- (g) definitions of unsatisfactory professional conduct and professional misconduct are introduced,
- (h) a complaint against a chiropractor can be made and dealt with even if the chiropractor has ceased to be registered,
- (i) the Board is required to notify a chiropractor of a complaint made against the chiropractor,
- (j) the Chiropractic Care Assessment Committee is established to inquire into less serious complaints about chiropractors and to make recommendations to the Board with respect to the determination of those complaints,

- (o) the Board is to have 7 members (comprising 4 chiropractors, an officer of the Department of Health or a public health service, a person to represent the community, and a legal practitioner) and members are limited to serving 3 consecutive 4-year terms,
- (p) the Board is given power to delegate its functions,
- (q) the operation of the *Criminal Records Act 1991* is modified to facilitate the reporting of and consideration of conviction findings affecting applicants for registration and chiropractors,

(t) any conditions on a chiropractor's registration will be recorded in the Register.

The Bill also amends the *Public Health Act 1991* to restrict the performance of spinal manipulation to registered chiropractors, registered medical practitioners, registered osteopaths and registered physiotherapists. The time for taking proceedings for an offence under the new provision is extended to 12 months after the offence occurs.

(b)	the person has been convicted of or made the subject of a criminal finding for an offence, either in or outside the State, and the Board is of the opinion that the circumstances of the offence are such as to render the person unfit in the public interest to practise chiropractic, or	1 2 3 4 5
(c)	the person's registration under a health registration Act has been cancelled or suspended because of conduct that would (if the person were a registered chiropractor) authorise cancellation or suspension of the person's registration under this Act, or	6 7 8 9
(d)	the person's registration or certification under a chiropractors registration law has been cancelled or suspended because of conduct that would (if it occurred in New South Wales and the person were a registered chiropractor) authorise cancellation or suspension of the person's registration under this Act.	10 11 12 13 14
(2)	As an alternative to refusing to register a person under subsection (1), the Board may grant the person registration subject to conditions if the Board considers that refusal of registration is not warranted and that the person should be granted registration subject to appropriate conditions.	15 16 17 18 19
(3)	Conditions of registration may relate to the duration of registration, the aspects of the practice in which the person may be engaged, and any other matters, as the Board thinks appropriate.	20 21 22
	Note. The Mutual Recognition laws also provide for the imposition of conditions on registration. Conditions can also be imposed on a person's registration as a result of disciplinary proceedings to which the person has been subject.	23 24 25

		10

		23
(2)	An appeal must be made within 28 days (or such longer period as the Chairperson may allow in a particular case) after notice of the decision is given to the person. The appeal is to be lodged with the Registrar who is to refer it to the Tribunal.	24
		25
		26
		27
(3)	If the decision in respect of which an appeal is made was made as a consequence of an inquiry held by the Board, the appeal is to be dealt with by way of rehearing and fresh evidence or evidence in addition to or in substitution for the evidence received at the inquiry may be given.	28
		29
		30
		31
(4)	An appeal does not affect any determination with respect to which it is made until the appeal is determined.	32
		33

- (5) When it determines an appeal, the Tribunal may dismiss the appeal or order that the decision of the Board be revoked and replaced by a different decision made by the Tribunal and specified in the order. The Tribunal may also make such ancillary orders as it thinks proper. 1
2
3
4
 - (6) The Tribunal’s decision is taken to be a decision of the Board (but this does not confer a right of appeal under this section in respect of the Tribunal’s decision). 5
6
7
 - (7) No appeal lies under this Act against a decision of the Board under the Mutual Recognition laws in relation to its functions under that Act. 8
9
- Note.** The Mutual Recognition laws provide that a person may, subject to the *Administrative Appeals Tribunal Act 1975* of the Commonwealth, apply to the Administrative Appeals Tribunal for a review of a decision of a local registration authority in relation to its functions under the Mutual Recognition laws. The Board may make such inquiries concerning a complaint as it thinks fit.	6
34 Role of the Commission	7
(1) Before the Board deals with or refers a complaint under this Part, the Board and the Commission must consult in order to see if agreement can be reached between them as to the course of action to be taken concerning a complaint.	8
(2) Division 2 of Part 2 of the <i>Health Care Complaints Act 1993</i> applies to the consultation and the outcomes of the consultation.	9
35 How complaints are dealt with	10
(1) When a complaint is made, the Board may at any time decide:	11
(a) to refer the complaint for investigation by the Commission, or	12
(b) to refer the complaint for conciliation in accordance with section 13 (2) of the <i>Health Care Complaints Act 1993</i> , or	13

- (6) The Board is to notify the chiropractor of any action taken by the Board under this section. 14
15

36 Serious complaints must be referred to Tribunal 16

18
19
20
- (2) However, either the Board or the Commission may decide not to refer the complaint to the Tribunal if of the opinion that the allegations on which the complaint is founded (and on which any other pending complaint against the chiropractor is founded) relate solely or principally to the physical or mental capacity of the chiropractor to practise chiropractic. 21
22
23
24
25
26
- (3) If the Board decides not to refer the complaint to the Tribunal, the Board must instead deal with the complaint at a meeting of the Board under Division 4. If the Commission decides not to refer the complaint to the Tribunal, the Commission must instead refer the complaint to the Board. 27
