# Prisoners (Interstate Transfer) Amendment Bill 2005

## Explanatory note

This explanatory note relates to this Bill as introduced into Parliament.

## Overview of Bill

The object of this Bill is to amend the *Prisoners (Interstate Transfer) Act 1982* (***the Principal Act***) to broaden the range of matters that the Minister may have regard to when considering a request by a prisoner to be transferred to or from another State or Territory.

At present, the national co-operative legislative scheme permits the transfer of prisoners between participating jurisdictions for the purposes of standing trial or for welfare purposes. A transfer for welfare purposes may be made at the request of the prisoner concerned and depends on the Minister forming the opinion that it is in the interests of the prisoner's welfare that the prisoner should be transferred. The Bill amends the Principal Act to remove the limitation on the Minister's discretion in relation to transfer requests and provides instead that the Minister, when considering a request by a prisoner to be transferred to or from another State or Territory, may have regard to any of the following:

- (a) the welfare of the prisoner concerned,
- (b) the administration of justice in NSW or any other State,
- (c) the security and good order of any prison in NSW or any other State,

- (d) the safe custody of the prisoner,
- (e) the protection of the community in NSW or any other State,
- (f) any other matter the Minister considers relevant.
