## LEGISLATIVE COUNCIL

### Kosciuszko Wild Horse Heritage Repeal Bill 2025

#### Second print

#### Proposed amendments

---

No. 1 **Means of population control before transition date**

Page 3, Schedule 1. Insert after line 15—

**Means of population control**

Despite another Act or a plan of management under this Act, Part 5 for Kosciuszko National Park, on or before the transition date and in relation to the management of the horse population in Kosciuszko National Park—

- (a) the use of lethal means of population control is prohibited, and
- (b) priority must be given to fertility control as a means of population control.

No. 2 **Kosciuszko National Park plan of management**

Page 3, Schedule 1. Insert after line 33—

(5A) The Minister must ensure that the plan of management under this Act, Part 5 for Kosciuszko National Park, and a plan that replaces the plan, provides for the following in relation to the management of the horse population in Kosciuszko National Park—

- (a) the prohibition of the use of lethal means of population control,
- (b) priority being given to fertility control as a means of population control.
