

Agreement in Principle

Ms VERITY FIRTH (Balmain—Minister for Climate Change and the Environment, Minister for Women, Minister for Science and Medical Research, Minister Assisting the Minister for Health (Cancer)) [10.02 a.m.], on behalf of Mr Nathan Rees: I move:

That this bill be now agreed to in principle.

The Gas Supply Amendment Bill was introduced in the other place on Wednesday 2 April 2008. The second reading speech appears on page 6246 in *Hansard* for that day. The bill is in the same form as introduced in the other place. I commend the bill to the House.
