Proposed amendment

No. 1 Kosciuszko National Park plan of management

Page 3, Schedule 1. Insert after line 33—

- (5A) The Minister must ensure that the plan of management under this Act, Part 5 for Kosciuszko National Park, and a plan that replaces the plan, provides for the following—
- (a) the recognition of the cultural and heritage significance of the wild horses in the sub-alpine regions of the State,
 - (b) priority, in the management of the horse population in Kosciuszko National Park, being given to the rehoming of horses over lethal means of population control,
 - (c) having regard to the objects of this Act, the preservation of a managed and sustainable wild horse population in the historic habitation areas for wild horses in the sub-alpine region of the Kosciuszko National Park, including the following—
 - (i) former grazing runs,
 - (ii) stock routes,
 - (iii) historic mining areas,
 - (iv) the ski resort area.
