[5] Section 32A

Insert after section 32:

32A Installation of electricity meters

- (1) Despite anything to the contrary in the *National Energy Retail Law (NSW)*, a retailer who carries out, or engages a person to carry out, an electrical installation that includes the installation or replacement of an electricity meter that is a type 4 metering installation (as referred to in Chapter 7 of the *National Electricity Rules*) must not charge a customer any fee for or in relation to the installation or replacement of the electricity meter.
- (2) In this section, *customer* and *retailer* have the same meanings as in the *National Energy Retail Law (NSW)*.
