**Proposed amendments**

---

No. 1 **Timber and forest products not to be used for electricity generation**

Page 8, Schedule 1 [8], proposed section 60ZY. Insert after line 14:

- (3) Local Land Services may not approve a draft plan unless satisfied that the draft plan includes appropriate measures to ensure that any forestry operations carried out on land to which the plan applies will not result in any timber or forest products being used for the purposes of electricity generation.

No. 2 **Timber and forest products not to be used for electricity generation**

Page 13, Schedule 2. Insert after line 13:

**[3] Section 11 Functions of Forestry Corporation**

Insert after section 11 (4):

- (5) Despite any other provision of this Act, the Corporation is not authorised to take, or authorise any other person to take, any timber or forest products from Crown-timber land (that is not a plantation) to be used for the purpose of electricity generation.

No. 3 **Timber and forest products not to be used for electricity generation**

Page 13, Schedule 2. Insert after line 18:

**[4] Section 44 Restrictions on issuing licences**

Insert after section 44 (8):

- (9) **Timber and forest products not to be used for electricity generation**

A licence may not be issued under this Act authorising the removal of any timber or forest products from Crown-timber land (that is not a plantation) unless the licence is subject to the condition that the timber or forest products must not be used for the purpose of electricity generation.
