- (2) As an alternative to refusing to register a person under subsection (1), 30
the Board may grant the person registration subject to conditions if the 31
Board considers that refusal of registration is not warranted and that 32

 - (3) If the decision in respect of which an appeal is made was made as a consequence of an inquiry held by the Board, the appeal is to be dealt with by way of rehearing and fresh evidence or evidence in addition to or in substitution for the evidence received at the inquiry may be given. 6
 - (4) An appeal does not affect any determination with respect to which it is made until the appeal is determined. 7
 - (5) When it determines an appeal, the Tribunal may dismiss the appeal or order that the decision of the Board be revoked and replaced by a different decision made by the Tribunal and specified in the order. The Tribunal may also make such ancillary orders as it thinks proper. 8
 - (6) The Tribunal's decision is taken to be a decision of the Board (but this does not confer a right of appeal under this section in respect of the Tribunal's decision). 9
 - (7) No appeal lies under this Act against a decision of the Board under the Mutual Recognition laws in relation to its functions under that Act. 10
- Note.** The Mutual Recognition laws provide that a person may, subject to the *Administrative Appeals Tribunal Act 1975* of the Commonwealth, apply to the Administrative Appeals Tribunal for a review of a decision of a local registration authority in relation to its functions under the Mutual Recognition laws. 25
26
27

- (2) This section does not prevent the Panel from conducting an inquiry in 16
 the absence of the registered dental care provider or dental student to 17
 whom it relates, as long as the dental care provider or student has been 18
 given notice of the inquiry under section 86. 19
- 88 Board may require student to undergo medical examination** 20
- (1) The Board may by notice given to a dental student who is the subject 21
 of a matter referred or proposed to be referred to an Impaired 22
 Registrants Panel direct the student to undergo a medical examination 23
 by a specified registered medical practitioner at a specified time and 24
 place. 25
- (2) A dental student must not be directed to undergo a medical 26
 examination unless it is reasonable to require the examination, given 27
 the nature of the matter that is the subject of the referral or proposed 28
 referral. The time and place specified for the examination must be 29
 reasonable and the examination is to be at the expense of the Board. 30
- (3) If a dental student fails, without reasonable excuse, to comply with a 31
 direction to undergo a medical examination, the Board may by order 32

 undertaking a clinical placement in a public health organisation, until 34
 the student complies with the direction. 35

- (2) On receipt of such a request, the Board is to require an Impaired Registrants Panel to review the matter and report in writing to the Board on the results of its review.
- (3) If the Panel recommends that the Board refuse to remove or alter any of the conditions, or refuse to terminate or shorten the suspension, the Board may do so.
- (4) The Board is to give the dental care provider concerned notice in writing of its decision in respect of the request.
- (5) The Board may specify in the notice a period in which a further request by the dental care provider under this section is not permitted. The Board may reject a request that the conditions be removed or altered, or that the suspension be terminated or shortened, if it is made during that period.

92 Some matters to be dealt with as complaints

- (1) If an Impaired Registrants Panel recommends that a registered dental care provider agree to conditions being imposed on his or her registration or to having his or her registration suspended and the dental care provider fails to agree in accordance with the recommendation, the Board is to deal with the matter that was the subject of the referral to the Panel as a complaint against the dental care provider.
- (2) If the Panel recommends that a matter referred to it be dealt with as a complaint, the Board is to deal with the matter as a complaint against the dental care provider concerned.
- (3) In any other case that the Board thinks it appropriate to do so, the Board may treat a matter that has been referred to a Panel as grounds for a complaint under this Act and may deal with the matter accordingly.

93 Prohibition or conditions on student	1
(1) An Impaired Registrants Panel that investigates a matter concerning a dental student may recommend to the Board that it is in the public interest that the Board:	2
(a) prohibit the student from undertaking clinical studies or from undertaking a clinical placement in a public health organisation, or	3
(b) impose specified conditions on the undertaking of clinical studies or a clinical placement by the student.	4
(2) If the Panel makes such a recommendation and the Board is satisfied that it is in the public interest to do so, the Board may by order in writing:	5
(a) prohibit the student undertaking clinical studies or a clinical placement in a public health organisation, or	6
(b) impose specified conditions on the undertaking of clinical studies or a clinical placement by the student.	7
