

**TRANSPORT ADMINISTRATION AMENDMENT (AUTHORITY TO CLOSE RAILWAY LINES) BILL
2016**

Second Reading

Mr ANDREW CONSTANCE (Bega—Minister for Transport and Infrastructure) [10.11 a.m.]: It is tremendous to have the member for Keira and the Parliamentary Secretary for Transport present for this debate. I move:

That this bill be now read a second time.

As the bill was introduced in the other place on 24 February 2016, and is in the same form, the second reading speech appears at pages 6,660 to 6,663 in the proof of *Hansard* for that day. I commend the bill to the House. I look forward to this debate this morning.
