# **Law Enforcement (Controlled Operations) Bill 1997**

## **Explanatory note**

This explanatory note relates to this Bill as introduced into Parliament.

### **Overview of Bill**

The object of this Bill is to provide for the authorisation, conduct and monitoring of certain operations (specifically, operations involving what might otherwise be unlawful activities) by the Police Service, the Independent Commission Against Corruption, the New South Wales Crime Commission and the Police Integrity Commission so as to remove any doubt as to the status of evidence obtained in the course of such operations and as to the liability of participants in such operations.

---

## Outline of provisions

### **Part 1 Preliminary**

**Clause 1** sets out the name (also called the short title) of the proposed Act.

**Clause 2** provides for the commencement of the proposed Act on a day or days to be appointed by proclamation.

**Clause 3** defines certain words and expressions used in the proposed Act (including, in particular, *authorised operation*, *civilian participant*, *controlled operation*, *law enforcement agency*, *law enforcement participant* and *principal law enforcement officer*).

**Clause 4** provides for the amendment by regulation of Schedule 1 (a Schedule that recognises laws of the Commonwealth, and of other States and Territories, as corresponding laws for the purposes of the proposed Act).

### **Part 2 Authorisation of controlled operations**

**Clause 5** enables a law enforcement officer to apply to the chief executive officer of the agency in which he or she is employed for authority to conduct a controlled operation and prescribes the manner in which such an application is to be made.

**Clause 6** provides for the determination of such an application by the chief executive officer. In particular, it requires there to be a code of conduct in force in relation to the agency before an authority can be granted and it specifies various matters of which the chief executive officer must be satisfied before granting an authority.

**Clause 7** specifies certain matters that an authority may not authorise. In particular, an authority may not authorise a participant to be an "agent provocateur" or to engage in conduct that threatens serious personal or property damage, may not authorise participation by persons who do not have the skills required by the proposed controlled operation and may not authorise civilian participants to engage in controlled activities unless it is wholly impracticable for law enforcement officers to engage in those activities.

**Clause 8** specifies the form in which an authority must be granted. In particular, it must specify what controlled activities may be engaged in for the purposes of the proposed controlled operation and whether any participant is to be allowed to operate under an assumed name.

**Clause 9** specifies the period for which an authority has effect, being such period (not exceeding 3 months) as is specified in the authority.

**Clause 10** enables the principal law enforcement officer for a controlled operation to apply to the chief executive officer for a variation of an authority so as to extend its term, to provide for a new principal law enforcement officer for the operation, to provide for additional or alternative participants in the operation or to authorise additional or alternative controlled activities in the operation. It provides for the determination of the application and, in particular, specifies various matters of which the chief executive officer must be satisfied before granting a variation of the authority. It allows the regulations to prescribe the manner in which applications are to be made, the form in which variations are to be granted and the procedures which are to be followed in certain circumstances.

**Clause 11** enables the principal law enforcement officer for a controlled operation to apply to the chief executive officer for a renewal of an authority. The clause applies to any such application under the provisions of the proposed Part that relate to applications for authorities.

**Clause 12** enables a chief executive officer to cancel an authority for a controlled operation at any time and for any reason. Cancellation of an authority does not expose a participant in the operation to any criminal or disciplinary liability until after such time as the participant becomes aware, or ought reasonably to become aware, of the cancellation.

**Clause 13** provides that an authority for a controlled operation authorises the participants in the operation to engage in the controlled activities specified in the authority.

### **Part 3 Conduct of controlled operations**

**Clause 14** provides for the granting of retrospective authority for unlawful conduct engaged in for the purpose of dealing with life threatening situations. An application for such authority may be made within 24 hours by any participant who has engaged in unlawful conduct for the purpose of saving that or any other participant, or any other person, from death or serious injury. The clause imposes strict guidelines as to the circumstances in which such authority may be granted.

**Clause 15** requires the principal law enforcement officer for an authorised operation to report to the chief executive officer on the conduct of the operation within 28 days after its completion, and allows the details to be included in such a report to be prescribed by regulations under the proposed Act.

**Clause 16** makes lawful certain activities that are engaged in by participants in an authorised operation in the course of, and for the purposes of, the operation. The clause applies despite any other Act or law to the contrary.

**Clause 17** makes lawful certain activities concerning the preparation and use of false documentation for the purpose of enabling a participant in an authorised operation to operate under an assumed name. The proposed clause applies despite any other Act or law to the contrary.

**Clause 18** makes lawful certain activities that are incidental to activities made lawful by clauses 16 and 17. The clause applies despite any other Act or law to the contrary.

**Clause 19** protects certain persons, including participants in an authorised operation, from any personal liability for conduct they engage in for the purposes of an authorised operation. Liability for that conduct will instead lie with the agencies in which they are employed and, through them, the State.

**Clause 20** provides for the establishment, by regulations under the proposed Act, of codes of conduct that will apply to the conduct of authorised operations by law enforcement agencies. It is proposed that such a regulation will not be able to be made except on the recommendation of the Inspector of the Police Integrity Commission.

#### **Part 4 Monitoring of controlled operations**

**Clause 21** requires the Ombudsman to be notified within 21 days after an authority is granted, varied or renewed and within 21 days after a report on the conduct of an authorised operation is furnished under clause 15. The clause allows the Ombudsman to seek further information with respect to any such authority, variation, renewal or report.

**Clause 22** allows the Ombudsman to inspect each law enforcement agency's records at any time (and requires the Ombudsman to do so at least once a year) for the purpose of ascertaining whether or not the requirements of the proposed Act are being complied with. The clause also empowers the Ombudsman to report to Parliament on the results of any such inspection.

**Clause 23** requires the Ombudsman to furnish annual reports to Parliament on the Ombudsman's work and activities under the proposed Act. The clause prescribes certain details to be included in any such report with respect to controlled operations conducted or proposed during the year to which the report relates.

**Clause 24** prohibits a report under clause 22 or 23 from containing prejudicial information, applies to any such report certain provisions of the *Ombudsman Act 1974* relating to reports under that Act and requires the Ombudsman to give a copy of any such report to the chief executive officer of the agency concerned and to the Minister responsible for that agency.

## **Part 5      Miscellaneous**

**Clause 25** provides that the proposed Act binds the Crown.

**Clause 26** requires the Director of Public Prosecutions to be notified of evidence obtained in the course of an authorised operation and to be given a copy of the authority for the operation.

**Clause 27** enables the chief executive officer of a law enforcement agency to issue a certificate to the effect that he or she was satisfied of specified matters when granting, varying or renewing an authority, and gives evidentiary status to a certificate so issued.

**Clause 28** facilitates the protection of the true identities of participants in an authorised operation, both during and after court proceedings, by allowing participants to give evidence under their assumed names and by allowing the judicial body in which the evidence is given to prohibit disclosure of information that might tend to lead to their identification.

**Clause 29** restricts the power of chief executive officers and the Ombudsman to delegate the functions conferred or imposed on them by the proposed Act.

**Clause 30** enables proceedings for offences against the proposed Act to be dealt with summarily by a Local Court.

**Clause 31** enables the Governor to make regulations for the purposes of the proposed Act.

**Clause 32** requires the proposed Act to be reviewed at the end of 12 months after its commencement.

## **Schedule 1      Corresponding laws**

This Schedule specifies the laws that are proposed to be recognised as corresponding laws for the purposes of the proposed Act. Initially, the *Crimes Act 1914* of the Commonwealth and the *Criminal Law (Undercover Operations) Act 1995* of South Australia are proposed to be corresponding laws.

## Part 2 Authorisation of controlled operations

### 5 Applications for authorities

- (1) A law enforcement officer for a law enforcement agency may apply to the chief executive officer of the agency for authority to conduct a controlled operation on behalf of the agency. 5
- (2) An application for authority to conduct a controlled operation:
  - (a) must be in writing, signed by the applicant, and
  - (b) must be accompanied by a plan of the proposed operation, and
  - (c) must identify the nature of the criminal activity or corrupt conduct in respect of which the proposed operation is to be conducted, and 10
  - (d) must identify the nature of the controlled activity in respect of which the authority is sought, and
  - (e) must specify whether or not the proposed operation, or any other controlled operation with respect to the same criminal activity or corrupt conduct, has been the subject of an earlier application for authority and, if so, whether or not any such authority was given. 15
- (3) The chief executive officer may require the applicant to furnish such additional information concerning the proposed controlled operation as is necessary for the chief executive officer's proper consideration of the application. 20

### 6 Determination of applications

- (1) After considering an application for authority to conduct a controlled operation, and any additional information furnished under section 5 (3), the chief executive officer:
  - (a) may authorise a law enforcement officer for the law enforcement agency concerned to conduct the operation, either unconditionally or subject to conditions, or 30
  - (b) may refuse the application.
- (2) An authority to conduct a controlled operation on behalf of a law enforcement agency may not be granted unless a code of conduct is prescribed by the regulations in relation to that agency.

- (3) An authority to conduct a controlled operation may not be granted unless the chief executive officer is satisfied as to the following matters:
- (a) that there are reasonable grounds to suspect that criminal activity or corrupt conduct has been, is being or is about to be conducted in relation to matters within the administrative responsibility of the agency, 5
  - (b) that the nature and extent of the suspected criminal activity or corrupt conduct are such as to justify the conduct of a controlled operation, 10
  - (c) that the nature and extent of the proposed controlled activities are appropriate to the suspected criminal activity or corrupt conduct,
  - (d) that the proposed controlled activities will be capable of being accounted for in sufficient detail to enable the reporting requirements of this Act to be fully complied with. 15
- (4) In considering the matters referred to in subsection (3), the chief executive officer must have regard to the following:
- (a) the reliability of any information as to the nature and extent of the suspected criminal activity or corrupt conduct, 20
  - (b) the likelihood of success of the proposed controlled operation compared with the likelihood of success of any other law enforcement operation that it would be reasonably practicable to conduct for the same purposes, 25
  - (c) the duration of the proposed controlled operation.
- (5) The chief executive officer must keep a written record of the reasons for which the chief executive officer is satisfied as to the matters referred to in subsection (3) (a), 30

## 7 Certain matters not to be authorised

- (1) An authority to conduct a controlled operation must not be granted in relation to a proposed operation that involves any participant in the operation:

- 
- (a) inducing or encouraging another person to engage in criminal activity or corrupt conduct of a kind that the other person could not reasonably be expected to engage in unless so induced or encouraged, or
- (b) engaging in conduct that is likely to seriously endanger the health or safety of that or any other participant, or any other person, or to result in serious loss or damage to property. 5
- (2) A person must not be authorised to participate in a controlled operation unless the chief executive officer is satisfied that the person has the appropriate skills to participate in the operation. 10
- (3) A civilian participant:
- (a) must not be authorised to participate in any aspect of a controlled operation unless the chief executive officer is satisfied that it is wholly impracticable for a law enforcement participant to participate in that aspect of the operation, and 15
- (b) must not be authorised to engage in a controlled activity unless it is wholly impracticable for the civilian participant to participate in the aspect of the controlled operation referred to in paragraph (a) without engaging in that activity. 20

### 8 Form of authority

- (1) An authority to conduct a controlled operation:
- (a) must be in writing, signed by the chief executive officer, and 25

- (e) must state whether or not any such person may operate under an assumed name, and

- (f) must identify:
  - (i) with respect to the law enforcement participants, the nature of the controlled activities that those participants may engage in, and

- (3) For the purposes of this Act, a copy of an authority that has been transmitted by facsimile has the same effect as the original authority.

**9 Duration of authorities** 20

Unless it is sooner cancelled, an authority has effect for the period specified in the authority in accordance with section 8 (1) (g).

**10 Variation of authorities**

- (1) The principal law enforcement officer for an authorised operation, or any other law enforcement participant on behalf of the principal law enforcement officer, may apply to the chief executive officer for a variation of the authority so as:
  - (a) to extend the period for which the authority has effect (but not so as to result in the authority having effect for more than 3 months), or 25
  - (b) to authorise an alternative principal law enforcement officer for the operation, or 30

- 
- (c) to authorise additional or alternative persons to engage in controlled activities for the purposes of the operation, or

- (a) may vary the authority in accordance with the application, either unconditionally or subject to conditions, or
- (b) may refuse the application.
- (4) An authority may not be varied unless the chief executive officer is satisfied that: 15
- (a) the success of the operation, or
- (b) the protection of the health or safety of a participant in the operation or any other person, or
- (c) the protection of property from loss or damage, 20
- can reasonably be expected to require the variation sought by the application.
- (5) Section 7 applies to an application under this section in the same way as it applies to an application under section 5.
- (6) The regulations may make provision for or with respect to: 25
- (a) the manner in which an application for variation of an authority is to be made, and
- (b) the form in which a variation of authority may be granted, and
- (c) the procedure to be followed in the case of: 30
- (i) an application that is made otherwise than in writing signed by the applicant, and
- (ii) a variation that is granted otherwise than in writing signed by the chief executive officer.

- (7) For the purposes of this Act, a copy of a variation of authority that has been transmitted by facsimile has the same effect as the original variation of authority.

### 11 Renewal of authorities

- (1) The principal law enforcement officer for an authorised operation may apply to the chief executive officer for a renewal of the authority for the controlled operation. 5
- (2) This Part applies to an application under this section in the same way as it applies to an application under section 5.
- (3) For the purposes of this Act, a copy of a renewal of authority that has been transmitted by facsimile has the same effect as the original renewal of authority. 10

### 12 Cancellation of authorities

- (1) An authority for a controlled operation may be cancelled by the chief executive officer, by order in writing, at any time and for any reason. 15
- (2) Cancellation of an authority for a controlled operation takes effect at the time the order is made or at such later time as may be specified in the order.
- (3) It is a sufficient defence to criminal or disciplinary proceedings arising from conduct that has been engaged in by the defendant in reliance on an authority that has been cancelled if the defendant satisfies the court or tribunal before which the proceedings are being heard: 20
- (a) that the defendant engaged in the conduct in good faith for the purposes of, and in the course of, a controlled operation for which the authority had been in force, and 25
- (b) that, had the authority been in force when the defendant engaged in the conduct, the conduct would have been lawful by operation of section 16, and 30
- (c) that the defendant was unaware, and could not reasonably be expected to have been aware, that the authority had been cancelled.

### **13 Effect of authorities**

While it has effect, an authority for a controlled operation:

- (a) authorises each law enforcement participant to engage in the controlled activities specified in the authority in respect of the law enforcement participants, and
- (b) authorises each civilian participant (if any) to engage in the particular controlled activities (if any) specified in the authority in respect of that participant.

5

## Part 3 Conduct of controlled operations

### 14 Life threatening situations

- (1) A participant in an authorised operation who engages in unlawful conduct for the purpose of protecting that or any other participant, or any other person, from death or serious injury may, within 24 hours after engaging in that conduct, apply to the chief executive officer for retrospective authority for that conduct. 5
- (2) Such an application may be made in such manner as the chief executive officer may permit. 10
- (3) The chief executive officer may require the applicant to furnish such information concerning the relevant conduct as is necessary to the chief executive officer's proper consideration of the application.
- (4) After considering an application under subsection (1), and any additional information furnished under subsection (3), the chief executive officer:
  - (a) may grant retrospective authority in accordance with the application, or
  - (b) may refuse the application. 20
- (5) Retrospective authority may not be granted unless the chief executive officer is satisfied:
  - (a) that the following circumstances existed when the relevant conduct occurred:
    - (i) that the applicant was being threatened, or reasonably believed, that the applicant or some other person was at risk of death or serious injury as a direct result of the conduct of the authorised operation, and 25
    - (ii) that the applicant could not avoid that risk otherwise than by engaging in the relevant conduct, and 30
  - (b) that, at all times prior to those circumstances arising, the applicant had been acting in good faith and in accordance with the relevant code of conduct, and
  - (c) that the applicant had not foreseen, and could not reasonably be expected to have foreseen, that those circumstances would arise. 35

- (6) Subsection (5) does not allow retrospective authority to be granted with respect to conduct giving rise to the offence of murder or of any other offence for which the common law defence of duress would not be available.

### 15 Reports on controlled operations

5

- (1) Within 28 days after completing an authorised operation, the principal law enforcement officer for the operation must cause a report on the operation to be given to the chief executive officer.
- (2) The regulations may make provision for or with respect to the matters to be included in such a report.

10

### 16 Lawfulness of controlled activities

Despite any other Act or law, an activity that is engaged in by a participant in an authorised operation in the course of, and for the purposes of, the operation is not unlawful, and does not constitute an offence or corrupt conduct, so long as it is authorised by, and is engaged in in accordance with, the authority for the operation.

15

### 17 Lawfulness of activities with respect to assumed names

- (1) Despite any other Act or law, the following activities:
- (a) the preparation of any false documentation (such as the preparation of a driver's licence, credit card or identity card under an assumed name) in accordance with a request by the chief executive officer of a law enforcement agency,
- (b) the inclusion of any false information in any record or register (such as that relevant to the issue of a driver's licence, credit card or identity card under an assumed name) in accordance with a request by the chief executive officer of a law enforcement agency,
- (c) the use of such documentation or information by any person in the course of, and for the purposes of, an authorised operation conducted on behalf of a law enforcement agency,

20

25

30

are not unlawful, and do not constitute offences or corrupt conduct, so long as the documentation or information is the subject of a certificate, signed by the chief executive officer of the agency, to the effect that the documentation or information is to be used for the purposes of this Act. 5

- (2) Subsection (1) does not render lawful the preparation of false documentation, the inclusion of false information in any record or register or the use of such documentation or information in relation to matters of the kind recorded or registered under the *Births, Deaths and Marriages Registration Act 1995*. 10

### 18 Lawfulness of certain ancillary activities

- (1) Despite any other Act or law, an activity that is engaged in by a person:
- (a) in connection with a controlled activity, or
  - (b) in connection with an activity referred to in section 17 (1) (a), (b) or (c), 15

is not unlawful, and does not constitute an offence or corrupt conduct, so long as it is engaged in (whether by a participant in an authorised operation or otherwise) in the course of, and for the purposes of, an authorised operation. 20

- (2) This section applies to an activity that (but for this section) would be unlawful because (ignoring the operation of sections 16 and 17) the activity in connection with which it is engaged in is unlawful (such as an activity that would otherwise give rise to the offence of aiding and abetting the commission of an offence or of conspiring to commit an offence), and does not apply to any other activity. 25

### 19 Exclusion of civil liability

Conduct of:

- (a) a chief executive officer, or 30
- (b) the principal law enforcement officer for an authorised operation, or
- (c) a participant in an authorised operation, or

- 
- (d) a person acting in accordance with the directions of:
- (i) a chief executive officer, or
  - (ii) the principal law enforcement officer for an authorised operation,

does not, if the conduct was in good faith and for the purpose of executing this Act, subject the chief executive officer, principal law enforcement officer, participant or person so acting personally to any action, claim, liability or demand. 5

## 20 Codes of conduct

- (1) The regulations may prescribe codes of conduct for authorised operations conducted on behalf of law enforcement agencies. 10
- (2) Different codes of conduct may be prescribed for different law enforcement agencies.
- (3) A code of conduct may make provision for or with respect to any aspect of the conduct of an authorised operation. 15
- (4) A regulation may not be made for the purposes of this section except on the recommendation of the Inspector of the Police Integrity Commission.
- (5) Contravention of the code of conduct for a law enforcement agency by any person (including a law enforcement officer) employed within that agency is taken to be misconduct for the purposes of any disciplinary proceedings taken against that person with respect to the contravention. 20

## Part 4 Monitoring of controlled operations

### 21 Ombudsman to be notified of certain matters

- (1) Within 21 days after:
  - (a) granting an authority, variation of authority or renewal of authority, or 5
  - (b) receiving a report on the conduct of an authorised operation to which an authority relates,  
a chief executive officer must cause written notice of that fact to be given to the Ombudsman.
- (2) The Ombudsman may require the chief executive officer to furnish such information concerning the authority, variation, renewal or report as is necessary for the Ombudsman's proper consideration of it. 10

### 22 Inspection of records by Ombudsman

- (1) The Ombudsman: 15
  - (a) must inspect the records of each law enforcement agency at least once every 12 months, and
  - (b) may inspect the records of any law enforcement agency at any time,  
for the purpose of ascertaining whether or not the requirements of this Act are being complied with. 20
- (2) The provisions of the *Telecommunications (Interception) (New South Wales) Act 1987* apply to an inspection conducted under this section in the same way as they apply to an inspection conducted under that Act. 25
- (3) The Ombudsman may, at any time, make a special report to the Presiding Officer of each House of Parliament with respect to any inspection conducted under this section.

### 23 Annual reports by Ombudsman

- (1) The Ombudsman must, as soon as practicable after 30 June in each year, prepare a report of the Ombudsman's work and activities under this Act for the preceding 12 months and furnish the report to the Presiding Officer of each House of Parliament. 30

- 
- (2) The report must include, for each law enforcement agency, the following particulars:
- (a) the number of authorities that have been granted, varied or renewed by the chief executive officer of that agency, and the number of applications for the granting, variation or renewal of authorities that have been refused by the chief executive officer of that agency, during the period to which the report relates, 5
  - (b) the nature of the criminal activity or corrupt conduct against which the controlled operations conducted under those authorities were directed, 10
  - (c) the number of law enforcement participants, and the number of civilian participants, involved in the controlled operations conducted under those authorities,
  - (d) the nature of the controlled activities engaged in for the purposes of the controlled operations conducted under those authorities, 15
  - (e) the number of law enforcement participants, and the number of civilian participants, who have engaged in controlled activities for the purposes of the controlled operations conducted under those authorities. 20

#### 24 Ancillary matters concerning reports

- (1) A report prepared under this Part must not include any information that, if made public, could reasonably be expected:
