## **Schedule 2    Amendment of Water Management Act 2000 in relation to access licences**

(Section 3)

### **[1]    Section 55A**

Insert before section 56:

#### **55A    Application of Part**

- (1)    This Part applies to:
  - (a)    each part of the State, and
  - (b)    each water source within that part of the State, and
  - (c)    each category or subcategory of access licence that relates to that part of the State and that water source,  
  
that is declared by proclamation to be a part of the State, water source and category or subcategory of access licence to which this Part applies.
- (2)    Despite subsection (1), specified provisions of this Part may be declared by proclamation to apply to the whole of the State, and apply accordingly.

### **[2]    Section 56 Access licences**

Omit subsections (5) and (6) of section 56 (but not the note following subsection (6)).

### **[3]    Section 57 Categories of licence**

Omit section 57 (f). Insert instead:

- (f)    supplementary water access licences,

### **[4]    Section 58 Priorities between different categories of licence**

Omit section 58 (1) (b) and (c). Insert instead:

- (b)    regulated river (high security) access licences have priority over all other access licences (other than those referred to in paragraph (a)),
- (c)    access licences (other than those referred to in paragraphs (a), (b) and (d)) have priority between themselves as prescribed by the regulations,

- 
- (d) supplementary water access licences have priority below all other licences.

**[5] Section 59 Available water determinations**

Omit “a specified water management area or water source” from section 59 (1).

Insert instead “one or more specified water management areas or water sources”.

**[6] Section 61 Applications for granting and renewal of access licences**

Omit section 61 (2).

**[7] Section 63 Determination of applications**

Omit “major utility, and” from section 63 (3) (b).

Insert instead “major utility.”.

**[8] Section 63 (3) (c)**

Omit the paragraph.

**[9] Section 63 (4), (5), (6), (7), (8), (9) and (10)**

Insert after section 63 (3):

- (4) An access licence must specify:
  - (a) in relation to its share component, the water management area or water source to which it relates, and
  - (b) in relation to its extraction component, the times, rates or circumstances in which, and the areas or locations from which, water may be taken under the licence.
- (5) An access licence may be issued with a zero share component or zero extraction component (or both) but, even if it is issued with a zero share component, must still specify the water management area or water source to which it relates.
- (6) Two or more co-holders of an access licence granted under this section are taken to hold the access licence:
  - (a) as provided by the application for the access licence, or

- (b) if the application makes no such provision, as tenants in common in equal shares.
- (7) An access licence is to be in such form as the Minister may determine.
- (8) In the case of an access licence that is a renewal of a former access licence, any interest that subsisted in the former access licence, as in force immediately before it was renewed, becomes an equivalent interest in the renewed access licence.
- (9) An application for the renewal of an access licence is not to be refused on the ground that fees due under the licence have not been paid unless the Minister has given written notice, to all persons in whose names any interests in the licence are registered in the General Register of Deeds, that the application will be refused unless arrangements satisfactory to the Minister have been made for the payment of those fees.
- (10) An access licence takes effect:
  - (a) at the end of the time permitted by section 368 (3) for making an appeal with respect to the decision to grant the licence, or
  - (b) if an appeal is made against the decision within that time, at the time the appeal is finally disposed of.

**[10] Section 64 Notice of decision**

Insert at the end of the section:

- (2) The Minister must also cause notice of the granting of an access licence to be given, in accordance with the regulations, to the Registrar-General.
- (3) A notification under subsection (1) must be given within 7 days of the determination.

**[11] Section 65 Controlled allocation of access licences**

Insert after section 65 (1):

- (1A) Such an order may apply to the whole of a water management area or water source, or any specified part of a water management area or water source, and to access licences generally or to any specified category or subcategory of access licences.

**[12] Section 66 Conditions of access licence**

Insert “, including conditions to give effect to any agreement between an applicant and objector under section 62 (5) and conditions relating to the protection of the environment” after “access licence” in section 66 (1) (b).

**[13] Section 66 (3A)**

Insert after section 66 (3):

(3A) In subsection (3), *associated commercial activities* means activities within the following categories recognised in the *Australian and New Zealand Standard Industry Classification* (ANZSIC), 1993 edition (Australian Bureau of Statistics publication, Catalogue No 1292.0):

- (a) construction (category E),
- (b) wholesale trade (category F),
- (c) retail trade (category G),
- (d) accommodation, cafes and restaurants (category H),
- (e) communication services (category J),
- (f) finance and insurance (category K),
- (g) property and business services (category L),
- (h) government administration and defence (category M),
- (i) education (category N),
- (j) health and community services (category O),
- (k) cultural and recreational services (category P),
- (l) personal and other services (category Q).

**[14] Section 67 Imposition of conditions after access licence is granted**

Insert “, or to conditions imposed on an access licence in connection with a dealing under Division 4” after “the access licence” in section 67 (2).

**[15] Section 67 (2A)**

Insert after section 67 (2):

(2A) Mandatory conditions are to be imposed on an access licence whenever it becomes necessary to do so in order to give effect to a relevant management plan.

**[16] Section 67 (3) and (4)**

Omit “discretionary” wherever occurring.

**[17] Section 69 Duration of access licence**

Omit “or (c)” from section 69 (1) (a).

**[18] Section 69 (1) (b)**

Omit “access licence, or”. Insert instead “access licence.”.

**[19] Section 69 (1) (c)**

Omit the paragraph.

**[20] Chapter 3, Part 2, Division 4**

Omit the Division. Insert instead:

**Division 4      Dealings with access licences**

**71A Transfers of access licences**

- (1) Access licences may be transferred in accordance with this section.
- (2) The prospective transferor and transferee of an access licence may apply to the Minister for consent to the transfer and the Minister may grant, or refuse to grant, consent to the transfer.
- (3) Despite subsection (2):
  - (a) consent to the transfer of a local water utility access licence may only be granted if the transferee is a local water utility, and
  - (b) consent to the transfer of a major utility access licence may only be granted if the transferee is a major water utility.
- (4) On completing a transfer to which consent has been given under this section, the parties to the transfer must cause notice of that fact to be given to the Minister.
- (5) The transfer takes effect when details of the transfer are entered on the register of access licences.

- (6) Two or more co-holders of an access licence that is transferred under this section are taken to hold the access licence:
  - (a) as provided by the notice of transfer referred to in subsection (4), or
  - (b) if the notice makes no such provision, as tenants in common in equal shares.

**71B Conversion of access licence to new category**

- (1) On the application of the holder of an access licence, the Minister may cancel the licence and issue a new access licence of a different category or subcategory.
- (2) Subsection (1) does not apply to a local water utility access licence or to a supplementary water access licence.
- (3) An access licence arising under this section may only be granted:
  - (a) subject to the mandatory conditions applicable to the category or subcategory of licence to which it belongs, and
  - (b) for a period no greater than the residue of the period for which the cancelled access licence would have had effect if it had not been cancelled.
- (4) An access licence arising under this section may only be granted in relation to the same water management area or water source as the cancelled access licence.
- (5) Any interests that subsisted in the cancelled access licence, as in force immediately before it was cancelled, become equivalent interests in the new access licence.
- (6) The Minister must cause notice of the granting of the new access licence to be given, in accordance with the regulations, to the Registrar-General.

**71C Subdivision and consolidation of access licences**

- (1) On the application of the holder of the access licence or access licences concerned, the Minister:
  - (a) may subdivide an access licence, by cancelling it and issuing two or more access licences in its place, or

- (b) may consolidate two or more access licences that relate to the same water management area or water source and are of the same category or subcategory, by cancelling them and issuing a single access licence in their place.
- (2) Access licences arising from a subdivision referred to in subsection (1) (a) may only be granted:
  - (a) with combined share components and combined extraction components no greater than the corresponding components of the cancelled access licence, and
  - (b) subject to the same mandatory conditions as those to which the cancelled access licence was subject, and
  - (c) for a period no greater than the residue of the period for which the cancelled access licence would have had effect if it had not been cancelled.
- (3) Access licences arising from a consolidation referred to in subsection (1) (b) may only be granted:
  - (a) with combined share components and combined extraction components no greater than the sum of the corresponding components of the cancelled access licences, and
  - (b) subject to conditions consistent with those to which the cancelled access licences were subject, and
  - (c) for a period no greater than the residue of the period for which the earliest expiring of the cancelled access licences would have had effect if they had not been cancelled.
- (4) An access licence arising from a subdivision or consolidation may only be granted in relation to the same water management area or water source as the cancelled access licence or licences.
- (5) Any interests that subsisted in the cancelled access licences, as in force immediately before they were cancelled, become equivalent interests in the new access licences.
- (6) The Minister must cause notice of the granting of the new access licence to be given, in accordance with the regulations, to the Registrar-General.

**71D Assignment of rights under access licence**

- (1) Rights under an access licence may be assigned in accordance with this section.
- (2) The holders of two or more access licences of the same category with respect to the same water management area or water source may apply to the Minister for consent to:
  - (a) the reduction of the share or extraction component, or both, of one or some of the licences, and
  - (b) the increase, by a corresponding amount, of the share or extraction component, or both, of the others.
- (3) On completing an assignment to which consent has been given under this section, the parties to the assignment must cause notice of that fact to be given to the Minister.
- (4) The assignment takes effect when details of the assignment are entered on the register of access licences.
- (5) This section does not authorise the reduction of the share or extraction component, or both, of a local water utility access licence.
- (6) An access licence whose share or extraction component is varied under this section is to be made subject to the mandatory conditions applicable to an access licence with a share or extraction component as so varied.
- (7) An access licence is not cancelled merely because, as a result of an assignment under this section, it has a zero share component or zero extraction component (or both) for the time being.

**71E Amendment of share component of access licence**

- (1) On the application of the holder of an access licence, the Minister may cancel the licence and issue a new access licence with a share component specifying a different water management area or water source.
- (2) Subsection (1) does not apply to a local water utility access licence or supplementary water access licence.

- (3) An access licence arising under this section may only be granted:
  - (a) subject to the mandatory conditions applicable to an access licence of the same category or subcategory for the water management area or water source specified in its share component, and
  - (b) for a period no greater than the residue of the period for which the cancelled access licence would have had effect if it had not been cancelled.
- (4) Any interests that subsisted in the cancelled access licence, as in force immediately before it was cancelled, become equivalent interests in the new access licence.
- (5) The Minister must cause notice of the granting of the new access licence to be given, in accordance with the regulations, to the Registrar-General.

**71F    Amendment of extraction component of access licence**

- (1) On the application of the holder of an access licence, the Minister may amend the extraction component of the licence so as:
  - (a) to vary the times, rates or circumstances specified in the licence with respect to the taking of water under the licence, or
  - (b) to vary the areas or locations specified in the licence as the areas or locations from which water may be taken under the licence.
- (2) The area or location arising from a variation referred to in subsection (1) (b) must relate to the same water management area or water source as that to which the original area or location related.
- (3) An access licence that is amended under this section is subject to the mandatory conditions applicable to the licence as so amended.

**71G    Assignment of water allocations between access licences**

- (1) Water allocations may be assigned from one access licence to another in accordance with this section.

- (2) The holders of two or more access licences may apply to the Minister for consent to the assignment of water allocations between the water allocation accounts for their respective access licences.
- (3) Such an application may only be made with respect to water allocations currently credited to the access licence from which water allocations are to be assigned.
- (4) On completing an assignment to which consent has been given under this section, the parties to the assignment must cause notice of that fact to be given to the Minister.
- (5) The assignment takes effect when details of the assignment are entered in the relevant water allocation accounts.

**71H Interstate transfer of access licences**

- (1) The Minister may enter into an agreement with a Minister of any other State or Territory for the interstate transfer of access licences and their corresponding interstate equivalents.
- (2) On an application made pursuant to such an agreement, the Minister may grant or revoke an access licence to give effect to such a transfer.
- (3) In respect of each access licence arising under this section, the Minister:
  - (a) must impose on the licence such mandatory conditions as any relevant management plan may require to be imposed on the licence, and
  - (b) must cause notice of the new access licence to be given, in accordance with the regulations, to the Registrar-General.
- (4) The provisions of section 63 (4), (5), (6) and (7) apply to an access licence arising under this section in the same way as they apply to an access licence granted under section 63.

**71I Interstate assignment of water allocations**

- (1) The Minister may enter into an agreement with a Minister of any other State or Territory for the interstate assignment of water allocations and their corresponding interstate equivalents.

- (2) On an application made pursuant to such an agreement, the Minister may credit water allocations to an access licence, or debit water allocations from an access licence, to give effect to such an assignment.
- (3) Such an application may only be made with respect to water allocations currently credited to the access licence from which water allocations are to be assigned.

**71J Access licence may nominate water supply works**

On the application of the holder of an access licence, the Minister may amend the licence so as:

- (a) to nominate a specified water supply work, or group of water supply works, as a work or group of works by means of which water allocations under the licence may be taken, or
- (b) to withdraw any such nomination.

**71K General**

- (1) An application under this Division is to be dealt with in accordance with:
  - (a) the water management principles, and
  - (b) the access licence dealing principles, and
  - (c) the access licence dealing rules established by any relevant management plan.
- (2) An application under this Division must not be granted unless:
  - (a) for all applications, each co-holder of the access licence or access licences concerned, and
  - (b) for all applications other than those under section 71G or 71I, each person in whose name there is registered in the General Register of Deeds, in relation to the access licence or access licences concerned, a security interest or an interest of a kind prescribed by the regulations,consent to the granting of the application.
- (3) In the case of an application under section 71E:
  - (a) the management plan for the water management area or water source to which the share component of the licence currently relates, and

- (b) the management plan for the water management area or water source to which the share component of the licence is intended to relate if the application is granted, are each relevant management plans.
- (4) Except to the extent to which the regulations so provide, Division 2 does not apply to or in respect of an application under this Division.
- (5) Subject to the regulations, notice of the Minister's determination of an application under this Division is to be given to the applicant or applicants as soon as practicable after the determination is made.

**71L Access licence dealing principles**

The Minister may, by order published in the Gazette, establish access licence dealing principles:

- (a) to regulate or prohibit the kinds of access licence dealing rules that may be established by a management plan, and
- (b) subject to any such rules, to regulate or prohibit the kinds of dealings that may be effected under this Division, and
- (c) subject to any such rules, to establish conversion factors applicable to the share components of access licences in respect of which dealings are effected under this Division.

**[21] Section 78 Suspension and cancellation of access licences**

Insert after section 78 (3):

- (4) Action under this section may not be taken in relation to an access licence on the ground that fees due under the licence have not been paid unless the Minister has given written notice, to all persons in whose names any interests in the licence are registered in the General Register of Deeds, that such action will be taken unless arrangements satisfactory to the Minister have been made for the payment of those fees.

**[22] Section 80 Temporary embargo**

Insert after section 80 (1):

- (1A) Such an order may apply to the whole of a water management area or water source or to any specified part of a water management area or water source, and to access licences generally or to any specified category or subcategory of access licences.

**[23] Section 81 Permanent embargo**

Insert after section 81 (1):

- (1A) Such a proclamation may apply to the whole of a water management area or water source or to any specified part of a water management area or water source, and to access licences generally or to any specified category or subcategory of access licences.

**[24] Section 82 Operation of embargo**

Omit section 82 (1) (d). Insert instead:

- (d) any application under Division 4, or

**[25] Section 82 (3)**

Insert after section 82 (2):

- (3) Subject to the terms of the order or proclamation by which it is declared, an embargo:
  - (a) in relation to a water source that is a regulated river, applies to all surface waters that may flow into the embargoed water source, including any unregulated reaches of the river or its tributaries, and
  - (b) in relation to a water source that is an unregulated river, applies to all surface waters that may flow into the embargoed water source, and
  - (c) in relation to a groundwater system, applies to any aquifer that may be part of that groundwater system.

**[26] Chapter 3, Part 2, Division 8, heading**

Omit the heading. Insert instead:

**Division 8      Registers and accounts**

---

**[27] Sections 83 and 83A**

Omit section 83. Insert instead:

**83 Registration of access licences**

- (1) The Minister is to cause a register of access licences to be kept.
- (2) Particulars of the following transactions are to be recorded in the register:
  - (a) the granting or renewal of an access licence, as referred to in section 63,
  - (b) the transfer of an access licence from one person to another, as referred to in section 71A,
  - (c) the conversion of an access licence from one category or subcategory to another, as referred to in section 71B,
  - (d) the subdivision of an access licence, and the consolidation of two or more access licences, as referred to in section 71C,
  - (e) the assignment of rights under an access licence, as referred to in section 71D,
  - (f) the amendment of the share component of an access licence, as referred to in section 71E,
  - (g) the amendment of the extraction component of an access licence, as referred to in section 71F,
  - (h) the assignment of water allocations between access licences, as referred to in section 71G,
  - (i) the granting of an access licence following an interstate transfer, as referred to in section 71H,
  - (j) the crediting or debiting of water allocations following an interstate assignment, as referred to in section 71I,
  - (k) the nomination of a water supply work or group of water supply works by an access licence or the withdrawal of such a nomination, as referred to in section 71J,
  - (l) the surrender of an access licence, as referred to in section 77,
  - (m) the suspension or cancellation of an access licence, as referred to in section 78,

- (n) the compulsory acquisition of an access licence, as referred to in section 79,
- (o) such other transactions as are prescribed by the regulations.
- (3) Subject to subsection (2), the regulations may make provision for or with respect to the form in which the register is to be kept and the particulars that are to be recorded in the register.
- (4) The register must be made available for public inspection during normal business hours at such places as may be prescribed by the regulations.

**83A Registration of interests in access licence in General Register of Deeds**

- (1) An access licence may become the subject of a security interest.
- (2) An interest in an access licence that is registered in the General Register of Deeds (a ***registered interest***) has priority, for all purposes, over an interest that is not so registered (an ***unregistered interest***).
- (3) An earlier registered interest in an access licence has priority, for all purposes, over a later registered interest.
- (4) Nothing in this section affects the priority between two or more unregistered interests in an access licence.
- (5) Subsections (2) and (3) are declared to be Corporations legislation displacement provisions for the purposes of section 5G of the *Corporations Act 2001* of the Commonwealth in relation to the provisions of Chapters 2K and 5 of that Act.

**Note.** Subsection (5) ensures that the priorities established by subsections (2) and (3) are not over-ridden by the provisions of the *Corporations Act 2001* with respect to the distribution of assets of a corporation that is being wound up under that Act.
- (6) Subject to subsections (2) and (3), registration in the General Register of Deeds of an instrument purporting to create, modify, transfer or extinguish an interest in an access licence gives the instrument no greater effect than it would have had if it had not been so registered.

- (7) For the purposes of this Act, a person is not taken to hold a legal or equitable interest in an access licence held by a corporation merely because the person is a shareholder in the corporation.

**[28] Section 84 Register of available water determinations**

Omit section 84 (3). Insert instead:

- (3) The register must be made available for public inspection during normal business hours at such places as may be prescribed by the regulations.

**[29] Section 85 Water allocation accounts**

Omit “used” from section 85 (1) (b). Insert instead “taken”.

**[30] Section 85 (1) (c)**

Insert after section 85 (1) (b):

, and

- (c) the water allocations that are recredited to the licence from time to time under section 76.

**[31] Section 85 (1A) and (1B)**

Insert after section 85 (1):

- (1A) Water allocations are to be credited to an access licence in accordance with any relevant available water determination.
- (1B) Water allocations that have been carried over from one accounting period to the next may be withdrawn by the Minister, by reason of evaporation or dam spill, but only to the extent provided by the relevant management plan, as referred to in section 21 (c).

**[32] Section 87 Compensation payable for reductions in water allocations arising from Minister’s amendment of management plan**

Omit “regulated river (supplementary water) access licence” from section 87 (1).

Insert instead “supplementary water access licence”.

**[33] Section 341 Unlawful taking of water**

Omit section 341 (1). Insert instead:

- (1) A person must not take water from a water source otherwise than:
  - (a) in accordance with an access licence, and
  - (b) from a water allocation credited to that access licence, and
  - (c) by means of a water supply work nominated by that access licence as a work by means of which water allocations credited to the licence may be taken.

**[34] Section 341 (2A)**

Insert after section 341 (2):

- (2A) This section does not prevent a person from taking water from a water source pursuant to an entitlement in force under the *Water Act 1912*, where *entitlement* has the same meaning as it has in clause 9 of Schedule 9.

**[35] Section 342 Using water without a water use approval**

Omit section 342 (1). Insert instead:

- (1) A person must not use water on land for any purpose:
  - (a) otherwise than in accordance with a water use approval that authorises the use of water on that land for the purpose for which the water is used, and
  - (b) if the access licence authorising the taking of the water specifies the purposes for which water taken under the licence may be used, unless the purpose for which the water is used is a purpose so specified.

**[36] Section 342 (2A)**

Insert after section 342 (2):

- (2A) This section does not prevent a person from using water on land for any purpose pursuant to an entitlement in force under the *Water Act 1912*, where *entitlement* has the same meaning as it has in clause 9 of Schedule 9.

- (a) construct a water supply work otherwise than in accordance with a water supply work approval that authorises the construction of that work, or
- (a1) use a water supply work to take water:
  - (i) otherwise than in accordance with a water supply work approval that authorises the use of that work, and
  - (ii) if the access licence authorising the taking of the water specifies the purposes for which water taken under the licence may be used, unless the purpose for which the water is used is a purpose so specified, or

**[38] Section 343 (4)**

Insert after section 343 (3):

- (4) This section does not prevent a person from constructing or using a water supply work, drainage work or flood work pursuant to an entitlement in force under the *Water Act 1912*, where *entitlement* has the same meaning as it has in clause 9 of Schedule 9.

**[39] Schedule 9 Savings, transitional and other provisions**

Insert “, in its application to any act, matter, thing or circumstance arising under this Part (except clause 3 and Divisions 2 and 3),” before “means” in the definition of *appointed day* in clause 2.

**[40] Schedule 9, clause 2**

Insert before the existing definition of *appointed day*:

*appointed day*, in its application to any act, matter, thing or circumstance arising under clause 3 or under Division 2 or 3, means:

- (a) in relation to a provision of the *Water Act 1912* or the *Rivers and Foreshores Improvement Act 1948*, the day on which that provision ceases to have effect in relation to that act, matter, thing or circumstance, and

- (b) in relation to a provision of this Act, the day on which that provision comes into effect in relation to that act, matter, thing or circumstance.

**Note.** Pursuant to sections 55A and 88A of this Act, and complementary provisions in the 1912 Act and 1948 Act, the provisions of Parts 2 and 3 of Chapter 3 of this Act may come into operation, and the provisions of the 1912 Act and 1948 Act may cease to have effect, at different times for different purposes.

**[41] Schedule 9, clause 9**

Insert after clause 9 (4):

- (4A) Two or more co-holders of an access licence arising under this clause are taken to hold the access licence:
  - (a) as notified by them by instrument in writing lodged with the Minister before the appointed day, or
  - (b) if no such instrument is lodged before the appointed day, as tenants in common in equal shares.
- (4B) An access licence arising under this clause is to include any mandatory conditions that are required by any relevant management plan to be imposed on the licence.
- (4C) The Minister is to cause notice of the terms of any access licence or approval arising under this clause to be given to the holder of that approval.
- (4D) An access licence or approval arising under this clause is to be in such form as the Minister may determine.

**[42] Schedule 9, clause 9**

Insert after clause 9 (7) (e):

- , or
- (f) any arrangement for the supply of water to the Inverell Shire Council by the Ministerial Corporation.

---

**[43] Schedule 9, clauses 9A, 9B and 9C**

Insert after clause 9:

**9A Registration of interests in replacement access licences**

- (1) To the extent to which, immediately before the appointed day, a person had an interest in an entitlement, that person is taken to have an equivalent interest in the access licence arising from the entitlement under clause 9.
- (2) If the interest in the entitlement included a mortgage of land under the provisions of the *Real Property Act 1900*, the equivalent interest in the access licence is taken to include a power of sale with respect to the licence.
- (3) Subject to the regulations, the *Real Property Act 1900* applies to the exercise of a power of sale with respect to an access licence pursuant to subclause (2) in the same way as it applies to the exercise of a power of sale with respect to land under the provisions of that Act.
- (4) If such an interest is registered in the General Register of Deeds within 12 months after the appointed day:
  - (a) it ranks, with respect to any other such interest, in the same priority as it previously ranked under section 184G of the *Conveyancing Act 1919* or section 36 of the *Real Property Act 1900*, or under Part 2K.3 of the *Corporations Act 2001* of the Commonwealth, as the case may be, and
  - (b) it ranks before any interest in the licence that arises after the appointed day, regardless of when that other interest is registered.
- (5) The Registrar-General must cause notice of the effect of subclause (4) to be recorded in the index of registers kept under section 198 of the *Conveyancing Act 1919* in connection with each entry in the index that relates to an access licence.
- (6) The regulations may make provision with respect to the procedures to be followed in connection with the registration of interests referred to in subclause (4).

**9B    Conversion of volumetric shares to proportional shares**

- (1) This clause applies to any access licence that arises from an entitlement, as referred to in clause 9 (a *replacement access licence*).
- (2) The Minister, by order in writing, may at any time, do either or both of the following:
  - (a) convert the share components of access licences from a volumetric basis (as referred to in section 56 (2) (a)) to a proportional basis (as referred to in section 56 (2) (b) or (c)),
  - (b) apply uniform extraction components to access licences, but having regard to the existing conditions of those licences,  
  
for access licences generally, or for access licences of a specified category or subcategory, with respect to one or more water sources.
- (3) The Minister must cause notice of the order to be given, in accordance with the regulations, to the holder of each access licence affected by the order and to the Registrar-General.
- (4) No compensation is payable in relation to an order made by the Minister under this section.

**9C    Off-allocation water**

Without limiting clause 1, the regulations may provide that the following persons or classes of persons are taken to hold supplementary water access licences:

- (a) specified persons or classes of persons who, immediately before the appointed day, held entitlements to which a direction under section 20AA of the 1912 Act had related at any time during the previous 5 years, and
- (b) specified persons or classes of persons who, immediately before the appointed day, held additional licences referred to in section 18 (2) of the 1912 Act.

**[44] Dictionary**

Insert in alphabetical order:

*access licence dealing principles* means principles established under section 71L.
