Workers Compensation Legislation Amendment (Dust Diseases and Other Matters) Bill 1998

Explanatory note

This explanatory note relates to this Bill as introduced into Parliament.

Overview of Bill

The object of this Bill is to amend various Acts:

- (a) as regards asbestos-related and other dust diseases:
 - (i) to facilitate the institution, conduct and determination of proceedings before the Dust Diseases Tribunal (the *Tribunal*) for disability or death caused by dust diseases, and
 - (ii) to extend the class of dependants who are entitled to compensation awarded by the Workers' Compensation (Dust Diseases) Board (the *Board*), and
 - (iii) to provide the Board with rights to be reimbursed for compensation paid or payable by it where damages are recovered or recoverable, and
 - (iv) to enable funding of dust disease victim support groups, and
-

Explanatory note

- (b) as regards workers compensation generally:
 - (i) to enable proceedings to be brought against an insurer under a policy of workers compensation insurance where the employer has died or is defunct, and
 - (ii) to extend the class of dependants who are entitled to compensation, and
- (c) for other purposes, including:
 - (i) to change the title of the office of Senior Member of the Tribunal to "President", and
 - (ii) to increase the membership of the Board.

The Acts proposed to be amended are as follows:

- (a) *Dust Diseases Tribunal Act 1989*,
- (b) *Law Reform (Miscellaneous Provisions) Act 1944*,
- (c) *Law Reform (Miscellaneous Provisions) Act 1946*,
- (d) *Limitation Act 1969*,
- (e) *Workers Compensation Act 1987*,
- (f) *Workers' Compensation (Dust Diseases) Act 1942*,
- (g) *Workplace Injury Management and Workers Compensation Act 1998*.

Outline of provisions

Clause 1 sets out the name (also called the short title) of the proposed Act.

Clause 2 provides for the commencement of the proposed Act on a day or days to be appointed by proclamation.

Clause 3 is a formal provision giving effect to the amendments to Acts as set out in the Schedules to the proposed Act.

Schedule 1 Amendment of Dust Diseases Tribunal Act 1989

Schedule 1 [1] inserts definitions of expressions used in the Act as proposed to be amended.

Schedule 1 [2] changes the title of the office of Senior Member of the Tribunal to "President", and makes consequential amendments. Clause 6 as proposed to be inserted by Schedule 1 [15] into Schedule 3 to the Act provides for the present Senior Member to continue as President. **Schedule 1 [9]** makes a further consequential amendment.

Explanatory note

Schedule 1 [3] inserts a new section 12A to abolish all limitation periods for the bringing of proceedings in relation to dust-related conditions before the Tribunal. This involves overriding provisions of the *Limitation Act 1969*.

Schedule 1 [4] inserts a new section 12B to enable damages for non-economic loss to survive the death of the plaintiff in proceedings before the Tribunal. This involves overriding a provision of the *Law Reform (Miscellaneous Provisions) Act 1944*.

Schedule 1 [5] inserts a new section 12C to abolish the settlement bar rule in proceedings before the Tribunal. The settlement bar rule provides that settlement of a claim with one joint tortfeasor has the effect of releasing all other joint tortfeasors. This will enable settlements involving multiple defendants to occur progressively. There is a view that the rule has already been impliedly abolished by the enactment of a provision of the *Law Reform (Miscellaneous Provisions) Act 1946*, and the Bill provides that the operation or interpretation of that provision is not affected by the proposed section 12C. The issue is dealt with in Discussion Paper 38 of the New South Wales Law Reform Commission, *Contributions between persons liable for the same damage* (September 1997). Reference is also made to Schedule 1 [10], which proposes the insertion of a rule-making power to provide for the disclosure of particulars, thereby also further facilitating progressive settlement of matters involving multiple defendants.

Schedule 1 [6] inserts a new section 12D to provide that damages for non-economic loss awarded in proceedings before the Tribunal are not to be reduced by any amounts payable under the *Workers' Compensation (Dust Diseases) Act 1942*. This deals with the decision in *James Hardie & Co Pty Ltd v Newton* (1997) 42 NSWLR 729.

Schedule 1 [7] inserts a new section 25A to allow material obtained by discovery or interrogatories in connection with proceedings before the Tribunal to be used in other proceedings before the Tribunal.

Schedule 1 [8] inserts a new section 25B to provide that issues of a general nature determined in proceedings before the Tribunal (or on appeal from the Tribunal) should not be relitigated or reargued in other proceedings before the Tribunal, without the leave of the Tribunal. This would prevent the re-opening of issues already established, for example the carcinogenic nature of certain asbestos fibres, but would not apply to specific issues, for example whether a particular worker was exposed to such fibres.

Explanatory note

Schedule 1 [10] amends section 33 to enable additional rules to be made under the Act. Proposed section 33 (4) (l) enables rules to be made for the purpose of requiring the plaintiff in proceedings before the Tribunal to disclose certain matters (thereby facilitating the progressive settlement of claims, including claims in cases involving joint, concurrent or consecutive tortfeasors). Proposed section 33 (4) (m) enables rules to be made for the purpose of requiring the filing of, and permitting (in appropriate cases) the disclosure of, particulars of settlements. Proposed section 33 (4) (n) enables rules to be made enabling the Tribunal to disapply proposed section 151AC of the *Workers Compensation Act 1987* in particular cases (thereby in appropriate circumstances facilitating litigation of matters referred to in section 151AB of that Act).

Schedule 1 [11] inserts a new Part 5 to provide the machinery for arbitration of inter-insurer disputes, as contemplated by amendments proposed to be made to the *Workers Compensation Act 1987*.

Schedule 1 [12] inserts a new Part 6 to deal with the making of interim payments in ordinary proceedings and in proceedings where there is such an inter-insurer dispute.

Schedule 1 [13]–[15] make amendments of a savings or transitional nature consequent on the proposed amendments.

Schedule 2 Amendment of Law Reform (Miscellaneous Provisions) Act 1944

Schedule 2 amends section 2, as a consequence of the amendment proposed by Schedule 1 [4].

Schedule 3 Amendment of Law Reform (Miscellaneous Provisions) Act 1946

Schedule 3 amends section 6 to enable proceedings to be brought directly against an insurer under a policy of workers compensation insurance (whether relating to dust diseases or otherwise) where the employer has died or is defunct. This overcomes the decision in *GIO General Limited v P Malathounis* (Court of Appeal, 30 September 1997).

Schedule 4 Amendment of Limitation Act 1969

Schedule 4 amends section 8, as a consequence of the amendment proposed by Schedule 1 [3].

Schedule 5 Amendment of Workers Compensation Act 1987

Schedule 5 [1]–[3] make amendments consequential on amendments proposed to be made to the *Workplace Injury Management and Workers Compensation Act 1998* by Schedule 7. The amendments will extend the class of dependants who are entitled to compensation under the Act. This is achieved by inserting definitions of *de facto relationship* and *spouse* by Schedule 7, which will extend the ambit of the Act to persons in a de facto relationship. Words and expressions used in the *Workers Compensation Act 1987* have the same meaning as in the *Workplace Injury Management and Workers Compensation Act 1998*.

The insertion of that definition of *spouse* affects the operation of:

- (a) section 45 of the Act, in so far as it allows the Compensation Court to reduce or abolish an entitlement to weekly payments of compensation if that would result in a spouse's entitlement to social security benefits, and
- (b) section 61 of the Act, which defines the entitlement to medical care partly by reference to the care that an injured worker might reasonably expect from a spouse, and
- (c) section 151P of the Act, which limits the class of persons in whose favour damages for psychological or psychiatric injury may be awarded (family members and spouses).

Other amendments affect:

- (a) section 31 of the Act, which currently provides for payment of benefits in respect of dependent children of a deceased worker to a widow or widower (payment will in future be to a surviving parent) (see **Schedule 5 [1]**), and
- (b) section 37 of the Act, which currently includes de facto spouses among the persons in respect of whom a weekly payment may in certain cases be made by way of compensation for total incapacity (eligibility will in future be by references to persons in a de facto relationship) (see **Schedule 5 [2]**), and

Explanatory note

(c) section 85 of the Act, which currently provides for the manner of payment of a death benefit to a widow or widower (the provision will in future extend to a person in a de facto relationship) (see **Schedule 5 [3]**).

Schedule 5 [5] inserts a new section 151AC, which is intended to complement section 151AB. Section 151AB provides a scheme for identifying one insurer (or in some cases two insurers) who are to be liable to pay the damages in cases of disease contracted by a gradual process, including a dust disease. Proposed section 151AC provides a mechanism, in the case of a dust disease, to designate one of two or more insurers for this purpose on an interim basis, pending resolution of a dispute as to which of them is liable. The proposed section 151AC will be capable of being disapplied by the Dust Diseases Tribunal in accordance with rules made under the *Dust Diseases Tribunal Act 1989* (see Schedule 1 [10]). **Schedule 5 [4]** makes a consequential amendment.

Schedule 5 [6] will enable regulations of a savings or transitional nature to be made.

Schedule 6 Amendment of Workers' Compensation (Dust Diseases) Act 1942

Schedule 6 [1]–[3] and **[7]–[12]** make amendments to extend the class of persons who are entitled to benefits under the Act. This is achieved by inserting definitions of *de facto relationship* and *spouse*, which will extend the ambit of the Act to persons in a de facto relationship. In the case of the death of a worker from a dust disease, eligibility for a lump sum (which is presently limited to the worker's spouse or de facto spouse and their children) is extended to other relatives (including parents, brothers and sisters) if there is no surviving spouse.

Schedule 6 [4] amends section 5 to increase (by two) the membership of the Board, so that there will be an additional employer representative and an additional employee representative.

Schedule 6 [5] amends section 5 by way of statute law revision.

Schedule 6 [6] amends section 6 to enable the Board to make grants from the Workers' Compensation (Dust Diseases) Fund to provide assistance to groups or organisations that provide support for victims of dust diseases or their families.

Schedule 6 [13] inserts a new section 8E, which provides the Board with rights to be reimbursed for compensation paid or payable by it where damages are recovered or recoverable by or in respect of a disabled or deceased worker from a negligent person (other than the worker's employer). These rights correspond in certain respects to those available to an employer

Explanatory note

(or an employer's insurer) under section 151Z of the *Workers Compensation Act 1987*. The following matters are noted about the new section 8E:

- (a) The effect of subsection (3) of the new section will be that, when a negligent person receives a reduction in damages payable to the worker because of workers compensation paid or payable by the Board, the negligent party will be liable to pay the amount of the reduction to the Board, rather than retaining the benefit of the reduction as a windfall.
- (b) The new section will not operate to require workers' employers to reimburse the Board in this way, because employers already indirectly make payments to the Board. The fund administered by the Board is partly financed by contributions made directly by insurers and therefore indirectly by employers, and compensation payments are made from this fund.
- (c) The new section requires reimbursement of the Board by negligent persons other than employers, for example the manufacturers or suppliers of products that contain dust and cause dust disease.
- (d) The new section applies to amounts deducted or deductible from damages for economic loss, because proposed section 12D of the *Dust Diseases Tribunal Act 1989* will prevent deductions of compensation paid or payable under the *Workers' Compensation (Dust Diseases) Act 1942* from damages for non-economic loss (see Schedule 1 [6]).
- (e) Reimbursement in terms of subsection (3) of the new section is to be made automatically after the conclusion of the proceedings in which damages are awarded to the worker, without the Board having to be involved in the proceedings or having to take separate action. In the event that the amount remains unpaid, it is recoverable as a debt.

Schedule 6 [14] and [15] insert into Schedule 2 provisions of a savings or transitional nature, including the power to make regulations for that purpose.

Schedule 7 Amendment of Workplace Injury Management and Workers Compensation Act 1998

Schedule 7 makes amendments that result in extending the class of persons who are entitled to benefits under the workers compensation legislation. This is achieved by inserting definitions of *de facto relationship* and *spouse*, which will extend the ambit of the legislation to persons in a de facto relationship.

40 Definitions

In this Part:

designated insurer means a designated insurer referred to in section 151AC of the *Workers Compensation Act 1987*. 15

inter-insurer dispute means a dispute referred to in section 151AC of the *Workers Compensation Act 1987*, whether or not persons who are not insurers are involved. 20

Division 2 Interim payments, where no inter-insurer dispute

41 Interim payments before assessment of damages, where no inter-insurer dispute 25

- (1) Without affecting the generality of section 10 (4) of this Act, Division 2 of Part 5 of the *Supreme Court Act 1970* applies in relation to proceedings before the Tribunal, as if references in that Division to the Supreme Court were references to the Tribunal. 30

(2) That Division extends to proceedings before the Tribunal in relation to any liability of an employer to or in respect of whom section 151AB of the *Workers Compensation Act 1987* applies.

(3) However, that Division does not apply to any claim in respect of which an inter-insurer dispute remains unresolved.

5

Division 3 Interim payments, where inter-insurer dispute

42 Definition

10

In this Division:

interim payment means payment of a part or the whole of damages by a designated insurer:

(a) in accordance with an order of the Tribunal under section 43, or

15

(b) voluntarily.

43 Interim payments before or after assessment of damages where inter-insurer dispute

(1) While an inter-insurer dispute remains unresolved, the Tribunal may, in accordance with this section, order a designated insurer who is a party to the dispute to make one or more payments to the plaintiff of part or the whole of the damages sought to be recovered in the proceedings concerned.

20

(2) The Tribunal may make such an order against a designated insurer on the application of the plaintiff at any stage of the proceedings or at any time during the currency of the dispute (whether before or after judgment has been obtained, and whether before or after damages have been assessed).

25

(3) The Tribunal may make such an order if:

(a) the defendant or the designated insurer has admitted liability, or

30

- (b) the plaintiff has obtained judgment against the defendant (whether or not damages have been assessed), or
 - (c) the Tribunal is satisfied that, if the proceedings proceeded to trial, the plaintiff would obtain judgment for substantial damages against the defendant. 5
 - (4) The Tribunal may order a designated insurer to make one or more payments of such amounts as it thinks just but not exceeding: 10
 - (a) if damages have not been assessed—a reasonable proportion of the damages that in the opinion of the Tribunal are likely to be recovered by the plaintiff, or
 - (b) if damages have been assessed—the amount of damages as assessed. 15
 - (5) In estimating damages that have not been assessed, the Tribunal is to take into account any relevant contributory negligence or any cross-claims on which the defendant may be entitled to rely. 20
- 44 Interim payment not admission of liability, where inter-insurer dispute**
- (1) The fact that a designated insurer makes one or more interim payments is not of itself an admission of liability by the defendant or the designated insurer. 25
 - (2) The making of, or refusal to make, an order under section 43 is not a finding as to liability in respect of the proceedings.
- 45 Adjustments, where inter-insurer dispute, before assessment of damages** 30
- (1) This section applies to proceedings in which a designated insurer makes one or more interim payments before damages are assessed.

-
- (2) The Tribunal or an arbitrator or referee may make such orders with respect to the interim payments as may be just, and in particular may order one or more of the following:
- (a) the repayment by the plaintiff of all or part of any interim payment, with or without interest, 5
 - (b) the variation or discontinuance of any such payments,
 - (c) the payment by another party to the proceedings of all or part of any interim payment that the defendant is entitled to recover from that party. 10
- (3) The Tribunal may make an order under this section:
- (a) in making a final judgment or order,
 - (b) in granting the plaintiff leave to discontinue the proceedings or to withdraw the claim, or 15
 - (c) on the application of any party, at any other stage in the proceedings.
- (4) Subject to any direction of the Tribunal, an arbitrator or referee may make an order under this section in the course of an arbitration under section 38, on the application of any party. 20

46 Adjustments, where inter-insurer dispute, after assessment of damages

- (1) This section applies where a designated insurer makes one or more interim payments after damages are assessed. 25
- (2) The Tribunal or an arbitrator or referee may make such orders with respect to the interim payments as may be just, and in particular may order reimbursement of the designated insurer by another insurer to the dispute concerned for all or part of any interim payment, with or without interest. 30
- (3) In making any such orders, the Tribunal or the arbitrator or referee is to have regard to the provisions of section 151AC of the *Workers Compensation Act 1987* and to such other matters as the Tribunal considers to be relevant. 35

Schedule 1 Amendment of Dust Diseases Tribunal Act 1989 No 63

- (4) The Tribunal may make such an order on the application of any party.
- (5) Subject to any direction of the Tribunal, an arbitrator or referee may make such an order in the course of an arbitration under section 38, on the application of any party. 5

151AC Further special insurance provisions relating to dust diseases

(1) Application of this section

This section applies in relation to an employer who is liable independently of this Act for damages for a dust disease as defined by the *Workers' Compensation (Dust Diseases) Act 1942* contracted by a worker, where there is a dispute as to which of 2 or more insurers in a category of insurers is liable to indemnify the employer under any of the provisions of section 151AB. 10 15

(2) Designated insurer to be responsible pending resolution of dispute

For the purposes of section 151AB, and pending resolution of the dispute, the insurer who is the designated insurer in the relevant category under this section is to be treated as being the insurer who is so liable to indemnify the employer. Section 151AB has effect, and is to be construed, accordingly. 20

(3) Identification of designated insurer

The following provisions have effect for the purpose of determining which insurer among the following categories of insurers is the designated insurer for the purposes of this section: 25

- (a)** If, in the case of a liability that arose before the relevant commencement, there is a dispute as to which of 2 or more insurers is liable to indemnify the employer under section 151AB, the insurer 30

- who was the last of those insurers to be the employer's insurer while the worker was employed before that commencement by that employer is the designated insurer.
- (b) If, in the case of a liability that arose after the relevant commencement, there is a dispute as to which of 2 or more insurers is liable to indemnify the employer under section 151AB, the insurer who was the last of those insurers to be the employer's insurer while the worker was employed after that commencement by that employer is the designated insurer. 5 10
- (c) If, in the case of a liability that arose partly before and partly after the relevant commencement, there is a dispute as to which of 2 or more insurers is liable to indemnify the employer under section 151AB in respect of any liability that arose before that commencement, the insurer who was the last of those insurers to be the employer's insurer while the worker was employed before that commencement by that employer is the designated insurer. 15 20
- (d) If, in the case of a liability that arose partly before and partly after the relevant commencement, there is a dispute as to which of 2 or more insurers is liable to indemnify the employer under section 151AB in respect of any liability that arose after that commencement, the insurer who was the last of those insurers to be the employer's insurer while the worker was employed after that commencement by that employer is the designated insurer. 25 30
- (4) However, the insurers in a category may agree as to which of them is to be the designated insurer or the Dust Diseases Tribunal can order that any one of them is to be the designated insurer, and any such agreement or order overrides subsection (3). 35

-
- (5) **Designated insurer to act for other insurers**
In addition to the provisions of section 151AB:
- (a) where subsection (3) (a) or (b) applies—the designated insurer who is the insurer liable under section 151AB (1) is to act for all the insurers in the relevant category in the carriage of the insurance aspects of the claim, and 5
 - (b) where subsection (3) (c) or (d) applies—the designated insurer who is the insurer who is primarily responsible under section 151AB (2) is to act for all the insurers in the 2 relevant categories in the carriage of the insurance aspects of the claim. 10
- (6) **Other insurers can make submissions as to damages**
Despite subsection (5), if the damages payable to or in respect of the worker have not been assessed, any of the other insurers in dispute may, with the leave of the Dust Diseases Tribunal, make submissions to the Tribunal relating to the amount of damages payable. 15
- (7) **Methods of resolving dispute**
The dispute may be resolved by such processes as the parties to the dispute agree or as are otherwise available. 20
- (8) **Arbitration under special provisions**
However, if the dispute has not been resolved by the relevant time, it is to be resolved by arbitration under section 38 of the *Dust Diseases Tribunal Act 1989*, unless the Dust Diseases Tribunal otherwise orders (whether before or after the arbitration commences). The *relevant time* is: 25
- (a) subject to paragraph (b), the time when the total amount of damages is assessed and payable, or 30
 - (b) if the designated insurer pays the total amount of damages assessed, together with all costs payable, to or in respect of the worker, such later time as one of the parties to the dispute notifies to the other party or parties to the dispute. 35

- (9) **Nature of resolution of dispute**
For the purposes of this section, the dispute is not resolved until it has been determined which of the insurers in dispute was the insurer when the worker was last employed at the relevant time by the employer in an employment to the nature of which the disease was due. That insurer is referred to in the following provisions of this section as an *insurer who is liable*. 5
- (10) **Adjustment after resolution of dispute**
If, on resolution of the dispute, it is determined that a designated insurer is not an insurer who is liable, then (in addition to any other liabilities) the insurer who is liable: 10
- (a) is liable to reimburse or indemnify the designated insurer for any amounts already paid by the designated insurer in that capacity (including any amounts paid on an interim basis), and 15
 - (b) is liable to reimburse or indemnify the employer for any costs of the worker already ordered by the Dust Diseases Tribunal, and
 - (c) is (subject to any order of the Dust Diseases Tribunal) liable to pay the reasonable costs of any of the insurers in dispute incurred in earlier proceedings before the Tribunal because the insurer who is liable disputed liability (thereby giving rise wholly or in part to the dispute), and 20 25
 - (d) without affecting the generality of paragraph (c), is (subject to any order of the Dust Diseases Tribunal) liable to pay the reasonable costs of any of the insurers in dispute (other than the designated insurer) incurred in any such earlier proceedings in making submissions to the Tribunal relating to the amount of damages payable to or in respect of the worker. 30

-
- (11) If, on resolution of the dispute, it is determined that a designated insurer is an insurer who is liable, then (in addition to any other liabilities) the insurer who is liable:
- (a) is liable to reimburse or indemnify the employer for any costs of the worker already ordered by the Dust Diseases Tribunal, and 5
 - (b) is (subject to any order of the Dust Diseases Tribunal) liable to pay the reasonable costs of any of the insurers in dispute incurred in earlier proceedings before the Tribunal because the insurer who is liable disputed liability (thereby giving rise wholly or in part to the dispute), and 10
 - (c) without affecting the generality of paragraph (b), is (subject to any order of the Dust Diseases Tribunal) liable to pay the reasonable costs of any of the insurers in dispute incurred in any such earlier proceedings in making submissions to the Tribunal relating to the amount of damages payable to or in respect of the worker. 15
- (12) **Parties to dispute** 20
An insurer may be or become a party to the dispute even though the insurer was not a party to or represented in the original proceedings before the Dust Diseases Tribunal. Without limiting the foregoing, an insurer becomes a party to the dispute on being joined as a party to an arbitration under section 38 of the *Dust Diseases Tribunal Act 1989*. 25
- (13) **Rules**
This section has effect subject to orders of the Dust Diseases Tribunal under rules referred to in section 33 (4) (n) of the *Dust Diseases Tribunal Act 1989*. 30
- (14) **Transitional**
This section applies to causes of action arising before or after the commencement of this section, and extends to proceedings instituted before that commencement but only if no hearing in the proceedings has started before that commencement. 35
