

## **FINES AMENDMENT BILL 2016**

### *Second Reading*

**Mr ANDREW GEE ( Orange ) ( 16:52 ):** on behalf of Mr Dominic Perrottet: I move:

That this bill be now read a second time.

As this bill was introduced in the other place on 22 March 2016 and is in the same form, the second reading speech appears at pages 4-5 in the proof *Hansard* for that day. I commend the bill to the House.
