Proposed amendments

No. 1 **Biosecurity impact**

Page 9, clause 13. Insert after line 11:

- (3) However, an adverse effect in terms of the market perception of a product or a business, including the market perception of the ethics or environmental impact of a business, is not a biosecurity impact.

No. 2 **Biosecurity duty**

Page 12. Insert after line 22:

27 Trespassers

A person does not fail to discharge the person's biosecurity duty under this Part merely by trespassing on premises on which biosecurity matter is located (including if the person records activities on the premises or comes into contact with biosecurity matter on the premises) as long as all reasonably practicable biosecurity precautions have been adopted.
