Workers Compensation Legislation Amendment (Firefighters) Bill 2025

Explanatory note

This explanatory note relates to this Bill as introduced into Parliament.

Overview of Bill

The objects of this Bill are to—

- (a) amend the *Workers Compensation Act 1987* (**the Act**) to expand the list of cancers presumed to be work-related for eligible firefighters, and
- (b) make consequential amendments to the *Workers Compensation (Bush Fire, Emergency and Rescue Services) Act 1987*, including providing a presumption that a cancer set out under the Act, Schedule 4, proposed Part 2 contracted by an eligible volunteer firefighter was contracted while fighting a bush fire and that the fighting of the bush fire was a contributing factor to the disease.

Outline of provisions

Clause 1 sets out the name, also called the short title, of the proposed Act.

Clause 2 provides for the commencement of the proposed Act.

Schedule 1 **Amendment of Workers Compensation Act 1987** **No 70**

Schedule 1[1] inserts a note to clarify that funding for claims relating to certain cancers contracted by an eligible firefighter are provided for in certain other Acts.

Schedule 1[2] amends the definition of *eligible firefighter*.

Schedule 1[4] inserts a definition of *deemed worker* into the Act, section 19A.

Schedule 1[5] provides that the firefighters' diseases set out under the Act, Schedule 4, proposed Part 1 are Category 1 diseases.

Schedule 1[6] inserts proposed Schedule 4, Part 2 which sets out certain cancers (*Category 2 diseases*) and the corresponding qualifying service periods to which presumptions to workers compensation apply. **Schedule 1[3]** makes a consequential amendment.

Schedule 1[7] inserts a transitional clause consequent on the enactment of the proposed Act.

Schedule 2 Amendment of Workers Compensation (Bush Fire, Emergency and Rescue Services) Act 1987 No 83

Schedule 2[1] inserts definitions of *advisory panel*, *frontline hazardous firefighting activity test*, *guidelines* and *ICNSW*.

Schedule 2[3] inserts proposed section 10B which provides a presumption that a Category 2 disease contracted by an eligible volunteer firefighter was contracted while fighting a bush fire and that the fighting of the bushfire was a contributing factor to the disease. It also provides for how an eligible volunteer firefighter's service period must be calculated.

Schedule 2[4] inserts proposed sections 32A and 32B. Proposed section 32A provides that the Minister administering the *State Insurance and Care Governance Act 2015*, Part 2 must establish an advisory panel to review and advise on claims made by volunteer firefighters in relation to a Category 2 disease. The proposed section also provides for the members of the advisory panel, their appointment and their required expertise. Proposed section 32B provides that the Minister administering the *State Insurance and Care Governance Act 2015*, Part 2 must also make guidelines to be applied by the advisory panel when assessing and determining a claim.

Schedule 2[5] inserts proposed Schedule 2 to provide for the following for an advisory panel established under proposed section 32A—

- (a) the term of office for members,
- (b) part-time appointments,
- (c) the remuneration of members,
- (d) the circumstances in which the office of a member becomes vacant,
- (e) the chairperson of the advisory panel,
- (f) the disclosure of pecuniary or other interests,
- (g) the effect of the *Government Sector Employment Act 2013* on the advisory panel,
- (h) the procedure for advisory panel meetings.

Schedule 2[2] makes an amendment consequential to Schedule 1[5].

[2] **Section 10A Presumptions relating to certain cancers—firefighters**

Omit “Schedule 4 to the Principal Act” wherever occurring in section 10A(2)(b) and (3).

Insert instead “the Principal Act, Schedule 4, Part 1”.

[3] **Section 10B**

Insert after section 10A—

10B Special requirements for Part 2 cancers—firefighters

(1) This section applies to a volunteer firefighter (an *eligible volunteer firefighter*) who—

(a) has contracted a disease that is a cancer of a kind specified in the Principal Act, Schedule 4, Part 2, and

(b) has been assessed by the advisory panel as—

(i) meeting the requirements of the frontline hazardous firefighting activity test, and

(ii) having qualifications in bush firefighting prescribed by the regulations for this section.

(2) In the application of this Act to the eligible volunteer firefighter, it is presumed, unless the contrary is established, that—

(a) the disease contracted by the volunteer firefighter was contracted in the course of fighting a bush fire, and

(b) the fighting of the bush fire was a contributing factor to the disease.

(3) This section does not apply to a disease contracted by an eligible volunteer firefighter if the total aggregate period during which the eligible volunteer firefighter has served as volunteer fire fighter as at the date of injury (the *service period*) is less than the qualifying service period specified for the disease in the Principal Act, Schedule 4, Part 2.

(4) A period during which an eligible volunteer firefighter has been engaged in firefighting employment must be counted towards the service period.

(5) However, a period during which the eligible volunteer firefighter concurrently performs service as an eligible fire fighter and engages in firefighting employment must be counted once only.

(6) For the application of the 1998 Act, section 261 to a disease to which a presumption under this section applies, the period required by the section for

the making of a claim for compensation in relation to the disease is taken to commence on the date of injury in relation to the disease, regardless of when the eligible volunteer firefighter or another person first became aware of the disease.

(7) This section applies despite another provision of—

- (a) this Act, or
- (b) the Principal Act, or
- (c) the 1998 Act.

(8) In this section—

date of injury, in relation to a disease, means the date of whichever of the following occurs first—

- (a) the disease is first diagnosed by a medical practitioner,
- (b) the volunteer firefighter dies as a result of the disease.

firefighting employment has the same meaning as in the Principal Act, section 19A.

frontline hazardous firefighting activities means firefighting, performed by a volunteer firefighter, in which the volunteer firefighter was directly engaged in activities that involve—

- (a) directly extinguishing, controlling or preventing the spread of fire, including as part of a hazard reduction burn, and
- (b) exposure to substances used in, or other hazards arising from, extinguishing, controlling or preventing the spread of fire, including fire directly impacting structures or vehicles.

volunteer firefighter means—

- (a) an official firefighter, or
- (b) a person who is a deemed worker under the *Workplace Injury Management and Workers Compensation Act 1998*, Schedule 1, clause 13.

[4] Sections 32A and 32B

Insert after section 32—

32A Advisory panel

(1) The Minister administering the *State Insurance and Care Governance Act 2015*, Part 2 must establish an advisory panel to—

- (a) review, in accordance with guidelines made under section 32B, all claims made by volunteer firefighters, within the meaning of section 10B, in relation to a disease that is a cancer of a kind specified in the Principal Act, Schedule 4, Part 2, and
- (b) assess and advise ICNSW, acting for the Self Insurance Corporation, whether the volunteer firefighters making the claims have—
 - (i) met the frontline hazardous firefighting activity test, and
 - (ii) the prescribed qualifications in bush firefighting for section 10B.

(2) The advisory panel consists of—

- (a) not more than 5 ordinary members, and
- (b) 5 alternate members who must act temporarily in a member's place if the member is unable to act because of illness, absence or other cause.

- (3) Members of the advisory panel must be appointed by the Minister administering the *State Insurance and Care Governance Act 2015*, Part 2 with the agreement of—
 - (a) the Minister administering the *State Emergency and Rescue Management Act 1989*, and
 - (b) the Minister administering the *State Insurance and Care Governance Act 2015*, Part 3.

Note— The *State Insurance and Care Governance Act 2015*, Part 2 relates to ICNSW and Part 3 relates to the State Insurance Regulatory Authority.
- (4) A member of the advisory panel must have expertise in at least one of the following—
 - (a) firefighting,
 - (b) workers compensation,
 - (c) the legal profession,
 - (d) the medical profession, or scientific research, relating to the relationship between firefighters' occupational exposure and cancers.
- (5) Members of the advisory panel must not be—
 - (a) current members of a paid or volunteer firefighting organisation, or
 - (b) an official of an industrial body responsible for an enterprise agreement that applies to a paid or volunteer firefighting organisation.
- (6) Schedule 2 has effect in relation to the advisory panel.

32B Guidelines

- (1) The Minister administering the *State Insurance and Care Governance Act 2015*, Part 2 must make guidelines to be applied—
 - (a) by the advisory panel when assessing, whether a person, for determining a claim in accordance with section 10B in relation to a disease that is cancer of a kind specified in the Principal Act, Schedule 4, Part 2—
 - (i) meets the frontline hazardous firefighting activity test, and
 - (ii) has the qualifications in bush firefighting prescribed by the regulations for section 10B(1)(b)(ii), and
 - (b) in determining claims under section 10B in relation to a disease that is cancer of a kind specified in the Principal Act, Schedule 4, Part 2.
- (2) The guidelines must provide for—
 - (a) the operation of the frontline hazardous firefighting activity test, including—
 - (i) what the advisory panel must consider in determining whether a person has engaged in frontline hazardous firefighting activity on a regular basis, and
 - (ii) the procedures and timeframes for the advisory panel to conduct reviews and report to ICNSW, and
 - (b) matters the advisory panel must consider in assessing whether a person has the qualifications in bush firefighting prescribed by the regulations for section 10B(1)(b)(ii).
