Motor Accident Injuries Bill 2017

Act No , 2017

An Act to establish a new scheme of compulsory third-party insurance and provision of benefits and support relating to the death of or injury to persons as a consequence of motor accidents; and for other purposes.

I have examined this bill and find it to correspond in all respects with the bill as finally passed by both Houses.

Assistant Speaker of the Legislative Assembly.

The Legislature of New South Wales enacts:

Part 1 Preliminary

Division 1.1 Introductory

1.1 Name of Act

This Act is the *Motor Accident Injuries Act 2017*.

1.2 Commencement

This Act commences on a day or days to be appointed by proclamation.

1.3 Objects of Act (cf ss 5 and 6 MACA)

- (1) This Act establishes a new scheme of compulsory third-party insurance and provision of benefits and support relating to the death of or injury to persons as a consequence of motor accidents.
- (2) For that purpose, the objects of this Act are as follows:
 - (a) to encourage early and appropriate treatment and care to achieve optimum recovery of persons from injuries sustained in motor accidents and to maximise their return to work or other activities,
 - (b) to provide early and ongoing financial support for persons injured in motor accidents,
 - (c) to continue to make third-party bodily insurance compulsory for all owners of motor vehicles registered in New South Wales,
 - (d) to keep premiums for third-party policies affordable by ensuring that profits achieved by insurers do not exceed the amount that is sufficient to underwrite the relevant risk and by limiting benefits payable for minor injuries,
 - (e) to promote competition and innovation in the setting of premiums for third-party policies, and to provide the Authority with a role to ensure the sustainability and affordability of the compulsory third-party insurance scheme and fair market practices,
 - (f) to deter fraud in connection with compulsory third-party insurance,
 - (g) to encourage the early resolution of motor accident claims and the quick, cost effective and just resolution of disputes,
 - (h) to ensure the collection and use of data to facilitate the effective management of the compulsory third-party insurance scheme.
- (3) It must be acknowledged in the application and administration of this Act:
 - (a) that participants in the third-party insurance scheme have shared and integrated roles with the overall aim of benefiting all members of the motoring public by keeping the overall costs of the scheme within reasonable bounds so as to keep premiums affordable and of promoting the recovery and return to work or other activities of those injured in motor accidents, and
 - (b) that the law (both the enacted law and the common law) relating to the assessment of damages in claims made under this Act should be interpreted and applied in a way that acknowledges the clear legislative intention to restrict access to non-economic loss compensation to serious injuries, and
 - (c) that:
 - (i) the premium pool from which each insurer pays motor accident claims consists at any given time of a finite amount of money, and

- (ii) the setting of appropriate premiums requires a large measure of stability and predictability regarding the likely future number and cost of claims arising under policies sold once the premium is in place, and
 - (iii) that stability and predictability require consistent and stable application of the law, and
 - (d) that insurers, as receivers of public money that is compulsorily levied, should account for their profit margins, and their records should be available to the Authority to ensure that accountability.
- (4) In the interpretation of a provision of this Act or the regulations, a construction that would promote the objects of this Act or the provision is to be preferred to a construction that would not promote those objects.
- (5) In the exercise of a discretion conferred by a provision of this Act or the regulations, the person exercising the discretion must do so in the way that would best promote the objects of this Act or of the provision concerned.

Third-party Policy

The insurer insures the owner of the motor vehicle and any other person who at any time drives the vehicle (whether or not with the consent of the owner) against liability in respect of the death of or injury to a person caused by the fault of the owner or driver of the vehicle:

- (a) if the motor vehicle is not one to which paragraph (b) applies—in the use or operation of the vehicle in any part of the Commonwealth (whether or not on a road), or
- (b) if the motor vehicle is subject to an unregistered vehicle permit under the *Road Transport Act 2013*—in the use or operation of the vehicle on any road in any part of the Commonwealth.

In this policy, words and expressions have the same meanings as in the *Motor Accident Injuries Act 2017*.

2.4 Treatment of certain vehicles for purposes of third-party policy (cf s 10A MACA)

- (1) A motor vehicle that is:
 - (a) subject to conditional registration under the *Road Transport Act 2013*, and
 - (b) designed principally for use otherwise than on a road, and
 - (c) a motor vehicle, or a motor vehicle of a class, prescribed by the regulations for the purposes of this section,

is taken, for the purposes of a third-party policy under this Act, to be subject to an unregistered vehicle permit and not to conditional registration.

- (2) However, a regulation made for the purposes of this section does not affect a third-party policy under this Act that is in force in respect of any particular vehicle at the time that the regulation is made.

2.5 Issue of certificate of insurance (cf s 11 MACA)

- (1) If a licensed insurer accepts a premium for the insurance under a third-party policy of a motor vehicle, the licensed insurer must immediately issue a certificate of insurance to the owner of the vehicle.
- (2) If a licensed insurer accepts a premium for the insurance under a third-party policy of motor vehicles to which a trader's plate is or is to be fixed, the licensed insurer must immediately issue a certificate of insurance to the trader.
- (3) A licensed insurer who issues such a certificate is taken to have issued a third-party policy for the motor vehicle or motor vehicles to which the certificate relates.
- (4) If 2 or more licensed insurers issue certificates of insurance which (but for this subsection) would be capable of having effect at the same time in respect of the same motor vehicle, a third-party policy is taken to have been issued only by the licensed insurer recorded by RMS in connection with the registration or renewal of registration of the motor vehicle or issue of a trader's plate as being the insurer.

2.6 Evidence of insurance in respect of motor vehicle (cf s 12 MACA)

- (1) RMS must not register or renew the registration of a motor vehicle or issue a trader's plate unless:
 - (a) the applicant produces a certificate of insurance issued by a licensed insurer in relation to the motor vehicle or trader's plate, or
 - (b) RMS is satisfied that there is evidence, of a type approved by the Authority, of the existence of a third-party policy in relation to the motor vehicle or trader's plate.
- (2) This section does not apply to a trailer.

2.7 Commencement and duration of third-party policy (cf s 13 MACA)

- (1) A third-party policy taken to have been issued for a motor vehicle has effect for the period for which the licensed insurer who is taken to have issued the policy is on risk in accordance with this section.
- (2) In this section:

new insurer means the licensed insurer whose insurance is later in time.

old insurer means the licensed insurer whose insurance is earlier in time.

period of grace means the period of 14 days after the registration, or renewal of registration, of a motor vehicle expires.

period of registration means the period, not exceeding one year, for which the registration or renewal of registration of a motor vehicle is effected, but if, within that period, the registration or renewal of registration is cancelled or surrendered, it means the period for which the registration or renewal of registration is actually in force.
- (3) The old insurer and the new insurer may be the same licensed insurer or different licensed insurers.
- (4) In the case of the registration (but not the renewal of registration) of a motor vehicle, the licensed insurer is on risk for the period of registration of the motor vehicle.

- (5) If registration is renewed before the previous period of registration expires, the old insurer is on risk until the previous period of registration expires and the new insurer comes on risk immediately after the previous period of registration expires.
- (6) If registration is renewed during the period of grace, the old insurer is on risk until 12 midnight on the day registration is renewed and the new insurer comes on risk immediately after 12 midnight and is on risk for the balance of the period of registration of the motor vehicle effected by the renewal of registration.
- (7) If registration is renewed after the period of grace expires, the new insurer comes on risk at the time the renewal of registration is effected. The motor vehicle is not an insured motor vehicle from the expiry of the previous period of registration until the time the renewal of registration is effected.
- (8) There is no period of grace following the cancellation or surrender of the registration (whether registration or a renewal of registration) of a motor vehicle.
- (9) A licensed insurer ceases to be on risk on the cancellation of a third-party policy under section 2.8, subject to section 2.8 (11).
- (10) A licensed insurer is on risk in respect of a motor vehicle under a third-party policy relating to a motor vehicle to which a trader's plate is fixed:

 - (b) only during the period for which the trader's plate is issued, and
 - (c) only while a trader's plate is fixed to the vehicle.
- (11) A licensed insurer is on risk in respect of a light rail vehicle under a third-party policy relating to the vehicle only during the period for which the policy is issued.

- (1) A licensed insurer has no power to cancel a third-party policy.
- (2) A third-party policy may only be cancelled in accordance with this section.
- (3) A third-party policy is cancelled on the cancellation of the registration of the motor vehicle to which it relates, except where the registration is cancelled under Division 3 of Part 4 of the *Fines Act 1996*.
- (4) If the whole or any part of the premium payable in respect of a third-party policy is paid by cheque or by credit or debit card, and the cheque is not met on due presentation or the card transaction is not duly honoured or is fraudulent, the licensed insurer may request RMS to suspend the registration of the motor vehicle to which the policy relates for a period of 14 days.
- (5) If the insured person under a third-party policy avoided paying the correct premium for the third-party policy because of a false statement made by or on behalf of the insured person in connection with the issue of the policy, the licensed insurer may request RMS to suspend the registration of the motor vehicle to which the policy relates for a period of 14 days.
- (6) A licensed insurer is not to request RMS to suspend the registration of a motor vehicle except with the approval of the Authority or in the circumstances authorised by the regulations, and is not to make such a request unless the amount outstanding remains unpaid.
- (7) Before requesting RMS to suspend the registration of a motor vehicle, the licensed insurer must notify the owner of the motor vehicle that the insurer intends to request RMS to suspend the registration and that the registration and third-party policy may be cancelled at the expiration of the suspension period if the amount outstanding has not been paid before the expiration of the period.

- (8) RMS must comply with a request by a licensed insurer under this section to suspend the registration of a motor vehicle.
- (9) If the amount outstanding remains unpaid, the licensed insurer may request RMS before the end of the suspension period to cancel the registration of the motor vehicle at the expiration of the suspension period. A licensed insurer is not to request RMS to cancel the registration of a motor vehicle except with the approval of the Authority or in the circumstances authorised by the regulations.
- (10) RMS must comply with a request by a licensed insurer under this section to cancel the registration of a motor vehicle.
- (11) If the registration of a motor vehicle is cancelled, otherwise than under Division 3 of Part 4 of the *Fines Act 1996* or subsection (10), but restored before the date for renewal of the registration, the third-party policy cancelled is taken to have remained in force during the period of cancellation.

2.9 Risks not insured under third-party policies (cf s 15 MACA)

A third-party policy does not extend to insure the owner or driver of a motor vehicle against:

- (a) a liability to pay compensation under the Workers Compensation Acts (or any corresponding law of another State or a Territory of the Commonwealth) to a worker employed by the owner or driver, or
- (b) a liability which may be incurred by the owner or driver under an agreement unless the liability is one which would have arisen in the absence of the agreement.

2.10 Exclusion of acts of terrorism from insurance coverage (cf s 15A MACA)

- (1) A third-party policy does not extend to insure the owner or driver of a motor vehicle against a liability that is attributable to an act that, having regard to the nature of the act and the context in which the act was done, it is reasonable to characterise as an act of terrorism.

2.12 Liability of licensed insurers and insured persons where correct insurance premiums not paid (cf s 17 MACA)

- (1) The fact that the correct insurance premium has not been paid in respect of a third-party policy does not affect the validity or operation of the policy.

- (2) A licensed insurer to whom an incorrect insurance premium has been paid may recover any balance outstanding of the premium from the person liable to pay it as a debt in a court of competent jurisdiction.
- (3) If:
 - (a) an insured person under a third-party policy incurs a liability against which he or she is insured under the policy, and
 - (b) the insured person avoided paying the correct premium for the third-party policy by making a statement in connection with the issue of the policy that the insured person knew was false,the licensed insurer may recover from the insured person as a debt in a court of competent jurisdiction:
 - (c) where the money paid and the costs incurred by the licensed insurer in respect of the liability do not exceed \$5,000—the amount of the money paid and costs incurred, and
 - (d) where the money paid and costs incurred by the licensed insurer exceed \$5,000—\$5,000.

If, as a consequence of the change in ownership of a motor vehicle, a change in use of a motor vehicle, a change in the place at which the motor vehicle is usually garaged or any other change, a higher premium would be payable in relation to the vehicle than the premium paid or payable under the third-party policy in force in relation to the vehicle before the change occurred, the licensed insurer may recover the appropriate difference from the owner as a debt in a court of competent jurisdiction.

2.14 Effect of change of ownership of motor vehicle or trader's business (cf s 18 MACA)

- (1) While a third-party policy is in force in relation to a motor vehicle, the third-party policy enures in favour of the owner for the time being of the vehicle (and any driver of the vehicle) despite any change in the ownership of the vehicle.
- (2) While a third-party policy is in force in relation to a motor vehicle to which a trader's plate issued in respect of any business is fixed, the third-party policy enures in favour of the person who for the time being is carrying on the business (and any driver of any such vehicle) despite any change in the ownership of the business.

2.15 Notice of change of registered particulars relating to motor vehicles (cf s 19 (1) MACA)

RMS is required to notify the licensed insurer under a third-party policy in force in relation to a motor vehicle of any change in any registered particulars relating to the motor vehicle that is notified to RMS.

2.16 Right of insurer against unauthorised driver of motor vehicle (cf s 20 MACA)

- If:
- (a) a person uses or operates a motor vehicle without the authority of the owner or without reasonable grounds for believing that he or she had the authority of the owner, and

- (b) a licensed insurer pays any money or incurs any costs (under a third-party policy or under Part 3) in respect of a motor accident arising from that use or operation,

the insurer may recover the money so paid and the costs so incurred from the person as a debt in a court of competent jurisdiction.

2.17 Extension of indemnity to insured person's estate (cf s 22 MACA)

 - (b) extends to indemnify the insured person or, if the insured person is dead, to indemnify the insured person's estate against:

- (1) If a judgment obtained in any court relating to liability in respect of the death of or injury to a person caused by the fault of the owner or driver of an insured motor vehicle in the use or operation of the vehicle is not satisfied in full within 30 days after the judgment is entered, the court must, on the application of the judgment creditor, direct that the judgment be entered against the licensed insurer of the vehicle.
- (2) If execution on the judgment is stayed pending appeal, the time during which execution is stayed is to be excluded in calculating the 30-day period.
- (3) Notice of intention to make the application is to be served on the licensed insurer at least 7 days before the hearing of the application.

- (4) If the court directs that the judgment be entered against the licensed insurer, the judgment may be enforced as a judgment against the licensed insurer to the extent to which it was not satisfied at the time it was so entered.

 - (d) specify the maximum or minimum (or both) rate of estimated investment earnings, superimposed inflation, claims frequency, acquisition expenses, agents' commission or other expenses or assumptions used in the determination of premiums, and
 - (e) exclude, from being taken into account in the determination of premiums, acquisition expenses not directly relevant to the acquisition of third-party insurance business or other expenses of the insurer, and
 - (f) specify the nature of the additional information and reports that the Authority may require licensed insurers to furnish with the premiums they file or to justify premiums they have filed (including with respect to estimated investment earnings, superimposed inflation, claims frequency, the verification of assumptions, estimated profit, capital allocation to third-party insurance business and other relevant matters), and
 - (g) provide for a refund of part of the premium paid for a third-party policy during or after the period for which the policy is issued by reference to digital information recorded about the safe driving of the motor vehicle during that period or to other factors.
- (3) The Motor Accident Guidelines may only specify maximum rates of assumptions used in the determination of premiums if the Authority is satisfied that they are reasonable and will result in insurers having sufficient premium income to meet their liabilities in relation to third-party policies and to make a reasonable profit.
- (4) The cost of claims for the purpose of determining insurance premiums for third-party policies must take account of the effect of any exclusion or restriction on claims under this Act (including under section 3.32).

2.20 Third-party premiums (cf s 25 MACA)

- (1) A licensed insurer must not charge an insurance premium for a third-party policy, except in accordance with this Division.
- (2) The licensed insurer must file with the Authority a premium or set of premiums it proposes to charge.
- (3) Two or more licensed insurers can jointly file a premium or set of premiums that they propose to charge.
- (4) The licensed insurer may, on and from the proposed commencement date for the premium, charge a premium that has not been rejected by the Authority within the period allowed under this section for rejecting a premium. Except as provided by

section 2.22, the licensed insurer must not charge any other premium on and from that proposed commencement date.

- (5) The proposed commencement date for a premium is the date specified in a filed premium as the date on and from which the proposed premium will be charged. The proposed commencement date cannot be earlier than the end of the period allowed for rejecting a premium but can be changed (with notice to the Authority) to accommodate a change in the period allowed for rejecting a premium.
- (6) The period allowed for rejecting a premium is (subject to subsection (7)) the period nominated by the insurer when filing the premium, being a period of not less than 6 weeks or such shorter period as the Authority may allow in a particular case.
- (7) Time does not run in relation to the period allowed for rejecting the premium of a licensed insurer from the day on which the Authority requests any further information from the insurer, because the insurer has failed to comply with its obligations under this Act or the Motor Accident Guidelines in relation to the filing of the premium, until the day on which the insurer complies with that request for further information.
- (8) A premium may only be rejected as provided by this section or section 2.22.

2.21 Filing of premiums (cf s 26 MACA)

- (1) A licensed insurer must file its premiums with the Authority on such occasions or with such frequency as is required by the Motor Accident Guidelines and may (subject to any limitations specified in those Guidelines as to the frequency with which premiums may be filed) file its premiums with the Authority at such other times as the insurer considers appropriate.
- (2) A licensed insurer must also file its premiums with the Authority whenever required to do so by the Authority by notice in writing to the insurer. The notice must allow a period of at least 8 weeks after the notice is served for premiums to be filed.
- (3) An insurer files its premiums by filing with the Authority a full set of the insurance premiums it proposes to charge for third-party policies that are taken to have been issued by it together with such additional information, including actuarial reports, as the Authority may reasonably require.
- (4) Two or more licensed insurers can jointly file a premium or set of premiums under this section.
- (5) An insurer must pay to the Authority such fees as may be required by the Motor Accident Guidelines to be paid by insurers in connection with the filing of premiums by insurers.
- (6) It is a condition of a licence granted under this Act that the insurer must comply with this section.

2.22 Rejection of premiums by Authority (cf s 27 MACA)

- (1) The Authority may reject an insurance premium filed with it under this Division if it is of the opinion that:
 - (a) the premium is, having regard to actuarial advice and to other relevant financial information available to the Authority, excessive or inadequate, or
 - (b) the premium does not conform to the relevant provisions of the Motor Accident Guidelines.
- (2) Written notice of the Authority's rejection of a premium, and the reasons for the rejection, must be given to the licensed insurer.

- (3) If the Authority rejects a premium of a licensed insurer, the licensed insurer may request the Authority to reconsider the rejection.
- (4) Pending its reconsideration, the Authority may request an actuary to determine a provisional premium.
- (5) A provisional premium so determined has effect, pending the Authority's reconsideration, as if it were an insurance premium which may lawfully be charged by the licensed insurer concerned.
- (6) If the Authority has not withdrawn its rejection of a premium within 4 weeks after a request to reconsider the rejection, the matter is to be arbitrated under this section. The following provisions have effect:
 - (a) The *Commercial Arbitration Act 2010* applies to an arbitration under this section, subject to this Act and the regulations. The Authority and the licensed insurer concerned may by agreement appoint a person to act as arbitrator in connection with the matter. Failing agreement within 7 days, paragraphs (b) and (c) apply.
 - (b) The Independent Pricing and Regulatory Tribunal (established by the *Independent Pricing and Regulatory Tribunal Act 1992*) may act as arbitrator to hear and determine such a matter.
 - (c) Alternatively, that Tribunal may appoint a person to act as arbitrator in connection with the matter. The person is to be appointed from a panel constituted by the Minister and consisting of persons who have appropriate knowledge and understanding of economics, general insurance and the interests of consumers.
 - (d) The regulations may make provision for or with respect to the arbitration of matters under this section.
- (7) The arbitrator may determine the premium that may be charged by the licensed insurer.
- (8) The Authority or an arbitrator is not bound by any provisions of the Motor Accident Guidelines referred to in section 2.19 (2) (c) or (d) that the Authority or arbitrator considers would be unreasonable to be applied in the particular circumstances of the case.

2.23 Insurers to disclose profit margins (cf s 28 MACA)

- (1) A licensed insurer is required to disclose to the Authority the profit margin on which a premium is based and the actuarial basis for calculating that profit margin.
- (2) The Authority is to assess that profit margin, and the actuarial basis for its calculation, and to include a report on that assessment in its annual report.

2.24 Risk equalisation (cf s 29 MACA)

- (1) The purpose of this section is to achieve an appropriate balance between the premium income of an insurer and the risk profile of the third-party policies issued by the insurer.
- (2) The regulations may impose any one or more of the following arrangements on licensed insurers:
 - (a) an arrangement for allocating high risk or low risk third-party policies among insurers,
 - (b) an arrangement for the adjustment of premiums collected in respect of third-party policies and for the allocation and transfer of those premiums among insurers,

- (c) an arrangement for the adjustment of the costs of claims for motor accidents covered by high risk or low risk third-party policies and for the allocation and transfer of those costs among insurers.

An allocation of premiums or costs is to be made generally in accordance with the market share of each insurer or in any other appropriate manner.

- (3) Any such arrangement may require insurers to provide information to the Authority about third-party policies or claims, to re-imburse the Authority for the costs of administering the arrangement and to take other measures to give effect to the obligations and liabilities of insurers under the arrangement.
- (4) It is a condition of an insurer's licence under this Act that the insurer must comply with any such arrangement.
- (5) The regulations may authorise any matter arising under any such arrangement to be determined in accordance with the Motor Accident Guidelines.
- (6) For the purposes of this section, high risk or low risk third-party policies are policies of a kind that the Authority determines incur a higher or lower disproportionate share of liability for the total cost of claims for motor accidents.
- (7) An arrangement under section 29 of the *Motor Accidents Compensation Act 1999* that is in force on the commencement of this section is (subject to the regulations) taken to be an arrangement under this section. Any such arrangement may be varied by the regulations or by the agreement of the parties to which it applies.

2.25 Adjustment of premiums and Fund levies in case of excess profits or excess losses

- (1) A review by the Authority of premium income of licensed insurers to determine whether premiums and Fund levies under Division 10.4 should be adjusted to avoid excess profits or excess losses:
 - (a) may be undertaken, with the approval of the Board of the Authority, if the average realised underwriting profits of insurers for 1 or more years are substantially greater or less than the average filed profits of insurers, and
 - (b) must be undertaken if the average realised profits of insurers for 1 or more years are greater than the average filed profits of insurers by 2% or more of the average filed profits, and
 - (c) must be undertaken if, for at least 2 years in a row, the average realised profits of insurers are less than the average filed profits of insurers by 5% or more of the average filed profits.
- (2) The Motor Accident Guidelines may, following such a review, make special arrangements for the adjustment of premiums and Fund levies under Division 10.4 to avoid excess profits or excess losses, including an appropriate refund of premiums previously paid by policy holders or an appropriate reduction or increase in future premiums payable by policy holders.

Note. Motor Accident Guidelines with respect to insurance premium matters may only be made with the approval of the Board of the Authority—see section 10.3.
- (3) If, as a result of the exercise of a function under this section, the Authority determines that premiums and Fund levies under Division 10.4 should be adjusted to avoid excess profits, the Authority must take action to make adjustments to avoid those excess profits.
- (4) The Authority may, following any adjustment referred to in subsection (2) of premiums and Fund levies under Division 10.4 to avoid excess losses, direct payments from the Motor Accidents Operational Fund under that Division to insurers corresponding to any increase in Fund levies otherwise payable.

- (5) The Authority must, following any adjustment referred to in subsection (2) of premiums and Fund levies under Division 10.4 to avoid excess profits, direct insurers to make payments to the Motor Accidents Operational Fund under that Division corresponding to any reduction in Fund levies otherwise payable.
- (6) An amount payable to or from the Motor Accidents Operational Fund under subsection (4) or (5) is not recoverable from or payable to policy holders.
- (7) The Motor Accident Guidelines may provide for an adjustment under this section to be made in relation to previous, current or future periods.
- (8) It is a condition of an insurer's licence under this Act that the insurer must comply with the requirements of any special arrangement under this section.
- (9) In this section:
 - excess loss* means a shortfall in underwriting profit of an insurer below the filed profit of the insurer.
 - excess profit* means underwriting profit of an insurer in excess of the filed profit of the insurer.
 - filed profit* means estimated underwriting profit on which the premiums filed with the Authority under this Division (and not rejected by the Authority) are based.

 - (a) may be made in relation to taxis or hire vehicles or in relation to any other class of vehicles, and

(b) is under 18 years of age and is an earner.

Note. The person's age after the second entitlement period is relevant to determining entitlement to statutory benefits after the second entitlement period. A person's age at the date of the motor accident is not relevant. Schedule 1 defines when a person is an earner.

- (5) An amount declared for the time being under this section applies to the exclusion of the amount under subsection (1).
- (6) If the Australian Statistician fails or ceases to estimate the amounts referred to in subsection (4), the amount declared is to be the amount determined in accordance with the regulations.
- (7) In adjusting an amount to be declared for the purpose of subsection (1), the amount determined in accordance with subsection (4) is to be rounded up to the nearest whole dollar.

 - (b) the person's only injuries resulting from the motor accident were minor injuries.
- (2) A motor accident was caused mostly by the fault of a person if the contributory negligence of the person in relation to the motor accident (as referred to in section 3.38) was greater than 61%.

Note. Section 3.38 provides for a reduction of statutory benefits after 26 weeks for contributory negligence of the person not mostly at fault.

 - (a) 104 weeks, unless the person's injury is the subject of a pending claim for damages (whether or not the insurer has accepted liability),
 - (b) 156 weeks if the person's injury is the subject of such a pending claim and the degree of any permanent impairment of the injured person as a result of the injury is not greater than 10%,
 - (c) 260 weeks if the person's injury is the subject of such a pending claim and the degree of permanent impairment of the injured person as a result of the injury is greater than 10%.
- (3) The maximum weekly payment period ends if any such pending claim for damages is withdrawn, settled or finally determined after the period of 104 weeks after the motor accident concerned.

- (3) In this section:
retiring age means the age at which a person would, subject to satisfying any other qualifying requirements, be eligible to receive an age pension under the *Social Security Act 1991* of the Commonwealth.

3.14 Obligations to provide authorisations and medical evidence

- (1) An insurer who commences weekly payments of statutory benefits under this Division may require the injured person to provide the insurer with:
 - (a) a medical certificate certifying as to the person's fitness for work, and
 - (b) an authority given by the person authorising a provider of treatment or other services to the person in connection with the injury to give the insurer information regarding the treatment or service provided or the person's condition or treatment relevant to the injury.
- (2) If a person fails to comply with a requirement under this section within 14 days (or other period prescribed by the regulations) after the requirement is communicated to the person by the insurer, the insurer may suspend payment of weekly payments of statutory benefits to the person under this Division during any period that the failure to comply continues. The person forfeits his or her entitlement to weekly payments during the period of any such suspension.

3.15 Requirements for evidence as to fitness for work

- (1) An injured person must provide to the insurer:
 - (a) certificates of fitness for work in accordance with this section in respect of the period in respect of which the person is entitled to weekly payments of statutory benefits under this Division, and

- (2) If a decision to reject a claim for weekly payments of statutory benefits or to cease weekly payments of statutory benefits is set aside, a person is not required to comply with this section in respect of any period from the date that the decision took effect until the day on which the decision is set aside.
- (3) A certificate of fitness for work must:
 - (a) be a certificate given by a treating medical practitioner in accordance with the Motor Accident Guidelines, and
 - (b) certify as to the person's fitness for work and whether the person has current fitness for work or has no current fitness for work during the period, not exceeding 28 days, stated in the certificate, and
 - (c) specify the expected duration of the person's unfitness for work.
- (4) A certificate of fitness for work may cover a period exceeding 28 days if:
 - (a) the person giving the certificate states in the certificate the special reasons why the certificate covers the longer period, and
 - (b) the insurer is satisfied that, for the special reasons stated, the certificate should be accepted.
- (5) A certificate of fitness for work is of no effect to the extent that it relates to a period that is more than 90 days before the certificate is provided.
- (6) If a person fails to comply with a requirement under this section within 7 days (or other period prescribed by the regulations) after the requirement is communicated to the person by the insurer, the insurer may (subject to the Motor Accident Guidelines) suspend payment of weekly payments of statutory benefits to the person under this Division during any period that the failure to comply continues. The person forfeits

his or her entitlement to weekly payments of statutory benefits during the period of any such suspension.

3.16 Decisions about earning capacity

- (1) An insurer can make a decision about the pre-accident earning capacity or post-accident earning capacity of an injured person at any time.
- (2) The Motor Accident Guidelines can provide for the procedures to be followed by insurers in connection with the making of those decisions.

3.17 Treatment, rehabilitation and vocational training

- (1) An insurer must require an injured person who is in receipt of weekly payments of statutory benefits under this Division to undertake such reasonable and necessary treatment, rehabilitation or vocational training as the Motor Accident Guidelines may require.
- (2) If an injured person fails without reasonable excuse to comply with a requirement of an insurer under this section, the person's entitlement to weekly payments of statutory benefits under this Division is suspended while the failure continues.

- (2) The notice is to be given in writing or in such other manner as may be permitted by the Motor Accident Guidelines.
- (3) A person is not guilty of an offence under this section if the person satisfies the court that the insurer failed to inform the person of the obligation to notify that matter.

3.19 Notice required before discontinuing or reducing weekly payments

- (1) If an injured person has received weekly payments of statutory benefits under this Division for a continuous period of at least 4 weeks, the insurer must not discontinue payment, or reduce the amount, of the statutory benefits without first giving the person not less than the required period of notice of intention to discontinue payment of the statutory benefits or to reduce the amount of the statutory benefits.
Maximum penalty: 50 penalty units.
- (2) The *required period of notice* for the purposes of this section is:
 - (a) when the discontinuation or reduction is during the first entitlement period—2 weeks, or
 - (b) when the discontinuation or reduction is during the second entitlement period—4 weeks, or
 - (c) when the discontinuation or reduction is after the second entitlement period—8 weeks.
- (3) If the payment of statutory benefits to an injured person is discontinued, or the amount of statutory benefits is reduced, by an insurer in circumstances involving the commission by the insurer of an offence under subsection (1), the injured person

may, whether or not the insurer has been prosecuted for the offence, recover from the insurer an amount of statutory benefits that:

- (a) if no period of notice has been given—is equal to the amount of statutory benefits, or additional statutory benefits, that would have been payable during the required period of notice if payment of the statutory benefits had not been discontinued or if the amount of statutory benefits had not been reduced, or
 - (b) if less than the required period of notice has been given—is equal to the amount of statutory benefits that would have been payable during the balance of the required period of notice if payment of the statutory benefits had not been discontinued or if the amount of the statutory benefits had not been reduced.
- (4) This section applies to any discontinuation or reduction of the amount of a payment because the injured person ceases to be entitled to the payment or to the amount of the payment under a provision of this Division.
 - (5) This section does not apply to a reduction in weekly payments of statutory benefits as a result only of an injured person's return to any employment or commencement of employment or of any change in an injured person's earnings from any employment.
 - (6) This section does not apply to a reduction in weekly payments of statutory benefits as a result only of the application of different rates of statutory benefits after the expiration of earlier periods for which higher rates were payable.
 - (7) This section does not apply to the suspension of weekly payments of statutory benefits by or under a provision of this Act.
 - (8) This section does not affect the operation of section 3.20 (Refund of weekly payments paid after return to employment).

3.20 Refund of weekly payments paid after return to employment

- (1) If, because of a claimant's return to or commencement of employment or a change in employment that affects the claimant's earnings:
 - (a) the claimant is not entitled under this Division to any weekly payments of statutory benefits that have been paid to the claimant, or
 - (b) the amount of any weekly payments of statutory benefits that have been paid to the claimant exceeds the amount to which the claimant is entitled under this Division,

the Dispute Resolution Service may direct the claimant to refund to the person who made the payments any amount to which the claimant is not entitled in respect of payments during the period of 2 years (or such shorter or longer period as the Dispute Resolution Service considers to be appropriate) from the date of payment.

- (2) Any such refund may, in accordance with the terms of the direction of the Dispute Resolution Service, be deducted from future weekly payments of statutory benefits to the claimant or be recovered as a civil debt under subsection (6).
- (3) Without limiting this section, the Dispute Resolution Service may give such directions as it thinks fit for the adjustment of weekly payments of statutory benefits to a claimant to take account of any overpayments made to the claimant (whether or not in the circumstances referred to in subsection (1)) in respect of any previous period.
- (4) A court before which proceedings for an offence under section 3.19 (Notice required before discontinuing or reducing weekly payments) are taken against a person may, on the application of the Authority (whether or not the person is convicted of the

offence), give any direction that it is satisfied the Dispute Resolution Service could give under this section as a result of the return to or commencement of employment or change in employment to which the alleged offence relates. The standard of proof that applies in connection with an application under this subsection is proof on the balance of probabilities.

- (5) The power conferred on a court by subsection (4) does not authorise the giving of a direction for the adjustment of weekly payments of statutory benefits.
- (6) A direction of the Dispute Resolution Service or a court under this section is enforceable as a civil debt and may be recovered as such in any court of competent jurisdiction by the person to whom the direction requires payment to be made.
- (7) This section does not limit:
 - (a) any other right of recovery that a person may have against another person in respect of any overpayment of statutory benefits to that other person, or
 - (b) any agreement between the parties concerned for the refund of any overpayment of statutory benefits.

3.21 Weekly statutory benefits to persons residing outside Australia

- (1) An injured person who resides outside Australia is not entitled to receive any weekly payment of statutory benefits in respect of any period during which the person resides outside Australia, except as provided by this section when the loss of earnings in respect of which statutory benefits are payable is likely to be of a permanent nature.
- (2) An injured person residing outside Australia is entitled to receive on a quarterly basis the amount of the weekly payments accruing due during the preceding quarter if:
 - (a) the Dispute Resolution Service has determined that the injured person's loss of earnings is likely to be of a permanent nature, and
 - (b) the person establishes, in such manner and at such intervals as may be required by the Motor Accident Guidelines, the person's identity and the continuance of the loss of earnings in respect of which the weekly payment is payable.

3.22 Indexation of weekly statutory benefits

- (1) The amount of a weekly payment of statutory benefits to an injured person is to be varied on each review date after the end of the first entitlement period by varying the amount of the injured person's pre-accident weekly earnings and pre-accident earning capacity (referred to in this section as *adjustable amounts*) for the purposes of the calculation of the amount of a weekly payment, in accordance with the formula:

$$A \times \frac{B}{C}$$

where:

A is the adjustable amount at the start of the first entitlement period or, if that amount has been varied in accordance with this section, that amount as last so varied.

B is NSW AWE over the 2 quarters preceding the review date for which the relevant estimates are, at that date, available.

C is NSW AWE over the 2 quarters immediately preceding the 2 quarters referred to in B.

- (2) In this section:
NSW AWE means the amounts estimated by the Australian Statistician of the average weekly total earnings of adults in full-time employment in New South Wales.
review date means 1 April and 1 October in each year.
- (3) The Authority is, on or before each review date, to notify, by order published on the NSW legislation website, the number that equates to the factor $\frac{B}{C}$ for the purposes of the variation required for that review date under this section.
- (4) A notification published on the NSW legislation website after a review date for the purposes of the variation required for that review date under this section has effect as if published before that review date.
- (5) If the variation of an adjustable amount by operation of this section has the effect of reducing the amount:
- the variation is deemed not to have taken effect, except for the purposes of the application of this section, and
 - when the amount is varied and increased by operation of this section in respect of the next or a subsequent financial year, that variation has effect as an increase only to the extent (if any) to which the amount of the increase exceeds the amount of the reduction in respect of a preceding period, or that part of such a reduction that has not been set off against a previous increase.
- (6) Where it is necessary for the purposes of this Division to calculate an amount that consists of or includes a fraction of a whole number, the amount is deemed to have been calculated in accordance with this section if the calculation is made to the nearest whole dollar.

3.23 Statutory benefits payable fortnightly

Weekly payments of statutory benefits under this Division are payable on a fortnightly basis unless the Motor Accident Guidelines otherwise provide or the parties to a claim otherwise agree.

Note. Section 6.5 contains provisions that authorise the insurer to suspend weekly payments of statutory benefits where the injured person fails to comply with the duty to minimise the loss caused by his or her injury.

Division 3.4 Statutory benefits for treatment and care

3.24 Entitlement to statutory benefits for treatment and care

- (1) An injured person is entitled to statutory benefits for the following expenses (*treatment and care expenses*) incurred in connection with providing treatment and care for the injured person:
- the reasonable cost of treatment and care,
 - reasonable and necessary travel and accommodation expenses incurred by the injured person in order to obtain treatment and care for which statutory benefits are payable,
 - if the injured person is under the age of 18 years or otherwise requires assistance to travel for treatment and care, reasonable and necessary travel and accommodation expenses incurred by a parent or other carer of the injured person in order to accompany the injured person while treatment and care for which statutory benefits are payable is being provided.
- (2) No statutory benefits are payable for the cost of treatment and care to the extent that the treatment and care concerned was not reasonable and necessary in the

circumstances or did not relate to the injury resulting from the motor accident concerned.

3.25 No statutory benefits for gratuitous attendant care services

- (1) No statutory benefits are payable under this Division for expenses incurred in connection with the provision of gratuitous attendant care services.
- (2) In this section:
gratuitous attendant care services means attendant care services provided to an injured person for which the injured person has not paid and is not liable to pay.

3.26 Statutory benefits for loss of capacity to provide gratuitous domestic services

- (1) An injured person is entitled to statutory benefits under this Division for the reasonable expenses incurred after the motor accident in employing a person to provide domestic services to the claimant's dependants, but only if:
 - (a) in the case of any dependants of the claimant of the kind referred to in paragraph (a) of the definition of *dependants* in this section—the claimant provided the services to those dependants before the motor accident, and
 - (b) the claimant's dependants were not (or will not be) capable of performing the services themselves by reason of their age or physical or mental incapacity, and
 - (c) there is a reasonable expectation that, but for the claimant's injury, the claimant would have provided the services to the claimant's dependants for at least 6 hours per week and for a period of at least 6 consecutive months, and
 - (d) there will be a need for the services to be provided for those hours per week and that consecutive period of time and that need is reasonable in all the circumstances.

Statutory benefits are not so payable if the domestic services provided after the motor accident are provided gratuitously.

- (2) If a dependant of the claimant received (or will receive) assisted care during a 6-month period for periods that were (or will be) short-term and occasional and for no more than 4 weeks in total during that 6-month period:
 - (a) in determining whether the claimant would have provided gratuitous domestic services to the dependant during a particular week for at least 6 hours, the week should be disregarded if the assisted care was (or will be) provided during that week, and
 - (b) in determining whether the claimant would have provided gratuitous domestic services to the dependant during a 6-month period, any periods during which the assisted care was (or will be) provided in that 6-month period should be disregarded.
- (3) The claimant (or the legal personal representative of a deceased claimant) is not entitled to statutory benefits under this section in respect of any loss of the claimant's capacity to provide gratuitous domestic services to any dependant of the claimant if the dependant has previously recovered damages in respect of that loss of capacity.
- (4) The provision of domestic services to an injured person's dependants as provided by this section constitutes the provision of treatment and care for the injured person for the purposes of this Division.
- (5) In this section:
assisted care, in relation to a dependant of a claimant, means any of the following kinds of care (whether or not the care is provided gratuitously):

- (a) any respite care (being care that includes accommodation that is provided by a person other than the claimant to a dependant who is aged or frail, or who suffers from a physical or mental disability, with the primary purpose of giving the dependant or claimant, or both, a break from their usual care arrangements),
- (b) if the dependant is a minor (but without limiting paragraph (a))—any care that is provided to the dependant by a person other than the claimant where:
 - (i) the person is a parent of the dependant (whether derived through paragraph (a) (i) or (ii) of the definition of *dependants* in this section, adoption or otherwise), and
 - (ii) the care includes the provision of accommodation to the dependant.

dependants means:

- (a) such of the following persons as are wholly or partly dependent on the claimant at the time of the motor accident:
 - (i) the husband or wife of the claimant,
 - (ii) a de facto partner of the claimant,
 - (iii) a child, grandchild, sibling, uncle, aunt, niece, nephew, parent or grandparent of the claimant (whether derived through subparagraph (i) or (ii), adoption or otherwise),
 - (iv) any other person who is a member of the claimant's household, and
- (b) any unborn child of the claimant (whether derived through paragraph (a) (i) or (ii), adoption or otherwise) at the time of the motor accident and who is born after that time.

gratuitous domestic services means services of a domestic nature for which the person providing the service has not been paid and is not entitled to be paid.

3.27 Verification of expenses

- (1) No statutory benefits are payable under this Division for expenses unless the expenses are properly verified in accordance with the Motor Accident Guidelines.
- (2) The Motor Accident Guidelines may make provision for how expenses for treatment and care are to be verified including verification that:
 - (a) the expenses have been incurred, and
 - (b) the treatment and care has been provided, and
 - (c) the treatment and care relates to the injury in respect of which statutory benefits are payable.

3.28 Cessation of statutory benefits after 26 weeks to injured adult persons most at fault or to injured persons with minor injuries

- (1) An injured person is not entitled to statutory benefits under this Division for treatment and care expenses incurred more than 26 weeks after the motor accident concerned if:
 - (a) the motor accident was caused wholly or mostly by the fault of the person and the person was over 16 years of age at the time of the motor accident, or
 - (b) the person's only injuries resulting from the motor accident were minor injuries.
- (2) A motor accident was caused mostly by the fault of a person if the contributory negligence of the person in relation to the motor accident (as referred to in section 3.38) was greater than 61%.

- (3) Despite subsection (1), statutory benefits under this Division for treatment and care expenses incurred more than 26 weeks after the motor accident concerned are payable in respect of minor injuries if the Motor Accident Guidelines authorise their payment. The payment for those expenses may be so authorised if the treatment or care will improve the recovery of the injured person, the insurer delayed approval for the treatment and care expenses or in other appropriate circumstances.

3.29 No statutory benefits for expenses already compensated

Statutory benefits are not payable under this Division to the extent that the treatment and care expenses concerned:

- (a) are paid for by an insurer under a claim for damages made in respect of the matter, or
- (b) are paid or recovered under Division 10.3 (Bulk billing arrangements).

3.30 Payment of hospital, ambulance, medical and other expenses not covered by bulk billing arrangement

- (1) This section applies to:
- (a) payment for the treatment and care of injured persons at hospitals, and
 - (b) payment for conveying injured persons by ambulance, and
 - (c) payment for any medical or dental treatment of, or rehabilitation services provided to, injured persons,
- in any case where payment for the expenses concerned has not been made, and is not required to be made in accordance with a bulk billing arrangement under Division 10.3.
- (2) If an insurer is required to make that payment in accordance with this Division, the rate at which the payment is to be made is as follows:
- (a) in the case of treatment and care at public hospitals—at the rate determined by the Minister for Health by order published in the Gazette,
 - (b) in any case in which a maximum rate is fixed under Part 8 and paragraph (a) does not apply—at the maximum rate so fixed,
 - (c) in any case in which the rate is fixed by the Motor Accident Guidelines made under section 3.31 and paragraphs (a) and (b) do not apply—at the rate so fixed,
 - (d) in a case to which a rate referred to in paragraph (a), (b) or (c) does not apply—at the rate reasonably appropriate to the treatment and care.
- Note.** Section 3.24 limits payment to the cost of treatment and care to the extent that it was reasonable and necessary in the circumstances.
- (3) If the insurer does not make that payment, the body or person who provided the treatment and care to which the payment relates may recover the payment from the insurer as a debt in a court of competent jurisdiction.

3.31 Limits under Guidelines on statutory benefits for particular treatment and care

- (1) The Motor Accident Guidelines may include provision for the following in connection with statutory benefits payable under this Division for treatment and care expenses:
- (a) limiting the amount of statutory benefits payable for any particular treatment and care,
 - (b) approving particular treatment and care as appropriate treatment and care in respect of any matter,

- (c) limiting attendant care services for which statutory benefits are payable to services provided by providers of an approved class or with approved competencies.
- (2) An insurer is not required to pay statutory benefits for treatment and care expenses under this Division if the treatment and care does not accord with the treatment and care approved under the Motor Accident Guidelines for the matter concerned.
- (3) Nothing in this Division prevents an insurer from:
 - (a) paying treatment and care expenses that the insurer is not required to pay as statutory benefits under this Division, or
 - (b) approving further treatment and care for the purposes of any claim.
- (4) An injured person is not liable to pay, and a person is not entitled to recover from an injured person, the cost of treatment and care provided in respect of an injury suffered in the motor accident concerned if, and to the extent that, the cost of treatment and care exceeds any limit imposed by the Motor Accident Guidelines in respect of the treatment and care.

3.32 No treatment and care statutory benefits for treatment and care needs covered by Lifetime Care and Support Scheme

- (1) This Division does not apply in respect of any treatment and care needs of a person who is a participant in the Scheme under the *Motor Accidents (Lifetime Care and Support) Act 2006*, or any excluded treatment and care needs, that relate to the motor accident injury in respect of which the person is a participant in the Scheme and that arise during the period in which the person is a participant in the Scheme.
- (2) This section applies:
 - (a) whether or not the treatment and care needs are assessed treatment and care needs under the *Motor Accidents (Lifetime Care and Support) Act 2006*, and
 - (b) whether or not the Lifetime Care and Support Authority is required to make a payment in respect of the treatment and care needs concerned, and
 - (c) whether or not the treatment, care, support or service (provided in connection with treatment and care needs) is provided on a gratuitous basis.
- (3) In this section, *treatment and care needs* and *excluded treatment and care needs* have the same meanings as they have in the *Motor Accidents (Lifetime Care and Support) Act 2006*.

3.33 Treatment and care provided while persons residing outside Australia

An injured person who is not an Australian citizen or a permanent resident of Australia is not entitled to statutory benefits under this Division in respect of treatment and care provided outside Australia.

Division 3.5 Restrictions and limitations on statutory benefits

3.34 Effect of death on entitlement to statutory benefits

The following provisions apply to statutory benefits payable under this Part to an injured person if the person dies (whether or not the person's death results from the motor accident):

- (a) statutory benefits payable under Division 3.3 (Weekly payments of statutory benefits to injured persons) are not payable in respect of any period after the person's death,
- (b) statutory benefits paid before the person's death cannot be recovered by the insurer merely because the person has died,

- (c) statutory benefits that are payable before the person's death but that are not paid before the person's death remain payable and are payable to the deceased's estate.

3.35 No statutory benefits if workers compensation payable

- (1) An injured person is not entitled to statutory benefits under this Part if compensation under the *Workers Compensation Act 1987* (**workers compensation**) is payable to the injured person in respect of the injury concerned (or would be payable if the liability for workers compensation had not been commuted).
- (2) The relevant insurer for a claim for statutory benefits under this Part is not entitled to refuse payment of statutory benefits under this Part on the grounds that workers compensation is payable in respect of the injury unless:
 - (a) the injured person has made a successful claim for workers compensation in respect of the injury, or
 - (b) the injured person has failed to comply with a request by the relevant insurer under this section to make a claim for workers compensation in respect of the injury.
- (3) A claim for workers compensation is considered to have been successful if liability for any workers compensation has been accepted by the insurer for the claim under the *Workers Compensation Act 1987*. Liability is considered to have been accepted until liability is wholly denied (and for that purpose a denial of liability does not count while it is the subject of a dispute under that Act).
- (4) If the relevant insurer for a claim for statutory benefits under this Part considers on reasonable grounds that workers compensation is or may be payable in respect of the injury concerned, the insurer may require the injured person to make a claim for workers compensation in respect of the injury.
- (5) Statutory benefits are not payable under this Part in respect of any matter for which workers compensation was paid before liability for workers compensation was denied.
- (6) Statutory benefits are not payable under Division 3.2 (Statutory benefits for funeral expenses) if workers compensation is paid or payable in respect of the death under Division 1 of Part 3 of the *Workers Compensation Act 1987*.
- (7) A person who makes a claim for statutory benefits under this Part and a claim for workers compensation must inform both insurers of that fact (unless the insurers would already be aware of both claims having been made). Insurers under this Act and the *Workers Compensation Act 1987* may exchange information for the purposes of facilitating the proper operation of this section.

3.36 No statutory benefits for at-fault driver or owner if vehicle uninsured

- (1) Statutory benefits are not payable under this Part in respect of the death of or injury to a person resulting wholly or mostly from the fault of the person as the owner or driver of a motor vehicle in the use or operation of the vehicle if the vehicle was an uninsured vehicle at the time of the motor accident.
- (2) Any amount properly paid under this Part by the relevant insurer as statutory benefits in respect of death or injury resulting from the fault of a person as the owner or driver of a motor vehicle in the use or operation of the vehicle may be recovered by the insurer from the owner or driver if the vehicle was an uninsured vehicle at the time of the motor accident.
- (3) A motor vehicle is an **uninsured vehicle** if and only if at the time of the motor accident:

- (a) the motor vehicle was not subject to coverage under a third-party policy, and
 - (b) the motor vehicle was not subject to coverage under a policy of compulsory third-party personal injury insurance or a compulsory motor vehicle accident compensation scheme under the law of a place other than New South Wales or under a law of the Commonwealth, and
 - (c) the motor vehicle was not owned by the Commonwealth or by any person or body of persons representing the Commonwealth.
- (4) A motor accident was caused mostly by the fault of a person if the contributory negligence of the person in relation to the motor accident (as referred to in section 3.38) was greater than 61%.
- (5) This section does not apply to a person who was the driver of the vehicle at the time of the motor accident if:
- (a) the driver was driving the motor vehicle with the authority of the owner or had reasonable grounds for believing and did in fact believe that he or she had such authority, and
 - (b) the driver did not have any reasonable grounds for believing that the motor vehicle was an uninsured vehicle.

3.37 No statutory benefits payable to injured person who commits serious driving offence

- (1) Statutory benefits under this Part are not payable to an injured person after the person has been charged with or convicted of a serious driving offence that was related to the motor accident.
- (2) This section does not prevent the payment of statutory benefits if the person is acquitted of the offence charged or the proceedings are discontinued (otherwise than in circumstances of a plea of guilty to another serious driving offence that contributed to the person's injury). If the person is so acquitted or the proceedings are so discontinued:
- (a) statutory benefits are payable from the date the person was charged with the offence, and
 - (b) any limitation period on proceedings for the recovery of those benefits does not commence until the person's acquittal or the discontinuance of the proceedings.
- (3) A serious driving offence with which an injured person is charged or convicted is considered to be related to a motor accident only if:
- (a) the offence relates to the driving of a motor vehicle by the injured person, and
 - (b) the motor vehicle was involved in the motor accident that caused the person's injury.
- (4) A person is considered to have been charged with a serious driving offence if proceedings for a serious driving offence are pending against the person, and the person is considered to have been charged when those proceedings were commenced.
- (5) A *serious driving offence* is:
- (a) an offence that is a major offence under the *Road Transport Act 2013* or an offence under section 115 or 116 (2) (a)–(e) of that Act, or
 - (b) any other offence prescribed by the regulations under this Act as a serious driving offence,

but does not include an offence prescribed by the regulations under this Act as excepted from this definition.

- (6) This section does not entitle an insurer to recover payments of statutory benefits made before the person is charged with or convicted of the relevant serious driving offence.

3.38 Reduction of weekly statutory benefits after 6 months for contributory negligence

- (1) The common law and enacted law as to contributory negligence that applies to an award of damages in respect of a motor accident applies (except as provided by this section) to weekly payments of statutory benefits for any period of loss of earnings or earning capacity that occurs more than 26 weeks after the time of the motor accident.
- (2) A finding of contributory negligence must be made in the following cases:
- (a) where the injured person has been convicted of an alcohol or other drug-related offence in relation to the motor accident, unless the injured person satisfies the insurer or the Dispute Resolution Service that the alcohol or other drug involved in the commission of the offence did not contribute in any way to the accident,
 - (b) where:
 - (i) the injured person (not being a minor) was, at the time of the motor accident, a voluntary passenger in or on a motor vehicle, and
 - (ii) the driver's ability to drive the motor vehicle was impaired as a consequence of the consumption of alcohol or any other drug and the injured person was aware, or ought to have been aware, of the impairment,
unless, in the circumstances of the case, the injured person could not reasonably be expected to have declined to become a passenger in or on the motor vehicle,
 - (c) where the injured person (not being a minor) was, at the time of the motor accident, not wearing a seat belt when required by law to do so,
 - (d) where the injured person was, at the time of the motor accident, not wearing a protective helmet when required by law to do so,
 - (e) where the defence of *volenti non fit injuria* would have been available, but for section 4.18 (Defence of voluntary assumption of risk), in proceedings for an award of damages in respect of the motor accident,
 - (f) in the case of any other conduct of the injured person that is prescribed by the regulations for the purposes of this section.
- (3) The weekly payments of statutory benefits payable in respect of a motor accident are to be reduced on account of contributory negligence:
- (a) if subsection (4) requires the statutory benefits be reduced by a fixed percentage—by that fixed percentage, or
 - (b) by such percentage as the parties agree, or
 - (c) in any other case—by such percentage as the Dispute Resolution Service determines (for the reasons stated) is just and equitable in the circumstances of the case.

If there is a dispute about the percentage of the reduction on account of contributory negligence, the insurer is required to make the weekly payments with the reduction the insurer considers appropriate pending the determination of the dispute by the Dispute Resolution Service.

- (4) The regulations may fix the percentage by which weekly payments of statutory benefits are to be reduced on account of contributory negligence in respect of specified conduct that constitutes contributory negligence of an injured person.

- (5) This section does not exclude any other ground on which a finding of contributory negligence may be made.
- (6) For the purposes of this section, an ***alcohol or other drug-related offence*** is:
 - (a) an offence of driving a motor vehicle with a particular concentration of alcohol or other drug in the person's breath or blood, or
 - (b) an offence of driving a motor vehicle under the influence of alcohol or other drug, or
 - (c) an offence of causing death or injury while driving a motor vehicle under the influence of alcohol or other drug, or
 - (d) an offence, in connection with the driving of a motor vehicle, of:
 - (i) refusing or failing to submit to breath analysis, to undergo a breath test, to submit to an assessment of sobriety or to provide samples of the person's blood and urine, or
 - (ii) wilfully altering the concentration of alcohol or other drug in the person's breath or blood, or
 - (iii) preventing a sample of the person's blood from being taken for analysis.

3.39 Limitation on statutory benefits in relation to certain mental harm

Part 3 (Mental harm) of the *Civil Liability Act 2002* applies to the payment of statutory benefits under this Part in connection with an injury in the same way as it applies to the award of damages in connection with an injury, subject to any necessary modifications and to any modifications prescribed by the regulations.

3.40 Effect of recovery of damages on statutory benefits

- (1) If a person (***the claimant***) recovers damages in respect of the death of or injury to a person caused by the fault of the owner or driver of a motor vehicle in the use or operation of the vehicle then (except to the extent that subsection (2) or (3) covers the case):
 - (a) the claimant ceases to be entitled to any further statutory benefits under Division 3.3 (Weekly payments of statutory benefits to injured persons) in respect of the injury concerned (including statutory benefits claimed but not yet paid), and
 - (b) the amount of any statutory benefits already paid under Division 3.3 in respect of the injury concerned is to be deducted from the damages (awarded or otherwise paid as a lump sum) and is to be paid to the person who paid the statutory benefits.
- (2) If damages are recovered in an action under the *Compensation to Relatives Act 1897* in respect of the death of a person, the amount of any statutory benefits under Division 3.2 (Statutory benefits for funeral expenses) paid in respect of the death is to be deducted from the damages (awarded or otherwise paid as a lump sum) and is to be paid to the person who paid the statutory benefits.
- (3) If a person recovers damages in respect of an injury from the employer liable to pay compensation under the *Workers Compensation Act 1987*:
 - (a) the person ceases to be entitled to any further statutory benefits under this Part in respect of the injury concerned (including statutory benefits claimed but not yet paid), and
 - (b) the amount of any statutory benefits already paid under Division 3.3 in respect of the injury concerned is to be deducted from the damages (awarded or otherwise paid as a lump sum) and is to be paid to the person who paid the statutory benefits.

Division 3.6 Miscellaneous

3.41 Vocational and return to work support provided by Authority

- (1) The Authority may institute, administer or co-ordinate vocational and return to work support schemes for injured persons.
- (2) The Authority may pay from the SIRA Fund such amounts as may be necessary or desirable for the purposes of vocational and return to work support for injured persons.
- (3) Without limiting the generality of subsection (2), the Authority may pay from the SIRA Fund such amounts as the Authority considers appropriate:
 - (a) to provide financial incentives to employers who offer employment to injured persons unable to find suitable employment and who provide (or assist in the provision of) vocational support for those injured persons, or
 - (b) to provide financial incentives to employers who retain or re-employ injured persons and who provide (or assist in the provision of) vocational support for those injured persons, or
 - (c) to provide financial assistance to employers or others who offer injured persons work-trial experience or other voluntary work as part of the vocational support for those persons (being assistance in connection with the cost of any necessary insurance arrangements relating to the persons or for other incidental expenses).

3.42 Statutory benefits claim cannot be redeemed

A liability to pay all or any statutory benefits cannot be redeemed by payment to the claimant of a lump sum.

3.43 Recovery of overpayments of statutory benefits

- (1) If an insurer pays to a person an amount of statutory benefits that exceeds the amount due to the person or that is an amount the insurer is not liable to pay, the person is liable to refund that amount to the insurer.
- (2) This section extends to a payment made to a person who is a service provider in connection with expenses for which statutory benefits are payable.
- (3) An insurer may recover any amount that a person is liable to refund to the insurer under this section as a debt due to the insurer.
- (4) The Authority may act for and on behalf of an insurer for the purposes of proceedings to recover any such amount due to the insurer.

3.44 Statutory benefits determinations relating to fault etc not binding in relation to common law claims

- (1) This section applies to a determination made by an insurer or the Dispute Resolution Service in connection with a claim for statutory benefits as to:
 - (a) any fault of the owner or driver in the use or operation of the motor vehicle, or
 - (b) contributory negligence in relation to the motor accident, or
 - (c) any other matter prescribed by the regulations.
- (2) Any such determination is not binding in connection with a claim for damages in relation to the same motor accident.

3.45 Special provisions relating to payment of statutory benefits for treatment and care by Lifetime Care and Support Authority as relevant insurer

- (1) The description of the Lifetime Care and Support Authority as the relevant insurer for the purposes of this Act does not make that Authority an insurer when it exercises functions under this Act, but provisions of this Act relating to insurers extend (subject to the regulations) to that Authority in connection with the exercise of those functions.
- (2) The Lifetime Care and Support Authority may enter into an agreement with a relevant insurer to assume responsibility for the payment of statutory benefits for treatment and care provided during the period of 5 years after the motor accident concerned if that Authority is satisfied that the injured person is likely to be entitled to statutory benefits for treatment and care after the end of that 5-year period. When the agreement takes effect, the Lifetime Care and Support Authority becomes the relevant insurer in relation to treatment and care for the purposes of this Part in place of the insurer.
- (3) An insurer who enters into such an agreement is required to pay to the Lifetime Care and Support Authority such amount as that Authority determines as the amount required to fund the payment of statutory benefits for the future treatment and care needs of the person that the insurer would have otherwise been required to pay.
- (4) Any such agreement may require the insurer to provide a report and medical assessments to the Lifetime Care and Support Authority on the treatment and care provided or required to be provided to the injured person and any other relevant information relating to the injured person.
- (5) Treatment and care provided to an injured person after the period of 5 years after the motor accident concerned is taken to have been provided before that period if the Lifetime Care and Support Authority determines that the relevant insurer delayed the provision of the treatment and care so that the Lifetime Care and Support Authority became the relevant insurer responsible for the payment of statutory benefits for that treatment and care. The Dispute Resolution Service may determine any dispute between that Authority and the insurer about any such delay in the provision of treatment and care.

Part 4 Award of damages

Division 4.1 Application

4.1 Damages in respect of motor accidents (cf s 122 MACA)

- (1) This Part applies to and in respect of an award of damages that relates to the death of or injury to a person caused by the fault of the owner or driver of a motor vehicle in the use or operation of the vehicle.
- (2) This Part applies to and in respect of:
 - (a) the award of damages by a court, and
 - (b) the assessment of the amount of damages by a claims assessor.

A reference in this Part to the award of damages includes a reference to any such assessment of the amount of damages.

Note. See *Motor Accidents Act 1988* for motor accidents occurring before the commencement of the *Motor Accidents Compensation Act 1999*. See *Motor Accidents Compensation Act 1999* for motor accidents occurring before the commencement of this Act.

See section 121 of the *Transport Administration Act 1988* in relation to the application of Chapter 5 of the *Motor Accidents Compensation Act 1999* or this Act to railway, ferry and other public transport accidents.

4.2 General regulation of award of damages (cf s 123 MACA)

- (1) Damages cannot be awarded to a person in respect of a motor accident contrary to this Part.
- (2) To remove doubt it is declared that if the substantive law of New South Wales is to govern a claim for damages in respect of a motor accident, the provisions of this Part are part of that substantive law and are to be applied accordingly by a court of this or another jurisdiction that determines the claim and by the claims assessor.
- (3) If damages are awarded to a person in respect of a motor accident contrary to this Part, the person against whom the award is made:
 - (a) is not required to pay those damages to the extent that the award is contrary to this Part, and
 - (b) is, to the extent that the person has paid as damages an amount in excess of the amount awarded in conformity with this Part, entitled to recover the excess as a debt from the person to whom the payment is made.

4.3 Damages that may be awarded

- (1) The only damages that may be awarded are:
 - (a) damages for economic loss as permitted by Division 4.2, and
 - (b) damages for non-economic loss as permitted by Division 4.3.
- (2) This section does not apply to an award of damages in an action under the *Compensation to Relatives Act 1897*.

4.4 No damages for minor injuries

No damages may be awarded to an injured person if the person's only injuries resulting from the motor accident were minor injuries.

Division 4.2 Damages for economic loss

4.5 Limits on economic loss

- (1) The only damages that may be awarded for economic loss are (subject to this Division):
 - (a) damages for past or future economic loss due to loss of earnings or the deprivation or impairment of earning capacity, and
 - (b) damages for costs relating to accommodation or travel (not being the cost of treatment and care) of a kind prescribed by the regulations, and
 - (c) damages for the cost of the financial management of damages that are awarded, and
 - (d) damages by way of re-imbursement for income tax paid or payable on workers compensation benefits arising from the injury that are required to be repaid on an award of damages to which this Part applies.
- Note.** See also section 3.40 for repayment out of damages awarded of weekly payments of statutory benefits (and certain other payments of statutory benefits) made before the award of damages.
- (2) This section does not apply to an award of damages in an action under the *Compensation to Relatives Act 1897*.

4.6 Maximum for loss of earnings etc (cf s 125 MACA)

- (1) This section applies to an award of damages:
 - (a) for past or future economic loss due to loss of earnings or the deprivation or impairment of earning capacity, or
 - (b) for the loss of expectation of financial support.
- (2) In the case of such an award, the amount (if any) by which the injured or deceased person's net weekly earnings would (but for the injury or death) have exceeded the maximum weekly statutory benefits amount under Division 3.3 is to be disregarded (even though that maximum weekly statutory benefits amount is a maximum gross earnings amount).
- (3) The maximum amount of damages that may be awarded for economic loss due to the loss of employer superannuation contributions is the relevant percentage of damages payable (in accordance with this Division) for the loss of earnings or the deprivation or impairment of the earning capacity on which the entitlement to those contributions is based. The relevant percentage is the percentage of earnings that is the minimum percentage required by law to be paid as employer superannuation contributions.

4.7 Future economic loss—claimant's prospects and adjustments (cf s 126 MACA)

- (1) Damages may not be awarded for future economic loss unless the claimant first satisfies the court or claims assessor that the assumptions about future earning capacity or other events on which the award is to be based accord with the claimant's most likely future circumstances but for the injury.
- (2) The amount of damages for future economic loss that would have been sustained on those assumptions is to be adjusted by reference to the percentage possibility that the events concerned might have occurred but for the injury.
- (3) If an award for future economic loss is made, the court or claims assessor is required to state the assumptions on which the award was based and the relevant percentage by which damages were adjusted.

4.8 Assessment of impairment of earning capacity if dispute over degree of impairment

If there is a dispute about the degree of impairment of an injured person's earning capacity, the degree of that impairment may be referred for assessment by a medical assessor under Division 7.5 before damages are awarded.

Note. Section 7.20 (Medical assessment procedures) authorises a court, claims assessor or party to a dispute, to refer the dispute about the degree of impairment to the Dispute Resolution Service for assessment by a medical assessor. The assessment of the medical assessor is prima facie evidence in proceedings before a court or claims assessor—see section 7.23 (Status of medical assessments).

4.9 Damages for future economic loss—discount rate (cf s 127 MACA)

- (1) If an award of damages is to include compensation, assessed as a lump sum, in respect of damages for future economic loss that is referable to:
 - (a) deprivation or impairment of earning capacity, or
 - (b) loss of expectation of financial support,the present value of the future economic loss is to be qualified by adopting the prescribed discount rate.
- (2) The *prescribed discount rate* is:
 - (a) a discount rate of the percentage prescribed by the regulations, or
 - (b) if no percentage is so prescribed—a discount rate of 5%.
- (3) Except as provided by this section, nothing in this section affects any other law relating to the discounting of sums awarded as damages.

4.10 Economic loss reduction (cf s 130 MACA)

In an award of damages for economic loss of an injured or deceased person as a consequence of a motor accident, the amount of economic loss is to be reduced by any amount of a kind prescribed by the regulations for the purposes of this section.

Division 4.3 Damages for non-economic loss

4.11 No damages for non-economic loss unless permanent impairment greater than impairment threshold

No damages for non-economic loss may be awarded in respect of injury unless the degree of permanent impairment of the injured person as a result of the injury caused by a motor accident is greater than 10%.

4.12 Assessment of permanent impairment required if dispute over impairment threshold

- (1) If there is a dispute about whether the degree of permanent impairment of an injured person is sufficient for an award of damages for non-economic loss, damages may not be awarded unless the degree of permanent impairment has been assessed by a medical assessor under Division 7.5.

Note. The assessment of the medical assessor is conclusive in proceedings before a court or claims assessor—see section 7.23. Section 7.20 authorises a court, claims assessor or party to a dispute, to refer the dispute about the degree of permanent impairment to the Dispute Resolution Service for assessment by a medical assessor.
- (2) This section does not prevent:
 - (a) the degree of impairment from being re-assessed under Division 7.5, or
 - (b) a claim from being settled at any time.

4.13 Maximum of amount of damages for non-economic loss (cf s 134 MACA)

- (1) The maximum amount of damages that may be awarded for non-economic loss is \$521,000.
- (2) If that amount is adjusted by the operation of section 4.22 (Indexation of maximum for non-economic loss damages), the applicable maximum amount is the amount as at the date the award is made.

4.14 Publication of information to assist determination of non-economic loss (cf s 135 MACA)

- (1) The Authority may publish information, or promote the publication of information, to assist the determination of the appropriate level of damages for non-economic loss as a result of motor accidents.
- (2) A court or claims assessor may have regard to any such information, but is not bound to act on it.

Division 4.4 Other matters

4.15 Mitigation of damages (cf s 136 MACA)

- (1) An injured person is under a duty to mitigate his or her damages.
- (2) Accordingly, in assessing damages in respect of a claim, consideration is to be given to the steps taken by the injured person to mitigate those damages and to the reasonable steps that could have been or could be taken by the injured person to mitigate those damages.
- (3) Those steps include the following:
 - (a) undergoing medical treatment,
 - (b) undertaking rehabilitation (including the formulation and undertaking of an appropriate rehabilitation program),
 - (c) pursuing alternative employment opportunities,
 - (d) giving the earliest practicable notice of the claim in order to enable the assessment and implementation of the above matters.
- (4) In any proceedings, the onus of proving that an injured person has not mitigated his or her damages as required by this section lies with the person who makes that allegation.
- (5) In any proceedings, a written report by a person who provided medical or rehabilitation services to the injured person is admissible as evidence of any such steps taken by that person.
- (6) If any dispute arises over an alleged failure by the injured person to mitigate his or her damages, consideration is also to be given to any evidence that the insurer failed to assist in mitigating damages.

4.16 Payment of interest (cf s 137 MACA)

(1) **Limited statutory entitlement**

A claimant has only such right to interest on damages payable in relation to a motor accident as is conferred by this section.

(2) **Non-economic loss**

No interest is payable on damages awarded for non-economic loss. The court or claims assessor cannot order the payment of interest on any such damages.

(3) **Other heads of damages**

The following provisions apply to damages, other than damages to which subsection (2) applies, payable in relation to a motor accident:

- (a) Interest is not payable (and the court or claims assessor cannot order the payment of interest) on such damages unless:
 - (i) information that would enable a proper assessment of the claim has been given to the defendant and the defendant has had a reasonable opportunity to make an offer of settlement (where it would be appropriate to do so) in respect of the full entitlement to all damages of any kind but has not made such an offer, or
 - (ii) the defendant has had a reasonable opportunity to make a revised offer of settlement (where it would be appropriate to do so) in the light of further information given by the claimant that would enable a proper assessment of the full entitlement to all damages of any kind but has not made such an offer, or
 - (iii) if the defendant has made an offer of settlement, the amount of all damages of any kind that is awarded (without the addition of any interest) is more than 20% higher than the highest amount offered by the defendant and the highest amount is unreasonable having regard to the information available to the defendant when the offer was made.
- (b) The highest amount offered by the defendant is not unreasonable if, when the offer was made, the defendant was not able to make a reasonable assessment of the full entitlement to all damages of any kind.
- (c) For the purposes of this subsection, an offer of settlement must be in writing.

(4) **Calculation of interest**

If interest on damages is payable under subsection (3):

- (a) the amount of interest is to be calculated for the period from when the loss to which the damages relate was first incurred until the date on which the damages are awarded, and
- (b) the amount of interest is to be calculated in accordance with the principles ordinarily applied by a court for that purpose, subject to this section.

(5) **Rate of interest**

The rate of interest to be used in any such calculation is three-quarters of the rate prescribed for the purposes of section 101 of the *Civil Procedure Act 2005* for the period concerned.

(6) **Judgment debts**

Nothing in this section affects the payment of interest on a debt under a judgment or order of a court.

4.17 Contributory negligence—generally (cf s 138 MACA)

- (1) The common law and enacted law as to contributory negligence apply to an award of damages in respect of a motor accident, except as provided by this section.
- (2) A finding of contributory negligence must be made in the following cases:
 - (a) where the injured person or deceased person has been convicted of an alcohol or other drug-related offence in relation to the motor accident, unless the claimant satisfies the court or claims assessor that the alcohol or other drug involved in the commission of the offence did not contribute in any way to the accident,

- (b) where:
 - (i) the injured person (not being a minor) or the deceased person was, at the time of the motor accident, a voluntary passenger in or on a motor vehicle, and
 - (ii) the driver's ability to drive the motor vehicle was impaired as a consequence of the consumption of alcohol or any other drug and the injured person or the deceased person was aware, or ought to have been aware, of the impairment,unless, in the circumstances of the case, the injured person or deceased person could not reasonably be expected to have declined to become a passenger in or on the motor vehicle,
 - (c) where the injured person (not being a minor) or the deceased person was, at the time of the motor accident, not wearing a seat belt when required by law to do so,
 - (d) where the injured person or the deceased person was, at the time of the motor accident, not wearing a protective helmet when required by law to do so,
 - (e) in the case of any other conduct of the injured person or deceased person that is prescribed by the regulations for the purposes of this section.
- (3) The damages recoverable in respect of the motor accident are to be reduced on account of contributory negligence by such percentage as the court or claims assessor thinks just and equitable in the circumstances of the case unless subsection (4) requires that the damages be reduced by a fixed percentage. The court or claims assessor must state the reasons for determining the particular percentage.
- (4) The regulations may fix the percentage by which damages are to be reduced on account of contributory negligence in respect of specified conduct that constitutes contributory negligence of an injured or deceased person. Damages recoverable in respect of a motor accident that are to be reduced on account of contributory negligence attributable to any such conduct are to be reduced by that fixed percentage.
- (5) For the purposes of this section, a deceased person is taken to have been convicted of an offence if any circumstances exist in respect of the deceased person which, but for the deceased person's death, would have resulted in the conviction of the deceased person for the offence or the proving of the offence against the deceased person.
- (6) This section does not exclude any other ground on which a finding of contributory negligence may be made.
- (7) For the purposes of this section, an ***alcohol or other drug-related offence*** is:
 - (a) an offence of driving a motor vehicle with a particular concentration of alcohol or other drug in the person's breath or blood, or
 - (b) an offence of driving a motor vehicle under the influence of alcohol or other drug, or
 - (c) an offence of causing death or injury while driving a motor vehicle under the influence of alcohol or other drug, or
 - (d) an offence, in connection with the driving of a motor vehicle, of:

- (iii) preventing a sample of the person's blood from being taken for analysis.

4.18 Defence of voluntary assumption of risk (cf s 140 MACA)

- (1) Except as provided by subsection (2), the defence of *volenti non fit injuria* is not available in proceedings for damages arising from a motor accident but, where that defence would otherwise have been available, the amount of any damages is to be reduced to such extent as is just and equitable on the presumption that the injured person or deceased person was negligent in failing to take sufficient care for his or her own safety.
- (2) If a motor accident occurs while a motor vehicle is engaged in motor racing, the defence of *volenti non fit injuria* is available in proceedings for damages brought in respect of the death of or injury to:
 - (a) the driver of the vehicle so engaged, or
 - (b) a passenger in the vehicle so engaged, other than a passenger who is less than 18 years of age or who otherwise lacked capacity to consent to be a voluntary passenger.
- (3) For the purposes of subsection (2), a motor vehicle is engaged in motor racing if it is participating in:
 - (a) an organised motor sports event, or
 - (b) an activity that is an offence under section 115 of the *Road Transport Act 2013*.

4.19 Standard of care not affected by knowledge of driver's skill and experience (cf s 141 MACA)

- (1) For the purposes of proceedings for damages payable in relation to a motor accident, the standard of care required of the driver of a motor vehicle who owes another person a duty of care is not diminished or otherwise affected by any actual or imputed knowledge of the other person as to the skill or experience of the driver as the driver of a motor vehicle.
- (2) This section does not affect any determination of whether a person who has suffered harm has been contributorily negligent in failing to take precautions against risk of harm, or any determination as to voluntary assumption of risk by such a person.

4.20 Exemplary or punitive damages (cf s 144 MACA)

Exemplary or punitive damages cannot be awarded to a person in respect of a motor accident.

4.21 Apportionment of damages (cf s 145 MACA)

- (1) If a judgment of a court is obtained for payment of damages in respect of the death of or injury to any person caused by the fault of the owner or driver of an insured motor vehicle in the use or operation of the vehicle as well as for damages in respect of any other matter, the court must, as part of the judgment, declare what portion of the sum awarded by the judgment is in respect of the death or injury.
- (2) In any such case, the court is to apportion any costs awarded.

4.22 Indexation of maximum for non-economic loss damages (cf s 146 MACA)

- (1) The Authority is, on or before 1 October 2017 and on or before 1 October in each succeeding year, to declare, by order published on the NSW legislation website, the amount that is to apply, as from the date specified in the order, for the purposes of section 4.13.

- (2) The amount declared is to be the amount applicable under section 4.13 (or that amount as last adjusted under this section) adjusted by the percentage change in the amounts estimated by the Australian Statistician of the average weekly total earnings of adults in full-time employment in New South Wales over the 4 quarters preceding the date of the declaration for which those estimates are, at that date, available.
- (3) An amount declared for the time being under this section applies to the exclusion of the amount under section 4.13.
- (4) If the Australian Statistician fails or ceases to estimate the amounts referred to in subsection (2), the amount declared is to be the amount determined in accordance with the regulations.
- (5) In adjusting an amount to be declared for the purpose of section 4.13, the amount determined in accordance with subsection (2) is to be rounded to the nearest \$1,000 (with the amount of \$500 being rounded up).

Part 5 Recovery for no-fault motor accidents

5.1 Definition of “no-fault motor accident” (cf s 7A MACA)

In this Part:

no-fault motor accident means a motor accident in the State not caused by the fault of the owner or driver of any motor vehicle involved in the accident in the use or operation of the vehicle and not caused by the fault of any other person.

5.2 Liability in case of no-fault motor accident (cf s 7B MACA)

- (1) The death of or injury to a person that results from a no-fault motor accident involving a motor vehicle that has motor accident insurance cover for the accident (within the meaning of section 1.10) is, for the purposes of and in connection with any claim for damages or statutory benefits in respect of the death or injury, deemed to have been caused by the fault of the owner or driver of the motor vehicle in the use or operation of the vehicle.
- (2) If the no-fault motor accident involved more than one motor vehicle that has motor accident insurance cover for the accident (within the meaning of section 1.10), the death or injury is deemed to have been caused by the fault of the owner or driver of each of those motor vehicles in the use or operation of the vehicle.

5.3 Presumption that motor accident is no-fault (cf s 7C MACA)

- (1) In proceedings on a claim for damages in respect of the death of or injury to a person resulting from a motor accident, an averment by the plaintiff that the motor accident was a no-fault motor accident is evidence of that fact in the absence of evidence to the contrary.
- (2) In connection with an application for statutory benefits in respect of the death of or injury to a person resulting from a motor accident, a declaration by the applicant that the motor accident was a no-fault motor accident is evidence of that fact in the absence of evidence to the contrary.

5.4 No coverage for driver who caused accident (cf s 7E MACA)

- (1) There is no entitlement to recover damages or statutory benefits because of the operation of this Part in respect of the death of or injury to the driver of a motor vehicle if the motor accident concerned was caused by an act or omission of that driver.
- (2) The death of or injury to a person is taken to have been caused by an act or omission of the driver for the purposes of subsection (1) even if:
 - (a) the act or omission does not constitute fault by the driver in the use or operation of the vehicle, or
 - (b) the act or omission was involuntary, or
 - (c) the act or omission was not the sole or primary cause of the death or injury.

5.5 Contributory negligence (cf s 7F MACA)

This Part does not prevent the reduction of damages or statutory benefits by reason of the contributory negligence of the deceased or injured person.

5.6 Recovery of contribution to damages or statutory benefits from person actually at fault (cf s 7G MACA)

A person whose liability for damages or statutory benefits in respect of the death of or injury to a person results from the person being deemed under this Part to be a person whose fault caused the death or injury is entitled to recover contribution in

respect of that liability from a person (whether or not the driver of a motor vehicle) whose fault actually caused the death or injury.

5.7 No recovery by Nominal Defendant unless owner or driver actually at fault (cf s 7H MACA)

The Nominal Defendant is not entitled to recover any amount under section 2.37 (Recovery from owner or driver) from the owner or driver of a motor vehicle in respect of amounts properly paid by the Nominal Defendant in connection with the operation of this Part unless the motor accident concerned was actually caused by the fault of the owner or driver of the motor vehicle in the use or operation of the vehicle.

5.8 Other entitlements not affected (cf s 7I MACA)

This Part does not affect any entitlement to damages or statutory benefits apart from this Part.

Part 6 Motor accident claims

Division 6.1 Preliminary

6.1 Motor Accident Guidelines may deal with the handling of claims (cf s 68 MACA)

The Motor Accident Guidelines may make provision with respect to the manner in which insurers and those acting on their behalf are to deal with claims.

6.2 Meaning of “full and satisfactory explanation” by claimant (cf s 66 MACA)

- (1) For the purposes of this Part, a full and satisfactory explanation by a claimant for non-compliance with a duty or for delay is a full account of the conduct, including the actions, knowledge and belief of the claimant, from the date of the accident until the date of providing the explanation.
- (2) The explanation is not a satisfactory explanation unless a reasonable person in the position of the claimant would have failed to have complied with the duty or would have been justified in experiencing the same delay.

Division 6.2 General duties of claimants and insurers

6.3 Duty of claimants and insurers to act with good faith

- (1) A claimant and an insurer each have a duty to act towards the other with good faith in connection with a claim.
- (2) The duty of a claimant to act with good faith includes the following duties:
 - (a) a duty to act honestly and not mislead,
 - (b) a duty to disclose all relevant information (including reports by health professionals) in a timely manner,
 - (c) a duty to promptly do all things reasonably necessary to facilitate the resolution of any dispute involving the claim.
- (3) The duty of an insurer to act with good faith includes the following duties:
 - (a) the duty to provide a claimant with information about entitlements to statutory benefits and damages,
 - (b) the duty to provide a claimant with all relevant information (including reports by health professionals) relied on to make a decision on a claim,
 - (c) the duty to provide written reasons for all decisions that materially affect a claimant’s entitlement to statutory benefits or damages,
 - (d) the duty to advise a claimant of any right under this Act to review any such decision of the insurer,
 - (e) the duty to make prompt payment of statutory benefits and damages.
- (4) It is a condition of an insurer’s licence under this Act that the insurer must comply with a duty under this section.

6.4 Duty of claimants and insurers to try to resolve claim justly and expeditiously (cf s 80 MACA)

- (1) It is the duty of an insurer and a claimant to endeavour to resolve a claim as justly and expeditiously as possible.
- (2) It is a condition of an insurer’s licence under this Act that the insurer must comply with this section.

6.5 Duty of claimants to minimise loss

- (1) A claimant has a duty to take all reasonable steps to minimise loss caused by injury resulting from a motor accident.
- (2) This duty of a claimant includes the following duties:
 - (a) the duty to undergo reasonable and necessary treatment and care and do all such things as may be reasonable and necessary for the claimant's rehabilitation,
 - (b) the duty to commence or return to work as soon as reasonably practicable.
- (3) If a claimant fails to comply with a duty arising under this section, the insurer may, if authorised to do so by the Motor Accident Guidelines, suspend payment of weekly payments of statutory benefits to the claimant during any period that the failure to comply continues. The person forfeits their entitlement to weekly payments of statutory benefits during the period of any such suspension.

Note. Division 3.3 contains other provisions that authorise the insurer to suspend weekly payments of statutory benefits.

6.6 Directions for compliance with duties

- (1) The Dispute Resolution Service, when undertaking a claims assessment or merit review under Part 7, may give directions to a party to a claim for the purpose of ensuring compliance by the party with a duty arising under this Division.
- (2) If a claimant fails to comply with such a direction without reasonable excuse, the Dispute Resolution Service may direct the insurer to suspend weekly payments of statutory benefits to the claimant under Part 3 while the failure continues.
- (3) If an insurer fails to comply with such a direction without reasonable excuse, the Dispute Resolution Service may direct the insurer not to discontinue or reduce weekly payments of statutory benefits to the claimant under Part 3 while the failure continues.

6.7 Reports to Authority on compliance

The Dispute Resolution Service may provide reports to the Authority on the failure of a claimant or insurer to comply with any duty arising under this Division.

Division 6.3 Preliminary matters relating to claims

6.8 Motor accident verification requirements (cf s 70 MACA)

- (1) The Motor Accident Guidelines may set out the obligations of claimants relating to the verification of the motor accident concerned (the *motor accident verification requirements* for a claim).
- (2) The motor accident verification requirements may include a requirement for the motor accident to be reported to the NSW Police Force within a specified period after the motor accident.
- (3) The Authority is to take all reasonable steps to ensure public awareness of the motor accident verification requirements.

6.9 Compliance with verification requirements—claim for statutory benefits

A claim for statutory benefits need not be dealt with until:

- (a) the motor accident verification requirements have been complied with, or

- (b) the claimant provides to the insurer a full and satisfactory explanation for any non-compliance or the Dispute Resolution Service determines that sufficient cause existed to justify non-compliance.

6.10 Compliance with verification requirements—claim for damages (cf s 70 MACA)

- (1) If the motor accident verification requirements have not been complied with, a claim for damages cannot be referred to the Dispute Resolution Service for assessment under Division 7.6 unless:
 - (a) the insurer has lost the right to reject the claim on the ground of that non-compliance, or
 - (b) the Dispute Resolution Service determines that sufficient cause existed to justify the non-compliance, or
 - (c) the claim is referred only for a certificate of exemption from assessment.
- (2) The insurer loses the right to reject a claim for damages on the ground of non-compliance with the motor accident verification requirements if the insurer:
 - (a) does not, within 2 months after receiving the claim, reject the claim on the ground of that non-compliance or ask the claimant to provide a full and satisfactory explanation for the non-compliance, or
 - (b) does not, within 2 months after receiving an explanation for the non-compliance, reject the explanation.
- (3) The insurer may apply to the court in which proceedings on a claim for damages are commenced to have the proceedings dismissed on the ground that the motor accident verification requirements have not been complied with if:
 - (a) the application to have the proceedings dismissed is made not more than 2 months after the statement of claim is served on the defendant and received by the insurer, and
 - (b) the insurer has not lost the right to reject the claim on the ground of that non-compliance.

The court must dismiss the proceedings unless satisfied that sufficient cause existed to justify the non-compliance.

- (4) In this section, *insurer* includes the person against whom the claim for damages is made.

6.11 Authority's access to police information (cf s 71 MACA)

- (1) At the written request of the Authority with respect to a specified motor accident, the Commissioner of Police must provide a statement to the Authority in relation to the following matters if information as to those matters is held by a member of the NSW Police Force:
 - (a) the registration numbers of all motor vehicles involved in the accident,
 - (b) the names of all persons killed or injured in the accident,
 - (c) the names of the hospitals to which the injured persons were taken,
 - (d) the motor vehicle or vehicles most likely to have been at fault in the accident.
- (2) The Authority is authorised to give a copy of any such statement to the next of kin of a person killed in the accident, to a person injured in the accident (or to an appropriate representative of either such person) or to an insurer.
- (3) A statement or copy of a statement provided to or by the Authority under this section is not admissible in legal proceedings concerning a claim made under this Act.

6.12 Notice of claims for statutory benefits or damages (cf s 72 MACA)

- (1) A claim for statutory benefits is made by giving notice of the claim to the relevant insurer under Part 3.
- (2) A claim for damages is made by giving notice of the claim:
 - (a) to the insurer of the motor vehicle concerned, or
 - (b) to the person against whom the claim is made if there is no insurer of the motor vehicle concerned.
- (3) The requirement under this section (only in so far as it is a requirement to give notice of a claim to the person against whom the claim is made and without affecting the requirement to give notice to the insurer) does not apply if:
 - (a) that person is dead, or
 - (b) that person cannot be given notice.
- (4) Notice of a claim for statutory benefits and a claim for damages are to be given separately.
- (5) Notice of a claim is taken to be given to the insurer or other person to whom it is required to be given if the notice is given in accordance with section 6.15.

6.13 Time for making of claims for statutory benefits

- (1) A claim for statutory benefits must be made within 3 months after the date of the motor accident to which the claim relates. The regulations may amend this subsection to change the date within which the claim must be made.
- (2) If a claim for statutory benefits is not made within 28 days after the date of the motor accident, weekly payments of statutory benefits are not payable in respect of any period before the claim is made.
- (3) However, a claim for statutory benefits may be made after the time required by subsection (1) if the claimant provides a full and satisfactory explanation for the delay in making the claim, and either:
 - (a) the claim is made within 3 years after the date of the motor accident, or
 - (b) the claim is in respect of the death of a person or injury resulting in a degree of permanent impairment of the injured person that is greater than 10%.

6.14 Time for making of claims for damages (cf ss 72 and 73 MACA)

- (1) A claim for damages cannot be made before the expiration of 20 months after the motor accident to which the claim relates unless the claim is in respect of the death of a person or injury resulting in a degree of permanent impairment of the injured person that is greater than 10%.
- (2) A claim for damages must be made within 3 years after the date of the motor accident to which the claim relates. The regulations may amend this subsection to change the date within which the claim must be made.
- (3) A claim for damages may be made after the time required by subsection (2) (a *late claim*) if the claimant provides a full and satisfactory explanation for the delay in making the claim. The explanation is to be provided in the first instance to the insurer.
- (4) Evidence as to any delay in the onset of symptoms relating to the injury suffered by the injured person as a result of the motor accident may be given in any such explanation.

- (5) If a late claim for damages is made, the claim cannot be referred for assessment under Division 7.6 unless:
 - (a) the insurer has lost the right to reject the claim on the ground of delay, or
 - (b) the Dispute Resolution Service has determined that the claimant has a full and satisfactory explanation for the delay in making the claim, or
 - (c) the claim is referred only for a certificate of exemption from assessment under Division 7.6.
- (6) The insurer loses the right to reject a late claim on the ground of delay if the insurer:
 - (a) does not, within 2 months after receiving the claim, reject the claim on the ground of delay or ask the claimant to provide a full and satisfactory explanation for the delay, or
 - (b) does not, within 2 months after receiving an explanation for the delay, reject the explanation.
- (7) The insurer may apply to the court in which proceedings on a late claim for damages are commenced to have the proceedings dismissed on the ground of delay if:
 - (a) the application to have the proceedings dismissed is made not more than 2 months after the statement of claim is served on the defendant and received by the insurer, and
 - (b) the insurer has not lost the right to reject the claim on the ground of delay.

The court must dismiss the proceedings unless satisfied that the claimant has a full and satisfactory explanation for the delay in making the claim.
- (8) In this section, *insurer* includes the person against whom a claim for damages is made.

6.15 How notice of claims given (cf ss 74 and 76 MACA)

- (1) A notice of a claim under this Division is to be given in the manner and containing the information required by the Motor Accident Guidelines.
- (2) The Motor Accident Guidelines may (without limitation) provide for the giving of notices of claims by a computer system (whether or not operated by insurers) that makes the notices available to the insurers or other persons to whom the notices are required to be given.
- (3) The Motor Accident Guidelines may require the claimant to do any one or more of the following:
 - (a) furnish a certificate of a treating medical practitioner relating to the claim,
 - (b) authorise the insurer to obtain information and documents relevant to the claim from persons specified in the authorisation,
 - (c) authorise the insurer to provide information and documents so obtained by the insurer to persons specified in the authorisation.
- (4) The Motor Accident Guidelines may excuse non-compliance with this section in specified circumstances.
- (5) If this section has not been complied with, a claim for damages cannot be referred for assessment under Division 7.6 unless:

 - (b) the Dispute Resolution Service has determined that the non-compliance is technical and of no significance, or
 - (c) the claim is referred only for a certificate of exemption from assessment under Division 7.6.

- (6) The insurer loses the right to reject a claim for damages for non-compliance with this section if, within 2 months after receiving the claim, the insurer does not reject the claim for the non-compliance.
- (7) The insurer may apply to the court in which proceedings on a claim for damages are commenced to have the proceedings dismissed on the ground of non-compliance with this section if:
 - (a) the application to have the proceedings dismissed is made not more than 2 months after the statement of claim is served on the defendant and received by the insurer, and
 - (b) the insurer has not lost the right to reject the claim on the ground of non-compliance with this section.

The court must dismiss the proceedings unless satisfied that the claimant has a full and satisfactory explanation for the non-compliance.

- (8) In this section, *insurer* includes the person against whom a claim for damages is made.

6.16 Insured not to admit liability or act in respect of claim (cf s 77 MACA)

 - (a) enter upon, or incur any expense in, any litigation, or
 - (b) make any offer or promise of payment or settlement, or
 - (c) make any payment or settlement, or
 - (d) make any admission of liability,in respect of a claim so as to prejudice or otherwise interfere with the exercise of any power of the insurer under section 6.17. However, this section does not prevent any person from truthfully answering any question reasonably asked of the person by a police officer.
- (2) An offer, promise or admission made in contravention of this section is of no effect.

6.17 Power of insurer to act for insured (cf s 78 MACA)

- (1) When a claim is made against a person, the person's insurer may:
 - (a) conduct and control negotiations in respect of the claim, and
 - (b) conduct, or take over the conduct of, any legal proceedings in respect of the claim and may conduct those proceedings in the name and on behalf of the person, and
 - (c) at any stage of those negotiations or proceedings, compromise or settle the claim, and

- (2) The person against whom the claim is made is required to sign all such warrants, authorities and other documents as may be necessary to give effect to this section.
- (3) If the person fails to do so or is absent or cannot be found, the insurer may sign the warrants, authorities or other documents on behalf of the person.
- (4) Nothing said or done by an insurer under this section in connection with the settlement of a claim or the conduct of proceedings in respect of a claim is to be regarded as an admission of liability in respect of or in any way prejudice any other claim, action or proceeding arising out of the same occurrence.

6.18 Power of insurer to intervene in legal proceedings (cf s 79 MACA)

An insurer may apply to the court to be joined as a party to legal proceedings brought against a defendant who is insured under a third-party policy with the insurer in order to argue that in the circumstances of the case it has no obligation under the policy to indemnify the defendant.

Division 6.4 Dealing with claims

6.19 Acceptance of liability for claim for statutory benefits

- (1) An insurer must, within 4 weeks after a claimant makes a claim for statutory benefits, give the claimant notice in accordance with the Motor Accident Guidelines stating whether or not the insurer accepts liability for the payment of statutory benefits during the first 26 weeks after the time of the motor accident concerned.
- (2) An insurer must, within 3 months after a claimant makes a claim for statutory benefits, give the claimant notice in accordance with the Motor Accident Guidelines stating whether or not the insurer accepts liability for the payment of statutory benefits after the first 26 weeks after the time of the motor accident concerned.
- (3) The regulations may amend this section to alter the period of 4 weeks specified in subsection (1) or the period of 3 months specified in subsection (2).
- (4) If the insurer fails to notify the claimant in accordance with this section, the insurer is taken to have accepted liability for the statutory benefits concerned.
- (5) An insurer is not prevented from accepting liability for statutory benefits after having denied that liability and the acceptance of liability does not prevent the subsequent denial of liability.
- (6) An insurer who has accepted (or is deemed to have accepted) liability for statutory benefits must commence payment of statutory benefits without delay. An insurer cannot recover statutory benefits paid on the basis of the acceptance of liability for statutory benefits if the insurer subsequently denies liability.
- (7) An insurer may commence payment of statutory benefits before determining whether the insurer accepts liability for those statutory benefits.
- (8) It is a condition of an insurer's licence under this Act that the insurer must comply with this section.

6.20 Duty of insurer with respect to admission or denial of liability in claim for damages

(cf s 81 MACA)

- (1) When a claim for damages is made, the insurer must as expeditiously as possible give notice to the claimant in accordance with the Motor Accident Guidelines as to whether the insurer admits or denies liability for the claim. The insurer must in any event give that notice within 3 months after the claim is made.
- (2) If the insurer admits liability for only part of the claim, the notice is to include details sufficient to ascertain the extent to which liability is admitted.
- (3) If an insurer admits fault in respect of a claim but fails to admit any other element of liability, the insurer is not considered to have admitted liability for the claim.
- (4) If the insurer fails to comply with this section, the insurer is taken to have given notice to the claimant wholly denying liability for the claim.
- (5) Nothing in this section prevents an insurer from admitting liability after having given notice denying liability or after having failed to comply with this section.

- (6) It is a condition of an insurer's licence under this Act that the insurer must comply with this section.

6.21 Costs penalty for unreasonable denial of liability

- (1) If an insurer denies liability (whether for part or all of a claim), the claims assessor may, in assessing costs on the claim, impose a costs penalty under this section if the claims assessor is of the opinion that there was no reasonable basis for the denial of liability.
- (2) There is considered to be a reasonable basis for a denial of liability only if the denial was based on provable facts and a reasonably arguable view of the law.
- (3) The costs penalty that may be imposed on an insurer under this section is a penalty of up to 25% (imposed by increasing the costs to be awarded against the insurer, or decreasing the costs to be awarded in favour of the insurer, by up to 25%).
- (4) In this section, *costs* means costs for the provision of legal services (including disbursements).

6.22 Duty of insurer to make offer of settlement on claim for damages (cf s 82 MACA)

- (1) It is the duty of an insurer to make a reasonable offer of settlement to the claimant on a claim for damages as soon as practicable unless the insurer wholly denies liability for the claim.
- (2) An offer of settlement is to specify an amount of damages or a manner of determining an amount of damages.
- (3) If an offer of settlement is made on the basis that the insurer admits only part of the liability for the claim, the offer is to include details sufficient to ascertain the extent to which liability is admitted.
- (4) This section does not apply to:
 - (a) a claim made in respect of the death of a person, or
 - (b) a claim in respect of which a medical assessor has declined to make an assessment under Division 7.5 of the degree of permanent impairment of the injured person because the impairment caused by the injury has not become permanent.
- (5) The insurer is not entitled to delay the making of an offer of settlement under this section on the ground that any particulars about the claim are insufficient unless the insurer requested further relevant particulars within 2 weeks after the claimant provided particulars.

Note. A dispute about whether particulars about a claim are sufficient may be referred to the Dispute Resolution Service.
- (6) It is a condition of an insurer's licence under this Act that the insurer must comply with this section.

6.23 Restrictions on settlement of claim for damages

- (1) A claim for damages by an injured person cannot be settled within 2 years after the motor accident unless the degree of permanent impairment of the injured person as a result of the injury caused by the motor accident is greater than 10%.
- (2) A claim for damages cannot be settled unless:
 - (a) the claimant is represented in respect of the claim by an Australian legal practitioner, or
 - (b) the proposed settlement is approved by the Dispute Resolution Service.

- (3) The Dispute Resolution Service is not to approve the settlement of a claim unless satisfied that the settlement complies with any applicable requirements of or made under this Act or the Motor Accident Guidelines.

6.24 Duty of claimant to co-operate with other party (cf s 85 MACA)

- (1) A claimant must co-operate fully in respect of the claim with the other party to the claim (being the insurer on the claim or, if there is no insurer, the person against whom the claim is made) for the purpose of giving the other party sufficient information:
 - (a) to be satisfied as to the validity of the claim and, in particular, to assess whether the claim or any part of the claim, may be fraudulent, and
 - (b) to be able to make an early assessment of liability, and
 - (c) to be able to make an informed offer of settlement in the case of a claim for damages.
- (2) In particular, the claimant must comply with any reasonable request by the other party:
 - (a) to furnish specified information (in addition to the information furnished in the claim) or to produce specified documents or records, or
 - (b) to provide a photograph of and evidence as to the identity of the claimant.
- (3) The reasonableness of a request may be assessed having regard to criteria including the following:
 - (a) the amount of time the claimant needs to comply with the request,
 - (b) whether the information sought is cogent and relevant to a determination of liability or quantum of loss, having regard to the nature of the claim,
 - (c) the amount of information which has already been supplied to or is available to an insurer to enable liability and quantum of loss to be assessed and an offer of settlement made,
 - (d) how onerous it will be for the claimant to comply with the request,
 - (e) whether the information is privileged,
 - (f) whether the information sought is sufficiently specified,
 - (g) the time of the request and whether the claimant will be delayed in commencing proceedings for damages by complying with the request.
- (4) A duty under this section in respect of a claim for damages applies only until court proceedings are commenced in respect of the claim but if the claimant fails without reasonable excuse to comply with this section, court proceedings cannot be commenced in respect of the claim while the failure continues.

6.25 Duty of claimant to provide relevant particulars of claim for damages (cf s 85A MACA)

- (1) A claim for damages must provide the insurer of the person against whom the claim is made with all relevant particulars about the claim as expeditiously as possible after the claim is made.
- (2) For the purposes of this section, *relevant particulars* about a claim are full details of:
 - (a) the motor accident concerned, and
 - (b) the injuries sustained by the claimant in the motor accident, and
 - (c) all disabilities and impairments arising from those injuries, and

(d) any economic losses and other losses that are being claimed as damages, sufficient to enable the insurer, as far as practicable, to make a proper assessment of the claimant's full entitlement to damages.

6.26 Consequences of failure to provide relevant particulars of claim for damages (cf s 85B MACA)

- (1) If after a period of 2 years and 6 months since the motor accident concerned a claimant for damages has failed without reasonable excuse to provide the insurer with all relevant particulars about the claim (as required by section 6.25), the insurer may by a written direction given to the claimant within 2 months after the end of that period require the claimant to provide those particulars.
- (2) The insurer's direction must be given in accordance with the Motor Accident Guidelines.

- (2) A medical dispute about a decision of an insurer may be referred for assessment under this Division without an internal review of the decision by the insurer if the insurer has failed to complete an internal review and notify the claimant of the decision on the internal review as and when required to do so, or has declined to conduct a review.
- (3) This section does not apply to a medical dispute about a decision of an insurer relating to a medical assessment matter of a kind prescribed by the regulations.

7.20 Medical assessment procedures (cf s 60 MACA)

- (1) A medical dispute about a claim may be referred to the Dispute Resolution Service for assessment under this Division by either party to the dispute or by a merit reviewer, a claims assessor or a court.
- (2) The Dispute Resolution Service is to arrange for the dispute to be dealt with by one or more medical assessors.
- (3) The Dispute Resolution Service can refuse to accept the referral by a party to a claim of a dispute about the degree of permanent impairment if the party has provided insufficient evidence in support of the degree of permanent impairment asserted by the party.
- (4) The claimant and the insurer must provide to the medical assessor such information as the assessor may reasonably require for the purposes of the medical assessment.
- (5) It is a condition of an insurer's licence under this Act that the insurer must comply with subsection (4).
- (6) The medical assessor may decline to make a medical assessment if the claimant or the insurer has failed to provide any such information required by the assessor.

7.21 Assessment of degree of permanent impairment

- (1) The assessment of the degree of permanent impairment of an injured person for the purposes of this Act is to be made in accordance with the Motor Accident Guidelines. The assessed degree of permanent impairment is to be expressed as a percentage.
- (2) Impairments that result from more than one injury arising out of the same motor accident are to be assessed together to assess the degree of permanent impairment of the injured person.
- (3) In assessing the degree of permanent impairment, regard must not be had to any psychiatric or psychological injury, impairment or symptoms, unless the assessment

of the degree of permanent impairment is made solely with respect to the result of a psychiatric or psychological injury.

- (4) A medical assessor may decline to make an assessment of the degree of permanent impairment of an injured person until the assessor is satisfied that the impairment caused by the injury has become permanent.

7.22 Interim assessment of permanent impairment

- (1) A medical assessor who declines to make an assessment of the degree of permanent impairment of an injured person until satisfied that impairment has become permanent must make an interim assessment of permanent impairment if the assessment is for the purpose of determining entitlement to statutory benefits under Division 3.3 (Weekly payments of statutory benefits to injured persons) or 3.4 (Statutory benefits for treatment and care).
- (2) An interim assessment of permanent impairment is an assessment that it is probable that the injured person will have a degree of permanent impairment of greater than a particular percentage (the *minimum degree of permanent impairment*).
- (3) The degree of permanent impairment of the injured person is deemed to be greater than the minimum degree of permanent impairment that is assessed on an interim assessment, but only for the purposes of the statutory benefits payable to the injured person under Division 3.3 or 3.4.
- (4) An interim assessment operates only until a final assessment is made.
- (5) An interim assessment does not constitute an assessment of the degree of permanent impairment for the purposes of a claim for damages.
- (6) A payment of statutory benefits under Part 3 made to an injured person before a final assessment of permanent impairment is made and that the injured person would not have been entitled to had the final assessment been made before the payment was made cannot be recovered by the insurer.

7.23 Status of medical assessments (cf s 61 MACA)

- (1) The medical assessor or assessors to whom a medical dispute is referred is or are to give a certificate as to the matters referred for assessment.
- (2) The certificate is, in any court proceedings or in any proceedings in connection with a merit review under Division 7.4 or a claims assessment under Division 7.6:
 - (a) prima facie evidence of any matter certified as to the degree of impairment of earning capacity of the injured person as a result of the injury concerned, and
 - (b) conclusive evidence of any other matter certified.
- (3) In any court proceedings, the court may (despite anything to the contrary in this section) reject a certificate as to all or any of the matters certified in it, on the grounds of denial of procedural fairness to a party to the proceedings in connection with the issue of the certificate, but only if the court is satisfied that admission of the certificate as to the matter or matters concerned would cause substantial injustice to that party.
- (4) If a certificate as to any matter is rejected under subsection (3), the court is to refer that matter again for assessment under this Division and adjourn the proceedings until a further certificate is given and admitted in evidence in the proceedings.
- (5) A court may not substitute its own determination as to any medical assessment matter.
- (6) This section:

- (a) does not prevent a court from referring a matter again for assessment under this Division (as provided for by section 7.24 (Further medical assessment after initial medical assessment)), and
 - (b) does not require a court to refer a matter again for assessment under this Division if the matter is not a medical assessment matter.
- (7) A certificate is to set out the reasons for any finding by the medical assessor or assessors as to any matter certified in the certificate in respect of which the certificate is conclusive evidence.
- (8) The following procedure is to apply if the assessment of more than one medical assessor is required to assess whether the degree of permanent impairment of the injured person is greater than a particular percentage (not being an assessment of the degree of permanent impairment resulting from psychiatric or psychological injury):
 - (a) each medical assessor is to give a certificate as to the degree of permanent impairment of the injured person resulting from the particular injury or injuries with which the medical assessor's assessment is concerned,
 - (b) based on the matters certified in each such certificate a medical assessor nominated by the Authority for the purpose is to make an assessment of the total degree of permanent impairment resulting from all the injuries with which those certificates are concerned and is to give a certificate (a *combined certificate*) as to that total degree of permanent impairment,
 - (c) the combined certificate is conclusive evidence as to the degree of permanent impairment of the injured person and this section applies to the combined certificate accordingly.
- (9) If a medical assessor is satisfied that a certificate under this section contains an obvious error, the medical assessor may issue a replacement certificate to correct the error.

7.24 Further medical assessment after initial medical assessment (cf s 62 MACA)

- (1) A medical dispute referred for assessment under this Division may be referred again for assessment under this Division at any time by a court, a merit reviewer or a claims assessor.
- (2) A medical dispute referred for assessment under this Division may be referred again for assessment under this Division by the claimant or the insurer, but only on the grounds prescribed by the regulations (if any) in relation to the medical assessment matter to which the dispute relates.
- (3) A medical dispute may not be referred again for assessment by the claimant or the insurer on more than one occasion.
- (4) Referral of a medical dispute under this section by a claimant or an insurer is to be by application to the proper officer of the Authority.
- (5) The proper officer of the Authority is to arrange for the medical dispute to which the application relates to be referred to one or more medical assessors for a further medical assessment, but only if the proper officer is satisfied that the application meets the requirements for referral under subsection (2).
- (6) This section does not affect the final assessment of the degree of permanent impairment of an injured person after an interim assessment of permanent impairment.

7.25 Agreement between parties as to matters in dispute—further assessments and reviews

The assessment of a medical dispute by way of a further medical assessment or review of a medical assessment under this Division can be made on the basis of any agreement by the parties as to the following matters (without those matters having to be the subject of assessment):

- (a) the degree of permanent impairment of an injured person that has resulted from a particular injury,
- (b) whether a particular injury was caused by a motor accident.

7.26 Review of medical assessment by review panel (cf s 63 MACA)

- (1) A claimant or an insurer may apply to the proper officer of the Authority to refer a medical assessment under this Division by a single medical assessor to a review panel of medical assessors for review.
- (2) An application for the referral of a medical assessment to a review panel may be made only on the grounds that the assessment was incorrect in a material respect.
- (3) A medical assessment may not be referred for review under this section on more than one occasion.
- (4) If a medical assessment under this Division is based on the assessments of 2 or more single medical assessors (resulting in a combined certificate as to the total degree of permanent impairment) (a *combined certificate assessment*), the combined certificate assessment cannot be the subject of review under this section except by way of the review of any of the assessments of the single medical assessors on which the combined certificate assessment is based.
- (5) The proper officer of the Authority is to arrange for the medical assessment to be referred to a panel of at least 2 medical assessors for review, but only if the proper officer is satisfied that there is reasonable cause to suspect that the medical assessment was incorrect in a material respect having regard to the particulars set out in the application.
- (6) The review of a medical assessment is not limited to a review of only that aspect of the assessment that is alleged to be incorrect and is to be by way of a new assessment of all the matters with which the medical assessment is concerned.
- (7) The review panel may confirm the certificate of assessment of the single medical assessor, or revoke that certificate and issue a new certificate as to the matters concerned.
- (8) If on the review of a medical assessment of a single medical assessor on which a combined certificate assessment is based a new certificate is issued by the review panel, the review panel is also to issue a new combined certificate to take account of the results of the review.
- (9) Section 7.23 (Status of medical assessments) applies to any new certificate or new combined certificate issued under this section.
- (10) The Motor Accident Guidelines may limit the time within which an application under this section may be made.

7.27 Non-binding opinion of medical assessor

- (1) A merit reviewer or claims assessor may refer a medical assessment matter to the Dispute Resolution Service for assessment for the purposes of the provision of a non-binding opinion by a medical assessor for the assistance of the merit reviewer or claims assessor.

- (2) The Dispute Resolution Service is to refer the matter to a medical assessor for assessment for that purpose.
- (3) The opinion provided by the medical assessor on such an assessment is not binding on the merit reviewer or claims assessor or on the parties to a claim.

7.28 Costs of medical assessment (cf s 64 MACA)

- (1) The costs of medical assessments under this Division are payable by the insurer, except as otherwise provided by the regulations.
- (2) The Authority may, for the purposes of meeting those costs, impose fees for the carrying out of medical assessments or make other arrangements for meeting those costs.
- (3) The costs of medical assessments under this Division are as follows:

 - (d) such other costs in connection with medical assessments under this Division as may be prescribed by the regulations.

- (5) The regulations may prescribe a rate at which the cost of travel by any specified mode of transport is to be calculated for the purposes of the payment of travel costs under this section.

Maximum penalty: 1,000 penalty units.
- (2) If a person contravenes this section, or any condition to which a licence under this Division is subject, the certificate remains a valid certificate of insurance and the contravention does not annul or affect the third-party policy that is taken by this Act to have been issued on the issue of the certificate.

9.2 Applications for licences (cf s 158 MACA)

- (1) An application for a licence under this Division may be made to the Authority by any corporation authorised under the *Insurance Act 1973* of the Commonwealth to carry on insurance business.
- (2) A corporation is not competent to make an application unless it is a party to the Insurance Industry Deed.
- (3) An application is to be made in such manner, and accompanied by such documents, as may be determined by the Authority.

 - (a) the suitability of the applicant, and
 - (b) the paid-up share capital and reserves of the applicant, and
 - (c) the constitution of the applicant (if any), and
 - (d) the re-insurance arrangements of the applicant, and
 - (e) the efficiency of the motor accidents scheme under this Act generally, and
 - (f) such other matters as the Authority thinks fit.

- (3) Despite subsection (1), the Authority must refuse an application for a licence from a corporation that does not comply with such requirements as are prescribed by the regulations for the purposes of this Division.
- (4) A licence must not be granted under this Division unless the applicant has paid (or has made arrangements acceptable to the Authority for the payment of) the fee determined by the Authority, with the approval of the Minister, for the grant of the licence.
- (5) When the Authority proposes to grant a licence to a corporation, it must give 14 days notice of the proposal to all licensed insurers specifying the name of the corporation.

9.4 Duration of licences (cf s 160 MACA)

A licence granted under this Division continues in force until it is cancelled under this Division.

9.5 Conditions of licences (cf s 161 MACA)

- (1) A licence granted under this Division is subject to:
 - (a) such conditions as may be prescribed by this Act or the regulations, and
 - (b) such conditions (not inconsistent with this Act or the regulations) as may be imposed by the Authority:
 - (i) on the granting of the licence, or
 - (ii) at any time during the currency of the licence.
- (2) The Authority may, by notice served on a licensed insurer, impose conditions (or further conditions) to which the licence is to be subject or revoke or vary any condition imposed on the licence by the Authority.
- (3) A condition to which a licence is subject has effect whether or not it is endorsed on the licence.
- (4) A licensed insurer who contravenes, whether by act or omission, any condition to which the licence is subject is guilty of an offence.
Maximum penalty: 1,000 penalty units.
- (5) An insurer (not being a licensed insurer) who contravenes, whether by act or omission, any obligation imposed by this Act on the insurer in connection with a motor accident, being an obligation that is declared by this Act to be a condition of a licence under this Division, is guilty of an offence.
Maximum penalty: 1,000 penalty units.
- (6) A licensed insurer cannot be convicted of an offence under subsection (4) and required to pay civil penalty under section 9.10 in respect of the same act or omission.

9.6 Matters that may be regulated by conditions of licences (cf s 162 MACA)

- (1) Without limiting the generality of section 9.5, the conditions to which a licence under this Division may be subject include conditions:
 - (a) for the purpose of ensuring compliance with the obligations of the licensed insurer, or
 - (b) for the purpose of ensuring that insurance premiums for third-party policies are available to meet claims, or
 - (c) for the purpose of requiring the licensed insurer to achieve early resolution of claims, and early payment, at particular levels, or
 - (d) for the purpose of the efficiency of the motor accidents scheme under this Act generally, or

- (e) relating to the provision of information concerning claims and profits.
- (2) A licensed insurer does not contravene a condition of a kind referred to in subsection (1) (c) if the insurer establishes that the insurer furnished a report to the Authority within a reasonable period and that the report sets out reasonable grounds for justifying the contravention.

9.7 Matters not subject to conditions of licences (cf s 163 MACA)

- (1) A condition of a licence under this Division must not be prescribed by the regulations or imposed, revoked or varied by the Authority if this would give or be likely to give a competitive advantage to the licensed insurer over other licensed insurers.
- (2) A condition of a licence under this Division that requires or has the effect of requiring a licensed insurer to obtain a share of the insurance market specified in or determined in accordance with the terms of the condition is of no effect.
- (3) This section extends, in the case of a licence in force on the commencement of this Act, to conditions imposed or otherwise applicable before that commencement.
- (4) This section has effect despite anything to the contrary in sections 9.5 and 9.6.
- (5) This section does not prevent the imposition as a condition of a licence under this Division of a condition that limits the kinds of third-party policy that can be issued by the insurer, for example a condition that limits the insurer to issuing third-party policies for particular classes of motor vehicle or to particular classes of owner.

9.8 Assignment of licences (cf s 164 MAA)

- (1) A licensed insurer may, with the approval of the Authority, assign its licence to another licensed insurer or to a corporation to whom the Authority proposes to grant a licence.
- (2) The Authority must not approve the assignment of a licence unless the Authority is satisfied that the proposed assignee is able to meet the past, present and future liabilities of the assignor:
 - (a) under any third-party policy in respect of which the assignor is the insurer, and
 - (b) to the Motor Accidents Operational Fund under Division 10.4, and
 - (c) to any other licensed insurer.

9.9 Suspension of licences (cf s 165 MACA)

- (1) The Authority may, by notice served on a licensed insurer, suspend the insurer's licence and the insurer is thereby prohibited from issuing any third-party policies after such date as is specified in the notice for the purpose.
- (2) A licensed insurer who contravenes, whether by act or omission, the terms of any such notice is guilty of an offence.
Maximum penalty: 1,000 penalty units.
- (3) A suspension may be effected only if:
 - (a) subject to subsection (4), a licensed insurer has contravened its licence or this Act or the regulations or the Insurance Industry Deed, or
 - (b) the insurer ceases to be an insurer authorised to carry on business under the *Insurance Act 1973* of the Commonwealth, or
 - (c) a provisional liquidator, liquidator or official liquidator, or a receiver, receiver and manager, official manager or trustee, is appointed over all or any part of the assets or undertaking of the insurer, or

- (d) the insurer is given a direction under Part IX of the *Insurance Act 1973* of the Commonwealth or an inspector is appointed to investigate the affairs of the insurer under Part V of that Act, or
 - (e) after receiving a report under section 9.22, the Authority is of the opinion that the insurer is, or is likely to become, unable to meet its liabilities under this Act or under third-party policies taken to have been issued by it, or
 - (f) there is any default by the insurer in the payment of principal or interest in excess of \$100,000 under any debenture, or series of debentures, issued by the insurer (except where the default occurs because the insurer genuinely disputes its liability to make the payment), or
 - (g) the insurer enters into, or resolves to enter into, any arrangement, composition or compromise with its creditors or any assignment for the benefit of its creditors, or proceedings are commenced to sanction any such arrangement, composition, compromise or assignment (except for the purposes of a reconstruction or amalgamation, on terms which have been approved by the Authority), or
 - (h) an application (other than a frivolous or vexatious application) or an order is made for the winding up or dissolution of the insurer or a resolution is passed for the winding up or dissolution of the insurer (except for the purposes of a reconstruction or amalgamation, on terms which have been approved by the Authority), or
 - (i) there is a change in the effective control of the insurer or the insurer becomes a subsidiary of a company of which it was not a subsidiary at the date of the issue of its licence, or
 - (j) the Authority is of the opinion that the insurer has failed to comply at any time with a condition imposed on its authority to carry on insurance business under the *Insurance Act 1973* of the Commonwealth, or
 - (k) a person claiming to be a creditor by assignment or otherwise of the insurer for a sum exceeding \$100,000 then due has served on the insurer, by leaving at its registered office, a demand requiring the insurer to pay the sum so claimed to be due, and the insurer has for 3 weeks thereafter failed to pay the sum or to secure or compound for it to the satisfaction of the person claiming to be a creditor, or
 - (l) there is returned unsatisfied, in whole or part, any execution or other process issued on a judgment, decree or order of any court in favour of a creditor of the insurer and the amount unsatisfied exceeds \$100,000, or
 - (m) the insurer has agreed to the suspension.
- (4) If the contravention by a licensed insurer of its licence or this Act or the regulations or the Insurance Industry Deed is capable, in the opinion of the Authority, of being remedied within 21 days after the contravention occurred (or such longer period as the Authority, having regard to the nature of the contravention and the need to protect the interests of policy holders and other persons, may reasonably allow), the Authority must not suspend the licence during that period.
- (5) The Authority may, by notice served on the licensed insurer, terminate the suspension of the insurer's licence if the Authority is satisfied that the licensed insurer is able to comply with the requirements that would be imposed on the licensed insurer if it were then to be granted a licence for the first time.

9.10 Imposition of civil penalty on or censure of licensed insurer (cf s 166 MACA)

- (1) If the Authority is satisfied that a licensed insurer has contravened its licence or this Act or the regulations or the Insurance Industry Deed, the Authority may, instead of suspending the insurer's licence:
 - (a) impose a civil penalty on the insurer not exceeding \$110,000, or
 - (b) issue a letter of censure to the insurer.
- (2) Before imposing a civil penalty, the Authority is required to refer the matter to a special committee for advice and to consider any advice provided by the committee.
- (3) Any such special committee:
 - (a) is to comprise the Chairperson of the Board of the Authority, a nominee of the Insurance Council of Australia Limited and another member nominated jointly by the Authority and that Council, and
 - (b) is required to give the licensed insurer concerned an opportunity to make written submissions with respect to the alleged contravention, but is not required to conduct a hearing into the matter.

If that Council fails to make a nomination for the purposes of constituting any such special committee within the time required by the Authority, the Minister may make that nomination on its behalf.

- (4) A civil penalty that has been imposed under this section may be recovered by the Authority in a court of competent jurisdiction as a debt due to the Authority.
- (5) A civil penalty that is paid or recovered is payable into the Motor Accidents Operational Fund.

9.11 Cancellation of licences (cf s 167 MACA)

- (1) The Authority may, by notice served on the licensed insurer, cancel a licence granted under this Division.
- (2) The Authority may cancel a licence for any reason it thinks fit, but must give the reasons for its decision.
- (3) Without affecting the generality of subsection (2), the Authority may cancel a licence for reasons that relate to the motor accidents scheme under this Act generally, whether or not the reasons relate to the efficiency and conduct of the licensed insurer.
- (4) The Authority must, as far as practicable, give a licensed insurer whose licence it proposes to cancel an opportunity to make representations on the matter.
- (5) A licence surrendered by a licensed insurer is not cancelled until the Authority approves of the surrender.
- (6) The Authority must not cancel a licence unless the Authority is satisfied that the licensed insurer has discharged all of its past, present and future liabilities:
 - (a) under any third-party policy in respect of which it is the insurer, and
 - (b) to the Motor Accidents Operational Fund under Division 10.4, and
 - (c) to any other licensed insurer,or that the insurer has provided security or entered into other arrangements satisfactory to the Authority in respect of those liabilities.
- (7) If the Authority is unable to cancel a licence because of any such liabilities, the Authority may, instead, impose a condition on the licence that prohibits the insurer from issuing any further third-party policies.

9.12 Assignment of policies following cancellation of licence and in other cases (cf s 168 MACA)

- (1) In this section:
insurer means a licensed insurer, and includes a person whose licence has been cancelled or has otherwise ceased to be in force.

- (3) Policies may be assigned under this section by notice served by the Authority on the insurers concerned.
- (4) On the service of any such notice:
 - (a) the policies of insurance to which it relates are cancelled as from the date and time specified in the notice, and

- (5) On the cancellation of a third-party policy under subsection (4) (a), the insurer whose policy is cancelled must pay to the insurer to whom the policy is assigned:

 - (b) such additional amount as the Authority directs relating to the income from investment and the management fee with respect to the premium.
- (6) Any amount payable under subsection (5) to an insurer may be recovered by the insurer as a debt in a court of competent jurisdiction.
- (7) The effect of the cancellation of a third-party policy under this section is to terminate the indemnity period of the policy but, subject to this section, without affecting any right, obligation or liability acquired, accrued or incurred under the policy in respect of that period before its termination.

9.13 Records and evidence relating to licences (cf s 169 MACA)

- (1) The Authority must keep records in relation to all licences granted by the Authority under this Division, including particulars of:

- (2) In the following cases, *pre-accident weekly earnings*, in relation to an earner (other than a self-employed person) who is injured as a result of a motor accident, means:
 - (a) if, on the day of the motor accident, the earner was earning continuously, but had not been earning continuously for at least 12 months—the weekly average of the gross earnings received by the earner as an earner during the period from when the earner started to earn continuously to immediately before the day of the motor accident,

Note. Examples of a change of circumstances to which this subclause would apply include a change of job, a promotion, a move from part-time to full-time employment, or a pay increase arising from the achievement of performance standards.

- (2) In respect of any week after the motor accident in which the earner is entitled to a weekly payment under Division 3.3 the calculation of which depends on the amount of the earner's pre-accident weekly earnings, the payment is to be calculated on the basis that the earner's pre-accident weekly earnings are the weekly earnings that it is likely that he or she would have been entitled to in that week had the accident not occurred and had he or she continued in the employment.
