# Paediatric Patient Oversight (Vanessa's Law) Bill 2008

## **Explanatory note**

This explanatory note relates to this Bill as introduced into Parliament.

### **Overview of Bill**

The object of this Bill is to impose a duty on the governing body of a major public hospital to ensure that a paediatrician oversights the medical management of any person under the age of 18 who is admitted as a patient in an adult ward of the hospital within 24 hours of the person's admission.

### Outline of provisions

Clause 1 sets out the name (also called the short title) of the proposed Act.

Clause 2 provides for the commencement of the proposed Act on the date of assent to the proposed Act.

Clause 3 imposes the duty described in the Overview above.

**Clause 4** contains definitions for the purposes of the proposed Act, including a list of the major public hospitals in respect of which the duty imposed by the proposed Act will apply.
