 (4A) A regulation under subsection (4) may only exclude an arrangement, or an arrangement of a class, with a person that is a not for profit entity.
- No. 4 **Review of existing arrangements**
Page 3, Schedule 1, proposed section 133E. Insert after line 24—
 (5A) The Minister must, as soon as possible after this section commences—
 (a) undertake a review of all existing arrangements entered into between an entity to which this section applies and a corporation that is a private person under which the corporation provides clinical services in New South Wales, and
 (b) make an assessment in relation to each arrangement as to—
 (i) cost-effectiveness of, and quality and safety of patient care provided by, the arrangement, and
 (ii) whether adequate safeguards are in place to ensure that, in giving effect to the arrangement, the profit motive does not unduly influence clinical decision-making.
 (5B) A report on the outcome of the review and assessment must be tabled in each House of Parliament as soon as possible after the review and assessment are completed, but not later than 12 months after the commencement of this section.
