable securities. Transfers of marketable securities that are effected off-market and their liability to duty are dealt with in Chapter 2 (Transactions concerning dutiable property).

(7) Because this Chapter applies only to on-market transfers, it does not deal with the following transactions:

- (a) transfers of securities not quoted on a stock exchange,
- (b) transfers trustee to trustee upon the appointment or resignation of a trustee,
- (c) nominee transfers to a beneficial owner,
- (d) transfers of entitlements following the parent security,
- (e) transfers pursuant to a will.

These transfers and their liability to duty are also dealt with in Part 7 of Chapter 2 (Transactions concerning dutiable property).

146 What are “marketable securities”?

In this Chapter, *marketable securities* means any of the following:

- (a) shares,
- (b) units,
- (c) CUFS,
- (d) IRs.

Notes. (1) This definition is not as wide as the definition of “marketable securities” that applies for the purposes of this Act, apart from this Chapter. The definition for the purposes of this Chapter does not include “ADRs” or an interest in shares, units, CUFS or IRs.

(2) "Shares" is defined in the Dictionary at the end of this Act to include rights to shares. "Rights to shares" includes options and will include, for example, company listed options over unissued shares. The definition of "shares" does not include:

- (a) debentures,
 - (b) convertible notes,
 - (c) all Government paper (Commonwealth, State or Local).
- (3) "Units" is defined in the Dictionary to include rights to units.
- (4) "CUFS" and "IRs" are defined in the Dictionary.

147 Who is a "broker"?

A **broker** is a person who is a broker within the meaning of the Business Rules of the Australian Stock Exchange.

Note. The principal meaning of "broker" according to the Business Rules of the Australian Stock Exchange (as at the commencement of this Act) is "Member Organisation". Under the Articles of Association of the Australian Stock Exchange, "Member Organisation" means the business entity constituted by:

- (a) a Member carrying on business as a sole trader, or
- (b) a Member Corporation carrying on business on its own account and not in partnership, or
- (c) a partnership comprising a Member other than a Member Corporation and any other person (not being a corporation), or
- (d) a partnership comprising a Member Corporation and any other Member Corporation.

148 Presumption as to broking

If a broker, or the agent or employee of a broker, who is in New South Wales sells marketable securities to, or purchases marketable securities from, a person who is not a broker, or the agent or employee of a broker:

- (a) the broker, agent or employee is taken, for the purposes of this Chapter, to have acted on the orders of both the vendor and the purchaser, and
- (b) the orders are taken to have been received by the broker, agent or employee in New South Wales.

Note. If there is a broker on only one side of the transaction, the broker is taken to have acted for both parties with the consequence that the broker is liable for duty on the sale as well as on the purchase.

149 Exemptions

- (1) Duty is not chargeable on the following sales or purchases of marketable securities, or transactions concerning marketable securities (*exempt transactions*):
 - (a) a sale or purchase made by a broker on behalf of another broker who:
 - (i) has paid duty on the sale or purchase under this Chapter or the law of another Australian jurisdiction that corresponds to this Chapter, or
 - (ii) has not paid duty on the sale or purchase because the sale or purchase is exempt from duty under this Chapter or the law of another Australian jurisdiction that corresponds to this Chapter,
 - (b) a sale or purchase of marketable securities quoted on the market operated by the Australian Stock Exchange that is for the sole purpose of:
 - (i) lending the marketable securities to the transferee for not more than 12 months, or
 - (ii) returning marketable securities borrowed from the transferee not more than 12 months before, being such marketable securities as are necessary to restore the shareholding of the transferee to the exact number and class of marketable securities of which the transferee would have otherwise become the registered holder, if the loan had not taken place, or
 - (iii) a securities lending transaction that is completed within 12 months,
 - (c) a transaction by:
 - (i) SECH Nominees Pty Limited, or

156 Low exercise price options

The rate of duty chargeable under this Chapter on the sale or purchase of marketable securities that is made as a result of the exercise of an option to purchase the marketable securities is to be calculated on the premium paid on the option for the marketable securities (rather than on the consideration for the sale or purchase) if the premium is greater than the consideration.

Chapter 5 Lease instruments

Part 1 Introduction and overview

163 Imposition of duty

This Chapter charges duty on a *lease instrument*, being an instrument that evidences or effects a lease (as defined in section 164).

Notes. "Lease" is defined in section 164 to include agreements for lease, agreements for rights to use land and franchise arrangements.

Duty is generally charged on the cost of the lease. "Cost" is defined in section 166.

The rates of duty are dealt with in Part 2.

Duty is also chargeable on certain variations of leases—see section 169.

Leases that are exempt from duty are dealt with in section 179.

164 What is a "lease"?

Lease means:

- (a) a lease of land in New South Wales or an agreement for a lease of land in New South Wales, or
- (b) an agreement (such as a licence) by which a right to use land in New South Wales at any time and for any purpose is conferred on or acquired by a person (who is taken, for the purposes of this Chapter, to be a lessee of the land), or
- (c) a franchise arrangement that is held in respect of a place or area located in New South Wales.

Notes. "Franchise arrangement" is defined in the Dictionary.

Certain exemptions are available, in particular, if the cost of the lease is less than \$3,000—see Part 4.

165 How duty is charged on a lease instrument

Duty is chargeable on a lease instrument:

- (a) at the rate prescribed under this Chapter, on the cost of the lease, as determined in accordance with this Chapter, except as provided by paragraph (b), or

- (b) in the case of a lease for which there is no consideration in money or money's worth, at the rate prescribed under this Chapter on the unencumbered value of the lease.

Note. Part 3 prescribes means of levying duty on indeterminate rents and other indeterminate lease costs.

166 What is the "cost" of a lease?

- (1) The **cost** of a lease (other than a franchise arrangement) is the aggregate of the following:
 - (a) the rent payable during the term of the lease,
 - (b) any premium paid for the lease,
 - (c) any rates and taxes paid or payable on behalf of the lessor in connection with the lease,
 - (d) the value of improvements and additions to the leased premises made or undertaken to be made by or on behalf of, or at the expense of, the lessee under an agreement or covenant by the lessee (other than fit-out costs), to the extent provided by section 175,
 - (e) any royalties payable under the lease, including royalties for the right to enter onto and remove something from the land.
- (2) **Rent** includes any payment under the lease expressed to be rent.
- (3) The **cost** of a franchise arrangement is the aggregate of all amounts payable for the grant of the franchise (including any renewal fees where the franchise arrangement is entered into by way of renewal of a previous franchise arrangement) and the exercise of the franchisee's rights during the term of the arrangement, to the extent that any of those amounts are referable to New South Wales. It includes any amounts so payable under the arrangement for any of the following:
 - (a) the right to use the goodwill of the business (including payments by way of royalty or as a percentage of turnover),
 - (b) the right to use systems and processes, instruction manuals and operation manuals, business names, logos, trademarks, patents and copyright material in connection with the business,
 - (c) the use of goods,

but not including any amounts payable under the arrangement for goods that are stock-in-trade or materials provided for use in manufacture.

- (4) If a franchise arrangement applies to an area that comprises the whole or part of New South Wales and a place outside New South Wales, duty is not payable on that proportion of the cost of the franchise arrangement that represents the extent to which the franchise has been granted in respect of the place that is outside New South Wales.

167 Splitting or redirection of cost of franchise arrangement (anti-avoidance provision)

The Chief Commissioner may include, as part of the amount payable as the cost of a franchise arrangement, any of the following:

- (a) any payments under the arrangement that the Chief Commissioner is satisfied have been increased for the purpose of minimising duty under this Chapter,
- (b) any payments that would be included in the cost of a franchise arrangement except for the fact that they are paid to a person other than the person who grants the franchise arrangement.

168 Who is liable to pay the duty?

- (1) The person liable to pay the duty is the lessee.
- (2) *Lessee* means, in the case of a franchise arrangement, the franchisee.

Note. "Franchisee" is defined in the Dictionary.

- (3) *Lessee* includes any assignee for the time being of the rights of the lessee under the lease and the assignee of a franchisee.

169 When must the duty be paid?

- (1) A lease instrument becomes liable to duty on the date of first execution.
- (2) A lease instrument also becomes liable to duty on the making of a variation to the lease that increases the cost of the lease. Duty is chargeable on the amount of additional cost resulting from the variation.

Note. A refund of duty may be applied for in case of a variation that decreases the cost of a lease—see section 178.

- (3) Duty must be paid to the Chief Commissioner within 3 months after the lease instrument becomes liable to duty, except as otherwise provided by this Chapter.

Note. Part 3 makes provision for periodic adjustments of duty in certain cases.

Part 2 Rates of duty

170 General rate

The rate of duty is 35 cents per \$100 (or remaining part of \$100) of the total cost of the lease, except as otherwise provided by this Chapter.

171 Nominal duty

- (1) Duty of \$2 is payable on a lease instrument made subsequently to and in conformity with an agreement for a lease for which ad valorem duty under this Chapter has been duly paid.
- (2) If requested by the lessee, the Chief Commissioner must regard the subsequent lease instrument as the instrument dutiable with ad valorem duty and the agreement as the nominally dutiable instrument, and assess or reassess them accordingly. The subsequent lease instrument is taken to have been first executed on the date of first execution of the agreement.
- (3) Duty of \$10 is payable on an instrument that evidences a variation of a lease.

Part 3 Unascertainable lease costs

172 Operation of Part 3

- (1) The object of this Part is to enable an unascertainable component of the cost of a lease to be determined as a definite sum for duty assessment purposes.
- (2) The amount of a cost component of a lease is *unascertainable* if it cannot, at the time duty is liable to be paid in respect of it, be ascertained as a definite sum (so that, consequently, the total cost of the lease over its whole term cannot at that time be so ascertained).

Note. Examples of unascertainable cost components are:

- (a) a royalty on minerals won from the leased land, expressed to be pro rata of (unspecified) tonnage of the minerals won,
 - (b) rent expressed to be pro rata of the turnover of a business conducted on the land,
 - (c) rent expressed to be "market rent".
- (3) Cost components whose amounts are partly unascertainable are to be dealt with under section 173 or 174. Cost components whose amounts are wholly unascertainable are to be dealt with under section 176 (2).
 - (4) Section 175 applies to the quantification of the value of lessees' improvements.

173 Estimate and subsequent adjustment

- (1) This section applies in order to determine as a definite sum any unascertainable cost components of a lease, except where the Chief Commissioner and the lessee agree that section 174 should apply instead.
- (2) The Chief Commissioner is to make an initial estimate of the cost of the lease.
- (3) The initial estimate is to be the sum of:
 - (a) the amount of each cost component payable in the course of the lease, so far as it is ascertainable, and

- (b) in respect of any interval in the term of the lease in which the amount of a cost component, although unascertainable, is subject to a certain minimum rate—the amount of the cost component that would be paid if it were payable at that minimum rate, and
 - (c) in respect of any interval in the term of the lease in which the amount of a cost component is unascertainable and to which paragraph (b) cannot be applied—the amount of the cost component that would be paid during the interval if it were payable at the highest certain rate prevailing immediately before the commencement of the interval.
- (4) Following the initial estimate, duty is to be paid to the Chief Commissioner on the cost of the lease determined on the basis of an estimate under this section of the relevant unascertainable cost components.
- (5) Periodic estimates are to be made, at such dates (*estimate dates*) as the Chief Commissioner, having regard to the provisions of the lease, determines, of the amount of any cost components dealt with under this section payable during the term of the lease, and periodic adjustments of duty are to be made accordingly.
- (6) Within 1 month after each estimate date, the lessee must produce to the Chief Commissioner a duly stamped part of the lease instrument and a statutory declaration stating:
 - (a) the amount of each cost component dealt with under this section that was paid between the initial estimate date or the last previous estimate, as the case may be, and the date of the current estimate, and
 - (b) the rate at which that cost component is payable as at the date of the current estimate.

Maximum penalty: 100 penalty units.

- (7) If the amount of a cost component actually paid during a period between estimation dates is higher than the estimated amount so payable for that period, the Chief Commissioner may make a reassessment of duty in respect of the lease for that period and the balance of the term of the lease, and the lessee must, within 3 months after the date of issue of the notice of assessment, pay any additional duty assessed.

-
- (8) If the amount of a cost component actually paid during a period between estimation dates is lower than the estimated amount so payable for that period, the Chief Commissioner must, after the lessee has complied with subsection (6), make a refund to the lessee of duty overpaid.

174 CPI method

- (1) This section applies, if the Chief Commissioner and the lessee agree to apply it, in order to determine as a definite sum any unascertainable amounts of any particular cost component of a lease.
- (2) The amount of the relevant cost component payable during any interval of the term of the lease for which it cannot be ascertained is taken to be payable at an annual rate ascertained by compounding the rate at which it is payable during the first year of the lease by the annual percentage increase in the Consumer Price Index last issued before the commencement of the lease.
- (3) If the rate at which the cost component is payable is unascertainable for a part of the first year, the rate for that year is to be calculated in accordance with section 173 (3) (b) and (c).
- (4) The Chief Commissioner may assess and levy duty on the cost of a lease based on a determination under this section of the value of the relevant cost component.
- (5) Duty assessed in accordance with this section may not be varied merely because the actual amount of the cost component paid under the lease is different from the value of the cost component determined under this section.
- (6) In this section, *Consumer Price Index* means the number appearing in the *Consumer Price Index (All Groups Index) for Sydney* published by the *Commonwealth Census and Statistics Act 1905*.

175 Quantification of lessee's improvements

The value of so much of the cost of a lease as comprises:

- (a) an undertaking by the lessee to make or pay for additions or improvements to the land the subject of the lease, or

(b) the making of or payment for such additions or improvements by the lessee,

is taken to be the percentage, determined by the following Table, of the value of the additions or improvements:

Table

Term of lease	Percentage of value of additions or improvements
10 years or less	100
More than 10 but not more than 20 years	75
More than 20 but not more than 30 years	50
More than 30 but not more than 40 years	25
More than 40 years	Nil
Periodic lease or lease for a term that cannot be ascertained when the lease is made	100

Part 4 Miscellaneous

176 Interim stamping of lease instrument

- (1) A lease instrument on which duty is assessed under section 173 is to be marked "interim stamp only".
- (2) A lease instrument on which no part of the duty under this Chapter is immediately ascertainable is, on payment of a duty of \$10, to be stamped accordingly and marked "interim stamp only".
- (3) Section 49 applies to a lease instrument marked "interim stamp only" in the same way as it applies to a written instrument or written statement referred to in that section marked "interim stamp only".

177 Reassessment of duty—early termination

- (1) A lessee may apply in writing to the Chief Commissioner for a reassessment of duty paid on a lease instrument if the lease is terminated before the end of its term. The means by which the lease was terminated is immaterial.
- (2) The application must be made within 5 years after the initial assessment or 12 months after the termination, whichever is the later, and must be supported by such documents and information as the Chief Commissioner specifies.
- (3) The Chief Commissioner:
 - (a) if satisfied that the lease has been terminated before the commencement of the term, must refund the whole of the duty paid, or
 - (b) if satisfied that the lease has been terminated early, must refund the difference between the duty actually paid and the duty that would have been payable if the lease had been granted for a term equal to the period for which the lease actually remained in force before termination.
- (4) In this section, a reference to the termination of a lease includes a reference to a lease coming to an end.

178 Reassessment of duty—reduction of cost

- (1) A lessee may apply in writing to the Chief Commissioner for a reassessment of duty paid on a lease instrument if the lease is subsequently varied so as to reduce the total cost of the lease.
- (2) The application must be made within 5 years after the initial assessment or 12 months after the variation, whichever is the later, and must be supported by such documents and information as the Chief Commissioner specifies.
- (3) The Chief Commissioner, if satisfied that the lease has been varied so as to reduce the total cost of the lease, must refund the difference between the duty actually paid and the duty that would have been payable if the lease had been granted on the terms as so varied.

179 Exemptions

- (1) A lease instrument for any of the following leases is not chargeable with duty under this Chapter:
 - (a) a lease for a term of less than one year whose total cost is not more than \$3,000,
 - (b) a lease for a term of one year or more whose total cost is not more than \$3,000 per year,
 - (c) a lease granted by or on behalf of a corporation, society or institution if:
 - (i) the purpose of the lease is to grant a retired person or a disabled person the right to occupy residential accommodation, and
 - (ii) the lease has not been granted for the purpose of profit by the lessor,
 - (d) a lease of premises to the Home Care Service of New South Wales,
 - (e) a lease executed in accordance with Part V of the Commonwealth *National Health Act 1953*.
- (2) Duty under this Chapter is not chargeable on a lease instrument on:

- (a) so much of the cost of a residential lease as relates to premises used, or intended to be used, exclusively as a residence, or
- (b) so much of the cost of a lease of a moveable dwelling site used, or intended to be used, as the principal place of residence of the lessee.

Chapter 6 Hire of goods

Part 1 Introduction and overview

180 Imposition of duty

This Chapter charges duty on the hire of goods.

Notes. (1) "Goods" is defined in section 182.

(2) "Hire of goods" is defined in section 183.

(3) Different arrangements apply to the imposition and payment of the duty according to whether the hiring out of the goods is done by a person who is in the business of hiring out goods (a "commercial hire business") or by another person. Part 2 applies to commercial hire businesses and Part 3 applies to other persons.

(4) The rate of duty is applied to the amount of hiring charges. "Hiring charges" are defined in section 189. Different rates of duty are applied, depending on the kind of hire. (There are two kinds of hire and they are specified in section 183.)

181 Hire of goods to which this Chapter applies—jurisdictional nexus

- (1) This Chapter applies to the hire of goods and to a person who hires out goods only if the goods are used solely or predominantly in New South Wales during the course of the hire.
- (2) A motor vehicle, however, that is registered under the law of an Australian jurisdiction and that is the subject of an equipment financing arrangement is taken to be used, at all times in the course of that arrangement, in the jurisdiction under whose law it is registered.

Note. "Equipment financing arrangement" is defined in section 184.

- (3) If goods hired under a hire of goods are not used solely or predominantly in any particular Australian jurisdiction, the goods are taken to be predominantly used in New South Wales if, under the hire of goods, the goods are initially delivered in New South Wales.

-
- (4) For the purposes of this section, goods are predominantly used in New South Wales if they are used more in New South Wales than in any other single Australian jurisdiction.

182 What are “goods”?

For the purposes of this Chapter, *goods* includes all chattels personal and fixtures severable from realty, but does not include money, livestock or things in action.

183 What is a “hire of goods”?

- (1) A *hire of goods* is an arrangement under which goods are or may be used at any time by a person other than the person hiring out the goods, unless the arrangement is excluded under section 186.
- (2) There are two kinds of hire of goods, namely:
- (a) an equipment financing arrangement, and
 - (b) an ordinary (that is, any other) hire of goods.

Note. The rates of duty are different for the two kinds of hire.

184 What is an “equipment financing arrangement”?

- (1) An *equipment financing arrangement* is a hire of goods that consists of:
- (a) a hire purchase agreement, or
 - (b) some other agreement for a term of not less than 9 months and under which the final payment is payable not earlier than 8 months after the agreement is entered into.
- (2) A *hire purchase agreement* is a letting of goods with an option to purchase and an agreement for the purchase of goods by instalments (whether the agreement describes the instalments as rent or hire or otherwise), but does not include any agreement:
- (a) by which the property in the goods comprised in the agreement passes at the time of the agreement or on or at any time before the delivery of the goods, or

- (b) for the letting of goods, or for the purchase of goods, together with a letting or purchase of:
 - (i) real property or an estate or interest in real property, or
 - (ii) a business or an interest in a business.

185 What form may a hire of goods take?

A hire of goods may take any form. It is immaterial whether or not a hire of goods is effected or evidenced by an instrument in writing.

186 Exclusions from the definition of "hire of goods"

- (1) A hire of goods does not include any of the following:
 - (a) an arrangement that gives a person a right to use goods that is conferred incidentally with a lease of, or a licence to occupy or use, land if:
 - (i) there is no apportionment of consideration between the right to use the goods and the right to occupy or use the land, and
 - (ii) duty is chargeable under Chapter 5 (Lease instruments) in respect of the lease or licence,
 - (b) a franchise arrangement that is chargeable with duty under Chapter 5 (Lease instruments),
 - (c) an arrangement for the hire of an aircraft, ship or vessel, or for the hire of an engine or other component part of an aircraft, ship or vessel,
 - (d) an arrangement for the provision of goods to a trader for the purpose of displaying or demonstrating the goods pending their sale or hire to a third party,
 - (e) an arrangement comprising a "wet hire" (that is, an arrangement under which an operator is provided by or at the direction of the person hiring out the goods to operate the goods for the hirer),
 - (f) an arrangement for the use of goods the provision of which is incidental and ancillary to the provision of a service if the provision of the goods is solely to enable the contractual provision of the service,

-
- (g) an arrangement made between related bodies corporate,
 - (h) an arrangement under which a motor vehicle is subleased by an employee to an employer in connection with the employee's remuneration or other employment benefits,
 - (i) an arrangement for the use, by a person who is partially or totally incapacitated, of an invalid aid or prosthetic device or of any similar aid, device or appliance,
 - (j) an arrangement for the use of goods by a public hospital,
 - (k) a credit contract within the meaning of the *Consumer Credit (New South Wales) Code*, or
 - (l) an arrangement relating to the use of:
 - (i) a book, or
 - (ii) an electricity, gas or water meter, or
 - (iii) a caravan that is to remain on site.
- (2) Duty is not chargeable under this Chapter on a hire of goods if the person who hires out the goods acquired them at the request of the hirer and has paid duty under Chapter 2 (Transactions concerning dutiable property) on their transfer to that person.

187 Special hiring agreements

A **special hiring agreement** is a written agreement for the hire of goods:

- (a) that describes the goods in such a way (for example, by reference to the make and model of each item) as to enable the nature or character of the goods to be clearly and readily identified, including the number of items, and
- (b) that does not include:
 - (i) an agreement under which the goods may, at any time, be replaced in whole or in part by other goods, except to the extent that the agreement allows replacement if the goods:
 - are lost, destroyed or stolen, or
 - fail or malfunction in the normal course of operation or use, or
 - are temporarily replaced during the servicing, maintenance or repair of the goods, or

- (ii) an agreement under which other goods, whether of the same or a different type, may be additionally provided.

Note. A duty ceiling applies to a hire of goods that is a special hiring agreement. See section 188 (3).

188 What is the rate of duty?

- (1) The duty chargeable on a hire of goods that is an equipment financing arrangement is 0.75% of the total amount of the hiring charges.
- (2) The duty chargeable on a hire of goods that is an ordinary hire of goods is 1.5% of the total amount of the hiring charges.
- (3) The maximum amount of duty chargeable in respect of a special hiring agreement is \$10,000.

Note. A duty-free threshold of \$6,000 per month applies to hiring charges received by a commercial hire business in respect of ordinary hires that are not special hiring agreements. See section 199 (2).

189 What are “hiring charges”?

- (1) **Hiring charges** are payments made to the person who hires out the goods by or on behalf of the hirer, for (or that arise as an incident of) the hire of the goods.
- (2) The following charges are included as hiring charges:
 - (a) payments for damage waiver or for damage excess,
 - (b) late return fees.
- (3) For a hire of goods to which Part 3 applies, any residual payment payable by the hirer as an indemnity for the agreed value of the goods at the end of the hire is taken to be included in the hiring charges.

190 Payments exempted from “hiring charges”

- (1) The following charges are not included as hiring charges:
 - (a) payments for delivery, repositioning, erection, installation, maintenance or cleaning of the goods,

- (b) refundable cash deposits or bonds (unless appropriated as hiring charges),
 - (c) insurance premiums payable by the hirer,
 - (d) duty paid or payable under this Act or a corresponding Act,
 - (e) payments for the sale of goods (such as fuel, replacement parts or theft replacement),
 - (f) any payment of a type prescribed by the regulations.
- (2) Duty is not chargeable under this Chapter on a payment by the hirer under a hire of goods if title to the goods passes to the hirer as a consequence of the payment.

191 Credit for duty paid in another Australian jurisdiction

The duty chargeable under this Chapter on a hire of goods is to be reduced by the amount of duty paid on the hire under a corresponding Act.

192 Splitting or redirection of hiring charges (anti-avoidance provision)

The Chief Commissioner may include, as part of the amount received as hiring charges, any of the following:

- (a) any payments under the arrangement that are not hiring charges, including charges referred to in section 190, that the Chief Commissioner is satisfied have been increased for the purpose of minimising duty under this Chapter,
- (b) any payments that would be hiring charges except for the fact that they are paid to a person other than the person who hires out the goods.

193 Ascertainment and disclosure of place of use of goods

- (1) A person who hires out goods may, in determining the person's liability to duty, rely on a statement of the hirer as to where the goods will be solely or predominantly used in the course of the hire or, in the case of an unregistered motor vehicle, where the motor vehicle will be registered during the course of the hire, unless the person knows that the statement is false.

- (2) A person who hires out goods is not bound to inquire as to any change in the place of use of the goods or, in the case of a motor vehicle, the place of its registration.
- (3) If goods are solely or predominantly used or, in the case of a motor vehicle, are registered in a place other than the place advised by the hirer in a statement referred to in subsection (1), the Chief Commissioner may assess or reassess the duty payable according to the actual place of sole or predominant use of the goods or, in the case of a motor vehicle, the place of its registration.
- (4) A failure to pay duty on the hire of goods by a person who hires out the goods in due reliance on a statement referred to in subsection (1), is not a tax default for the purposes of the *Taxation Administration Act 1996* if the duty is paid within 3 months after the issue of a notice of assessment of the duty.
- (5) A hirer who knowingly falsely represents to the person who hires out goods (or to any person acting for that person) that the goods will be used solely or predominantly outside New South Wales is guilty of an offence.

Maximum penalty (subsection (4)): 100 penalty units.

Part 2 What arrangements apply to persons who are in the business of hiring out goods (commercial hire businesses)?

194 Application of Part 2

- (1) This Part applies to persons who hire out goods as a business. In this Chapter, such a person is called a *commercial hire business*.
- (2) It is immaterial whether or not the hiring out of the goods is the principal business or is ancillary to some other form of business, and whether or not any such principal or ancillary business is carried on wholly or partly outside New South Wales.

195 Commercial hire businesses must be registered

- (1) A commercial hire business must be registered under this Part if, in any month, the total amount of the hiring charges received in the month exceeds \$6,000.
- (2) An application for registration must be made within 21 days after the end of the month in which the \$6,000 threshold is first exceeded.

Maximum penalty: 100 penalty units.

196 Registration of commercial hire businesses

- (1) The Chief Commissioner must register a commercial hire business that applies in the approved form for registration under this Part.
- (2) The Chief Commissioner may register a commercial hire business that has not applied for registration.
- (3) The Chief Commissioner must give written notice to the commercial hire business of the hirer's registration.

197 Cancellation of registration of commercial hire business

- (1) A registered commercial hire business that ceases to hire out goods as a business must:
 - (a) give written notice of that fact to the Chief Commissioner, and

- (b) lodge the return required to be lodged under this Part, and
- (c) pay the duty payable in connection with the return on or before the twenty-first day of the month after which the notice is given.

Maximum penalty: 100 penalty units.

- (2) The Chief Commissioner is to cancel the registration of a commercial hire business on receipt of a notice under subsection (1).
- (3) The Chief Commissioner may cancel a commercial hire business's registration under this Part if the Chief Commissioner has reason to believe that registration is no longer required by the commercial hire business. The registration must not be cancelled until at least 30 days after written notice of intention to cancel the registration has been given by the Chief Commissioner to the commercial hire business.
- (4) A cancellation of registration has effect from the day specified for the purpose by the Chief Commissioner in a written notice of cancellation given to the commercial hire business.

198 Duty base

- (1) Duty under this Part is to be assessed on the total amount of the hiring charges received in a month by the commercial hire business.
- (2) The Chief Commissioner may, however, by notice in writing approve a different basis of calculation of hiring charges if it appears to the Chief Commissioner that duty payable on that basis will, over a period of time, approximate the duty payable in accordance with subsection (1). An amount calculated under any method so approved is taken for duty purposes, while the approval remains in force, to be the amount of hiring charges received. Such an approval may be revoked by the Chief Commissioner at any time by notice in writing to the commercial hire business concerned.

- (3) A registered commercial hire business can, with the Chief Commissioner's written consent, change the basis (as between a receipts basis and an approved basis) from month to month but it cannot change the basis within a month.
- (4) If consent is given under subsection (3), the Chief Commissioner may assess or reassess the duty payable in any period prior to the change of basis to include any hiring charges that would not be accounted for, or to exclude any hiring charges that would be accounted for twice, because of the change of basis.

199 Lodgment of returns and payment of duty

- (1) A commercial hire business must, on or before the twenty-first day of each month:
 - (a) lodge with the Chief Commissioner a return in the approved form, and
 - (b) pay to the Chief Commissioner the appropriate amount of duty calculated in accordance with section 188 in respect of the previous month, subject to the duty-free threshold in subsection (2).

- (2) A duty-free threshold of \$6,000 per month applies in respect of hiring charges received from ordinary hires that are not special hiring agreements (that is, duty is payable only on such part of the total amount of those charges as exceeds \$6,000).

Note. For the application of the threshold to corporate commercial hire businesses, see section 200.

- (3) A commercial hire business is not required to lodge a return in respect of any month in which all hiring charges received by the commercial hire business were from ordinary hires and the hiring charges so received did not exceed the duty-free threshold.
- (4) The Chief Commissioner may by notice in writing approve of the lodgment by a commercial hire business of returns in respect of a period of more than one month, and in such a case:
 - (a) the return must be lodged, and the duty paid, on or before the twenty-first day of the month following the last month to which the return relates, and

- (b) the duty payable on the return is the sum of the duties payable on a monthly basis in accordance with this section for each month to which the return relates.
- (5) A commercial hire business may elect to pay the duty payable on a special hiring agreement by lodging a statement under section 202. In that event, returns under this section in respect of the agreement are not necessary.
- (6) If, in relation to a special hiring agreement:
 - (a) a commercial hire business makes an election under subsection (5), and
 - (b) the special hiring agreement is terminated before the expiry of the term expressed in the agreement,

the commercial hire business may request a reassessment of duty as if the duty had been paid on a return under this section.

200 Returns of related bodies corporate

- (1) A single return may be lodged on behalf of two or more commercial hire businesses that are related bodies corporate.
- (2) The duty-free threshold under section 199 (2) applies to the aggregated hiring charges required to be included in such a single return. It does not apply individually to the hiring charges of each commercial hire business included in the return.
- (3) If two or more commercial hire businesses that are related bodies corporate lodge individual returns for the same month, the duty-free threshold under section 199 (2) applies to the hiring charges of only one of them. Those commercial hire businesses may nominate to the Chief Commissioner the one to which the duty-free threshold is to apply.

Part 3 What arrangements apply to other persons?

201 Statement of transaction

- (1) If a hire of goods is effected otherwise than by a commercial hire business and the total amount of hiring charges paid or payable for the hire of the goods is not less than \$1,000, the person hiring out the goods must make out a written statement that includes the following:
 - (a) the name and address of each party,
 - (b) a description of the goods,
 - (c) the commencement date and the term of the hire,
 - (d) the total of the hiring charges (including any residual payment referred to in section 189 (3)) paid or payable over the term of the hire,
 - (e) the intervals at which the hiring charges are paid or payable.
- (2) The written statement must be made out not later than:
 - (a) the time when the person hiring out the goods receives the first (or only) payment of hiring charges, or
 - (b) the time when the hiring charges become payable,whichever first occurs.
- (3) This section does not require a separate written statement to be made out if the hire is already evidenced in a document that otherwise complies with this section. In such a case, the document is taken to be the written statement.

202 Lodgment of statement and payment of duty

- (1) Within 3 months after the written statement is required to be made out, the person hiring out the goods must:
 - (a) lodge the statement with the Chief Commissioner, and
 - (b) pay to the Chief Commissioner the appropriate rate of duty calculated under section 188 in respect of hiring charges for the whole period of the hire.

- (2) If the person hiring out the goods has not complied with subsection (1) within the 3-month period, the Chief Commissioner may, at any time thereafter, issue a notice of assessment under the *Taxation Administration Act 1996* of the duty that would be payable if a statement had been lodged.
- (3) For the purposes of the assessment, both the person hiring out the goods and the hirer are jointly and severally liable to pay duty in accordance with this section.
- (4) The hirer may, at any time, make out and lodge a statement and pay duty in accordance with this section.

203 Method of calculating total hiring charges if they are not readily ascertainable

- (1) The Chief Commissioner, if satisfied at the time a written statement is lodged that it is not reasonably practicable to calculate the total of the hiring charges payable over the term of the hire, may require the person hiring out the goods to make out one or more further written statements at such time or times as the Chief Commissioner specifies in a written notice given to the person.
- (2) A further written statement must include the same information as is specified in section 201.
- (3) Within 3 months after a further written statement is required to be made out, the person hiring out the goods must:
 - (a) lodge the statement with the Chief Commissioner, and
 - (b) pay duty calculated in accordance with section 188 to the extent that the total hiring charges are ascertainable.
- (4) The amount of duty paid on a prior statement relating to the same hire of goods is to be deducted from the duty payable on the further written statement.

Chapter 7 Mortgages

Part 1 Introduction and overview

204 Imposition of duty

This Chapter charges duty on instruments that fall within the definition of a *mortgage*. Duty chargeable under this Chapter is called *mortgage duty*.

Notes. (1) Mortgage duty is calculated, in most cases, according to "the amount of advances secured by the mortgage". Contingent liabilities may also be included. This is dealt with in Part 2.

(2) Ad valorem duty is only chargeable on one of a package of mortgages securing the same advance. This is dealt with in section 217.

(3) Provision is also made for the apportionment, for duty purposes, of the amount secured by any mortgage over property in different Australian jurisdictions. This is dealt with in sections 216–218.

205 What is a "mortgage"?

For the purposes of this Chapter, an instrument is a *mortgage* if it is:

- (a) a security by way of mortgage or charge over property wholly or partly in New South Wales at the date of its first execution, or
- (b) a security by way of mortgage or charge (not being a floating charge) that does not affect property in New South Wales at the date of its first execution, but within 12 months from that date affects land in New South Wales, or
- (c) a security by way of a transfer or conveyance of any property in New South Wales that is held in trust to be sold or otherwise converted into money, redeemable before such a sale or conversion either by express stipulation or otherwise, except where the transfer or conveyance is made for the benefit of creditors who accept the transfer or conveyance in full satisfaction of debts owed to them, or
- (d) an instrument that, on the deposit of documents of title to property in New South Wales or instruments creating a charge on property in New South Wales, becomes a mortgage or evidences the terms of a mortgage.

Note. Certain instruments that would otherwise be caught by this definition are exempted under Part 4.

206 What is an advance?

In this Chapter, *advance* means the provision or obtaining of funds by way of financial accommodation, by means of:

- (a) a loan, being:
 - (i) an advance of money, and
 - (ii) the payment of money for or on account of, or on behalf of, or at the request of, any person, and
 - (iii) a forbearance to require the payment of money owing on any account whatever, and
 - (iv) any transaction (whatever its terms or form) that in substance effects a loan of money, or
- (b) a bill facility, being one or more agreements, understandings or arrangements as a consequence of which a bill of exchange or promissory note:
 - (i) is drawn, accepted, endorsed or made, and
 - (ii) is held, negotiated or discounted to obtain funds, whether or not the funds are obtained from the person who draws, accepts, endorses or makes the bill of exchange or promissory note and whether or not the funds are obtained from a person who is a party to any such agreement,

and includes contingent liabilities of the kind referred to in section 215.

207 Who is liable to pay the duty?

The person liable to pay mortgage duty is the mortgagor.

208 When does a liability arise?

- (1) A mortgage becomes liable to duty on the date of its first execution.
- (2) A mortgage becomes liable to additional duty on the making of an advance or further advance by which the amount secured by the mortgage exceeds the amount secured by it at the time duty was last paid on it, unless section 219 applies.

- (3) An instrument of security that does not affect property in New South Wales at the date of first execution but that affects land in New South Wales at any time within 12 months after that date becomes liable to duty as a mortgage on the date on which it first affects the land.

209 When must duty be paid?

A tax default does not occur for the purposes of the *Taxation Administration Act 1996* if duty is paid within 3 months after the liability to pay the duty arises.

Note. Duty is payable, without interest or penalty, within 3 months after the liability to duty arises. Some amount of duty will always be payable within the 3-month period after first execution. The minimum amount is \$5. If the amount of the advance is limited by the mortgage, duty will be payable on that amount within the 3-month period (see section 213). If the amount of the advance is not limited (because, for example, it is an all moneys mortgage), duty will be payable on the actual advances (see section 214).

210 How is mortgage duty charged?

- (1) The amount of duty chargeable on first execution of a mortgage is determined by the amount secured by it, as determined under Part 2. The amount of duty is:
 - (a) \$5.00, if the mortgage secures no amount or if the amount secured by the mortgage is not more than \$16,000, or
 - (b) if the amount secured by the mortgage is more than \$16,000—\$5.00, plus a further \$4.00 for every \$1,000, or part, by which the amount secured exceeds \$16,000.
- (2) The amount of duty chargeable on a mortgage in respect of an advance or further advance is calculated on the amount secured by it as determined under Part 2. The amount of duty is \$4.00 for every \$1,000, or part, of the amount secured.

Notes. (1) Further provisions that determine how the amount secured by a mortgage is to be calculated are contained in Part 2.

(2) See sections 216–218 as to the assessment of duty in cases where some of the property over which a mortgage, or a package of mortgages, is given is property outside New South Wales.

(3) Some instruments are exempt from payment of mortgage duty. They are dealt with in Part 4.

211 Consequences of non-payment of duty

A mortgage on which duty is required by this Chapter to be paid is, while any duty remains unpaid on it, enforceable only to the extent of the amount secured by the mortgage on which duty has been paid under this Act.

212 Where is property located?

For the purposes of this Chapter, property in the following forms is taken to be located in the place specified:

- (a) shares in or securities of a body corporate—in the place of incorporation of the body corporate,
- (b) units in a unit trust scheme:
 - (i) in the place where the register on which the units are registered is kept, or
 - (ii) in the place of residence of the manager of the unit trust scheme, if the register on which the units are registered is not kept in Australia,
- (c) debt securities of a Government of a State or Territory of the Commonwealth—in the State or Territory concerned.

Part 2 Calculating the amount secured by a mortgage

213 Secured amount limited

- (1) If the amount of advances secured or to be secured by a mortgage is a definite and limited sum, the mortgage is chargeable with duty assessed on that amount, until such time (if any) as a greater amount of advances is secured by the mortgage.
- (2) If the amount of advances secured by the mortgage exceeds, at any time, the definite and limited sum mentioned in subsection (1), the mortgage is chargeable with duty assessed on the amount by which the amount of advances secured by it exceeds the amount on which duty was payable under subsection (1).

214 “All moneys” mortgage

- (1) If the amount of advances secured by a mortgage is not a definite and limited sum, the mortgage is chargeable with duty assessed on the amount of advances actually secured by it.
- (2) If the amount of advances for the time being secured by the mortgage subsequently exceeds the amount on which duty was chargeable at an earlier time, the mortgage is chargeable with duty assessed on the amount by which the advances secured by it exceeds the amount on which duty was payable under subsection (1).

215 Contingent liabilities

- (1) A mortgage that is used or is capable of being used (whether directly or through a chain of relationships) to recover the whole or any part of an amount contingently payable in connection with an advance:
 - (a) by a guarantor or indemnifying party under a guarantee or indemnity, or
 - (b) by another party under another instrument of a different kind,

is liable to duty as if the amount of the contingent liability under the guarantee, indemnity or other instrument (or, where there is more than one guarantee, indemnity or other instrument, the greatest contingent liability) were a separate advance secured by the mortgage.

- (2) In the case of a mortgage that is part of a chain of relationships referred to in subsection (1), a reference in that subsection to a contingent liability is a reference to a contingent liability limited to the amount of any advance by any party in the chain, and does not include a reference to any other kind of contingent liability.
- (3) This section does not apply if the Chief Commissioner is satisfied that there is no connection between the mortgage and any advance by any party to the arrangements.
- (4) Nothing in this section requires duty to be paid more than once in respect of an advance.

216 Mortgages over property not wholly within New South Wales

Duty is to be assessed in respect of a mortgage over property that is partly within, and partly outside, New South Wales as though the amount secured by it were only such proportion of that amount as, at the date of first execution of the mortgage, the value of the property in New South Wales affected by the mortgage bears to the value of all property in Australia affected by it (other than property situated in a Territory of the Commonwealth).

217 Advances secured by several instruments

- (1) Several instruments of security (at least one of which is a security affecting property wholly or partly outside New South Wales and at least one of which is a mortgage) that secure or partly secure the same money, and that are first executed within any period of 28 days, are to be treated as a *mortgage package*.
- (2) Duty on a mortgage package is to be assessed, in accordance with the foregoing provisions of this Part, as though the several instruments comprised in the package were one mortgage first executed on the last of their several dates of execution.

-
- (3) The mortgage, or one of the mortgages, in the mortgage package is to be stamped with the duty payable on the mortgage package and any other mortgage in the mortgage package is to be stamped with duty of \$10.

218 Collateral securities

- (1) If the same money is secured, or partly secured, by two or more instruments of security, at least one of which is a mortgage, and one of the instruments has been duly stamped under this Act or under a corresponding Act (the *stamped instrument*), the duty payable under this Act in respect of any other of those instruments that is a mortgage (a *collateral mortgage*) is to be reduced by an amount calculated in accordance with the following formula:

$$\frac{A}{B} \times C$$

where:

A is the amount of the same money secured by the stamped instrument and the collateral security, and

B is the amount secured by the stamped instrument, and

C is the duty (including duty payable under a corresponding Act) paid on the stamped instrument.

- (2) A collateral mortgage is nevertheless chargeable with a minimum duty of \$10.
- (3) In this section, a reference to a stamped instrument includes a reference to a package of securities that has been stamped in accordance with section 217.

Part 3 Duty concessions

219 Additional advances of not more than \$10,000 in 12 months

Duty is not chargeable on additional advances secured by or under a mortgage if the total of the additional advances so secured does not exceed \$10,000 in any 12-month period, not being the period of 12 months following the making of the initial advance.

220 Refinancing of loans

- (1) In this section, *refinancing mortgage* means a mortgage that secures the amount of the balance outstanding under an earlier mortgage, created to secure an advance to the same borrower, over the same or substantially the same property or part of it.
- (2) For the purposes of subsection (1), mortgages are created to secure an advance to the same borrower if, either directly by the mortgages themselves or indirectly through one or more collateral arrangements, the same person obtains the advances secured by them.
- (3) A refinancing mortgage is taken to have been stamped with ad valorem duty as a mortgage in respect of the maximum amount payable under or secured by the previous mortgage (being an amount in relation to which mortgage duty has been paid or in relation to which an exemption from duty has been obtained), except as provided by subsection (5).
- (4) If an advance is refinanced by more than one lender, so that mortgages given to the lenders together secure the balance outstanding under an earlier mortgage, the definition of *refinancing mortgage* in subsection (1) is to be construed as though:
 - (a) the reference to a mortgage securing the outstanding balance were a reference to the aggregate of such mortgages, and
 - (b) the reference to property were a reference to the property securing the aggregate of refinancing advances made by the lenders under their combined mortgages, to the intent

that, if the requirements of the definition, as so construed, are satisfied, each lender is taken, for the purposes of this section, to be the holder of a refinancing mortgage.

- (5) If, as provided by subsection (4), each of a number of lenders is the holder of a refinancing mortgage, a refinancing mortgage held by each lender is taken to have been duly stamped with ad valorem duty as a mortgage in respect of an amount equal to the same proportion of the maximum amount secured by the earlier mortgage as the amount secured by that mortgage bears to the total amount secured by the refinancing mortgages held by all the lenders.
- (6) If each of two or more refinancing mortgages severally secures the same advance:

- (2) The amount of duty is required to be paid each time a premium is paid in relation to a contract of insurance that effects general insurance.

Notes. (1) "General insurance" is defined in section 230.

(2) "Premium" is defined in section 231.

(3) The time at which a premium is "paid" is determined by section 232.

(4) Generally, the insurer to whom the premium is paid is the person liable to pay the duty. But there are circumstances in which the person insured is liable to pay the duty. These circumstances are set out in section 236.

(5) To facilitate payment of duty, insurers must register themselves with the Chief Commissioner, submit a monthly return showing the total amount of premiums paid to them for general insurance during the preceding month and pay the appropriate amount of duty when submitting the return.
