### 7 Registration necessary for certain representations

- (1) A person who is not a registered osteopath must not indicate that the person practises osteopathy or is qualified to practise osteopathy.

Maximum penalty: 50 penalty units.

- (2) Without limiting the ways in which a person may be taken to have indicated that the person is qualified to practise osteopathy or that the person practises osteopathy, a person is taken to have so indicated if the person uses:

- (a) any name, initials, word, title, symbol or description that (having regard to the circumstances in which it is used) indicates, or is capable of being understood to indicate, or is calculated to lead a person to infer, that the person is qualified to practise osteopathy or that the person practises osteopathy, or
- (b) any name, title or description prescribed by the regulations.

**Note.** Section 10AC of the *Public Health Act 1991* prohibits spinal manipulation by persons who are not registered chiropractors, medical practitioners, osteopaths or physiotherapists.

### 8 Qualifications for registration

- (1) A person has the necessary qualifications for registration as an osteopath if the person:

- (a) has such qualifications as may be prescribed by the regulations, or
- (b) has successfully completed a course of study that is recognised by the Board as meeting criteria prescribed by the regulations for the purposes of this paragraph, or
- (c) has such qualifications as may be approved by the Board on the recommendation of an accreditation body recognised by the Board for the purposes of this section, or
- (d) has passed an examination arranged or approved by the Board to assess the person's competence to practise osteopathy.

- 
- (2) An educational or training institution may apply to the Board for the recognition by the Board (under subsection (1) (b)) of a course of study offered by the institution. The institution may make application to the Administrative Decisions Tribunal for a review of the decision of the Board on the application.
- (3) In determining for the purposes of subsection (1) (b) whether a particular course of study meets the criteria prescribed by the regulations, the Board may have regard to and rely on any findings made on an assessment prepared for the Board in respect of the course of study.
- (4) In this section:  
*qualification* means a degree, diploma, certificate or other academic award conferred or awarded for the successful completion of a course of training in osteopathy.
- 9 Competence**

- 10 Impairment**
- (1) For the purposes of this Act, a person suffers from an impairment if the person suffers from any physical or mental impairment, disability, condition or disorder that detrimentally affects or is likely to detrimentally affect the person's physical or mental capacity to practise osteopathy.
- (2) For the purposes of this Act, a person who habitually abuses alcohol or is addicted to a deleterious drug is taken to suffer from an impairment.
- 11 Full registration**
- (1) A person is entitled to registration as an osteopath if the Board is satisfied that the person has the necessary qualifications for registration as an osteopath and is of good character.
- (2) Registration under this section is *full registration*.

- (3) An entitlement to full registration does not prevent conditions being imposed on that registration in accordance with this Act. 1  
2
  - (4) Schedule 1 (Registration procedures) has effect with respect to full registration. 3  
4
- Note.** Under section 20 of the *Mutual Recognition Act 1992* of the Commonwealth a person is entitled to be registered as an osteopath if the person is registered in another State or a Territory for an equivalent occupation (if that State or Territory participates in the mutual recognition scheme). The entitlement arises once the person lodges a notice under section 19 of that Act and, until registered under this Act, the person is then deemed (by section 25 of that Act) to be registered. ## 12 Provisional registration 12

- (1) Registration as an osteopath may be granted: 13
  - (a) to a person entitled to full registration, pending the Board's determination of the person's application for full registration, or 14  
15
  - (b) to a person who will be entitled to full registration when a degree, diploma, certificate or other academic award to which the person is entitled is granted or conferred, pending its grant or conferral. 16  
17  
18  
19
- (2) Registration under this section is *provisional registration*. 20
- (3) Provisional registration is granted by the Board or the President. In the President's absence it can be granted by any member of the Board authorised by the Board to do so. Provisional registration is granted by the grant of a certificate of provisional registration. 21  
22  
23  
24
- (4) A person granted provisional registration is a registered osteopath until the registration expires or is cancelled. Provisional registration expires on the date stated in the certificate or such later date as may be fixed by the Board. 25  
26  
27  
28
- (5) The Board may impose such conditions as it thinks fit on a person's provisional registration and may at any time remove, add to or vary those conditions by notice in writing to the registered person. 29  
30  
31
- (6) The Board may cancel a person's provisional registration for any reason that the Board considers proper. Cancellation does not affect any application for registration by the person. 32  
33  
34
- (7) If a person granted provisional registration is granted full registration before the person's provisional registration expires, the person's full registration dates from the granting of provisional registration, unless the Board decides otherwise. 35  
36  
37  
38

**13 Temporary registration**

- (1) Registration for a limited period may be granted to a person who is not normally resident in New South Wales, for the purpose of enabling the person to carry out educational or research activities or such other activities as the Board considers to be in the public interest.
- (2) Registration under this section is *temporary registration*.
- (3) Temporary registration can only be granted to a person:
  - (a) who is registered as an osteopath in accordance with a law in force in the person's normal place of residence providing for the registration or certification of osteopaths, or
  - (b) who holds such qualifications or has such experience in the practice of osteopathy as the Board considers satisfactory for the purposes of temporary registration.
- (4) Temporary registration is granted by the Board by the grant of a certificate of temporary registration.
- (5) A person granted temporary registration is a registered osteopath until the temporary registration expires or is cancelled. Temporary registration expires on the date stated in the certificate unless the period of temporary registration is extended.
- (6) The Board may extend and further extend a period of temporary registration by the issue of a further certificate of temporary registration.
- (7) The Board may cancel a person's temporary registration for any reason that the Board considers proper. Cancellation does not affect any application for full registration by the person.
- (8) The Board may impose such conditions as it thinks fit on the temporary registration of a person and may at any time remove, add to or vary those conditions by notice in writing to the registered person.

**14 Power to refuse or impose conditions on full registration**

- (1) The Board may refuse to register a person who would otherwise be entitled to full registration if:
  - (a) the Board is of the opinion, following an inquiry under Schedule 1, that the person is not competent to practise osteopathy or suffers from an impairment, or

- (b) the person has been convicted of or made the subject of a criminal finding for an offence, either in or outside the State, and the Board is of the opinion that the circumstances of the offence are such as to render the person unfit in the public interest to practise osteopathy, or
- (c) the person's registration under a health registration Act has been cancelled or suspended because of conduct that would (if the person were a registered osteopath) authorise cancellation or suspension of the person's registration under this Act, or
- (d) the person's registration or certification under an osteopaths registration law has been cancelled or suspended because of conduct that would (if it occurred in New South Wales and the person were a registered osteopath) authorise cancellation or suspension of the person's registration under this Act.
- (2) As an alternative to refusing to register a person under subsection (1), the Board may grant the person registration subject to conditions if the Board considers that refusal of registration is not warranted and that the person should be granted registration subject to appropriate conditions.
- (3) Conditions of registration may relate to the duration of registration, the aspects of the practice in which the person may be engaged, and any other matters, as the Board thinks appropriate.
- Note.** The Mutual Recognition laws also provide for the imposition of conditions on registration. Conditions can also be imposed on a person's registration as a result of disciplinary proceedings to which the person has been subject.
- (4) In this section:
- osteopaths registration law* means any law of a place outside the State that provides for the registration or certification of osteopaths.
- 15 Cancellation and suspension of registration**
- (1) A person ceases to be registered as an osteopath if the person's name is removed from the Register. A reference in this Act to the cancellation of an osteopath's registration is a reference to the removal of the osteopath's name from the Register.
- (2) A person whose registration as an osteopath is suspended is taken not to be a registered osteopath during the period of the suspension, except for the purposes of Part 4 (Complaints and disciplinary proceedings).

<b>16</b>	<b>Restrictions on registration of deregistered persons</b>	1
(1)	A person cannot apply for registration (and any such application must be rejected) if:	2
		3
(a)	the person's registration is cancelled pursuant to an order of the Chairperson or a Deputy Chairperson, the Tribunal or the Supreme Court, or	4
		5
		6
(b)	the Chairperson or a Deputy Chairperson, the Tribunal or the Supreme Court orders that the person not be re-registered.	7
		8
(2)	The only way such a person can again be registered is on a review under Division 3 of Part 6 of the order by which the person's registration was cancelled.	9
		10
		11
<b>17</b>	<b>Appeals concerning registration</b>	12
(1)	A person who is aggrieved by any of the following decisions of the Board may appeal to the Tribunal against the decision:	13
		14
(a)	the Board's refusal to grant the person full registration,	15
(b)	the Board's refusal to grant the person temporary registration,	16
(c)	the Board's decision to refuse to register the person under section 14 or to grant the person registration subject to conditions under that section,	17
		18
		19
(d)	the Board's cancellation of the person's provisional registration or temporary registration,	20
		21
(e)	the Board's refusal to register the person under clause 28 (Entitlement to re-registration if fee paid) of Schedule 1.	22
		23
(2)	An appeal must be made within 28 days (or such longer period as the Chairperson may allow in a particular case) after notice of the decision is given to the person. The appeal is to be lodged with the Registrar who is to refer it to the Tribunal.	24
		25
		26
		27
(3)	If the decision in respect of which an appeal is made was made as a consequence of an inquiry held by the Board, the appeal is to be dealt with by way of rehearing and fresh evidence or evidence in addition to or in substitution for the evidence received at the inquiry may be given.	28
		29
		30
		31
(4)	An appeal does not affect any determination with respect to which it is made until the appeal is determined.	32
		33

- (5) When it determines an appeal, the Tribunal may dismiss the appeal or order that the decision of the Board be revoked and replaced by a different decision made by the Tribunal and specified in the order. The Tribunal may also make such ancillary orders as it thinks proper. 1  
2  
3  
4
- (6) The Tribunal's decision is taken to be a decision of the Board (but this does not confer a right of appeal under this section in respect of the Tribunal's decision). 5  
6  
7
- (7) No appeal lies under this Act against a decision of the Board under the Mutual Recognition laws in relation to its functions under that Act. 8  
9
- Note.** The Mutual Recognition laws provide that a person may, subject to the *Administrative Appeals Tribunal Act 1975* of the Commonwealth, apply to the Administrative Appeals Tribunal for a review of a decision of a local registration authority in relation to its functions under the Mutual Recognition laws. Those functions include registration, the imposition or waiver of conditions on registration and the postponement, refusal or reinstatement of registration. 10

  - (c) the Board is to seek public comment on the draft code during the period of public exhibition and public comment may be made during the period of public exhibition and for 21 days (or such longer period as the Board may determine) after the end of that period,
  - (d) the Board is to submit the draft code to the Minister for approval together with a report by the Board giving details of public comment received during the period allowed for public comment and the Board's response to it,
  - (e) the Board is not to establish the draft code as a code of professional conduct unless the Minister approves the draft.
