14 Environmental reporting indicators

- (1) The portfolio Minister is from time to time to adopt environmental reporting indicators, including environmentally sustainable development indicators, for use by the Corporation.
- (2) The indicators must include a methodology for making comparisons to international best practice in environmentally sustainable residential, commercial and industrial development.
- (3) Before adopting any environmental reporting indicators, the portfolio Minister:
 - (a) must cause notice of the proposed indicators to be published in a daily newspaper circulating throughout the State, and
 - (b) must cause copies of the proposed indicators to be made available for public inspection on the Corporation's website and at each of the offices of the Corporation, and
 - (c) must allow a period of at least 30 days for members of the public to send written comments to the portfolio Minister in relation to the proposed indicators, and
 - (d) must take any such comments into consideration.
- (4) The Corporation must monitor its activities against the environmental reporting indicators and must compile data on those indicators.

- (5) The Corporation is to publish an annual report that sets out the results of the monitoring referred to in subsection (4).
- (6) Copies of the report are to be made available for public inspection on the Corporation's website and at each of the offices of the Corporation.
